## DEDICATION

Miss Mildred Lapan, Mr. Ray Young, Miss Thelma Davis.

To you Miss Thelma Davis, Miss Mildred Lapan, and Mr. Ray Young, we, the class of 1953, wish to dedicate our Galahi.

We wish to pay you tribute, Miss Davis, because, as our class sponsor, you have so unselfishly given your time and thought to our class problems as well as our personal ones. Through your careful planning and consideration you have guided each class venture to a successful completion.

To you, Miss Lapan, we wish to express our appreciation for your kind understanding and ready willingness to help at any time.

Mr. Young, we wish to thank you for your willingness to help. whether it is problems in physics and chemistry or our own little ones.

To each of you, we extend our thanks for making our school life more complete.

Galva Wildcats started their 1952 football season with forty enthusiastic players. Nineteen of these boys were freshmen. We were handicapped by the lack of experience and substitutes. Because of difficulties in the re-seeding of our field, it was necessary to play our home games on another field. Wethersfield was kind enough to allow this privilege.

The varsity didn't win very many games this year but the players did their best. At the beginning of the year the boys made many mistakes, but as the season progressed and they gained in experience and confidence, they made a much better showing.

The "B" squad, composed mostly of freshmen, had a poor season from the standpoint of winning games, but they improved greatly and next year we hope for a more satisfactory record.

This year's basketball squad was made up of five seniors, four juniors, and one sophomore. We feel that we had a fairly successful season. At the first of the season our losses outweighed our wins but as the team progressed in experience they evened up the scores. We finally ended up the season with twelve wins and thirteen losses. In the regular season the Wildcats tied for fifth place in the Blackhawk Conference.

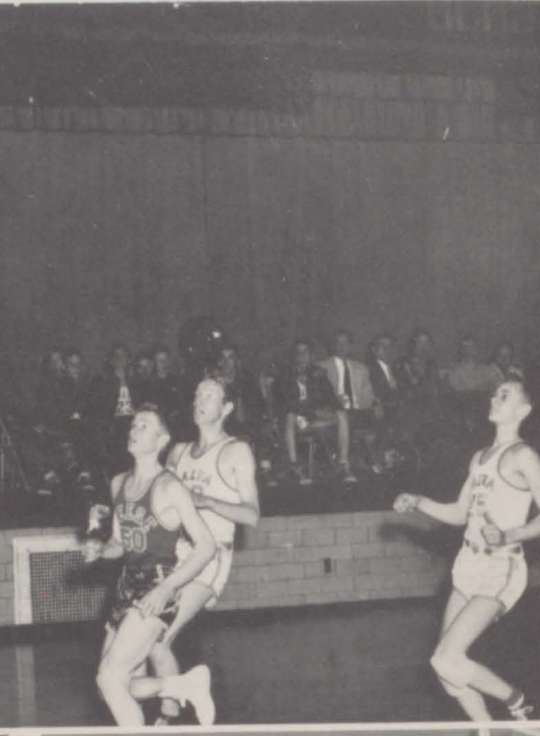

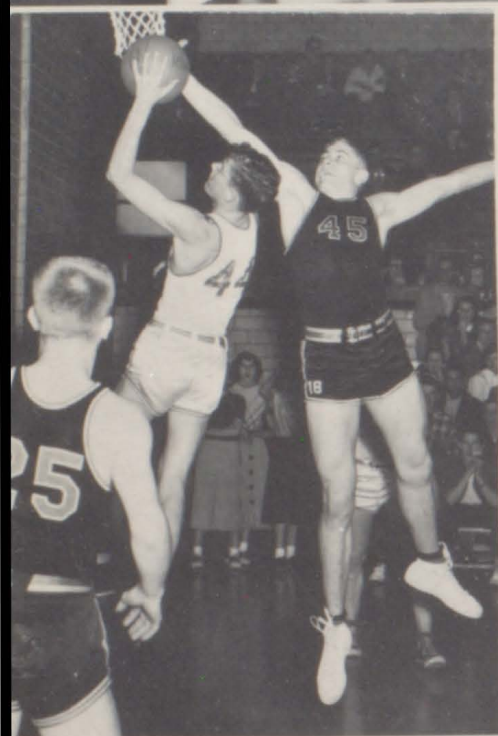

The boys feel that they had a good time in practice this year even though it wasn't all play. For instance they had to scrimmage for an average of an hour every night except the nights they played games. There were also a few selected boys who had to skip rope for an average of five to ten minutes every night.

As we go to press the Wildcats are slated to play Abingdon in the Galesburg Regional Tournament. The fans feel that we have a very good chance of winning this game.

# CHEERLEADERS

VARSITY SQUAD. LEFT TO RIGHT: Audrey Peterson, Nancy Anderson, Carol Freed.

We have had a hard-working group of cheerleaders this year. Both the varsity and junior varsity cheerleaders did a swell job of cheering and backing our teams through losses as well as wins.

Pep meetings were held before all the important games. At these pep meetings the students had a chance to rehearse their old yells as well as learn some new ones.

Due to an injury Sharon Halsall was forced to drop out of the junior varsity cheering squad near the end of the year.

We wish to thank the cheerleaders for the work that they have done and we are looking forward to seeing them cheer again next year.

# G A L A H I

The staff this year has done a lot of work, had a lot of fun, and gathered some wonderful memories. Mr. Whitehouse and Mrs. Nash have had to push us pretty hard at times but we always seem to come through by the skin of our teeth. (This was written the night before it had to be sent in.) The greatest shock of the year to us came when it was announced that we had only eleven pages left to complete the book. It brought mixed emotions. It's almost over. Is that good or bad?

The highlight of the year was an all day session at Mrs. Nash's home. We whipped through a lot of work, gorged ourselves at the dinner table, dropped a pie, and concluded festivities by spanking Bill Nelson. On the money side of the picture the "big deal" was the Galahi Carnival. We hope you enjoyed it; we certainly did.

To next year's staff we leave a file full of scrappaper, lots of luck, and two wonderful sponsors.

FIFTH ROW: Duane Else, Roger Anderson, Wayne Ericson, Wilbur Nelson, Guy Jones, La Vern Robertson, Roger Appell, F. Dale Long.

The F.F.A. started out this year with forty-two members in the organization.

We have had a busy year raising money by selling popcorn at all school activities, selling hog troughs, hog houses and garden seeds. We won a Purina Jingle contest with an award of one hundred dollars and a State Farmer Safety contest with a prize of one hundred dollars.

Our activities this year have consisted of our annual safety survey, a square dance, our annual F.F.A. Banquet served by the F.H.A. girls.

We sent three boys to the International Stock Show. At the present time we are planning a fishing trip this spring.

OFFICERS LEFT TO RIGHT: Roger Anderson, Larry Nichols, La Vern Robertson, F. Dale Long, Wilbur Nelson, Duane Else, Bruce Simmons.

The Future Craftsmen started out the year by electing the following officers: Lynn Black, President; Wayne Ericson, Vice-President; James Babcock, Secretary-Treasurer; and Joe Reid, Sargeant-at-Arms.

Early in the fall we joined with 12 other schools in founding a state-wide organization of shop students. The delegates who attended the meeting in Springfield from Galva were President, Lynn Black and Secretary-Treasurer, Jim Babcock. Jim Babcock served on the nomination committee to select the candidates for the state offices.

We had our usual trip to the Museum of Science and Industry in Chicago on November 1, where the boys enjoyed the exhibits of the newest products of science and industry.

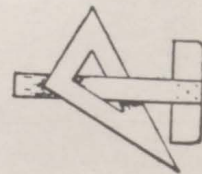

As usual we had the concession at the Christmas tournament where we kept the crowd supplied with things to eat and drink. J. D. was especially outstanding as a salesman of ice-cream bars.

A district meeting of the state group was held in Peoria on February 4 to select region II Vice-President. Delegates from Galva were Lynn Black, Eldon Krans, and Rolf Anderson.

As we go to press, plans are under way for an all day field trip to Galesburg to tour the Admiral plant and the Gale Products plant.

Our year will end with the annual banquet and the evening will be spent in eating, enjoying movies, and other entertainment.

We have had a good year in our classes and in our organization.

LEFT TO RIGHT: Lynn Eadie, Joan Thompson, Miss Dunlap, Judith Dewey, Marlene Stoneberg, Nancy Florine.

At the beginning of the school year, the previously elected officers of the Girl's Athletic Association began to plan their schedule for the "52-53" season. The officers chosen for the new year were as follows:

President . . . . .	Joan Thompson
Vice-President . . . . .	Lynn Eadie
Secretary . . . . .	Marlene Stonberg
Treasurer . . . . .	Judith Dewey
Point Keeper . . . . .	Nancy Florine

There were about ninety girls in the Galva Association of G.A.A. this year, and we had a full year of fun and activity. We met on Mondays for some spirited games of field hockey, basketball, volleyball, and softball. After we had practiced the games, we held a tournament for each sport.

Under the direction of Miss Marjorie Dunlap, our advisor, we raised money by sponsoring a bakesale and by selling candy and ice cream at the basketball games.

Near the close of school we held our annual banquet at the LeClaire Hotel. At that time the awards were presented, and the newly elected officers were installed.

KNEELING LEFT TO RIGHT: D. Garrigan (2nd semester Pres.), J. Babcock (1st semester Vice-Pres.), B. Kugler, B. Bonar, L. Anderson, B. Werkheiser, S. Stringer. STANDING: R. Anderson (Secretary), A. Ericson, C. Krans, W. Abbott, R. Grove (Coach), O. Freed (2nd semester Vice-Pres.), W. Nelson (1st semester Pres.), B. Olson.

The "G Club" consists of boys who are varsity letter winners. All members have earned a letter in either football, basketball, or track. We feel that we play a large part in school activities.

Our organization was very active this year. We sponsored the homecoming parade, the programs for the Galva Invitational Tournament and the programs for the Galva Relays. We also tried to keep up the morale of athletes who were ill by sending them cards, flowers, and fruit baskets. Another goal of our organization is to promote honesty, good sportsmanship, and the observation of training rules among our members. One of our good projects this year was to stop petty thievery in the locker rooms.

As we go to press we hope to sponsor an all school party.

# LIBRARY CLUB

The Library Club is an organization whose main purpose is to teach the students how to run a library efficiently. Each student librarian has a duty to perform such as checking books at the desk, taking care of the bulletin boards, dusting the books and shelves, filing material, and keeping the books in order.

This year the Library Club sponsored an all-school party on November 25th in the gymnasium. The first part of the evening was spent playing different progressive games in succession. The remainder of the evening was spent dancing. Refreshments were served by the Library Club members. Leo Cromien and Nancy Florine won the door prizes. The party was well attended, and everyone enjoyed the evening very much.

The officers elected for the first semester were as follows:

President . . . . . Joan Thompson  
Vice-President . . . . . Helen Sandstrom  
Secretary-Treasurer . . . . . Mary Robson

The officers elected for the second semester of the year were as follows:

President . . . . . Mary Ann Swank  
Vice-President . . . . . Linda Hutson  
Secretary-Treasurer . . . . . Mary Robson  
Library Reporter . . . . . Helen Sandstrom

We are very grateful to Miss Thelma Davis, our sponsor, for guiding us through the year and for helping us make the Library Club a more successful organization.

A new organization was started at G. H. S. this year, the F. T. A. Future Teachers of America Clubs, sponsored by the National Education Association, have been organized in several surrounding schools, and now Galva has joined them in the Blackhawk Division of F. T. A.

Interest in Future Teachers began in Galva last year, but there weren't enough students ready to form our own club. We did, however, send Valerie Lindbloom and Nancy Lapan to a meeting of the Blackhawk Division of F. T. A. Clubs held in Moline last year.

In November of this year, the Student Council decided an F. T. A. Club was needed in Galva High School. They asked Miss Lapan to sponsor such a club and promised to back the organization financially. Marica Knapp, Valerie Lindbloom, and Miss Lapan were sent as delegates to a Blackhawk Division meeting in Rock Island. Marcia was elected as corresponding secretary for the division. Shortly after this, our local F. T. A. Club was organized, with the following officers:

President . . . . .	Robert Olson
Vice President . . . . .	Judith Dewey
Secretary . . . . .	Lynn Eadie
Treasurer . . . . .	Donald Behnke
Librarian . . . . .	Marcia Hunt
Historian . . . . .	Nancy Florine

We feel that our club has been pretty active so far this year. Several students have done student teaching in Galva Schools and we hope to do a great deal more.

In order to get our Charter from National F. T. A., it was necessary to choose a name for the club. It is customary to name the club in honor of an educator. Our club unanimously voted for the name, Mildred Lapan Club, Future Teachers of America.

A system of honor points has been worked out where-by a student gets a point for each hour he worked doing student teaching and a great many other activities prescribed by the National F. T. A.

We feel pretty proud that we have been able to get such a worth-while club going in Galva. With Miss Lapan as sponsor and with twenty-two active members, we are sure to succeed.

The National Honor Society was started three years ago. Its purpose is to give credit to students who earn a B average or higher and to encourage better grades.

This year the National Honor Society consists of seven juniors and 13 seniors. The officers are as follows:

BAND

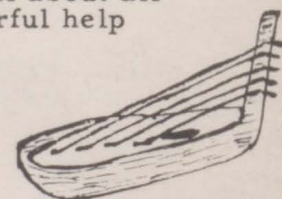

LEFT TO RIGHT, FIRST ROW: Jane Kelly, Nancy Florine, Lynn Eadie, Sharon Halsall. SECOND ROW: Judith Dewey, Donald Behnke, Mr. Smith, Director.

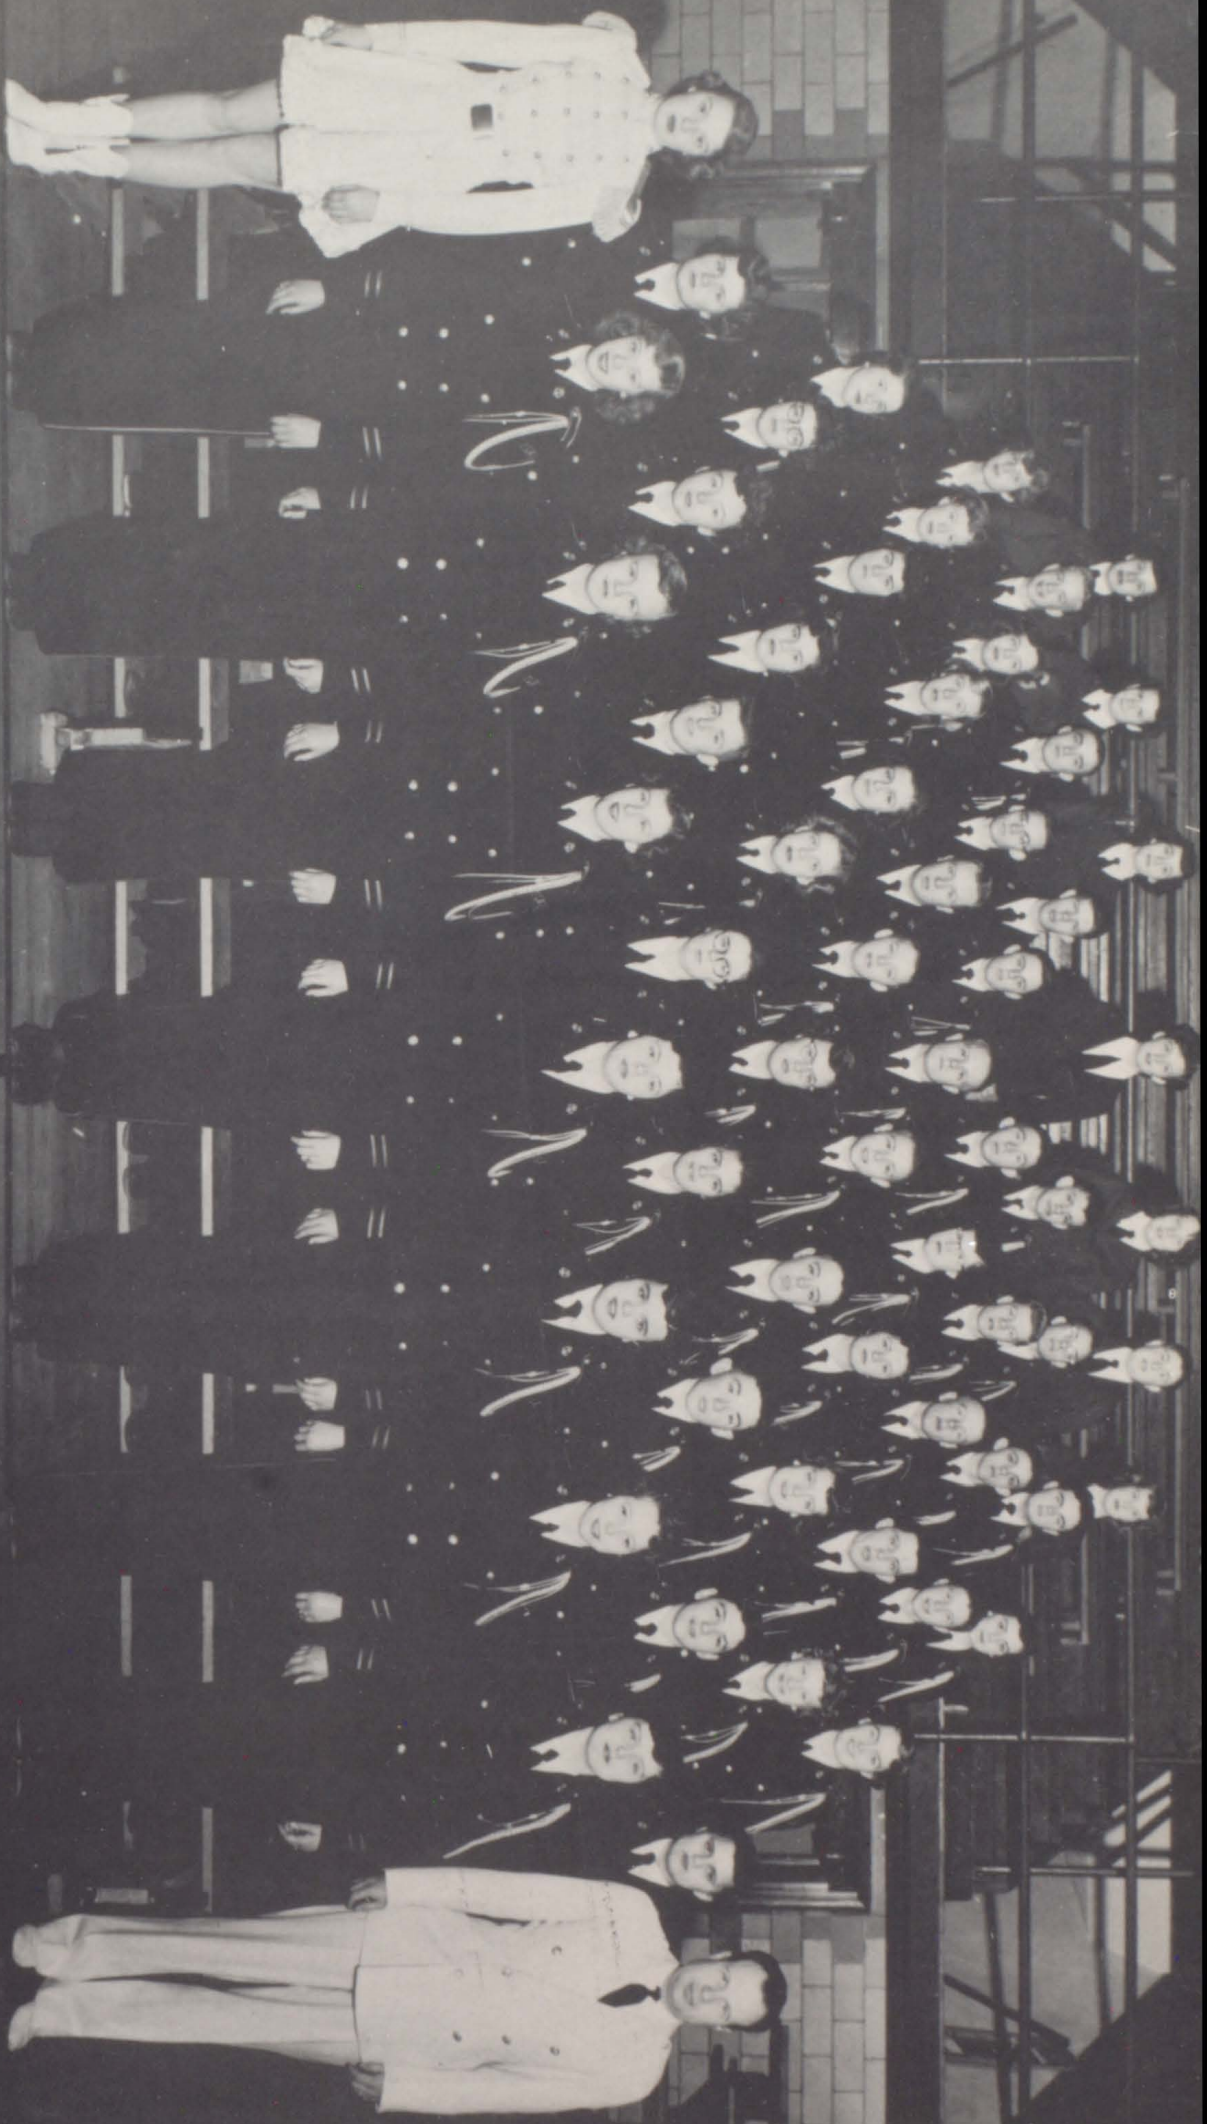

"Now band, face the east and imagine you're facing north. North is east, west is south, and south is east. Everybody understand?"

In a way somewhat like this the fifty-three members of the marching band managed to become confused every fifth period this fall. Since the football field was newly-seeded, we were really cramped for space. The lawn west of the school was the only available place to practice, and because it wasn't large enough, we spent most of the period backing up to keep from running into the bushes, the willow tree, or the school. It was even harder to get our maneuvers straight because we had to imagine that we were at Wethersfield. However, with the help of several noon practices at Wethersfield, we usually managed to have a good idea of what was going to happen by the time the half of the game came around. Judith Dewey in her beautiful majorette costume always led the way onto the field. She was followed by the color guard dressed in blue and carrying the American flag and our band flag. These were two new features of the marching band and we were really proud of them.

The first day of November was D-Day in Galva. "D" stood for doughnuts and with the tireless efforts of Mr. and Mrs. Alderman we made and delivered about 250 dozen doughnuts. With the "dough" that we made we bought beautiful white spats and two wooden guns to make the marching band look a little sharper. When our purchases arrived, we were convinced that they were well worth all the tired feet, sore arms, and lost sleep. This year the Lions Club is sponsoring the presentation of the Arion Award. This is a medal to be given annually at our spring concert to the graduating senior who has contributed most to the band during his school career. The senior to receive this honor will be selected by the band members of the senior class. We have had so many, many good times in band that we couldn't begin to tell about all of them, but we are certain that our band work with Mr. Smith's wonderful help will always be a memorable highlight of our school years.

## FIRST SEMESTER

LEFT TO RIGHT (SEATED): Eldon Krans, Ronnie Nelson, Donald Garrigan, Dick Alderman, Dean Winter, Elaine Werkheiser, Carlene Helmkamp. (STANDING): Richard Carper, Mrs. Nash, Larry Humphrey, Mr. Whitehouse.

The Student Council started out the year by sponsoring the Mixer. This was changed to the afternoon this year. The freshmen furnished the main entertainment and the council the eats.

The next big event was the Pekin district meeting held in East Peoria. Our delegates were Ronnie Nelson, Dean Winter, Dick Alderman, Carlene Helmkamp, and Elaine Werkheiser. Dick Alderman served as a member of the constitution committee.

The big event of the year was the founding of the Galva Teen Club by the student councils of the Jr. and Senior High Schools. This club meets on Saturday nights in the Lion's hall and provides a gathering place for the student bodies.

We provided an exchange assembly program for ROVA and they supplied us with one in return.

### WHAT WILL YOU HAVE?

This year our Future Homemakers of America chapter has been very active. The year started with the organization meeting on September 12. There was a total of one hundred and one girls who joined F.H.A.

Early in October several of the officers attended the House of Delegates meeting at Port Byron. The Galva chapter is very proud of the fact that Elaine Werkheiser was elected to the office of Public Relations Chairman of Section 10.

National FHA Week was observed November 2-8. On Sunday the girls attended the Lutheran Church as a group. During the week the girls did various deeds which contributed to the betterment of our organization.

The "New Worlds' Ball" was held in the gymnasium, December 19. Music for the evening was furnished by Doc Hunt. The gym was decorated with grey, blue, and white crepe paper. The highlight of the evening was the crowning of the New Worlds' Queen at the intermission. Helen Sandstrom, our president, was the Queen of the Dance. Her attendants were Mary Ann Swank, senior; Marilyn Windish, junior; Elaine Werkheiser, sophomore; and Carlene Helm-kamp, freshman.

On the night of March 20, the gymnasium took on a different appearance. This was the night of the FHA slumber party. The freshmen girls were in charge of the breakfast which was served the next morning. The big question the next morning was, "Did you slumber?"

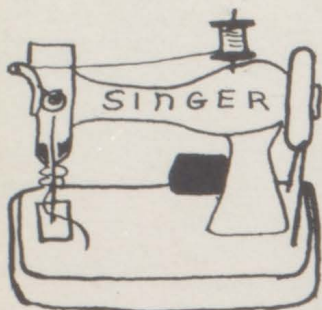

Also this year we sold candy, gum, coffee, and taffy apples at the football games in Wethersfield. We are very grateful to our chapter mother and father, Mr. and Mrs. Leo Windish, who were so helpful in aiding us with this project. Other projects were selling stationery, serving banquets, and baby-sitting at PTA Meetings.

The annual Mother-Daughter Banquet was held April 29. The achievement degrees were awarded to several girls. A candlelight installation service for new officers brought to a close the activities for this year.

This year the Junior Class presented the well-known play, "Mother Was a Freshman." Judith Dewey excellently portrayed the part of Abigail Fortitude Abbott, the mother, who had to take advantage of a scholarship in order to have enough money to keep her daughter, Susan, in college. Susan, played by Marilyn Windish, was quite upset over her mother's plan to attend college as were the college officials. Dean Gillingham,, played by Roderick Huber, was sure that this was just a publicity stunt and he watched Abigail very closely in the hope that she would break some rule so that he could expell her. When she and the zoology teacher, Professor Michaels, played by Alan Ericson, fell in love, it further complicated matters. On the night of the big formal everything seemed to go wrong, but it finally turned out happily.

Miss Peard, the director, well deserved the many congratulations she received for an excellent play. The whole Junior clas should be complimented for an outstanding production.

## NURSING HOME BURNS

THE KNAPP-EADIE HOME for the aged (formerly Was-son's Nursing Home) burned to the ground early this morning. The owners, Marcia Knapp and Lynn Eadie, stated that the fire was caused by defective wiring, installed by Jim Keeley's Electrical Appliance Shop.

Hobbling to safety were Mr. H. Ray Young, Miss Zelma Peard, Miss Nelrose Corkill, and Mrs. Juell Duren.

Miss Grace Diehl valiantly dashed back into the blazing inferno and rescued her butterfly collection. She later remarked, "It wasn't much, but it was worth it!"

Mr. Leonard Smith and Mr. Alvin E. Heck were forced to jump to safety from the third floor. (Donations for a new safety net will be appreciated!) Mr. Heck had been confined to the nursing home, having never quite recovered from the shock of the graduation of the class of '53!

Firemen LaVern Robertson and Wayne Wisely were injured while heroically trying to save some chicken wire which was stored in the basement of the home. (The wire was left from the 1st. place Homecoming Float of the class of '53'.) Commenting upon the accident, Fire Chief Duane Else stated, "It wasn't much, but it was worth it!"

## DAM COMPLETED

Head engineer, Dennis L. Steinbach has announced the completion of the huge dam at Lake Calhoun. Asked for a statement, Mr. Steinbach commented, "It took a while, but it was worth it."

## LOST AT SEA

The U.S.S. Illinois under the command of the daring seaman, Admiral Stephen Stringer, was reported lost in the perilous waters of the Edwards River. A search has been underway for several days, but no trace of the ship or the crew has been reported.

## CONVICT EXECUTED

The notorious forger, Owen Freed, convict No. 13131313 1/3 ended his career of crime at 10:17 P. M. today. His last gasping words were, "I confess, Wilbur. I wrote those notes to Rose. It wasn't much, but it was worth it."

## NEW-FANGLED CAR FAILS

While returning to Galva from the dedication of one of his latest architectural achievements, a modern hotel in Miami Beach, Florida, Jim Babcock stated that his self-designed diesel-engine car failed in the Everglades. He was marooned there for nine hours before he was found.

## THREE CAR COLLISION

Mr. Jack Peterson, salesman for Parkay Margarine, Inc., Mr. Wayne "Hustler" Ericson, and Mr. Cyril Cervantes, were hospitalized when involved in a three car collision at the corner of E. 109th St. and 55th Ave. in Galva. Mr. Ericson and Mr. Cervantes are members of the National Safety Council.

The wreckage was towed to the Sinclair Service Station owned and operated by Mr. Lynn Black.

## ACCIDENTS

Raymond Palmer's 1973 Ford was slightly damaged when side-swiped by a semi-truck driven by Helen Marie Selman, owner of Selman's Truck Transfer. Other occupants of the Palmer car were Eric Nordstrom, Glenn Charlson, Bob Werkheiser, and David Anderson who were enroute to Kewanee to collect their unemployment compensation.

### LEGAL NOTICES

Misses JoAnn Thompson and Helen Sandstrom, operators of the Sandstrom-Thompson Variety Store, located next-door to the Knapp-Eadie Nursing Home, filed a law suit Tuesday against Misses Knapp and Eadie, operators of the Nursing Home. They are suing for damages acquired by the establishment when valuable merchandise was destroyed as a result of fire. The fire of the Nursing Home incited several dogs and cats in the store and in the ensuing uproar, they destroyed many valuable Bing Crosby records. The hearing is scheduled for Monday afternoon at 2:00 P.M. in the Court House in Cambridge, Illinois.

## TRACK

The three seniors on this years track squad were Galva's only returning lettermen. Due to the inexperience of the boys our school has not placed in any of the meets this year but we have shown improvement. Alan Ericson has brought the most glory to the squad this year by placing in almost every meet. We feel that there are good prospects for a strong track squad in the next two years.

# SPRING

# SING

On Friday, May 8, the annual vocal festival was held in the gymnasium. Under the direction of Miss Nelrose Corkill a fine program was presented by the vocal department. The newly purchased choir robes were worn for the occasion.

Numbers were presented by the choir, girl's chorus, boy's chorus, sextette, and the mixed chorus. Donald Behnke and Donna Boston sang a duet.

The highlight of the evening was the appearance of Mrs. Sten Halfvarson, well-known soprano from the Chicago area. She was accompanied by Mrs. Frances Sherwood.

The Spring Sing was a great success and the vocal department received many well deserved compliments for their performance.

Ham Actors

The time was 8 P.M. Friday, April 17. The channel was 1953, station GHS. The occasion was Galva's first live TV program as the high school band presented its annual spring concert. Some 1,300 people watched the entire production on a lifesized "Galvania" television set.

After a test pattern had tuned up the viewers' senses of sight, hearing, and humor, the program got under way with the "Men of Music" march. Some of the outstanding features of the show included a sports broadcast, a "melodrammer", network line trouble, dancing puppets, and a pair of "cowpokes". Lightning bugs flew and glow-worms glowed as a huge worm made its appearance in the black light to a modern version of "Glow-worm". The highlight of the concert came when the Arion Award, sponsored by the Lions Club, was presented to Donald Behnke for his outstanding achievement in band work. Station GHS concluded its broadcasting with the playing of "Semper Fidelis" while the black light illuminated a reproduction of the American flag.

The band felt very fortunate in being able to use the new risers which the Board of Education had recently purchased.

The seniors were a little sad to think that this was their last concert. Preparing for the concerts had always been fun even though it had been hard work. The graduating seniors are Jim Babcock, Donald Behnke, Lynn Eadie, Wayne Ericson, Wilbur Nelson, Robert Olson, Betty Sterritt, Joan Thompson, and Joyce Willis.
