THE  
SENIOR CLASS  
PRESENTS

# 1960 GALAHI

GALVA HIGH SCHOOL  
GALVA, ILLINOIS

As we wend our way down the path of education and  
prepare for "Filling the Shoes of Life," we leave this 1960  
Galahi as a momento of our wonderful high school years.

# DEDICATION

Words cannot express our appreciation for the help you have administered us not only in our class projects but also with our individual problems.

Mrs. Myers, as our class sponsor, we wish to show our gratitude by dedicating to you this 1960 Galahi.

The pattern for the shoes which we must fill is fashioned by our Board of Education. Much time, effort, and responsibility--for which we are deeply grateful--go into the molding of these shoes.

To the Class of 1960, I wish the best of everything, health, happiness and success in all worthy undertakings. May you find that you are adequately prepared to "Fill the Shoes of Life" as you take over the places of those who have gone before you.

## ADMINISTRATION

A. E. HECK, A. B., M. A.  
Principal

Whether we like it or not, the high school graduate is going to be thrust into life's shoes. Succeeding generations of Americans have caused these shoes to achieve enormous size. Will our feet be up to the job of filling these then? The future of America depends on it.

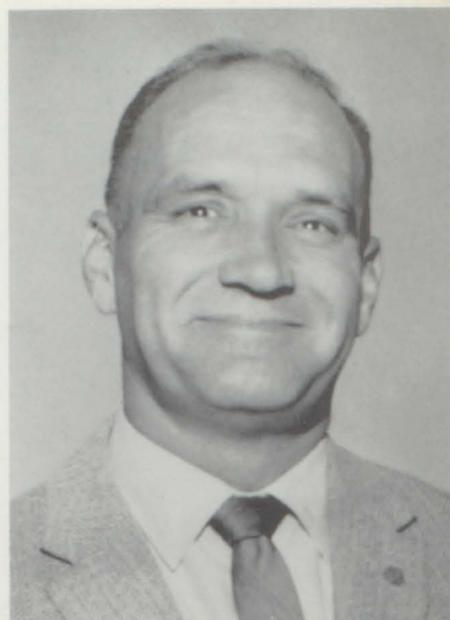

The education our graduates receive at Galva High School is enough only to begin this job. Our graduates cannot sit back and wait for success to seek them out. It is rather that their high school education is a kind of "warming up" process with the game of life coming later. The graduate must expand and develop his every attribute with education and practice for a positive contribution and practice for a positive contribution to his own community, state, nation, and the world.

And when they, as retiring players in this game of life, take off their shoes to pass them on to the next generation, let it be said of them that they did, in reality, "Fill the shoes of life."

## OFFICE PERSONNEL

We wish to thank our office personnel for a job well done. Mrs. Thompson and Mrs. Johnsen.

Our cooks, who play an important part in our school, have done a wonderful job in feeding us starving students. Mrs. Hansen, Mrs. Wheelhouse, Mrs. Hultquist, Mrs. Alverson, Mrs. Falk.

## MASTERS OF CUISINE

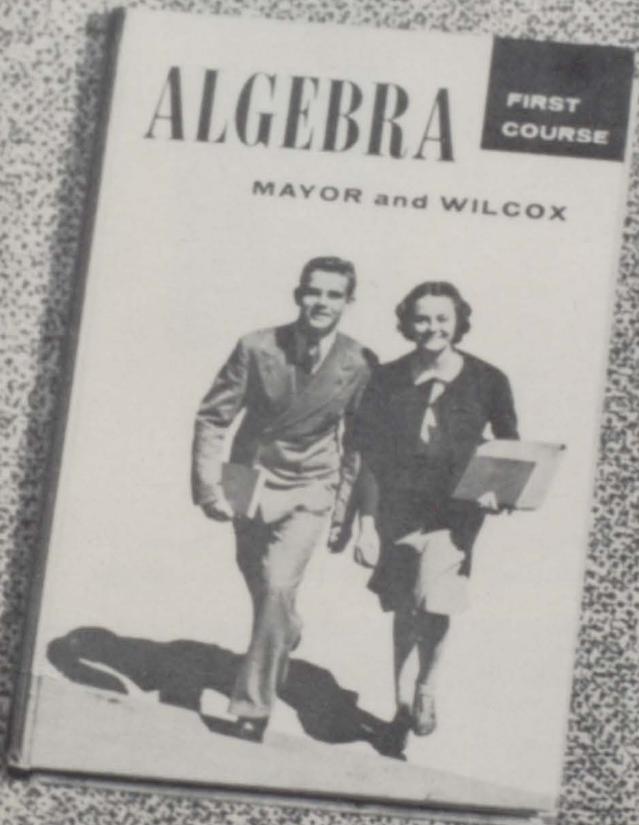

## CUSTODIANS

We certainly couldn't forget our janitors who have worked so hard to keep our school spic and span. They keep our building oh so neat, though trailed daily by many feet. M. Johnston, G. Lamb, G. White.

Rain or shine they are at our door, how could we possibly ask for more. They listen daily to our chatter, and though we're loud it doesn't matter. V. Doleslayer, O. Chilberg, E. Barlow, R. Halsall, G. Lindstrum, K. Anderson, E. Hamerstrand, S. Morgan, R. Johnson. NOT PRESENT: N. Gustafson.

# IN MEMORIAM

We, the students of GHS, dedicate this page to an industrious and courageous friend, Terry Smith, whose unexpected death occurred July 20, 1959. Terry, with his unlimited ability to work with wood, was well known as the school's handyman. FCA and band were his outstanding activities in school. He was a fine musician, not only on the drums, but also on the accordion. Terry will always be remembered for his dauntless spirit, willingness to help others, and perpetual cheerfulness.

## FOOTBALL VARSITY TEAM

Our varsity squad this year established a hard earned record of six wins and just two defeats. Despite unfavorable weather conditions, Galva still displayed the type of ball game that is favorable to the fans. Using the no-huddle offense, Galva was able to run many more plays than their opponents. Due to the snow and the extremely cold weather, our last game with Elmwood was cancelled leaving us in third place in Blackhawk competition. Because of the fine showing of the underclassmen, there should be other good Galva teams in the future. We wish to thank Coach John Thomas for his time and work in making Galva football a success.

## FOOTBALL B TEAM

The Galva B-Squad showed great promise this year with a record of 3 wins and 2 losses. Their first game with Princeville was cancelled because of heavy rain. They won 3 games in a row, but closed the season with 2 straight defeats. This team possessed the speed, size, and potential to be a title contender in the near future. We wish to express our appreciation to Mr. Billings and Mr. Holman for their fine coaching job.

Galva 46 Manlius 20

Galva 26 Princeville 7

Galva 12 Walnut 33

Galva 45 Toulon 6

The Galva Wildcats launched their 1959 season successfully. Galva's unusual no huddle offense proved to be too much for the Red Devils. Due to Galva's overall speed they were able to run up an impressive score.

Although the Princes were highly rated in pre-season predictions, the Cats had no trouble in moving the forward wall of Princeville. Galva's fast moving backs continually skirted the ends for long runs.

Galva 14 Dunlap 13

Dunlap's spirited defense thwarted the over-confident Cats. Galva clinched the game by scoring the winning touchdown and extra point in the final minutes of play.

Walnut's low-charging line riddled Galva's defense the entire first half. The Cats came alive the second half displaying their true ability at being a title contender. In short, too little too late!

Galva kept its hopes alive for the title in the Blackhawk by running wild over Toulon on the Trojan's gridiron. Galva spotted Toulon an early touchdown but roared back to bury the Trojans under seven touchdowns. Galva put on its biggest power display of the season with each back doing his share of the scoring.

Galva 26 Wyoming 14

Galva 20 Wethersfield 0

Galva 6 Bradford 7

Galva traveled to Wyoming and defeated the Indians in their homecoming game. Galva's defensive unit curbed Wyoming's fast backs which enabled Galva to control the ball for most of the game.

Galva's 1959 homecoming, although dampened by rain and fog, will be remembered as another victory over their nearby rivals, the Flying Geese of Wethersfield. Galva dropped their aerial attack to subdue the Geese with their very powerful and evasive running. The damp weather limited the Cats scoring to the first half.

Galva's fumble in the first half was the deciding factor in this defeat. Being behind 7 to 0 at the close of the first half, the Cats came back with a sound defense to halt the Panthers. The Wildcats scored the needed touchdown in the fourth quarter, but they missed the extra point attempt.

## VARSITY

This season was highly successful considering it was a rebuilding year. Losing several games by 1 or 2 points made the Galva record for the first ten games not very impressive. After reaching the finals in both the Galva and Toluca Tournaments, the Wildcats went on to post a 12-6 record in conference play to gain third place. In Regional play Galva defeated a scrappy Abingdon team before falling to the strong Silver Streaks. Galva finished the season with a fine 17-11 record.

Richard Falk broke his own Galva High School scoring record by pacing the entire state with an amazing 29.9 points per game. For the entire season Rich scored 833 points and finished his high school career with a total of 1,841 points in varsity competition.

## "B" SQUAD

The B-Squad team played some fine ball this year. Under the leadership of John Thomas, the team compiled a record of 12 wins, and 6 losses, finishing 2nd in the Black-hawk Conference. In the B-Squad tournament, Galva lost their first game to an inspired Walnut team by the score of 40-37. Considering that these boys are only freshmen and sophomores, we should have a fine varsity squad in future years.

## CHEERLEADERS

Our school was very fortunate in having such an attractive group of girls representing our team at the basketball games this year. It was not unusual for opposing teams to compliment our cheerleaders on their cheering abilities. Their ever-present support helped toward making the season a winning one.

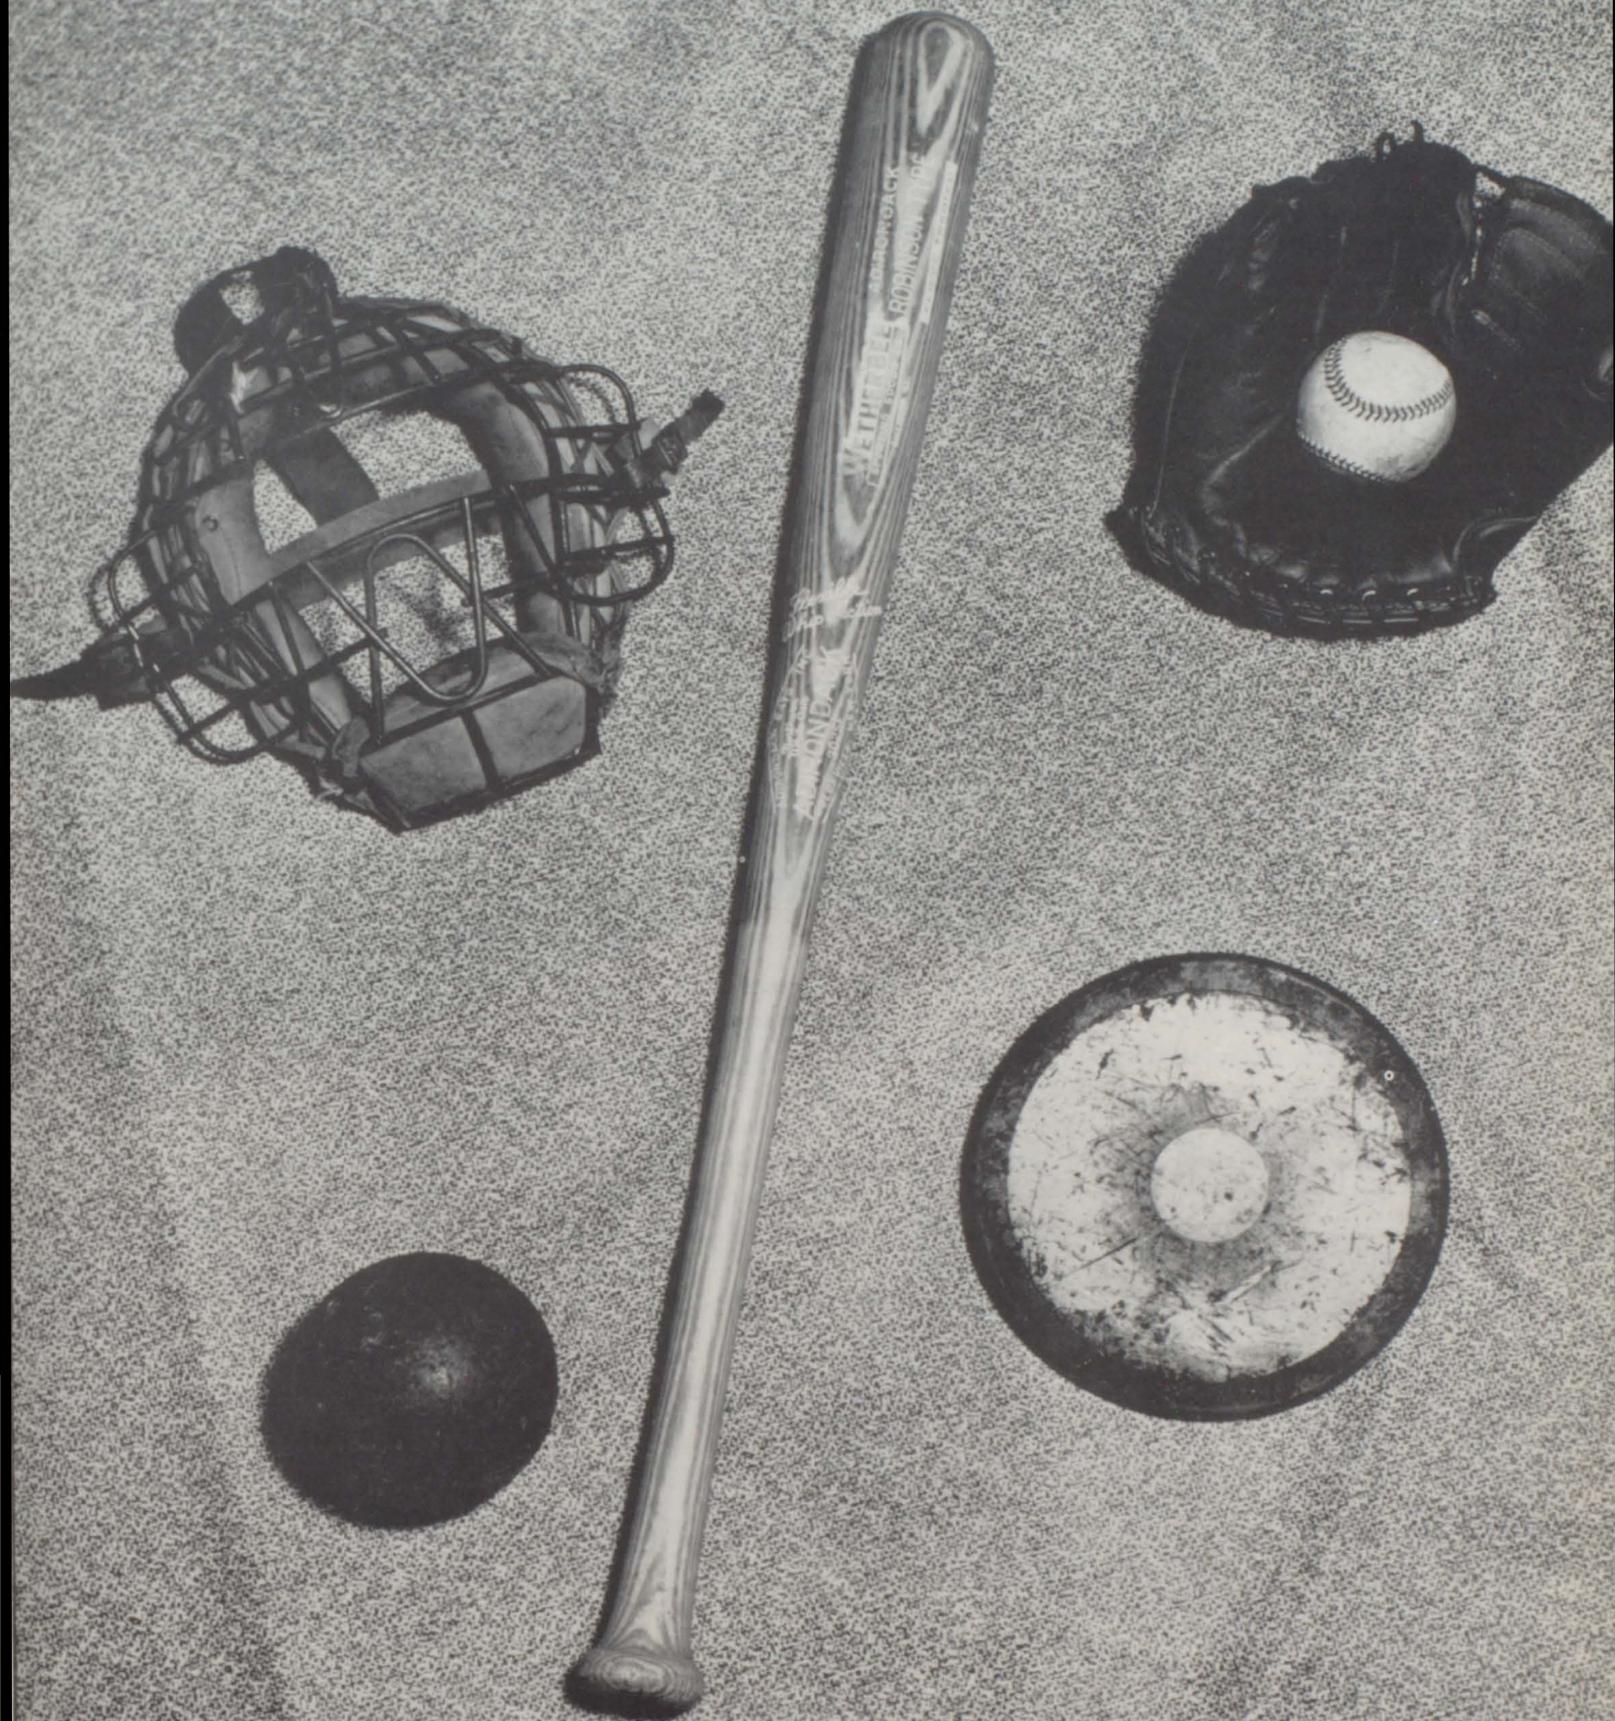

At the Regional Tournament the Galva High School Pep Club under the leadership of these cheerleaders labeled our school as a very enthusiastic student body.

## TRACK

The 1960 track team of Galva High School was one of the greatest in Galva High's history. Besides the scores listed below, Galva entered many large meets and did very well in each of them. In the Davenport Relays they placed eighth out of the twenty-two schools entered. At the Kewanee Relays, Galve outpointed many schools of larger enrollments. Hitting their peak in the Gateway Classes at Clinton, Iowa, the team raced off with the first place trophy in the Class B division. They placed third at Fulton out of seventeen schools entered. After placing second to Aledo in their own Galva Invitational Relays, the Wildcat thinclads won the Blackhawk Championship "with no sweat" over the arch-rival Walnut.

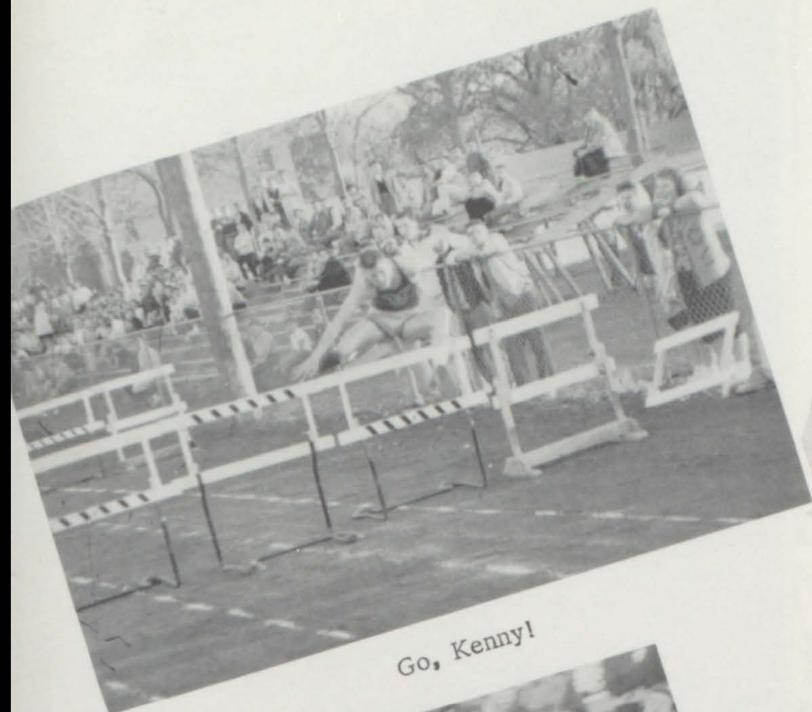

Paul Myers placed second in the 880 in the district and therefore, made the trip to the State Track meet at Champaign, where he placed eighth.

The track team wishes to thank Coach Thomas for making our team and our track the best in the Conference.

## BASEBALL

Galva had a rather disappointing baseball season in "60". The team was potentially a great team with many returning lettermen, but the lack of practice time resulted in the one win and three loss record acquired by the team. With many underclassmen earning letters, we can expect to see an improved team and a better record in the future. The community was saddened when Coach Billings announced he was leaving Galva High School for Glenbard High. We wish to extend our appreciation to Mr. Billings, a fine coach and a wonderful personality.

We, the members of the Galahi Staff, found the shoes into which we stepped to produce the 1960 yearbook more difficult to fill than anticipated.

At the beginning of the school year all four classes launched a successful magazine campaign to raise money for our project. We also sold candy every noon in the school cafeteria and pop at the home basketball games, as a result of much forceful persuasion by Mr. Young.

Our Monday night meetings at the school were a combination of food, fun, and hard work.

We hope that this Galahi will preserve the many memories encountered in one of the biggest steps of our lives--our high school education.

## N. H. S.

Imperative requirements for filling the shoes of life are character, scholarship, leadership, and service. These characteristics are developed by the National Honor Society. This society is not a social organization, but exists to encourage students to earn superior grades in high school. This year twenty-one juniors, who maintained a B or above B average during their first two years, were formally initiated into National Honor Society before the entire student body.

In addition to the traditional projects a new one was instigated this year in which each six weeks the members of the class having the highest total grade averages are awarded the new blue and gold National Honor Society arm bands.

On June 1, 1960, the juniors honored the seniors, winners of the pin contest, at the annual picnic at Wiley Park. Following the precedent of last year, the weather turned against us, and picnickers hurriedly moved to the gym. The members of the National Honor Society wish to thank Mr. Smith for guiding them along these very important footsteps of life.

Mr. Smith, Sponsor; R. Falk, President; A. Palmer, Secretary; C. Johnsen, Historian; K. Stonberg, Treasurer; Bonny Lundeen, Vice-President.

## STUDENT COUNCIL

The Student Council has taken many steps toward improving our system of student government. The year began by having a vigorous election of the council. For the first time the student council officers were elected by the whole student body; the council members, by their respective classes. The walls of the school were covered with signs containing such slogans as "A Blust is a must," "Make your vote a mighty mouse and vote for Whiteyhouse" and "Get out of the silo and vote for Milo."

The Freshmen initiation was a success. Many interesting assemblies and exchange programs for the students were arranged by the council. At their meetings every other Tuesday they rewrote the school constitution and solved the lunch line problem.

The main activity of the council was the annual Christmas program. All of the classes contributed to the well-rounded program which ranged from the humorous skit of the sophomores to the dedication of a Bible to Terry Smith. The members also decorated the school's Christmas tree.

All in all, the active council with the assistance of Mr. Whitehouse has had a prosperous and successful year.

## FUTURE

The F. H. A. whose theme this year has been "F. H. A. in Bloom," helps each of its members properly fill the shoes of a homemaker. The year 1960 gave us a pleasant memories of many unforgettable events; the Coke Party; Hobo Day; the Style Show, featuring the freshmen; The Mend-It Contest; and the Backwards Party. As always one of the big events of the year was the F. H. A. Formal which had the theme of "The Land of the Midnight Sun." In preparation for this event we had a panel discussion on "A Good Date Mate," before the entire student body.

As the school year came to a close, the Mother-Daughter Party and a tea given us by Mrs. Jones, our Chapter Mother, were held. We will never forget all the help given us throughout the year by our Chapter Sponsors, Mrs. Elva Whitehouse and Mrs. Betty Meredith, and by our Chapter Parents, Mr. and Mrs. Kenneth Jones.

## F. F. A.

With the guidance of our leader, Mr. Liehr, we learned how to fill the shoes of a farmer. To begin the year, each "Greenhand" received a "Future Farmer Lives Here" sign, a subscription to NATIONAL FARMER, and the official F. F. A. membership pin.

The F. F. A. helped the community this year by conducting a pest-killing contest, testing soil for farmers, and helping with adult farmer classes. We sold refreshments at all home games and garden seeds in the early spring.

At the annual parent and son banquet many outstanding students received recognition: Jerry Kuster, David Anderson, Gary Carlson, and Bob Thuline. Ralph C. Anderson, Carl Palmer, and Roy Holding received the honorary chapter farmer plaques. Judy Appell was chosen the club's 1960 Chapter Sweetheart.

Thank you, Mr. Liehr, for helping us to learn how to fill a farmer's shoes.

To completely fill the shoes of life, we should broaden our interests by reading. Excellent sources for this fulfillment are found on the shelves of the high school library. The purpose of Library Club is to familiarize its members with the procedure of the library.

The members have enjoyed a year of interesting and informative programs, varying from Mrs. Hedstrom's slides of Nova Scotia to Susie Goode's talk about her experiences as an exchange student in Turkey.

Several members visited the local schools to explain the purpose of National Library Week. To conclude a busy year of library activities, a picnic was held to honor the senior members and to thank Miss Thelma for her fine sponsorship.

## F. C. A.

The Future Craftsmen of America had a very successful year under the guidance of their able president, Larry Kaiser. Larry also filled the shoes of State President of Illinois Industrial Education Clubs. As such, he conducted the meetings of the state convention in Springfield in April and spoke at F. H. A. camp at Lake Bloomington, at the Leadership Conference in Springfield, and before the Executive Board of the Illinois Vocation Educational Association.

To earn money, the members sold concessions at the Galva Invitational Tournament. They also sold fire extinguishers. These projects made possible an enjoyable trip to the Museum of Science and Industry in Chicago.

The spring banquet honoring the senior members and the capable sponsors, Mr. Carl Whitehouse and Mr. Delbert Holman, brought the year to a close.

The members of the Girl's Athletic Association, under the leadership of "Stimp" Myers, donned their tennis shoes often this year to enjoy outdoor and indoor sports.

The Galva G. A. A. was hostess to several other schools in the fall for a "rainy day" playday held inside the school. The theme was "Vitamin G. A. A."

The money-making project for the year was the selling of candy and homemade sandwiches at the home basketball games.

Both a humorous and a formal initiation were held for the freshmen and sophomore members this year. The stunts performed ranged from giving imitations to applying mudpacks made of chocolate pudding.

The G-Club members joined the G. A. A. girls for a volleyball game and were guests at the picnic in the spring.

The senior members were honored by the junior members at a supper at Stimp's house in May. The fourth-year award was presented to eight of the senior girls, and the class of '60 was presented with a trophy for being the champs of all intramural sports for all four years of their high school career.

## FUTURE TEACHERS OF AMERICA

Without teachers to educate us, we would certainly be unable to fill the shoes of life successfully. The Mildred Lapan Future Teachers of America Club encourages students to become teachers and is proud of its alumni who have gone on to fill the great need for teachers in our nation's schools. Members have attended a number of out-of-town meetings, including a workshop at Port Byron. At one district meeting Ruth Helmcap was elected to the district office of corresponding secretary.

The programs at the monthly meetings have featured an exchange student from England and teachers of both normal and handicapped children. Two projects carried out this year have been observing in the elementary schools and substitute teaching.

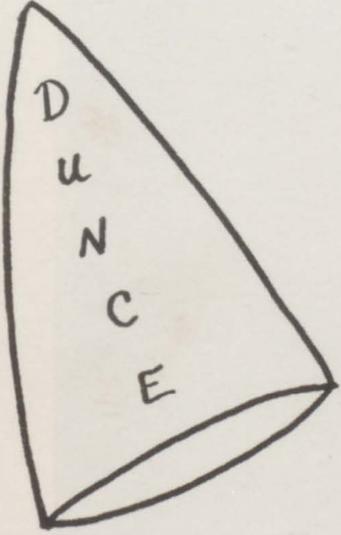

At the end of the year a picnic honoring the senior members was held in the cafeteria. Having followed the leadership of Mrs. Nash and Mr. Holman, members of the F. T. A. will fill the shoes of education without faltering.

# BAND

A marching band and spotless white shoes means the Galva High School Band is ready to perform. The weatherman didn't dampen our spirits even though he did interfere with the activities during the year. Many times white shoes were polished and ready to go when the rains came.

The Christmas concert this year was well received, and everyone felt that the public more than welcomed the return of such an event.

Our fine dance band played for a family dancing party and two school exchange programs.

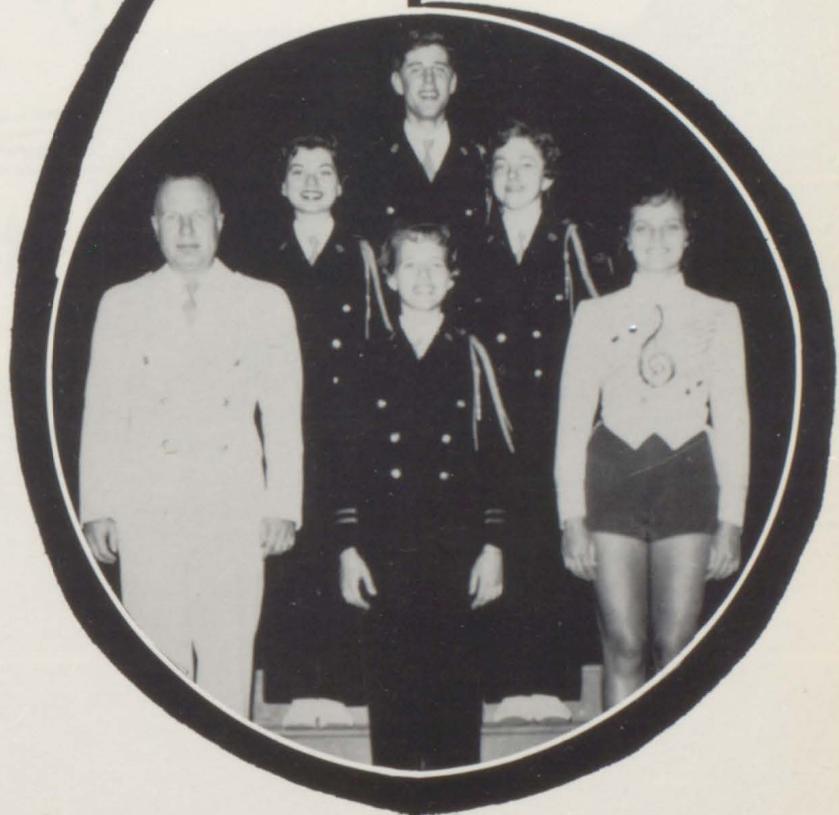

"Magic of Music" was the theme of our spring concert. Several special numbers included baton twirling, a dance routine with black light, and a peanut vendor.

Our band was the largest represented at the Blackhawk Band Festival in Bradford.

The seniors were again honored at the annual Band Boosters Banquet at which Mr. Kessinger, director of the University of Illinois band, spoke and at a buffet supper at Mr. Smith's house.

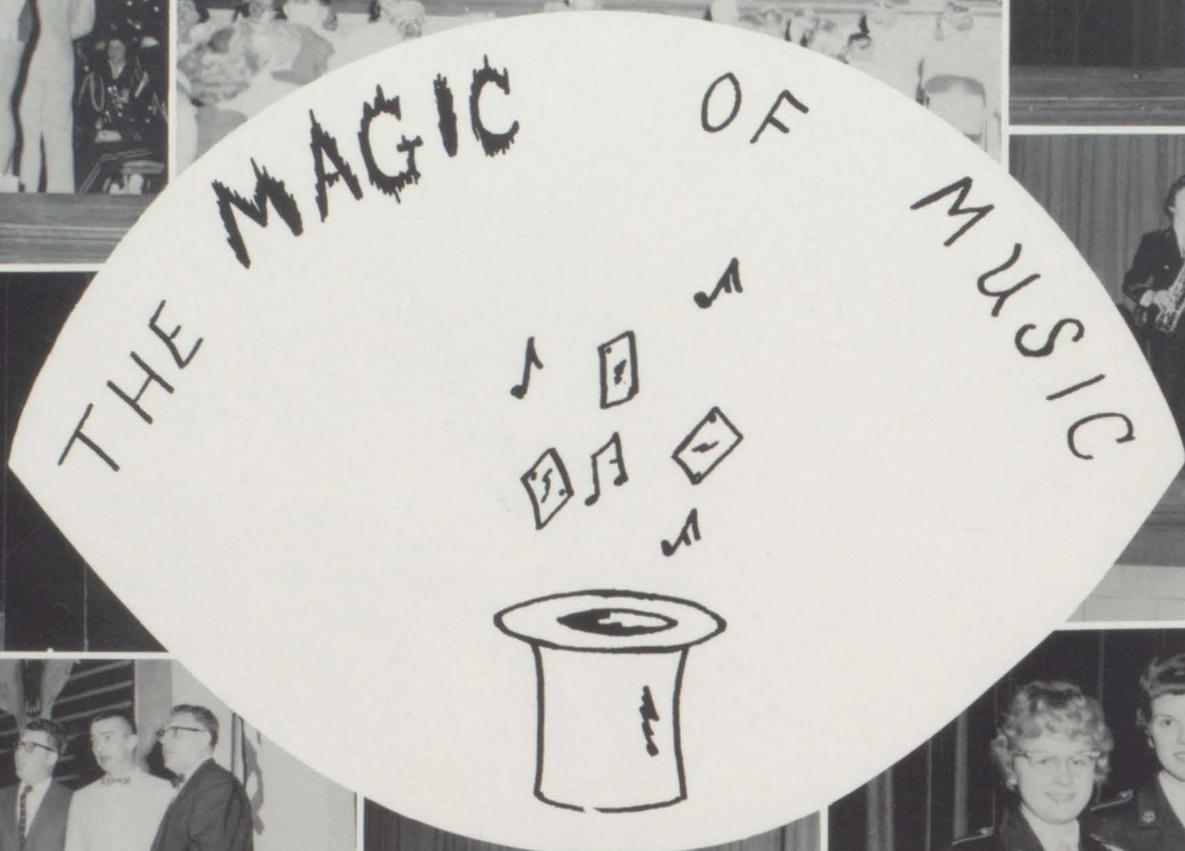

As we march out, we seniors - 27 strong - want to thank you, Mr. Smith, for your guidance during our high school career.

At 12:05 P.M. several days a week quiet footsteps left the cafeteria for the chorus room. The chorus this year was made possible through the efforts of the director and the students who were using their noon hour practicing for various programs.

The chorus appeared this year at the Christmas Concert, Blackhawk Festival, and graduation. We are especially grateful to our accompanists Sylvia Krans and Ruth Helmkamp, who played such an important part in our chorus program during the year. These girls represented Galva exceptionably well at the festival in Elmwood.

We have enjoyed singing this year, and we would like to say "Thank you Mr. Smith" for directing us.

JUNIOR-SENIOR PROM  
"Southern Enchantment"

As we approached the southern mansion, we were greeted by the field workers who stabled our horse power. The ladies were escorted to the door by butlers, and as each couple entered, the head butler announced them. Southern hospitality was truly displayed by the southern belles, stable hands, and butlers.

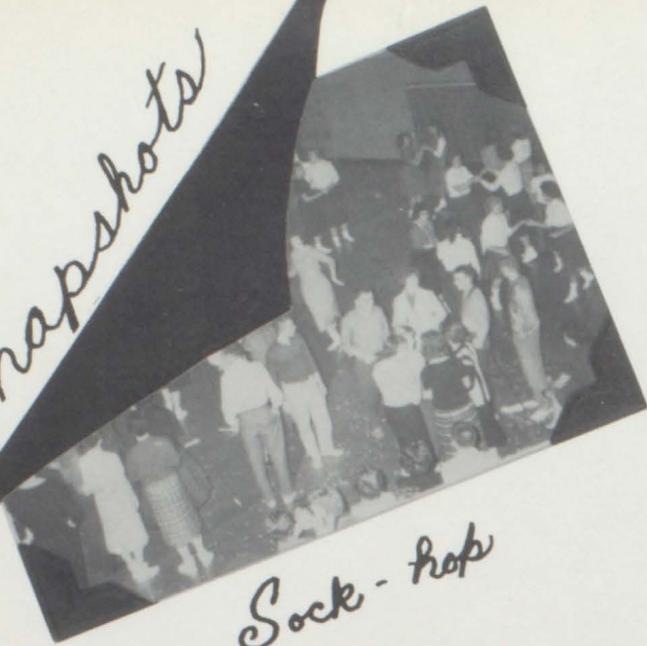

After a delicious southern meal the juniors and seniors enjoyed the speeches given by the Kentucky Colonel, the Governor of Georgia, Uncle Tom, the Belle of Dixie, and Massa.

The music at the ball was furnished by the Western Illinois University dance band. the seniors were truly enchanted by the prom, and to the juniors we would like to say "Thank You."

Down through the years we pledge our lives to thee;  
Down through the years we'll have fond memories;  
When we depart, we'll proudly bear your name;  
And in our hearts your praises we'll acclaim.

Amid your cheers we leave these hallowed halls;  
And cast our fears behind to face life's call;  
And though the game of life brings pain and tears,  
We're thankful for your care down through the years.
