CLASS of '56

presents

GALANI

GALVA HIGH SCHOOL
GALVA, ILLINOIS

DEDICATION

There is a saying that "Great oaks from little acorns grow." We, the class of 1956, compare ourselves to acorns who, thru the years, have begun growing into what we hope will become solid oaks in the community, country, and world in the future. This growth has been fostered in the shelter of already standing, sturdy trees, our parents. They, like the giant sheltering oaks of the virgin forests have guided us in our first adventures into life. It is to our parents, in appreciation for the many sacrifices toward the fulfillment of our school years, that we, the class of 1956 proudly dedicate our GALAHI.

GALAH! PRODUCTION STAFF

The Galahi Staff wishes to thank its two sponsors, Mr. Whitehouse and Mr. Young for the fine help and co-operation they have given us in putting together this book. Mr. Young is a new sponsor on the staff this year. We all think he has done very well and has been helpful on many occasions.

This year the Galahi Staff looked forward with mixed emotions to planning the book that is now in your hands. We sincerely hope that it meets with your approval and will bring back memories of precious moments in your school days.

GALAHİ BUSINESS STAFF

After several debates we finally decided on the theme and also made the dedication. On the whole we were pretty "green" about most things, but before long we were hurrying along at full speed in order to meet the deadlines in time. Working on this book was a lot of fun and left us with many happy memories. All of us will remember Mr. Whitehouse and Mr. Young running from one group to another helping someone out of a spot.

We are sure that somewhere in our book you, too, will find many things that will make you especially remember this year.

FUTURE HOMEMAKERS

Our Galva Chapter of the Future Homemakers of America with one hundred and twenty members present held its first meeting on September 16. On September 22 the officers gave an Initiation Tea for the freshman girls and their mothers. This year we had a weiner roast with the Elmwood F.H.A. as guests. Our annual Hobo Day was held on October 29 and on November 5.

On November 12 the Pink Magic Ball was held. We enjoyed music by Billy Williams. The gymnasium was decorated in a soft pink. During intermission our president, Patty Hanson, was crowned queen. Her attendants were Kay Conlin, senior; Leota Collinson, junior; Nancy Falk, sophomore; and Lynn Melton, freshman.

of AMERICA

As in the past, we sold candy, gum, coffee, taffy apples, and hotdogs at the football games this year. In February a Family Night was held for the F.H.A. girls and their parents. Everyone enjoyed it and had a nice time. On March 16 a slumber party was held, and we stayed up until the early morning hours. The highlight of the year was our annual Mother-Daughter Banquet. The officers of next year were installed in a candlelight service and degrees were awarded.

We would like to thank Mr. and Mrs. Lloyd Hanson, our Chapter Father and Mother, for helping us this year. We would also like to thank Mrs. Whitehouse, our F.H.A. sponsor, for her help and co-operation in all our projects.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization made up of juniors and seniors who have maintained a B average or better. As an organization of honor students, our main purpose is to encourage better grades among our fellow students. This year we continued the project which was started last year, the Honor Society Tree. A formal initiation of fifteen new junior members was put on by the eighteen members of the senior class.

The National Honor Society had a very successful and active year under the sponsorship of Leonard Smith.

The officers were:

FUTURE CRAFTSMEN of AMERICA

Last May 20 the Future Craftsmen of America sent two delegates; Don Johnson and Charles Forest with Mr. Triebe, to the state convention of the Illinois Industrial Education Clubs, held in the Leland Hotel at Springfield, Illinois. At the convention the Galva Club was honored by getting two state officers: Don Johnson, State President; and Charles Forest, State Historian. Having these two state offices this year has helped bind the Galva Club together with other clubs in Illinois.

At the first of the school year we elected the following local officers: Garth Youngberg, President; Bill Cardiff, Vice-President; and Jack Townsend, Reporter. This year the club initiated 22 new members by making them ride a conveyer belt into a stock tank full of water.

The club sent Don Johnson, Charles Forest, Leland Hultgren, Dale Coziahr, and Mr. Triebe to the second annual Leadership Training Camp held for officers on September 16, 17, and 18 at Allerton Park, Monticello, Illinois. On October 15 members of the club enjoyed exhibits of newest scientific progress in a trip to the Museum of Science and Industry in Chicago. Dwain Bell and Bill Cardiff did a fine job in taking charge of our prosperous Christmas Tournament concessions. The club attended field trips at the I.I.E.C. State Convention at Moline on April 27. The annual banquet was held at Amy's.

The Galva Chapter of the Future Farmers of America had a successful year under the leadership of Mr. Liehr. He did a fine job of promoting the functions of the chapter.

A good chapter must do good things for the community so that the community will do good things for the chapter and help it accomplish its goals. One community service that our chapter did was participating in the state wide cornpicker safety campaign. During this we visited farmers and warned them of the danger of cornpickers. We also held our annual pest-killing contest when we divided into teams, and each team tried to kill the most pests that do damage to the farmer's products and property. The winning team was treated to ice cream.

FUTURE FARMERS

FIRST ROW: Mr. Liehr, Advisor; D. Bell, Vice-President; R. Anderson, President; R. Beeler, Secretary. SECOND ROW: B. Johnson, Sentinel; A. Hanson, Reporter; J. Clayton, Treasurer.

To help the chapter the First National Bank of Galva sent three boys to the International Livestock Show in Chicago. The people in the community also helped us by buying garden seeds which were sold by chapter members.

We made money by selling popcorn and pop at the football games and popcorn at the basketball games. The chapter was also in charge of the concessions at the Galva Relays and the Blackhawk Track Meet.

The high spot of our year will be our fishing trip to Minnesota on the first week after graduation. We feel that this is one of the best ways for a chapter to make use of the money it makes.

Again we would like to thank Mr. Liehr for the work he put into our organization. He did a fine job of encouraging everyone to take part in the chapter activities. We all feel that much has been accomplished during this year both for the good of the community and for the good of the chapter.

FUTURE TEACHERS

This year is the fourth year of the Mildred Lapan Club of F. T. A. We have an increased membership this year and have been very active.

One of our most successful projects was American Education Week, which was held in November. During this week we taught in assigned classes, cleaned school lockers, helped teachers, helped clean school grounds, and attended church in a body. Juniors and Seniors observed teaching in the grade schools in November and February.

of AMERICA

Our Christmas project was very successful; we helped the Lions Club fill their baskets for the needy which included food, toys, and clothing. At certain meetings we had special teachers talk to us about different phases of teaching. Some of the club members presented programs.

Some of our members attended State Regional meetings this year, and others attended District Blackhawk Association meetings. We are very happy that one of our members, Marge Nelson, was elected attendance-keeper of the Blackhawk District F. T. A. Organization. Marge also served as an usher at the Blackhawk Division Meeting at Rock Island High School in October.

GIRL'S ATHLETIC ASSOCIATION

The Girls Athletic Association had a membership of 70 girls this year. We played many exciting games of field hockey, aerial darts, basketball, volleyball, and softball. Many of the girls went swimming during the winter and in the early spring we went bowling. We were fortunate to have Miss Harper, our physical education instructor, as our sponsor.

In order to finance our organization, we raised money selling candy and ice cream at the basketball games. This summer we are sending two representatives of our club to attend the State G. A. A. Camp in Bloomington.

We plan to close our season by holding a picnic at the end of the year. At this time we will present awards and install the newly-elected officers for the next year.

VOCAL

This year the chorus was directed by Mr. Leonard Smith, the band director of Galva High. In the fall we studied musical pitches and vocal control. Then we started learning music for a Christmas vesper service in combination with the band on December 18. On February 13 we put on a program for the Galva Rotary Club when we sang several selections. The next point of interest was the program we gave for the Woman's Club on Valentines Day. Following that we went to the Blackhawk Vocal Festival which was held at Princeville in March.

We feel that this has been a very successful year for Mr. Smith and us, and we would like to sincerely thank him for his efforts toward making it so successful.

The calendar for the Senior Band during the 1955-56 term has certainly been a busy one. Everyone worked hard to make all the activities undertaken a success.

The drums purchased by the Band Boosters were a new feature of the marching band this season. The sparkling gold color of the four snare drums and the large bass drum really set off the appearance of the band. Although we did not get to march at the Homecoming Game because of rain, our other appearances were very much enjoyed by the enthusiastic spectators. With the close of the marching season, the band continued to play by making appearances at the home basketball games. In addition, a Christmas Vesper Service, requiring much preparation, was given. This program consisted of the more serious Christmas music, and each selection was introduced by a member of the senior class. When school was dismissed for Christmas vacation, the band entertained at the school assembly.

Shortly after the new year began, the band traveled to Wethersfield to play with their band between games and at half-time of the Wethersfield-Galva game. We welcomed this opportunity and carried the Galva spirit and band tradition on in fine fashion. Amidst all these varied activities a dance band has been organized. At present it hasn't made any public appearances, but it has several engagements coming up in the near future.

The band again played at the Blackhawk Band Festival in Wethersfield, which was considered its usual success. Our spring concert this year was Friday, April 13. We all feel that we put on an extremely fine concert this year in spite of the date.

Much of our success this year has hinged on the very fine support of the Band Boosters. We of the band would sincerely like to thank them for all the many boosts they have extended along the way. Just recently this organization sponsored a Cake-Walk, the proceeds of which were given to the band to spend as we saw fit.

Our hats are off to Mr. Leonard Smith, who through all has guided us, directed us, and worked us into a smooth and capable group of musicians. All twenty-six of us seniors hate to leave, and we say thank you, Mr. Smith.

" G " CLUB

The "G" Club is a service organization composed of major letter winners of Galva High School. The letter may be won in football, basketball, track, or as a manager. The officers elected for the year were Don Johnson, President; Harlo Westlin, Vice-President; and Neil Pobanz, Secretary-Treasurer. The club had 23 members with Bob Grove and Ralph Barclay as sponsors. The "G" Club sponsors the homecoming bonfire and parade, the Dad's night football game, the Galva Invitational Tournament programs, and the Galva Relays programs. Each year the club leaves a gift for the improvement of the school.

The club officers are as follows: LEFT TO RIGHT: Harlo Westlin, Vice-President; Don Johnson, President; Neil Pobanz, Secretary-Treasurer.

STUDENT COUNCIL

One of the first events to be sponsored by the council was the mixer for the freshmen. This year we were very fortunate to have Blackhawk Football and Basketball Champions. The Council sponsored a Victory Party for each of these occasions.

One of the main events is our participation in the district conventions. This year at the Pekin District Convention at Macomb, Janice Hepner was on the Resolutions Committee. Those accompanying her to the convention were: Fred Lord, Larry Pahlow, Linda Nelson, Nancy Falk, and Mr. Whitehouse.

We also sponsored the Christmas Program. Each class was responsible for a part of the program, and the council served refreshments afterwards. The council also put up many Christmas decorations around the school.

Besides the social affairs the Student Council acts as an advisory group between the administration and students.

SECOND SEMESTER

SEATED: J. Clayton, B. Johnson, Treasurer; H. Westlin, President; M. Matson, Secretary; P. White, Vice-President. STANDING: F. Lord, M. Conlin, Mr. Whitehouse, Sponsor; L. Lindberg, L. Appell, D. Johnson, R. Jones, L. Pahlow, Mrs. Nash, Sponsor.

LIBRARY CLUB

In every school there must be one center where a student can go to get information. Our library serves that purpose. The student librarians are there to help each person find the information they may be looking for. The members of the Library Club are responsible for the care of the library and the books. Each member has a duty which they must perform; such as checking books in order.

On the calendar for the year our activities included an all school party, a movie, and selling serving spoons to buy new books and pamphlets.

We are greatly indebted to Miss Thelma Davis, our sponsor, for her willing help throughout the year.

The Library Club officers are as follows: First Semester-C. Bridges, President; S. Armstrong, Vice-President; M. Clucas, Secretary-Treasurer; C. Wexell, Reporter. Second Semester-L. Collinson, President; R. Rushing, Vice-President, Absent.

When a prom becomes a kidnapping fiasco, and a festival-bedecked room is the scene of tears and moans, something is amiss. The fly in the ointment is Laurie, a minx who just won't let other girls' boy friends alone. If she'd only settle on one man, and stop "playing the field!" But she refuses, so Jinx and her chums plan to have her spirited away on the night of the prom by Socki, the sleepy-eyed football hero. He's obliging, too, since he'd rather see a game at near-by Javerhill anyway, than go dancing. All might have gone as planned but Eddie Fowler, intent on doing something daring for a change, runs off with Laurie in her big Cadillac.

Hours later, a frightened Eddie reports that the car is somewhat damaged, and that a hysterical and furious Laurie has run off into the woods. In the meantime, Laurie's distraught mother circulates the report that her daughter is kidnapped. The sheriff, the governor, and a panicky group of accomplices in the plot are all in a stew. Eddie is arrested, and when Laurie secretly returns that night and hatches a plan to get him convicted, Jinx intends to quiet her by tying her in the locker room. But there's a lot of confusion. Lights go on and off. Somehow Sally, a newspaper woman, is the one who's bound and gagged. The sheriff's posse fires at everyone in the darkness. What a rumpus!

Miss Davis and the cast greatly deserved all the praise they received.

VARSITY

In the pre-season speculation of this year's season, Galva was rated as going through the season winless. A combination of team work and an unconquerable will to win was what we needed. Galva emerged from the haze of work and sweat on top of the conference. Two words strike a chord in the hearts of the Galva football players, Blackhawk Champions. It would be hard to pick out individual stars because there were so many of them. The best we can do is to say "nice going boys!" Along with a championship team comes a champion of a coach and that we have.

"B" SQUAD

The future varsity players had a fine season this year with one conference loss to Bradford and a non-conference loss to Abingdon. This gave them an outlook of anticipation to the forth-coming seasons. The ability of any member to score at any time made them a constant threat. In their years on the varsity, they will be a serious contender and must be reckoned with by their opponents. The inspiration and guidance behind this highly victorious season for the B-squad was Coach Bob Grove.

It takes a fine group of girls to back a team and to lead the fans in cheering. This year our cheerleaders did a fine job in upholding the reputation set down in previous years, and perhaps raised it a certain degree. It is hard to estimate the value a group of cheerleaders has to a team, but both this year's varsity and B-squad cheerleaders could be counted on when they were needed.

VARSITY

Following the example set by the football squad of winning the Blackhawk Championship, we could be satisfied with no less than to follow in their footsteps. Composing a 12 and 2 conference record and 24 and 4 record for the season, this year's "Wildcats" truly have had a year to remember. While our 21 game winning streak was going strong, we had as many fans coming to see our out-of-town games as our opponents had. It is very fitting that such a successful season should come to this fine group of boys. It is just as fitting that this group should fall into the competent hands of Coach Bob Grove. Mr. Grove has done much in leading the boys through this fine season, and we feel that he deserves the hearty congratulations of both the team and the fans.

In this year's Regional Tournament held at Galesburg, Galva swept past Corpus Christi and Knoxville to advance to the finals, but went down to defeat at the hands of the state's third rated team, Galesburg. We feel that this was no great defeat and that this year's team was truly a great one.

"B" SQUAD

This year's "Wildkittens" showed that they had the ability to fight hard and come out on top. They have followed the example set by the "B" squad two years ago by winning the conference once again. Out of the three years we have had a "B" squad conference, Galva has emerged victorious twice. That unbeatable determination that makes every team successful was shown throughout the entire season. The Galva fans can look forward to many fine seasons in the future if Coach Barclay continues to instruct his boys in the art of basketball in the way he did this year.

In the "B" squad tournament at Princeville our "Wildkittens" didn't play their usual brand of ball. They were able to beat Wyoming; but when they came up against Princeville and Toulon, they just didn't have it. All in all, however, the team did a good job of representing the school and came home with a 4th place trophy.

SCHOOL BOARD

The general efficiency of the operation of the schools in the Community Unit District 224 is the direct responsibility of this board. Meeting at least once a month and sometimes meeting twice a month, the board, under the direction of President Willard Thomson, developed policies that have created continual betterment of our educational system here in Galva.

Although the efforts of the school board often go unnoticed and unrewarded by even a "thank-you," it is our realization that without this fine group of men our school would be at a standstill. As a tribute, we, the class of 1956, would like to thank the board for their part in making our four years in high school happy and productive.

Mr. Robertson, it is our belief that the expressions of gratitude that you may receive from time to time from a graduating class may be few and far between. Yet, you may rest assured that this is not because there is no thanks due you. Indeed your help, no doubt, has been extended many times behind the scenes without our knowledge. Thus, we the Galahi Staff of 1956, would like to extend our sincere thanks to you for your services, both direct and indirect toward us.

H. M. ROBERTSON
Superintendent of Schools

A. E. HECK
Principal

Mr. Heck, our appreciation for all that you have done for our class goes deeper than any verbal or written "thank you". In years to come we will all, at one time or other, have cause to wish we could pay you back for your many efforts in our behalf. To this end we would like to say "Thank you, Mr. Heck, for the many things you have made possible for us."

CLASS PROPHECY

"CLASS OF '56 FORESEES PICNIC OF 1966"

The Class of 1956 gathers under the huge willow tree on the lawn of their Alma Mater, Old Galva High, for their annual spring picnic in 1966. PATTY HANSON and TERRY BENNISON, owners of the Flamingo Night Club, shut one of their children's fingers in the car door in a hurry to see old classmates. LOU ANN ANDERSON, Registered Nurse, rushed to the rescue. While everyone was concerned with Kerry's hurt finger, one of JIM CLAYTON and MARGE NELSON'S small sons put a frog in CAROLYN BRIDGES'S cherry pie (Darrell's favorite). Jim is now President of the Chicago division of International Harvester Corporation, and Marge is on leave from her teaching duties in Chicago. HARLO WESTLIN just pulled up on his new rocket-propelled motorcycle after winning the championship at the Galesburg Motorcycle Races. WAYNE CRAIG sends his regrets from Galva's new hospital that he is unable to attend the picnic due to the fact that he tested CHARLES FOREST'S do-it-yourself guided missile kit and found it unsuccessful. NEIL POBANZ, Chief Photographer of WOMEN'S DAY MAGAZINE, photographed MARY ANN MURPHY and MARY KAY ROSE, who just landed at BILL CARDIFF and FRANK SCHNEIDER'S airport on leave from a Paris assignment just for the picnic. Neil is showing the following pictures: TOMMY ANDERSON, ice skating champion of 1955; LOWELL THULINE showing off his new jet-propelled John Deere eight row corn picker; CARLENE HELKAMP conducting her all-girl orchestra with SUZIE MASSINGILL as soloist; DON JOHNSON, star football player at Harvard University; and ARNOLD HANSON, Dean of Agriculture, breaking ground of the Memorial Agriculture Building at the University of Illinois. MARCIA WHEELHOUSE, kindergarten teacher at one of our local schools, is calling the group to dinner. ROGER BEELER, writer of the Best Novel of the Year, "DON'T SLIDE DOWN THE BANISTER, GRANDMA, IT'S A MANY SPLINTERED THING," gives the greeting. JACK TOWNSEND, Professor of Religious Education at the Chicago Theological Seminary, says grace. As we look around the table, we immediately see GARTH YOUNGBERG, better known as "Alphonse Nut," the new comedy sensation of Hollywood. At his right is seated JUDITH HUBER, who for the last five years has taken Ann Southern's position as the "Private Secretary." LOIS JEAN ROBSON, editor of ESQUIRE MAGAZINE, is showing off the cover of the June issue with glamorous DORIS FESLER on the cover. KAY CONLIN, panelist of "What's My Line," and RICHARD CARLSON, famous oil tycoon from Texas, are telling each other about his recent trip to Europe. Down the way is DWAIN BELL, sergeant of JOYCE EDWALL'S F.B.I. Service. Across the table is DON BONAR, who is known around the world for his accurate sharpshooting. I notice that GARRY HIER isn't here today. It seems that he had to work overtime tonight fixing Gorgeous George's hair for his wrestling match.

JOHANNA LORD, the owner of the famous Italian restaurant is giving her new pizza recipe. BOB BERGSTROM, telegraph operator at the Union Station in Ulah, and BLAINE JOHNSON, telegraph operator in Nekoma, are talking over their new partnership. Everyone is now clearing the table. BOB NELSON invited everyone out to his Lakeshore Country Club to swim in his elaborate swimming pool. ROGER CARLSON, an authority on used cars is showing off his new Super Eight Thunderbird which he purchased from CECIL LIKES'S Honest-to-John Used Car Sales. ROBERT ANDERSON is filling up his new Cadillac, which he is paying for by distributing Rozell's ice cream, with people to go to Lakeshore. After we are all at the swimming pool, we start talking to different ones who are resting from a strenuous swim. DAVID CHARLSON, who just produced a new orlon breed rabbit which took place at MASON HUFFMAN'S National Rabbit Show, is talking to SHERRY ANDRIS, who is designing a new sweater made of the orlon fur from this rabbit. Next we bumped into ROSE RUSHING, a famous Texas Rangerette, talking with her old pals. As we look across the lake, we see MURIEL CLUCAS, Red Cross swimming instructor, teaching PAT MURPHY, who is at present high cookie salesman for the National Biscuit Company, how to swim. Coming out of the bathhouse is JUDY WHITNEY and BETTY MASCALL, better known today as Bess Myerson and Betty Ann Grove on the "Big Payoff," discussing their jobs and their new mink coats. JACKIE NEWMAN MURPHY, waitress at the Lakeshore Country Club, is getting lunch ready out on the lawn. PEGGY MILLER and JUDY DAYMUDE, partners in Junior House of Milwaukee Dress Establishment, are stepping up to the table for lunch. JEAN CEDERBERG, professional model, is showing off one of their latest spring creations. DONNA WALKER, Cooke County Home Advisor, is describing Jean's dress to JANICE LIKES, editor of the VOGUE MAGAZINE. We'll stop now to listen to GUY JONES, disc jockey on WGN, announce the winners of the day's golf tournament. MARGE OLSON and JANE GOODLEY, famous golf figures in the world of sports, battled it out to the end, but Marge Olson is the winner. Out on the lake we spot KAREN MORSE'S yacht. Circling the yacht is Karen driving her speedboat which is towing ELAINE SCHUETTS on her new "donlite" water skis. Elaine is visiting with Karen, who is vacationing from her mansion in Beverly Hills, California. MARCIA SWANSON, P. E. teacher in Peoria High School, is having group recreation for the children. CAROLYN POLOUSKY, BETTY LOU KRAUSE, and SHIRLEY MCCUMBER are talking over old times around the tiny tots' pool while they are watching their children. It is getting dark now and everyone is preparing to leave. With all the food that was eaten and the excitement that has taken place, it looks as though Dr. Burdett Dunbar's office is going to be busy tomorrow; and his charming nurse, SUE ARMSTRONG will be busy too--being chased by the doctor.
