GALAHU

GALVA HIGH SCHOOL

GALVA, ILLINOIS

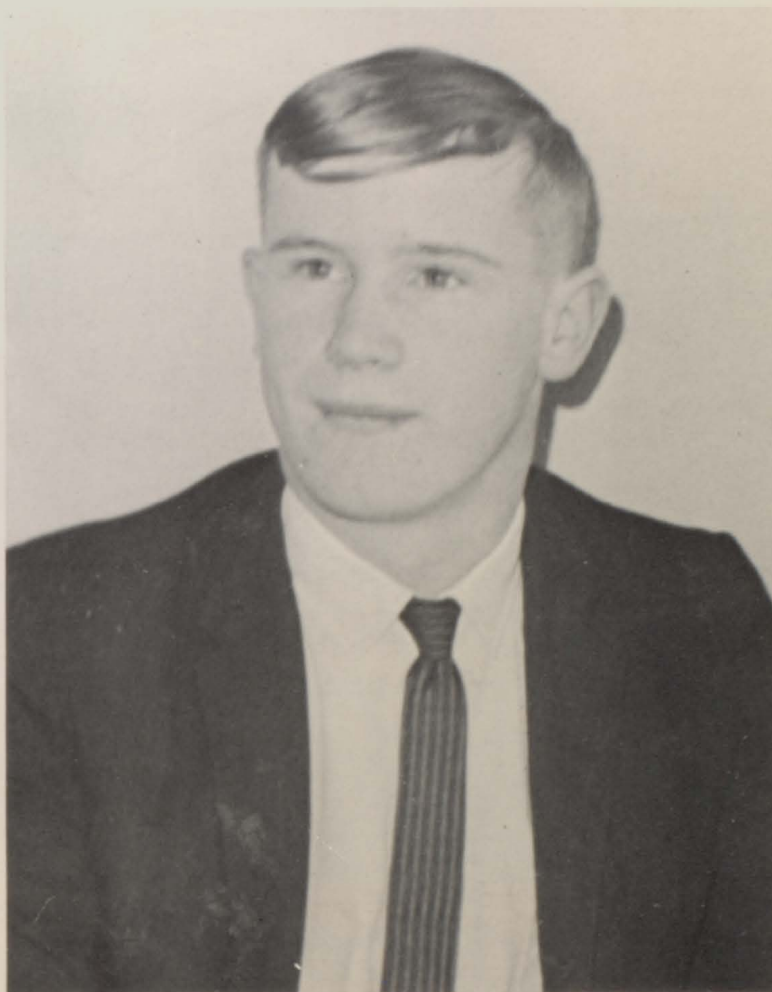

As the means of transportation
have progressed over the years,
we seniors have also progressed.
This book symbolizes our growth in not
only our education, but our activities and
sports.

We have yet much travel ahead of us
as we go our separate ways. We have just
the foundation on which to build and grow
more.

Now let's begin our travel through
this year's high school days.

DEDICATION

TO THE MEMORY OF BILL GRICE

We, the class of 1967, do hereby present this yearbook to the memory of Bill Grice who, although he was with us for a short 16 years, became "special" to each of us in a different way.

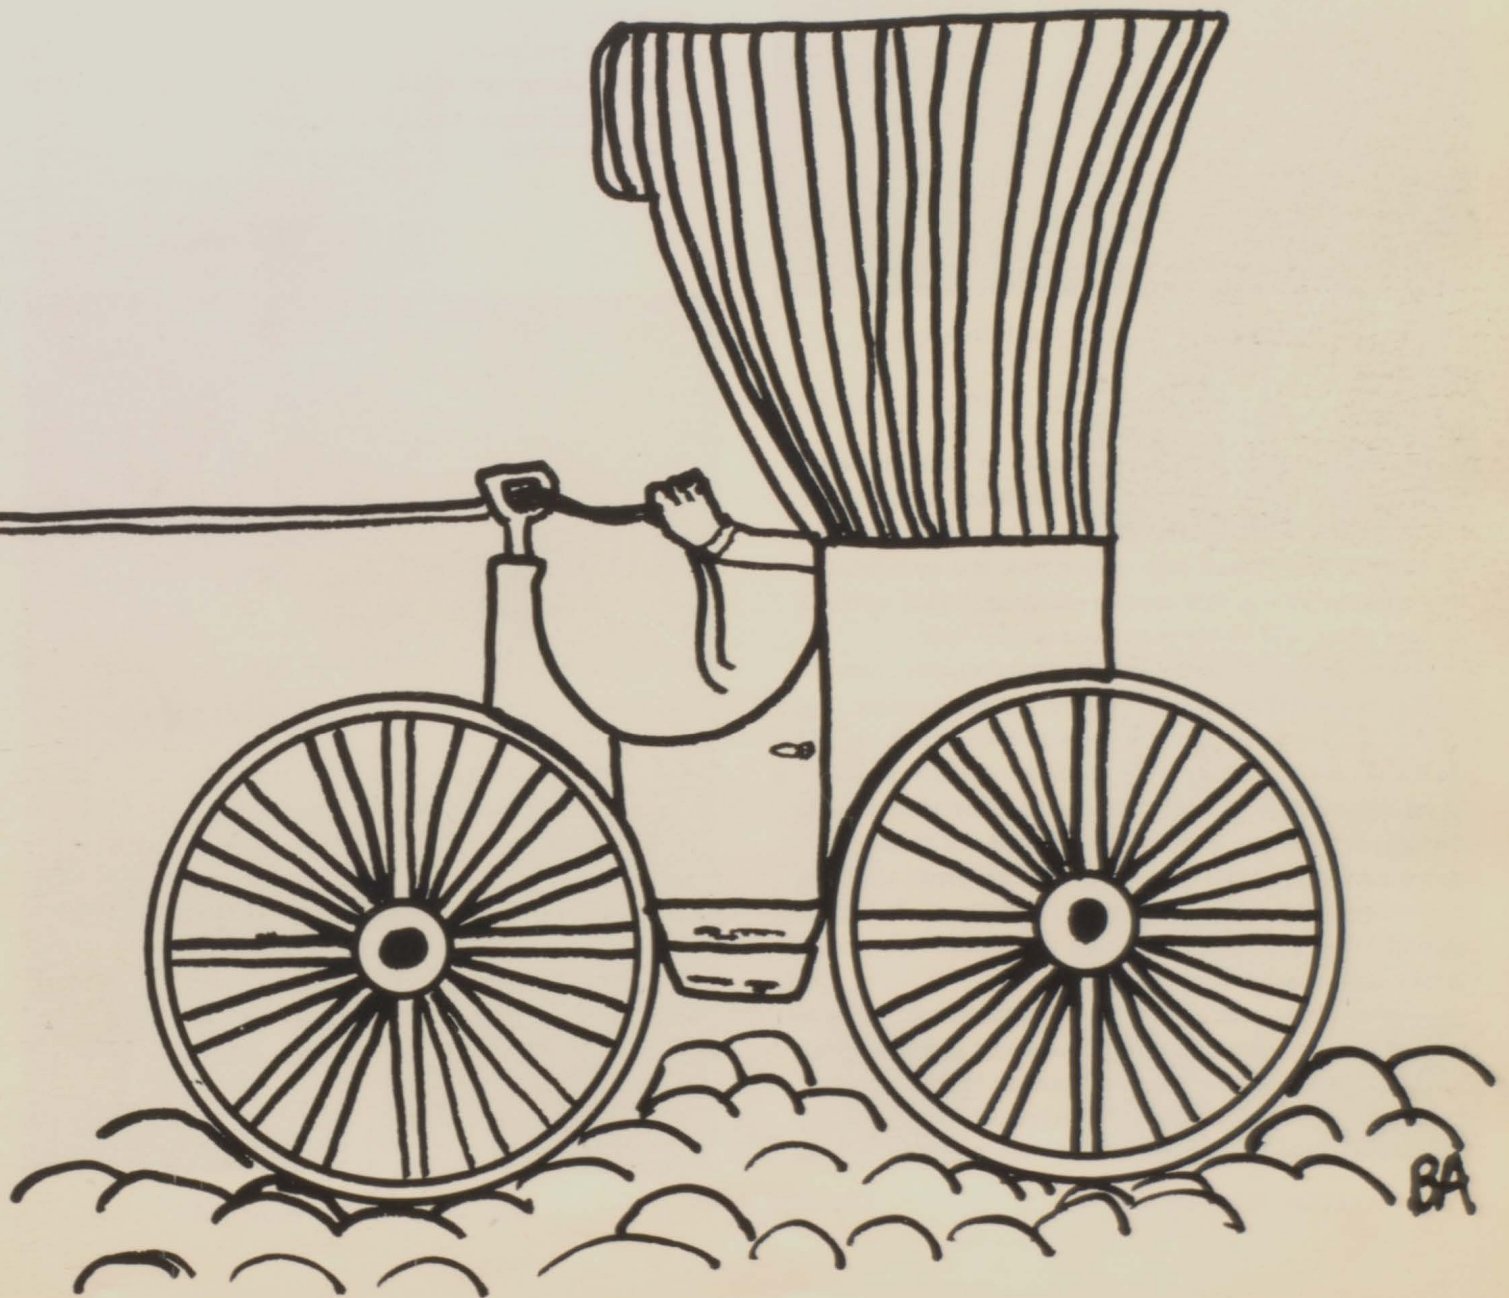

Bill will always be remembered by us as a diligent worker, a good sport, and one who was always willing to do good for others.

GALVA HIGH SCHOOL has given all students who have graduated a good foundation for higher learning. Students who have graduated have been able to build-on to this foundation. They have been assured a good education in every field in which they have taken courses.

Galva High School has held classes on its present site for thirty-six years. Next year we will see the school in a new location, as the new Galva High School will be in session in the fall. The new building is now in progress, and it should be ready for all high school students by fall 1967. The old building will be used for fifth, sixth, seventh, and eighth graders.

ADMINISTRATION

BA

SUPERINTENDENT AND PRINCIPAL

MR. MILO WATSON, Superintendent

The challenge to education today is greater than it has ever been in our history. The world and its problems have become complex and change is occurring rapidly. To provide the citizen with the attitude and equipment to live successfully in this rapidly changing, highly complex society which will be his is, indeed, a challenge.

Accumulated knowledge, excellent grades, and diplomas and degrees are marks of an educated person, but they do not necessarily make one educated. Most specifically, the person who is truly educated will have acquired an attitude toward life and its problems. This attitude will, among other things, urge him to function at full potential; cause him to approach problems with eagerness and open mindedness; and to accept the fact that change is inevitable and that the wise man is one who guides this change rather than opposes it.

In a very real sense, our graduates will become pioneers again. Not pioneers as were our ancestors with forest, frontier and savage, but pioneers in a complicated technological society, largely uncharted and subject to rapid change. The challenge is given--are you ready?

The curriculum of Galva High School is a result of careful thinking by large numbers of dedicated people.

One of the earliest clay tablets is said to have contained a message from a father to his son. He urged his son to take advantage of the opportunities provided him by a provident father.

Many parents want to give their children the same message. Humanity may not have changed too much since that clay tablet was made by that father so concerned that his boy should have the thing called education.

I wonder if they had the old expression back in that day: "You can lead a horse to water but you can't make him drink. You can seek to teach the student, but you can't make him think."

Education is like a basket in which a person may be gathering valuable materials. The more you put into it, the more you take out. It is like a trip. It is a good idea to know where you are trying to go before you get on the train. Most people just follow the crowd.

After three weeks of hard preparation; the 1966 Galva Wildcats opened their season against a weak Wyoming team with a 33-0 victory. Next came a grudge game with neighboring Wethersfield. In a very rugged defensive battle our Cats overpowered the Geese 15-6. The following week Galva played another tough team. Except for one defensive lapse at the end of the half, Galva played a fine overall ball game in defeating a fast-charging, fine-passing Bradford squad. Against Elmwood the offense opened up in a 43-0 victory. The substitutes gained valuable experience, as the starters played only a little over two quarters.

Coach Colbert

Coach Cender

B-SQUAD FOOTBALL

Next, as expected, the Manulius Red Devils gave our Wildcats a rough defensive contest with a 0-0 deadlock at half time. In the second half Galva changed their offense to the old, yet very useful, single wing. We ground out a decisive 14-0 victory against the rather confused Manlius team. The following week the Wildcats traveled to Princeville. The Princes caused a bit of trouble for a quarter with an explosive offense and numerous Galva penalties. However, our offense showed its power against a weak defense and rolled to an easy 45-13 triumph. Our next opponent was dangerous Dunlap. For the first time this year our Wildcats found themselves behind. In a nerve-racking contest Galva pulled the game out of the fire during the last four minutes and then staved off a last ditch effort by the determined Eagles. The final score was 20-14.

Next came the Walnut game which marred an otherwise perfect season. The Raiders from the North, taking advantage of several big mistakes and capitalizing on opportunities, pulled off a 19-12 upset. Several key injuries and an off night hampered the efforts of the Wildcats. In the final game of our 1966 season the Galva Wildcats took on an undermanned Toulon squad, dealing out a 38-0 defeat. A weak Toulon defense could not slow the potent Galva ground game.

In Galva's most successful season in over a decade, five boys--Jabie Hopping, Keith Luymes, Mike Nordstrom, Dan Schwartzkopf, and Steve De Velde--received all conference, first team honors. Our final record of eight victories and one defeat tied us with Wethersfield for the conference championship.

Because of a very small turnout of freshmen and sophomores, the B-Squad, had a tough time completing a good record. Despite the team's lack of depth, they had a fair record of two wins, three defeats, and one tie. Everyone gained valuable experience, and the outlook for future Wildcat teams looks good.

We would like to thank our coaches--Mr. Colbert, Mr. Cender, and Mr. Paar--for their excellent leadership throughout the season. A great part of our success was due to the hard work done by our coaches with the varsity and B-Squad.

Coach Cender

The 1966-67 edition of the Galva Wildcat basketball team did a commendable job this year showing a record of 15 victories and 8 defeats. The team was fourth in the Blackhawk Conference standings and gained second place in its own tournament.

After two weeks of preparation the team opened their season against Kewanee, losing a close 53-56 decision. The Cats then triumphed in four straight games. One of the highlights of the season was the victory over Costa in the second game of the Galva Tournament. The inspired Cats hustled to a 67-60 win for an important victory. The team then hit the rough portion in their schedule and closed out the '66 part of their season with a 4-4 record. To start January the Wildcats dropped Elmwood and were beaten by Walnut. Then the team put together four wins in a row. Another high point of the year was beating Monmouth 67-66 in a nerve-racking thriller. After a two-week layoff the team took on Walnut at home. Playing probably their best ball of the year the Cats blitzed Walnut 86-75. Following a loss to a fine Knoxville club, the Wildcats ruled off five straight victories. In the last home game of the season our team burned the baskets in smashing Princeville 101-90, scoring 64 points in a run-and-gun second half.

B-SQUAD BASKETBALL

Coach Cender's team opened regional tournament activity with a fine defensive victory against ROVA, 68-39. The Cats took on the hot-shooting district winner, Warren, in the second round game. The game was very close until the end of the third quarter, when the Cats found themselves down sixteen points. Battling back gamely the Cats could come no closer than two points, the margin at the gun, 70-68. Superior free-throwing won the game for the Warren club.

The B-Squad played quite good ball this year. They ended the season with 16 victories and 9 defeats, coming on strong as the season progressed. They gave the two top teams in the Fr.-Soph. Conference, Wethersfield and Princeville, very close games on successive nights. The varsity potential of this team became evident toward the finish of the year.

The players would like to thank Mr. Cender and Mr. Paar for their leadership throughout the season. Both teams played exciting basketball. We wish the best of luck to future Cat teams coached by Mr. Cender and Mr. Paar.

This has been the best year for Galva High School wrestling since it began. In dual matches this year our team won 9 matches and lost 4. We were also in two tournaments this year. At the Princeton Invitational we had three boys finish third; Tom Jones (112), Don Bates (95), and Gail Wexell (154). We also had two second places; Bill Ball (133), Dan Schwartzkopf (heavyweight) and finished fourth in the standings. In the Kewanee Invitational we had two second place winners, Tom Jones (112) and Don Bates (95). Bill Ball (133) and Dan Schwartzkopf (Heavyweight) won first in their classes and the team finished second. At the District we had four seconds-Don Bates (95), Bill Ball (133), Mike Nordstrom (165), and Dan Schwartzkopf (Heavyweight)-and finished third in team scoring.

The wrestling team would like to thank Mr. Colbert for his time and patience spent in coaching our team this year.

The Galva Wildcat track squad had another successful season this spring. For the third consecutive year the Cats captured the Blackhawk Conference championship. With very little depth the team showed well in duels and triangulars but had a rough time in the larger meets. The Wildcats were fourth in the Geneseo Maple Leaf Classic but could manage only a twelfth in the Galva Relays. In the Blackhawk Meet several outstanding individual performances were responsible for the championship.

For the first time since 1963 a Wildcat thinclad qualified for the state meet. Senior Keith Luymes won a fourth place in the 120 yard high hurdles in the time of 15.0 seconds at the District Meet in Rock Island, qualifying him for the state meet.

ACTIVITIES

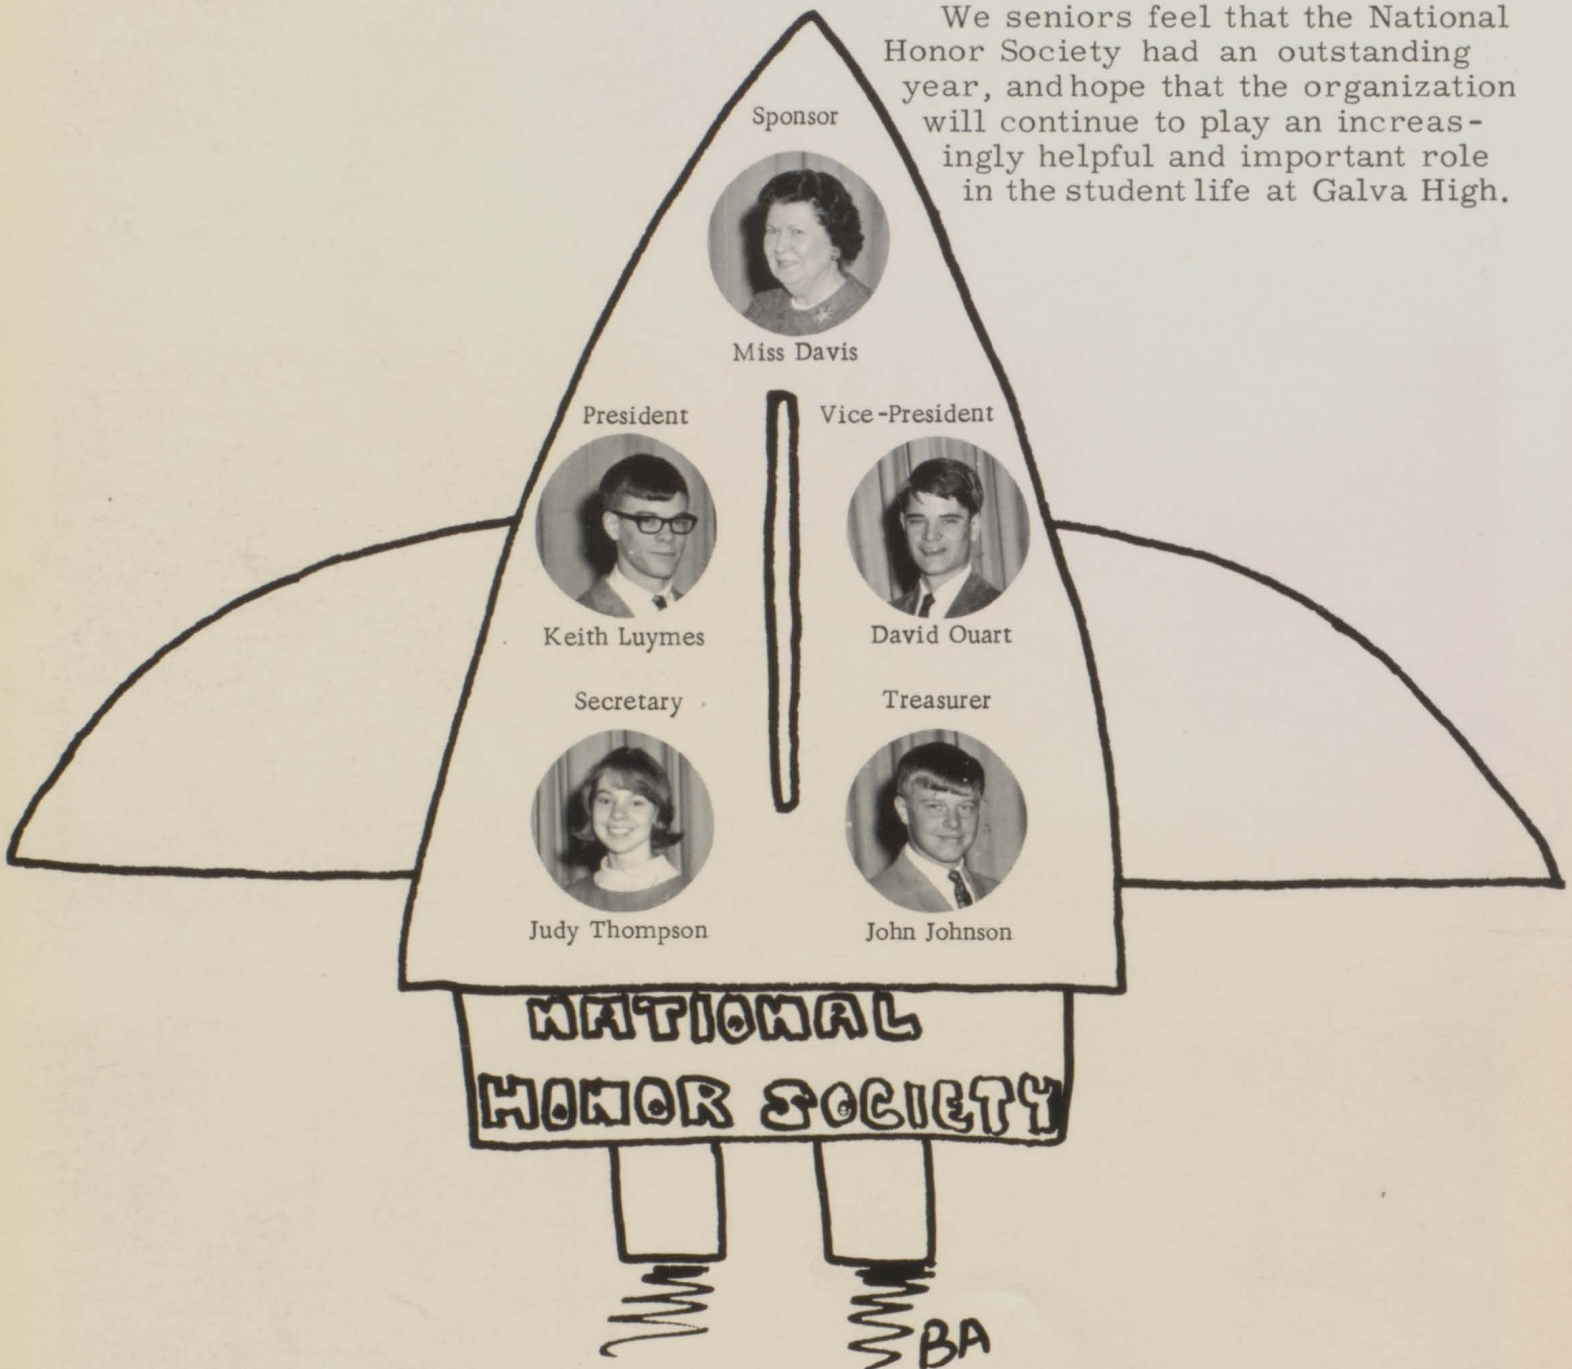

NATIONAL HONOR SOCIETY

Under the leadership of Keith Luymes, President, and Miss Davis, Sponsor, the National Honor Society carried out a number of projects both old and new. This year the club began a student tutor service and gave out a teacher-of-the-month award, besides being in charge of the traditional honor scrolls and scholastic tree.

Other activities sponsored by the club were the formal initiation in November, the Scholastic Banquet in May, and a club picnic at the end of the year.

We seniors feel that the National Honor Society had an outstanding year, and hope that the organization will continue to play an increasingly helpful and important role in the student life at Galva High.

GALAH

The members of the 1967 Galahi began a busy year in September. Every Monday night our Galahi Staff met to plan our year-book. Magazine sales and pop sales were the financial mainstay for the yearbook. All year long pictures were taken frequently by the photographers with very good results.

The staff found itself busy in June trying to complete its project. With thanks to Mr. Young and Linda Collister, our 1967 Galahi was a success.

STUDENT COUNCIL

The quality of this year's student council was tested immediately upon the opening of school. To quell the threat of a proposed student walk-out, the council was called upon by the administration to completely revise the dress code. Under the leadership of the organization's president, David Quart, and its sponsor, Mr. Whitehouse, the council was able to draw up a new dress code acceptable to both the student body and the administration.

After the dress code problem was solved, the council proceeded with its normal functions. Throughout the year it sponsored several social functions. The council started with the "Freshmen Mixer," put everyone in the holiday spirit with a Christmas party, and broke the monotony of the late winter months with a dance.

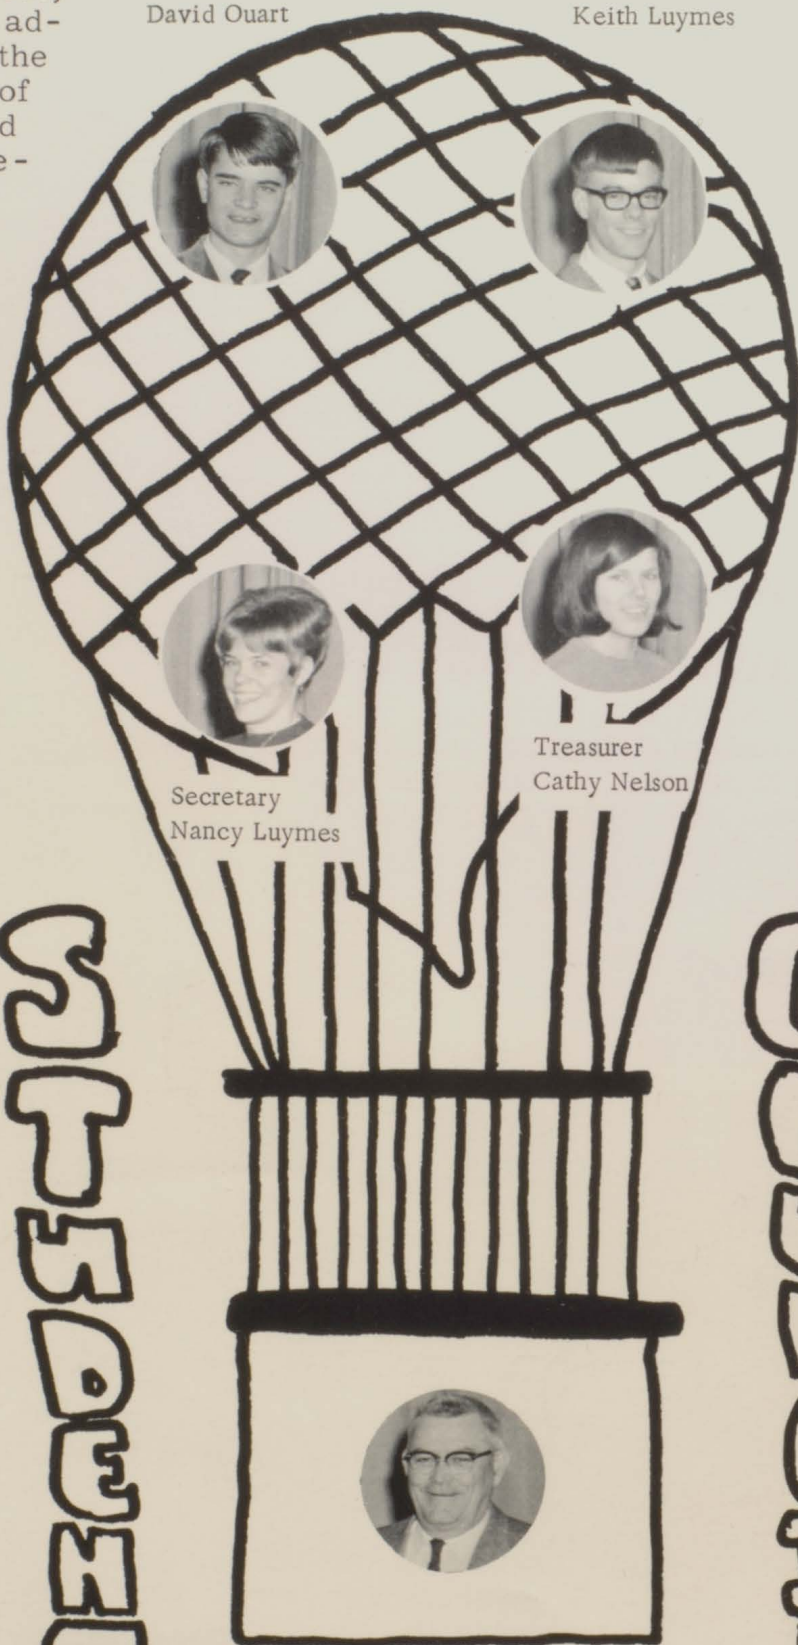

All the assemblies held during the year were directed by the council. Some of these were scheduled, but several others, including one to introduce new officers and to crown a "Mr. and Mrs. Ugly" were the special work of the council.

Our council was also active in local and national student council functions. Representatives from Galva attended conventions at Pekin and Chicago.

We seniors feel that this year's student council performed successfully as the connective link between the student body and the administration, and we hope that the council continues to have responsible officers and representatives to help in the solving of the problems of the new high school.

FUTURE FARMERS OF AMERICA

This year under the leadership of Steve Van De Velde, president, and Mr. Liehr, sponsor, the Galva High School Chapter of the Future Farmers of America had a very successful and active year.

At the beginning of the school year, the newly elected officers attended the section III Leadership School in Woodhull. In October three boys representing the Galva Chapter attended the National F.F.A. Convention in Kansas City. One Galva boy also participated in a Public Speaking Contest in Princeton. In March the organization held its parent-son banquet, and honored Sue Van De Velde as their Chapter Sweetheart. The boys had a swimming party during the winter and their annual Minnesota fishing trip in June.

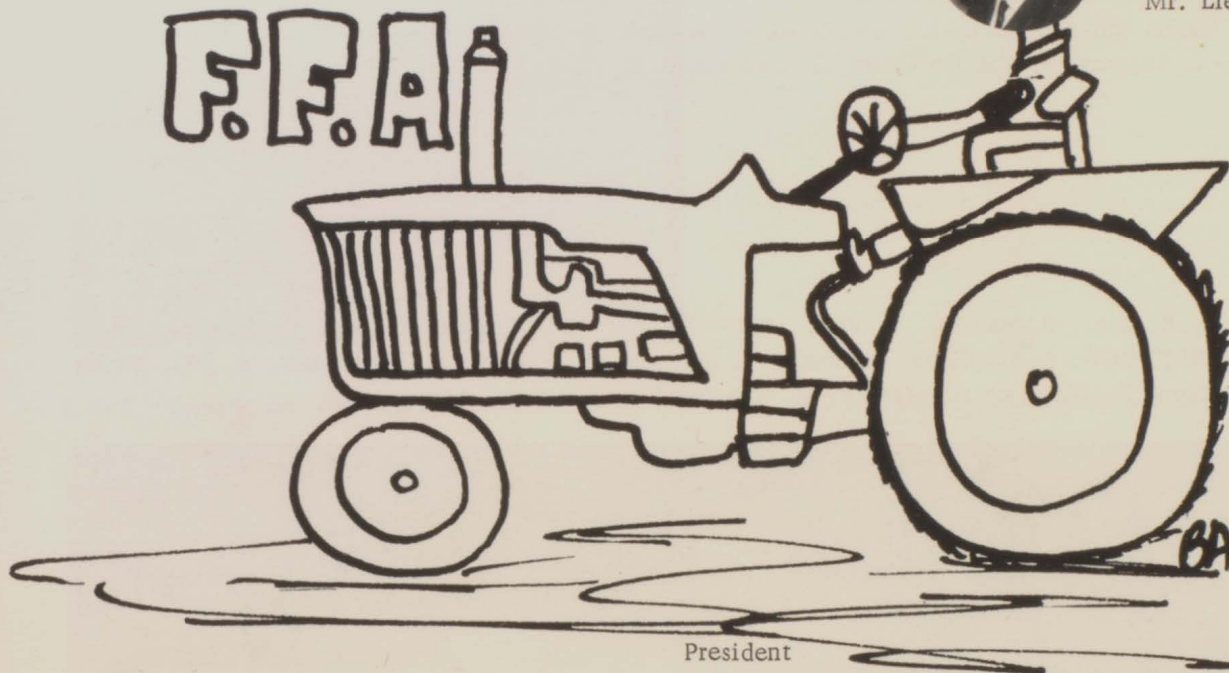

The club was proud to have one of their members, Steve Van De Velde, be presented with the State Farmer's Award; and another one of their members, Dan Schwartzkopf, the DeKalb Agriculture Award.

During the summer, the members plan to participate in state and country livestock judging contests.

FUTURE HOMEMAKERS OF AMERICA

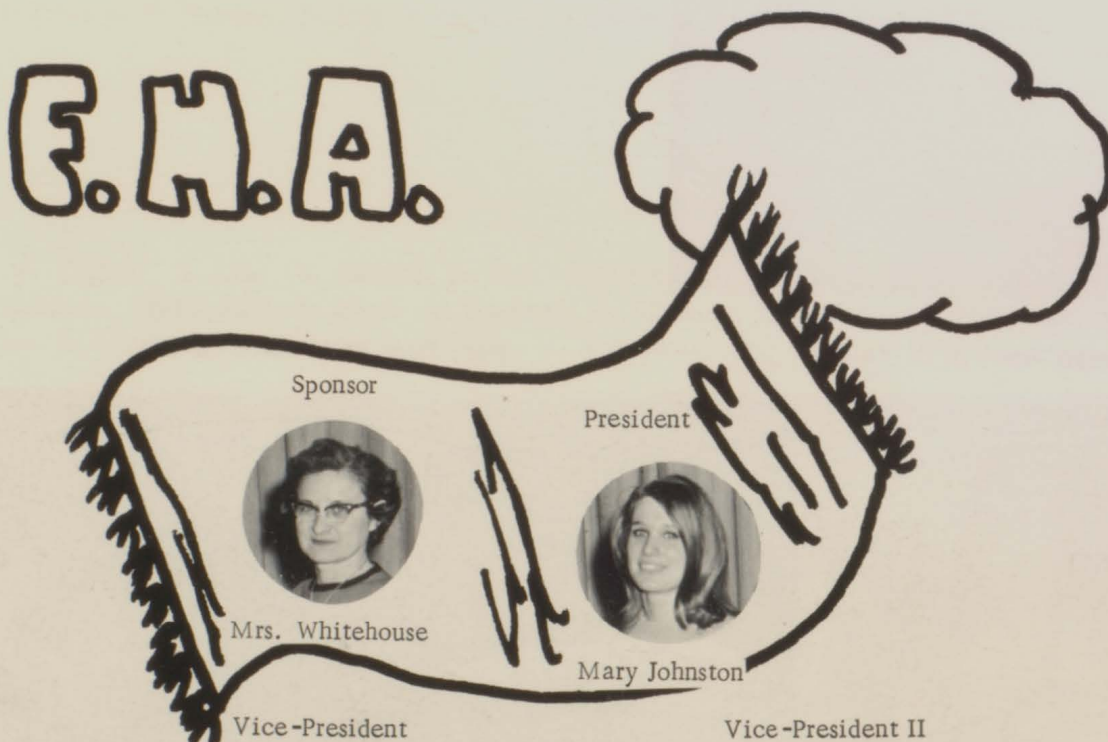

"F. H. A. Becomes of Age Through Education, Service, and Social Development" was the theme carried out through the year by our F. H. A. Programs were planned according to the theme.

To become an F. H. A. member, the girls must take a test. If they pass the test, they are members for four

years in F. H. A. To stay a member, twenty-five points must be obtained through participation in projects through the years by the individual.

One of our outstanding programs this year was a panel discussion on family communication. The panel consisted of Mr. Charles Hay, Mrs. Martin Appell, David Quart, Dudley Lee, Sue Ericson, Pat Lord, and Sandy Estes.

Daddy Date Night was one of our main events of the year where Ralph Van De Velde was crowned father of the night. The highlight of the year was our formal, "Pink Paradise," which was carried out in the use of pink balloons. Mary Johnston, F. H. A. president, was crowned queen. Her attendants were Sue Josephson, senior; Jolene Peterson, junior; Francis Raley, sophomore; and Deanne Nelson, freshman. The last activity of the year was the mother-daughter tea. It consisted of a formal tea followed by a style show and installation of new officers.

LIBRARY CLUB

Galva High School is fortunate in having such a well-equipped library for a school of its size. Miss Davis, the librarian, has spent much time in selecting books which are of interest to the student.

Miss Davis is assisted in the library by several student librarians, who are on duty each period. They have received special instruction so they might help other students. Many attractive library bulletin board displays were arranged by members of the library club. The purpose of these displays was to stimulate reading interests among the student.

One of our big projects this year was preparing the library for transfer into the new school.

Also we have been earning money to buy new books for the library. We have earned most of our money by selling cupcakes at the school during lunch hour. The members of the library club donated the cupcakes.

Earlier this year we took part in the Homecoming festivity by contributing a float to the parade.

This year has proved to be very successful to all.

GIRLS' ATHLETIC ASSOCIATION

The members of the Girls Athletic Association--under the sponsorship of Mrs. Carolyn Eisenbarth--participated in such activities as swimming at the Y. M. C. A. in Kewanee, hockey, basketball, volleyball, and baseball. The members also participated in bowling at the Galva Eastgate Lanes. For this activity trophies were awarded to the girl who bowled the highest game and to the team with the highest pin average. The G. A. A. money projects consisted of a pie-cake day, selling jerseys, and selling candy at the basketball games.

To become a member of G. A. A. a girl must be at least a freshman and participate in the activities scheduled throughout the year. She must also have a total of seventy-five points yearly to receive a G. A. A. award, which is given at the end of the school year.

FUTURE CRAFTSMEN OF AMERICA

The Future Craftsmen of America, a club for drafting and shop students, was under the guidance of Kent Freberg, president. The group held a freshman initiation party in the fall to welcome new members. The party was held in the school gym and consisted of games and refreshments. The F. C. A. joined forces with the F. F. A.

to make their winter swimming party at the Kewanee Y. M. C. A. twice as successful. Members of the F. C. A. worked at the Galva Holiday Tournament to raise money for their club. In April the F. C. A. held their annual banquet at the Boston House to honor the senior members of the club. The presentation of the Golden Hammer Award at the banquet was the highlight of the year's events. The club had a very successful year under the direction of Mr. Whitehouse and Mr. Holman as sponsors.

"G" CLUB

The "G" Club is an organization of boys who have earned a major letter in football, basketball, track, baseball, wrestling, or as a manager of a sport. The club made its money by operating the coat check, and by doing several other things. The "G" Club sponsored the Homecoming Parade. There were many beautiful floats in the parade and it was considered one of the best homecomings Galva has ever had.

The parade stopped in front of the North side park where Dud Lee and Sue Ericson were crowned Homecoming King and Queen. This year the "G" Club went on a bicycle hike to Little John Lake. We wish to thank our wonderful sponsors Don Cenders and Joel Colbert, who helped make this year a success.

FUTURE TEACHERS OF AMERICA

The Future Teachers started the year by giving a tea to honor the teachers of the school unit. The F. T. A. helped promote National Education Week by placing posters around town and by participating in student teaching.

Kathy Prime, Galva's foreign exchange student, presented a program on England's school system at one of the monthly meetings. To make money this year for the F. T. A. the members worked at the Blackhawk Track Meet and had a Bake Sale.

We, the members of F. T. A., would like to thank Mr. Holman for his supervision, which helped to make the year a success.

FUTURE NURSES OF AMERICA

The Future Nurses Club of America completed its third year here at Galva High School. This club, made up of girls interested in nursing and other medical professions, took part in several activities. Activities, such as field trips to Galesburg Cottage Hospital and Galesburg State Research Hospital, proved very informative. Also, many girls worked as Candy Strippers at Kewanee Public Hospital and Kewanee St. Francis Hospital on weeknights and weekends. The programs at the club's monthly meetings were films on nursing and panel discussions by members of the club.

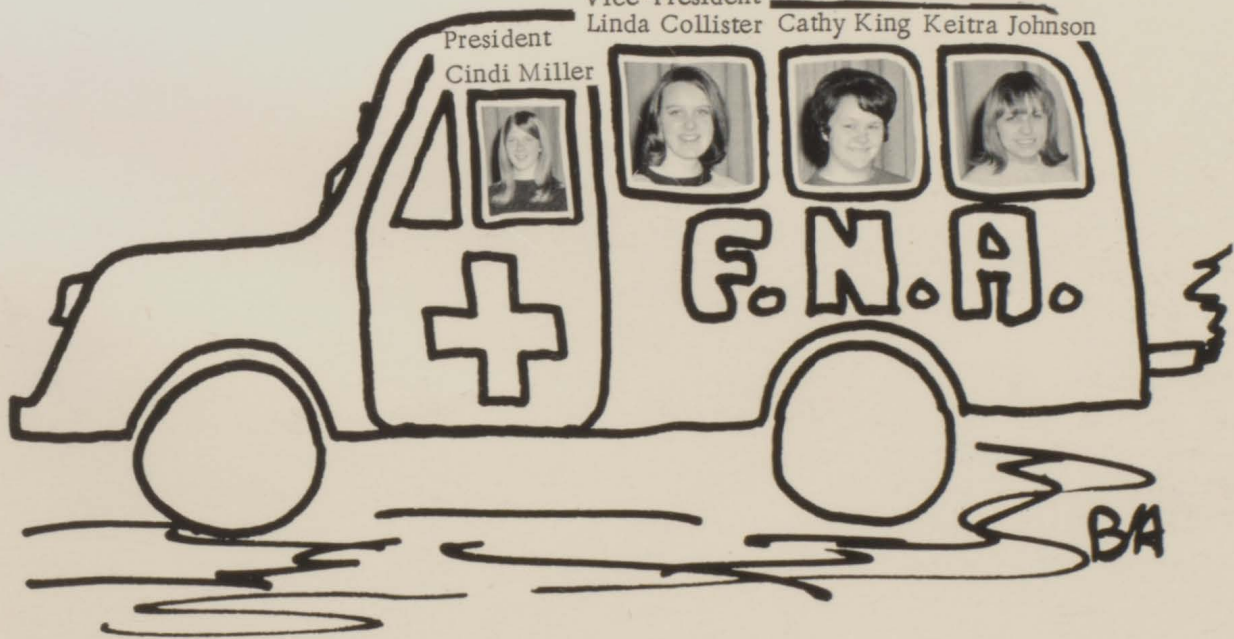

The F. N. A. has increased in membership, and we hope that more become interested in this club, and thus be able to complete more projects in the future. This year under the leadership of Cindi Miller, president; and Mrs. Appell, sponsor; we seniors feel that the organization completed a very successful year.

BAND

Mr. Robert Baskovic did an exceptionally good job in his first year as band instructor for Galva. He was able to add a new and different style to the band performances, while keeping with tradition. Half time marching maneuvers were as lively as ever, but had a new flavor. Entertainment at basketball games was not limited to one style of music but included varied types of music for all ages.

Other activities included the traditional Christmas program and solo and ensemble contest at Canton Senior High School on March 11. From this contest the band received nine superior ratings and six excellents. The band participated in the annual Blackhawk Band Festival at Wethersfield High School on April 15, and presented a program of varied music for the spring concert on April 21.

In March the Band Boosters sponsored a dance to help raise money for new band uniforms. The high school stage band performed along with two other groups, John Sloan's group "The Midnight Riders" and "Big Leo's Trio plus Two". The combination of the three made the dance a success.

Towards the end of the year, a band banquet was held at which the seniors were recognized and band awards were given.

CHORUS

As in previous years, the Chorus practiced diligently C period every day under the direction of Mr. Baskovic. In late November practice began for the Christmas party, held before Christmas vacation. After the holidays, the Chorus began warming up for the annual Blackhawk Vocal Festival, which was held in the middle of February at Toulon High School. A senior girls ensemble presented Galva's special number by singing "Diamonds are a Girl's Best Friend".

A new edition to the Band's spring concert was the Chorus, which sang three numbers, one of which was directed by Beverly Hay, Chorus President. The senior girls provided the finale as they sang "You'll Never Walk Alone" at commencement.

JUNIOR CLASS PLAY

SYNOPSIS

A three-act comedy farce was put on by the Junior Class. Smedley, a college student at Sweetberry College, somehow turns the college president's dog invisible. When he tries to get his old girlfriend, who is a straight A student, to help him out, she turns invisible. This presents problems with his current girlfriend and Smedley gets into more trouble. The president is so mad about his dog that he hires a psychologist to investigate the situation. Smedley and his friend Gutzy get involved in this too, when Gutzy impersonates the psychologist. It all comes out that the president loses his pants but gains his dog and Smedley gets out of trouble for the time

SENIOR CLASS PLAY

SYNOPSIS

Jonathan Logan and his good wife, Zamah, run an inn in Vermont. Their nephew, Leander Longfellow, (the hero), resides with them. On a dark stormy night Purity Dean, a working girl with a secret, seeks shelter from the storm and comes to the inn. Alone and penniless, Purity is seeking employment. She accepts a job as maid at the inn, and then falls in love with Leander. Mortimer Frothingham, (the villain), is on her trail and he catches up with her, continuing to press his unwanted attentions upon her. Like all true heroines, Purity ignores him, but Morty doesn't like the idea of being ignored. Mortimer then institutes a campaign of villainy against her that is the last word and would wear down a dozen ordinary heroines. In order to get Leander out of the way he has him locked in a room with a time bomb that is due to explode any minute and blow our hero into smithereens. Leander escapes in the nick of time. Naturally virtue triumphs in

the end and Mortimer gets his. The final curtain sees Purity resting her fair head on Leander's broad and manly chest.

FANTASY

of the

SEA

The Junior-Senior Prom, held on Saturday, May 6, was one of the highlights of the school year. This year's theme was "The Fantasy of the Sea". The evening began at the First Methodist Church with a lovely banquet served smorgasbord style. After the banquet, Greg Nelson, Pat Lord, Linda Gustafson, Bev Hay, and Mr. Johnson gave speeches. The guests were then led to the gymnasium, which was decorated as the world beneath the sea.

To end the evening the guests were entertained by a group of five junior girls dressed as sailors who did a dance. The seniors would like to thank the junior class for all the hard work they did to make Prom night such an enjoyable evening for us all.

OUR EXCHANGE STUDENT CATHY PRIME

Cathy Prime

Cathy, to the far right with her two sisters.

It was a pleasure for Galva High School to receive an Exchange Student this year from England, Cathy Prime.

Cathy was active in school functions and took part in various community activities. She spoke not only to the high school students, but to organizations in and around Galva.

We all learned much more than we knew about England, and we are glad to have had the privilege of having Cathy with us for a year.
