GALVAHI 1968

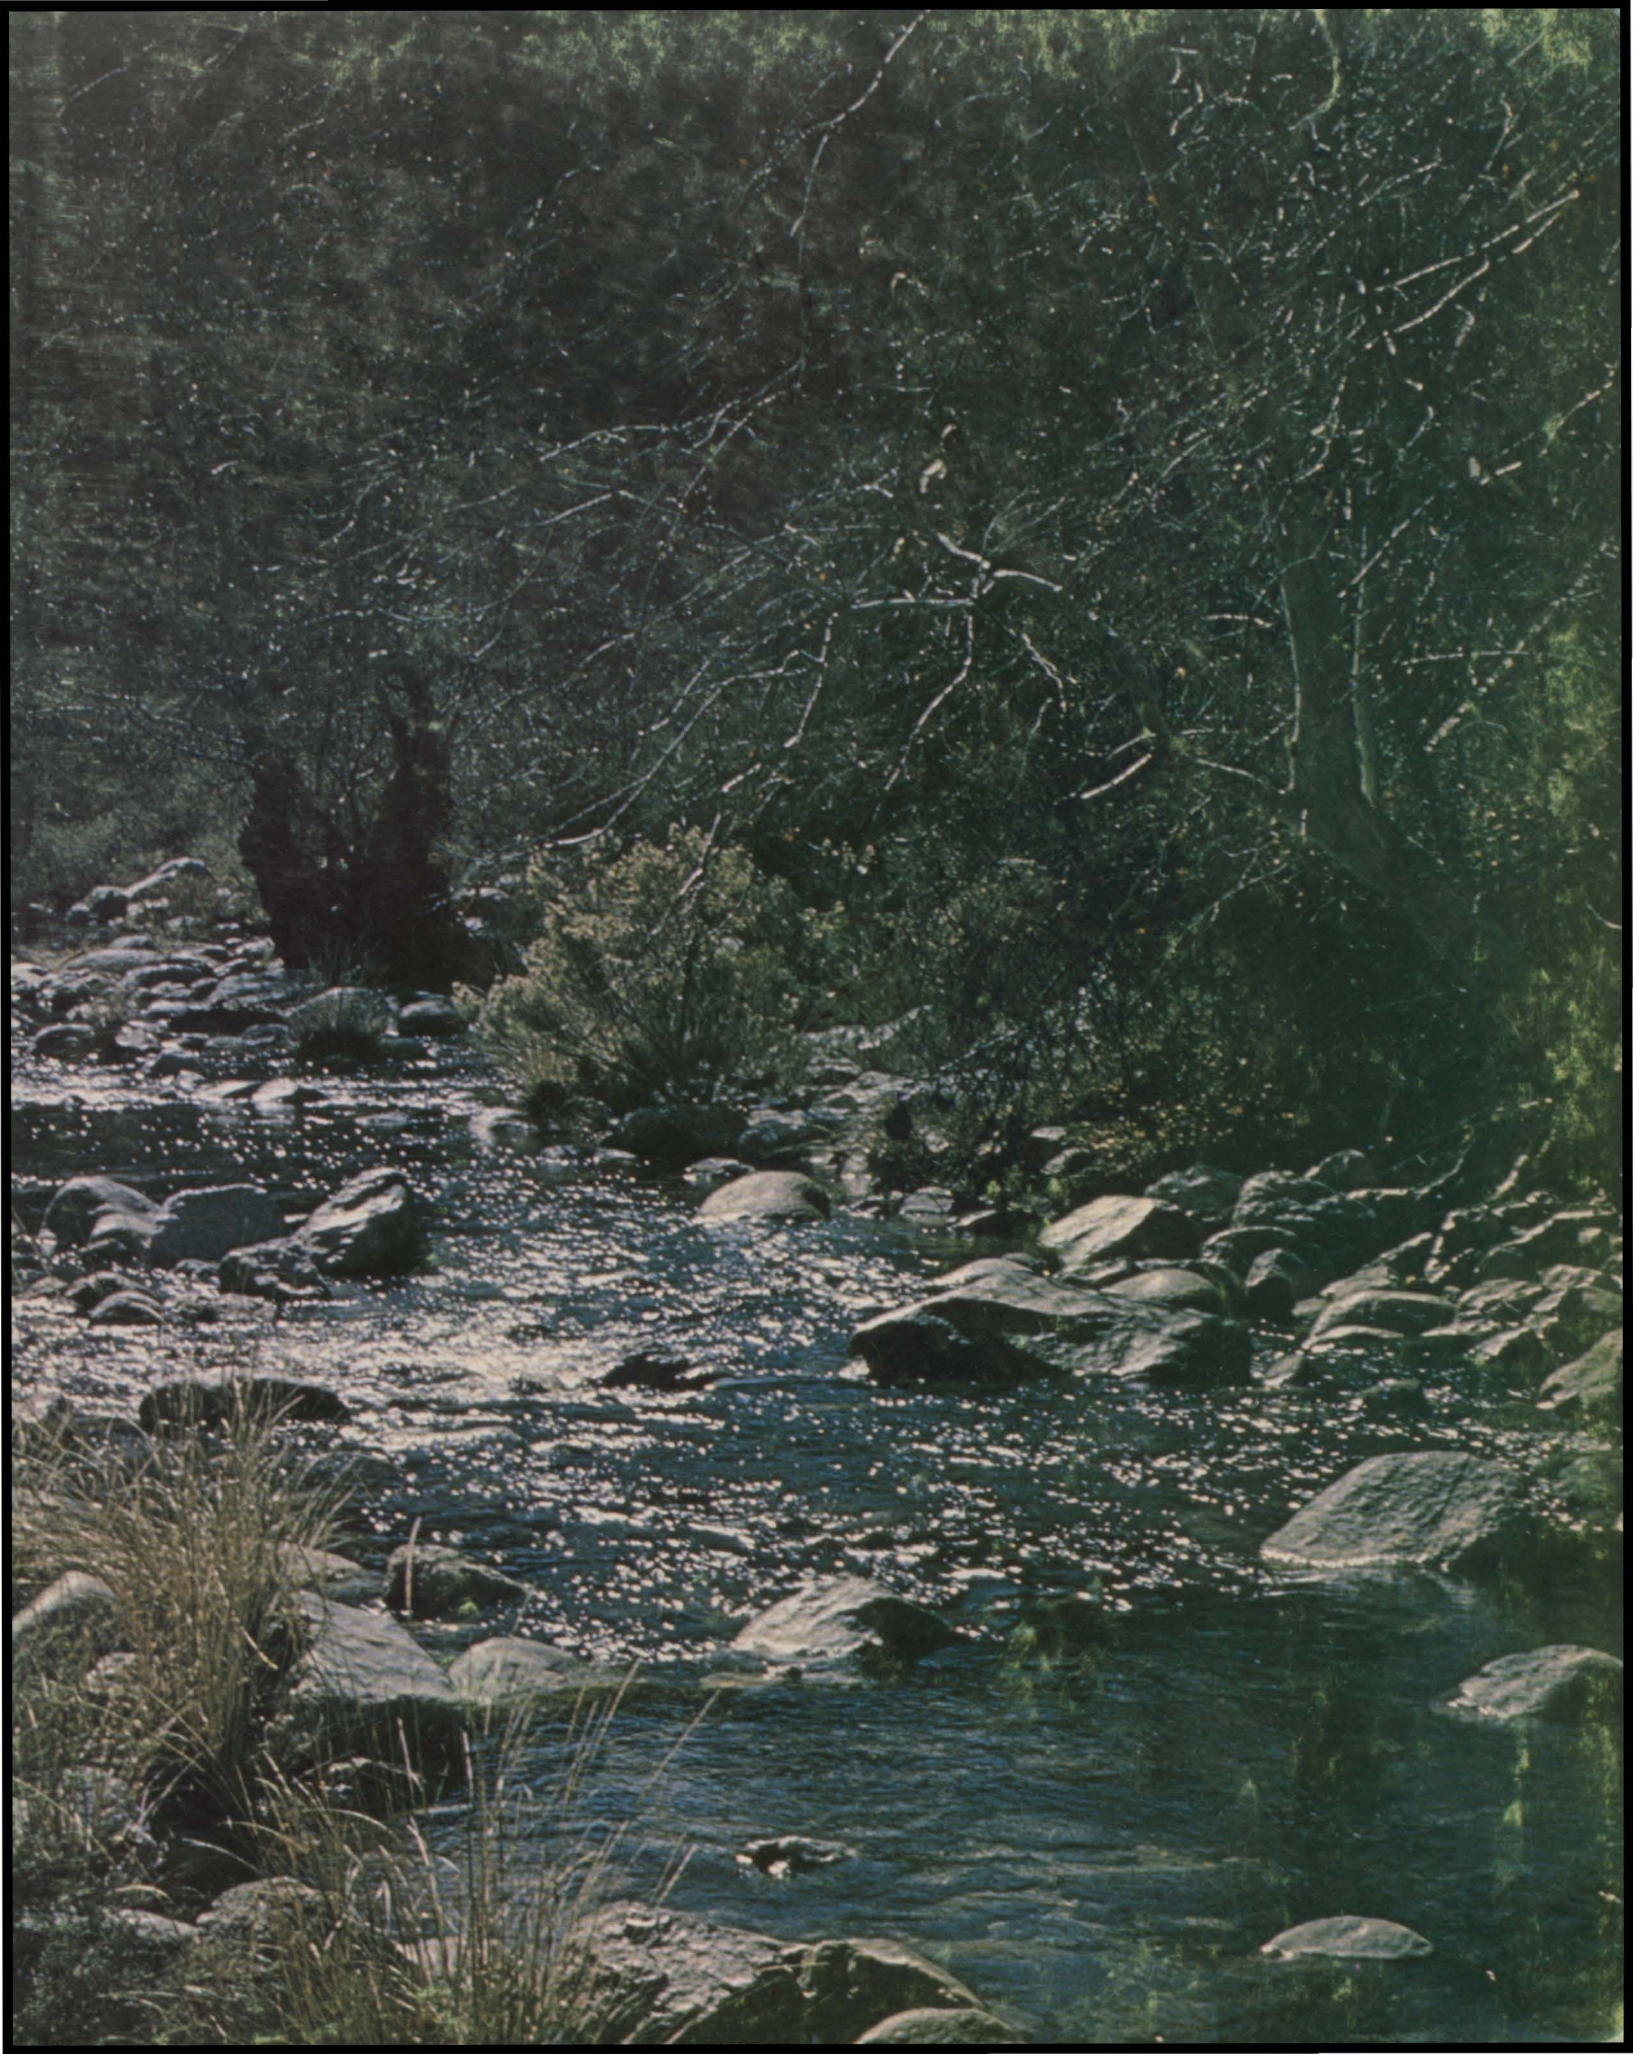

PRESENTED BY
THE SENIOR CLASS OF
GALVA HIGH SCHOOL
GALVA, ILLINOIS

FOREWORD

RIVERS TO THE FUTURE

The small stream begins,
tripping lightly over cumbersom rocks,
Fallen trees, and boulders slowing down its journey--
But the stream goes on.
And as the bubbling stream pushes on, it meets the river.
Gone is the gentle, small stream;
It has met the surging power of the river.
The water swirls faster and the course brings
New and harder obstacles.
Now the canoe undertakes the challenging course.
They way is hard, but when the sailboat is sighted,
The canoe claims success.
The sailboat, with determination at the wheel, pushes on.
The journey is one way, and many storms arise.
But the days of smooth sailing are there, too---
And at last the sailboat reaches the sea.
Now the yacht, navigated by experience,
Pushes on to the chosen path.
And at last _____
The ocean looms ahead on the endless horizon.
A single gull glides by as an ocean liner ventures out
Into the challenging waters.
And the vessel surges on _____
Someday touching an exalted shore.

DEDICATION

As we, the class of 1968, walk down the halls of Galva High School for the last time, we wish to dedicate our Galahi to the old high school and to Mr. Young. The halls of the old high school hold many memories for us and we thank Mr. Young for his help in putting these memories together into our Galahi.

Mr. Young

The new building for Galva High School was erected in 1967.

DEDICATION OF NEW BUILDING

The new high school building for the Galva School District was formally dedicated on the afternoon of March 10, 1968, in the high school gymnasium. Nancy Luymes, Student Council President, gave the welcome, Mr. Milo Watson, Superintendent of Schools, introduced Mr. Howard Parkhurst, the architect of the building. Mr. Parkhurst then presented the keys of the building to Dr. E. M. Eckberg, President of the Board of Education, who accepted them. Mr. Ray Page, State Superintendent of Public Instruction, was the guest speaker of the afternoon. The entire assembly present read the dedication led by Mr. A. E. Heck, principal of Galva High School. After the dedication, the guests present toured the building to see its new facilities. The new building is efficient and will give Galva area students the best education possible.

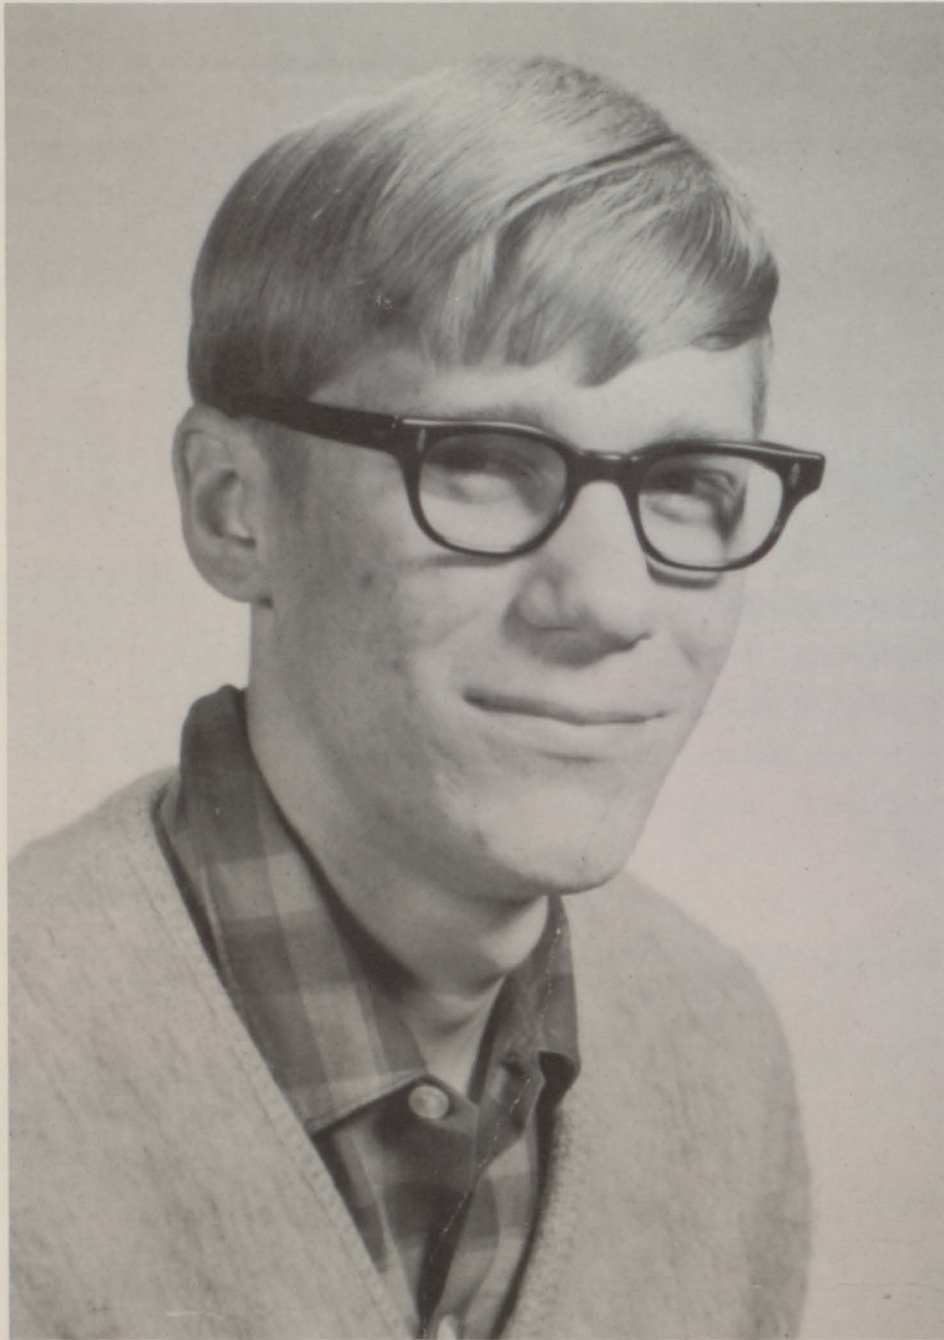

Mr. Ray Page, State Superintendent of Public Instruction, was the guest speaker of the afternoon.

Nancy Luymes, Student Council President, welcomed the guests to the dedication ceremonies.

IN MEMORIAM

Dallas Anderson

The senior class dedicates this page to the memory of Dallas Anderson who was a member of our class for the first two years of high school. His accidental death in May of 1967 caused the loss of a special friend to each of us. His quiet, friendly manner was an inspiration to his closest friends and he will always be remembered in the hearts of the seniors.

SUPERINTENDENT AND PRINCIPAL

Milo Watson, Superintendent

No one knows it all. There are several kinds of information--not learned from books --that every successful, happy person should know: Learn to listen, for that is half the art of conversation. Learn to follow directions. Leadership, that quality of managerial skill, develops after, not before, you can follow through with an assignment. Learn to be patient. The world belongs to those who know how to work and wait.

Learn to keep your aches and pains to yourself. Everyone has problems, and your complaints add little to their comfort or yours. Learn to appreciate life and all its joys--music, art, literature, recreation. When your senses react to the treasures of mankind, every activity is an adventure in living.

Have a little learning today. Tomorrow too

A. E. Heck, Principal

BOARD OF EDUCATION

President Dr. E. M. Eckberg, Dana Mahaffey, Richard Lapan, Harold Selman, Past member Donald Jones, Joseph Kendall, Secretary Dr. L. C. Burcky, Harry Laub, and Superintendent Milo Watson.

The Board of Education held fast to their beliefs and saw the successful completion of the new school building. Even though the class of 1968 enjoyed the facilities of the new school for only five months, we thank the Board for their steadfastness in working toward their goal of a new building; for we know that it will be a great asset to the Galva community.

The Girl's Athletic Association was very active during the school year of 1967-68. The first activity of the year was volleyball with the tournament being won by the "Buccaroos." In the winter months the girls participated in swimming, bowling, and basketball. Bowling trophies were awarded for high team average and high individual game. The basketball team that won this tournament was the "Flower Children" who lost only two games all season. The G.A.A. hike to Bishop Hill was held on May 8. The final activity of the year was the senior campout at Lake Calhoun on May 17. The girls would like to thank Mrs. Eisenbarth for her leadership and guidance throughout the year.

In the school year 1965-66 a pep club was started for all of the student body, but unfortunately not a big enough percentage of students showed enough interest to keep it strong. After bypassing 1966-67 another pep club was started this year. The pep club was not for all students, just students who felt that they would be attending three-fourths of the games, both football and basketball. They would back the players by yelling cheers, by not carrying on intensive conversation with their neighbors, and by being a good sport at all times. Since this was the first year for organizing and the making of rules for the pep club, the club was a little weaker than many people had hoped it would be, but if many of the enthusiastic and reliable members will help get it started again next year and work to make it strong, there is a possibility that it will be more of a success in the future.

"Give a Cheer for F.H.A." was the theme of the Galva Chapter of F.H.A. this year. As in the past the girls worked at the concession stand at the football games and sold stationery. Another project was the decorating of the trash barrels used at football games and track meets. Also included in the club's schedule was the traditional mid-winter formal, "Winter Wonderland," and the spring style show, "Illinois Sesquicentennial."

The girls would like to express their appreciation for the help that chapter parents, Mr. and Mrs. Robert Collier, gave to the club. They would especially like to thank Mrs. Whitehouse for her guidance in this year's projects.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America is a club made up of students interested in entering the teaching profession. This year the club had many worthwhile projects. To help promote school spirit the club sold booster buttons. In November the club observed National Education week by presenting each teacher with a red carnation on Monday morning. On Wednesday of the same week an all faculty tea was held.

Eugenio Montecinos, Galva's foreign exchange student, presented a program at one of the monthly meetings. Miss Whiteman, a student teacher, and Mr. Vanyo, the school counselor, also presented programs.

The F.T.A. was in charge of the concession stand at the Junior High Blackhawk Track Meet.

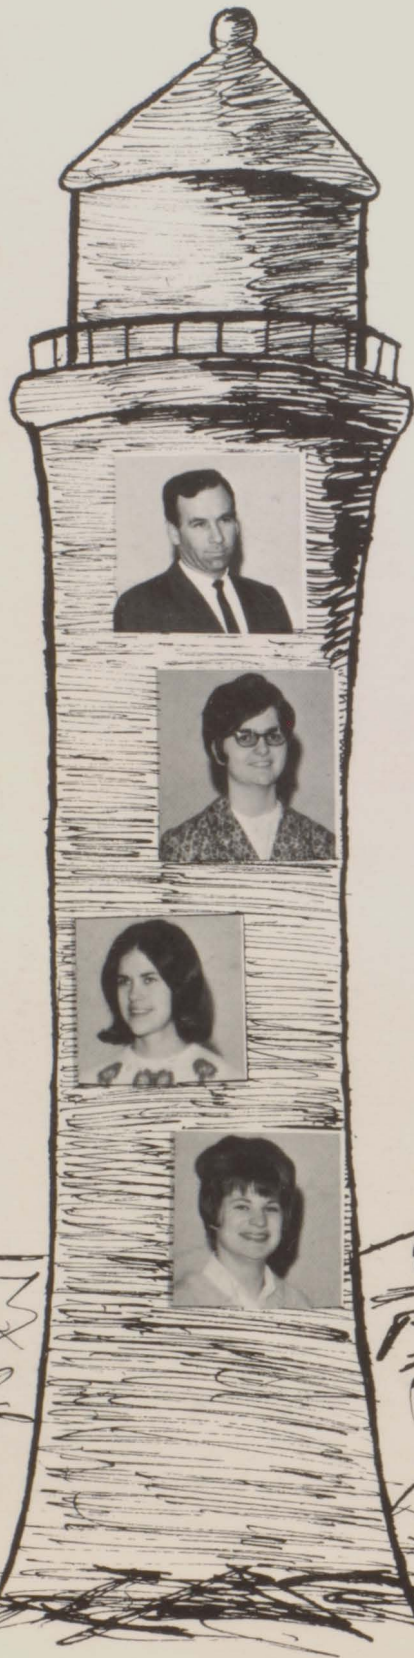

We, the members of F.T.A. would like to thank Mr. Cender for his supervision, which helped to make the year a success.

Those attending enjoyed a parade, skit, and French pastry. As the ship sailed and the crew waved AU REVOIR, all anticipated another good voyage next year.

The Library Club was very busy this year in moving the library materials from the old school to the new school. The members and Miss Davis spent much time in setting up and organizing the new library. Again this year the club sold cupcakes during the noon hour on Thursdays to raise money. Next year the club will be processing books for both the middle school and the high school. The club did an outstanding job this year in working to keep order in the library during the months of moving.

As in previous years, the chorus practiced diligently during C lunch hour. Under the successful direction of Miss Monti, the chorus gave many terrific performances. These performances included the Vocal Festival at Blackhawk, the winter Christmas program, the spring concert, and the dedication ceremonies at the opening of the new school. Finally the chorus did a wonderful job for the class of 1968 at the Baccalaureate services. During the year the chorus sang such songs as "Up, Up and Away," and "I Believe." The chorus department added many a magical moment to the events of the year and upheld its great reputation. Those students who participated will remember with pleasure the enjoyment they experienced.

BAND

The music department provided much enjoyable entertainment this year. The band performed all year in their new uniforms. Using their new practice rooms and excellent new band room, the band gave top performances. Their performances included the Blackhawk Band Festival, the dedication of the new school, the Knoxville Band Contest where they received a superior, the Homecoming Parade, the Halloween Parade, the Christmas Concert, the Spring Concert, and the Memorial Day Parade. During the summer the band also gave performances in Wiley Park.

The last major event of the school year was the Senior Band Banquet. All in all, the band had a very active year.

THE JUNIOR CLASS PLAY

A three-act comedy was presented by the Junior Class. Barbara Sasser, the daughter of a scientist very much possessed with the idea of UFO's, is giving a costume party when an unidentified flying object lands in the yard. The party is a scene of chaos and confusion when Marty Martinsen arrives in a space costume and Sudden Smith in a gangster get-up with an escaped convict in the neighborhood. Typhoon and Rhoda decide to capture Sudden but find a surprise. Eventually the two Martians meet face to face with all the guests and the gangster, it is decided that the Martians will take Herk and Barb back with them. Mrs. Gollnick, the housekeeper, volunteers to go in Barb's place because as it turns out Herk is her disreputable husband. Professor Sasser returns but how can anyone convince him of the fantastic party?

THE SENIOR CLASS PLAY

GET WITCH QUICK

The Senior class play was presented April 19 in the middle school gymnasium. It was a three act comedy entitled GET WITCH QUICK by David Rogers. Mr. Johnson instructed and guided the cast in such sorcery as turning water black, riding brooms, and casting spells. The setting was a finishing school for young witches in Salem, Massachusetts. Lucinda Frye tried to control a love affair between Junelle Kemp, a fellow student witch, and Steve Wharton, the normal substitute English Teacher. The situation is to be remedied by Mother Hecate who performs an exorcism to break Lucinda's spell. Steve walks in only to discover that he is in love with a witch. Steve is informed that Junelle lost all her powers because she fell in love with a normal. Steve and Junelle watch her fellow classmates fly off to graduation.

This year the National Honor Society carried out a number of projects under the leadership of Linda Gustafson, president, and Miss Davis, sponsor. Again this year the club had a student-tutor service, gave a teacher-of-the-month award, and was in charge of the scholastic tree. The club members also acted as guides for the dedication and open house of the new school.

In March a formal initiation of nine new members was held. The main speaker for the ceremony was Don Wooten of WHBF-TV in Rock Island.

We seniors feel that the National Honor Society had a successful year, and we hope that the organization will always play an important role in the student life at Galva High School.

This year was the second successful year for the MAIZE AND BLUE BANNER. Publication was stepped up to every two weeks; consequently, the school news was covered much better by the staff reporters. Again this year the Banner sponsored a poetry and art contest for the student body. The staff not only informed the school of what was going on around them, but also learned the inner workings of our city newspaper. The editors attended a school newspaper conference in Chicago and learned what other school newspapers were doing. We are sure that the quality of the newspaper will increase as it has in the past two years.

The 1967 football season was a rebuilding period for Coach Robert Elsbury, who inherited a team hit hard by graduation. Mr. Elsbury did a commendable job of leading a group lacking vital experience to a record of five wins and four losses.

Galva's defense made the Dunlap game the high point of the season by knocking highly rated Dunlap out of the unbeaten ranks with a 13-6 victory. The offense sparked the team to a 34-0 homecoming victory over Elmwood.

The Cats had fine coaching this year and with the experienced underclassmen and the members of the undefeated frosh-soph team, they should have many fine seasons to look forward to in the Little Six Conference.

The Junior Varsity squad had an outstanding season this year, as witnessed by the Galva fans. The boys, coached by James Paar, finished with a perfect season (7-0). As a result of hard work and ambition, the Cats allowed their opponents to score only 24 points, while they racked up an amazing 175 points. We're proud of our Junior Varsity team and wish the boys and Mr. Paar the best of luck in their future football years.

The 1967-68 Galva Wildcat basketball team did a very commendable job, showing a record of 19 wins and 9 losses. The squad placed third in Blackhawk competition with a record of 10 wins and 3 losses.

The season saw many highlights. First, the team won its own Holiday Tournament by defeating Farmington (81-74) and Alwood (62-55), but losing to Costa (75-72). Another highlight was winning second place in the Cambridge Holiday Tournament by defeating Riverdale (63-61) and Orion (59-55), but losing to Cambridge (67-50). But the best highlight was the Wildcats winning the Aledo Regional. Going into the regional rated as third, the Cats won the first game over Winola (78-59), the second game by defeating Aledo (74-53), and finally, barely knocking out Cambridge (54-53). After winning the regional, the Cats travelled, to the Rock Island Sectional, where they lost to their old rival Wethersfield (44-35).

The players would like to thank Mr. Cender and Mr. Paar for their leadership throughout the season. Best of luck to future teams in the Little Six Conference.

The Junior Varsity began the 67'-68' season minus three of the top Sophomore prospects who were with the Varsity. However, as the team gained experience, and were helped by some good Freshmen prospects, they went on to compile a 15-6 record and win the Orion Fresh-Soph Championship. Mr. Paar, in only his second year of coaching, did an outstanding job. Although the outstanding Sophomores will move on to the Varsity next year, some promising Freshmen give hope for another good season in 68'-69'.

The 67'-68' wrestling proved to be more successful than last season. In dual meets the Cats won 8 matches out of 12, while winning only half of their dual meets last year. The wrestlers took part in the Princeton Tournament and captured fifth place. Individual honors went to Tom Jones (120) and Mike Johnson (127) who placed first and second respectively. At District this year Tom Jones (120) placed third, while Don Bates (112), Mike Johnson (127), John Korth (180), and George Cederberg (HWT) all placed fourth. However, Gail Wexell (154) received second place, which entitled him to a berth at the Rock Island Sectional. Although Gail didn't place, he had the opportunity to wrestle in the first round the eventual Sectional champion. The wrestling squad would like to thank Coach Elsbury for all his time and patience, and wish future success to Mr. Elsbury and the wrestling teams.

The Junior Varsity wrestlers turned in a very good season this year. Even though plagued by inexperience they had a winning season going 9-4-1. The Junior Varsity improved much over the season. Their first match of the year against Winnola ended in a 26-26 tie. When the Junior Cats met the same squad nine meets later, they came out victorious 49-5. With this much improvement by both team and individuals, the up-coming Junior Varsity should make a very strong Varsity squad next year.

VARSITY-JUNIOR VARSITY TRACK SQUAD

THIS PAGE SPONSORED BY
JOHNSON'S SERVICE STATION

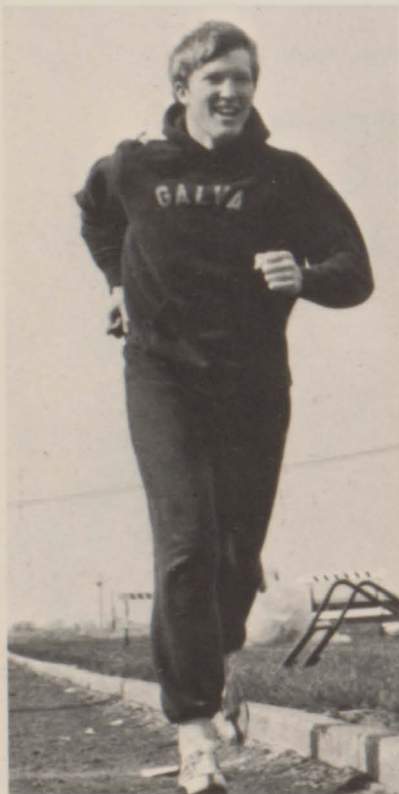

The 1968 Galva High School track team had a rather disappointing season. After three straight Blackhawk titles Galva finally lost its supremacy. Due to the lack of juniors and seniors, the varsity team did only fair in the smaller track meets. The highlights of the season were the Blackhawk Frosh-Soph track meet and the District track meet. Galva regained the frosh-soph title of the Blackhawk Conference with a great team effort. Though the team did not receive any points, they gained experience from the District track meet at Rock Island. At the season's end, our outstanding pole vaulter, Lehlan Murray, was voted the most valuable teammate. With a strong group of sophomores and juniors next year. Galva ought to be a power in the Little Six. The Galva track members would like to thank Mr. Humphrey for working so diligently with the team.

FOREIGN EXCHANGE STUDENT 67-68

EUGENIO MONTECINOS

Eugenio Montecinos, our foreign exchange student from Chile for the 1967-68 school year, lived with the Dwain Clark family. Eugenio actively participated in school and community life. He enjoyed speech, civics, English, and US History classes, was a member of student council and the intramural basketball team, and spoke at many school and community organizations about his life in Chile. At a school assembly Eugenio with the help of Jolene Peterson demonstrated a favorite Chilean dance.

The Class of 1968 wants to wish Eugenio the best of luck in the future and hopes that some day he will return to the United States for a visit. Eugenio Montecinos has returned to his homeland and lives at 315 Gamero, Chillan, Chile.

Catedral de Chillan, the church which Eugenio attends, shows the beautiful architecture to be found in Chile.

These pictures show the style of clothing and type of architecture that may be found in Eugenio's home country.

This is Eugenio and his sister, Carmen, in their home in Chile.

JUNIOR-SENIOR PROM 1968

For the 1968 prom the junior class chose "Old Town" as a theme. This theme was carried out in the gymnasium decorations with the walls of the room hidden by giant painted storefronts and parks strategically placed for the relaxation of "Old Town" dwellers. Surrounded by pink flowers a town clock set in the center of the gym never let the time slip by, for it always proclaimed the hour to be nine o'clock. Couples visiting the "Old Town" were entertained by Biddie Biddison and the Bright Stars. Refreshments were served in the Ice Cream Parlor. Guests made their way around town by the light of gaslights. The highlight of the prom was the Grand March led by Larry Lindburg and Becky Johnson.

SENIOR

PICNIC

Watch out, Mrs. Eisenbarth. Remember when you walked there last time?

Come on you guys, it's only a game.

It's all right, Jane, your husband will be here soon.

Chow time!

Talk about a pickup

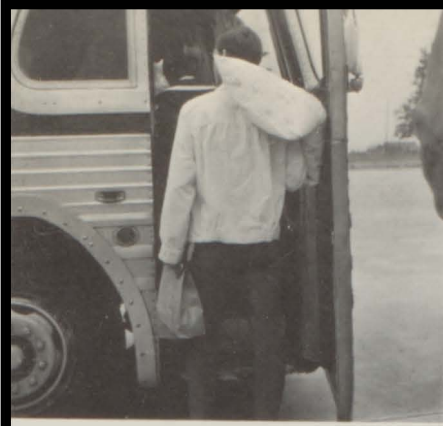

Mr. Young, is it acid, base, or salt?

The class of '68 trying to get to the top.

SENIOR TRIP

All set for a long trip.

Hi, Larry.

Dixon Mounds, the first stop on the way to Springfield.

During the stop at Lincoln's home, it poured which was a disaster since their were too many people for us to get in.

This is the inside of the Capitol building where we were given a guided tour through all parts of the building.

What's wrong, Jolene?

The Class of '68 at the Lincoln Monument, the last stop before our long ride home.
