Galahi '72

I get by with a little help from my friends

John Lennon / Paul McCartney

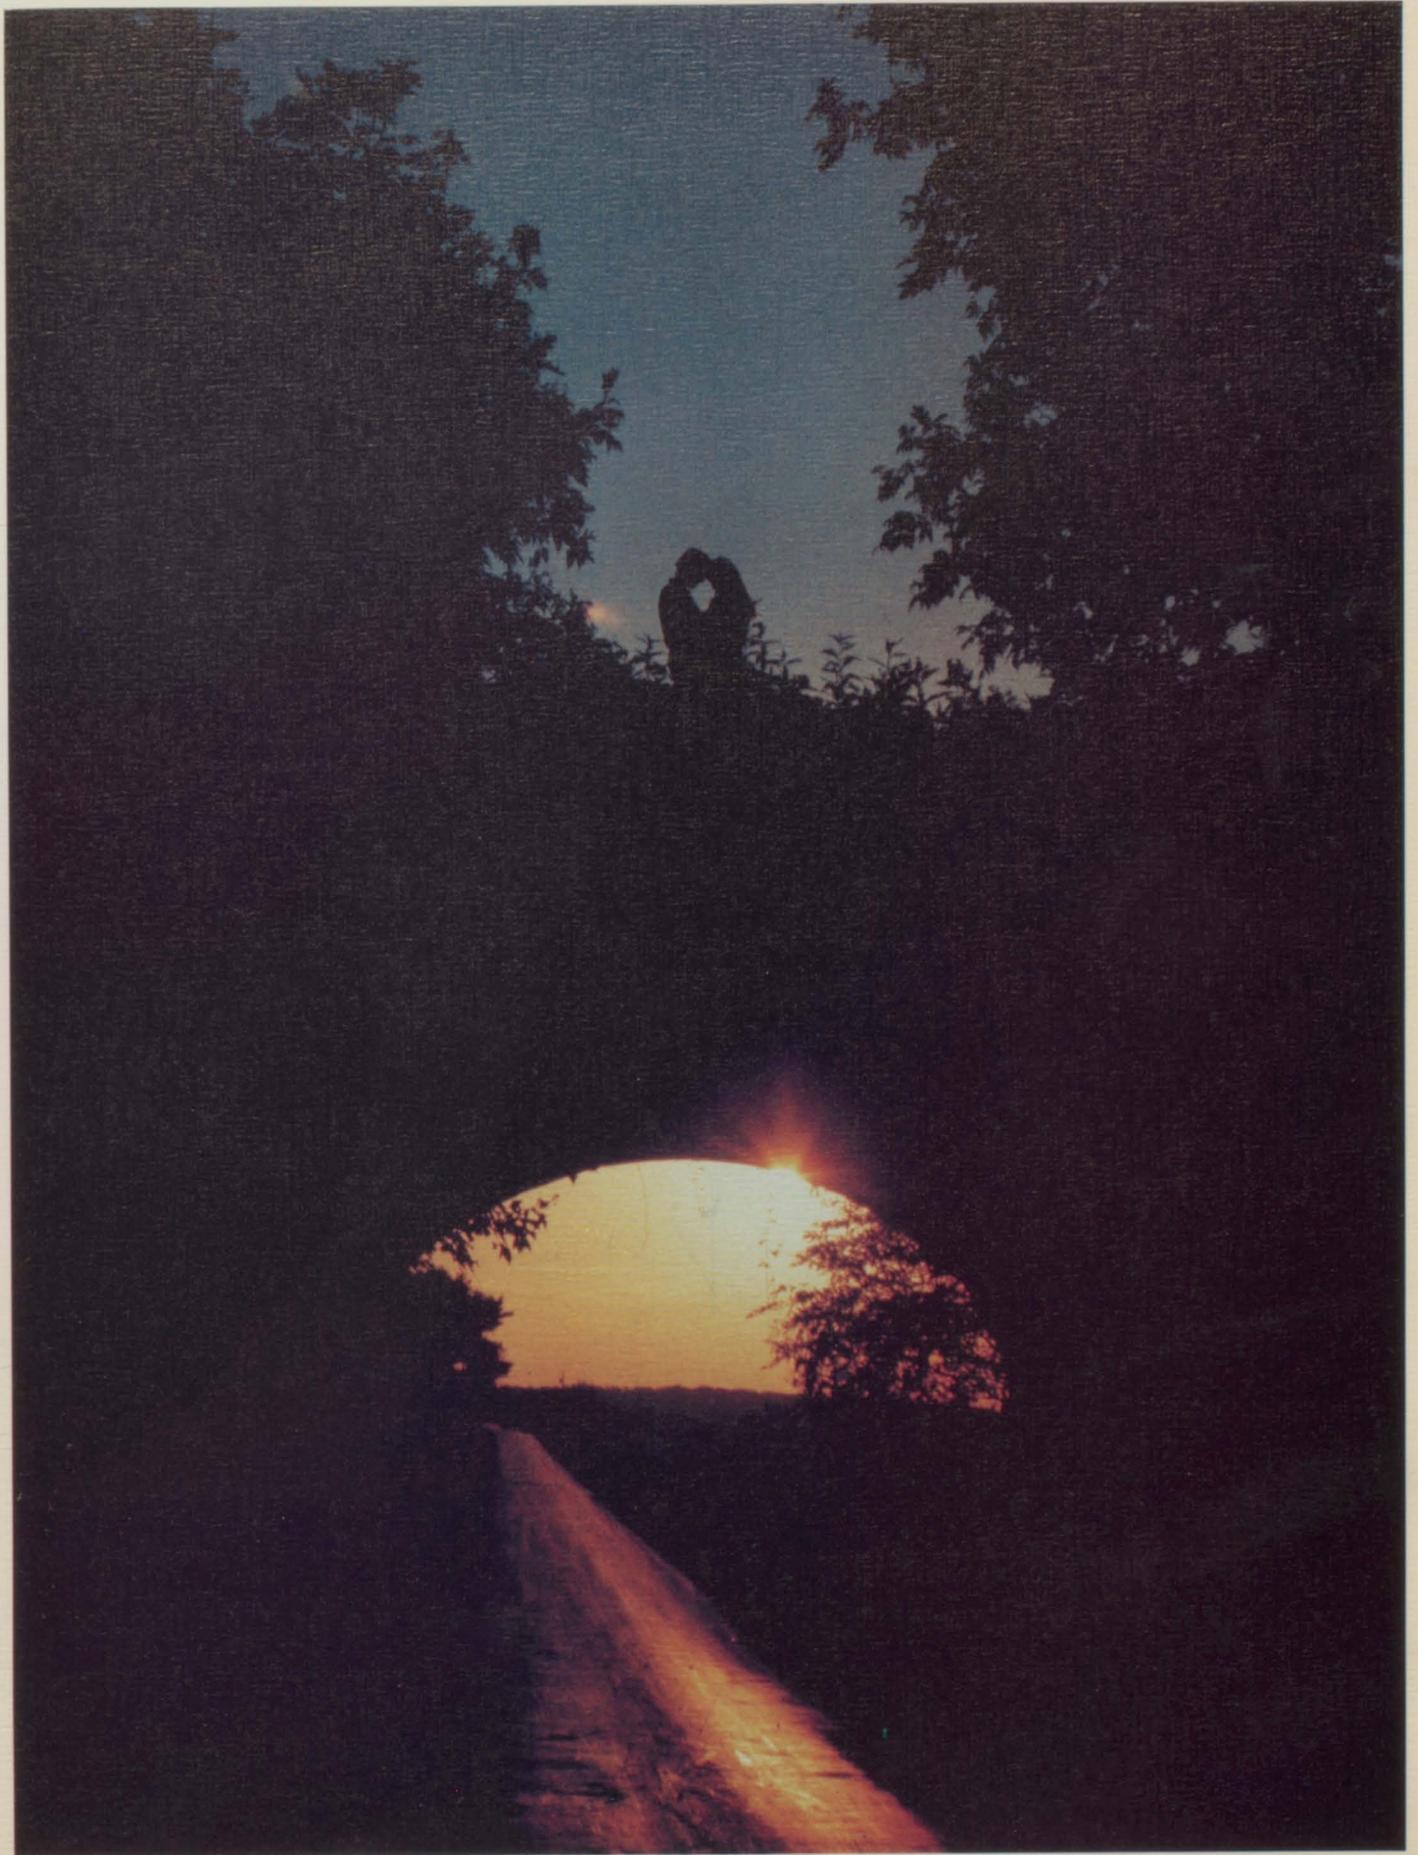

You've Got a Friend

*When you're down and troubled
And you need some loving care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night.*

*Ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you, yes and desert you
And take your soul if you let them
Oh, but don't you let them.*

*You just call out my name
And you know wherever I am
I'll come running to see you again.
Winter, spring, summer, or fall
All you have to do is call
And I'll be there
You've got a friend.*

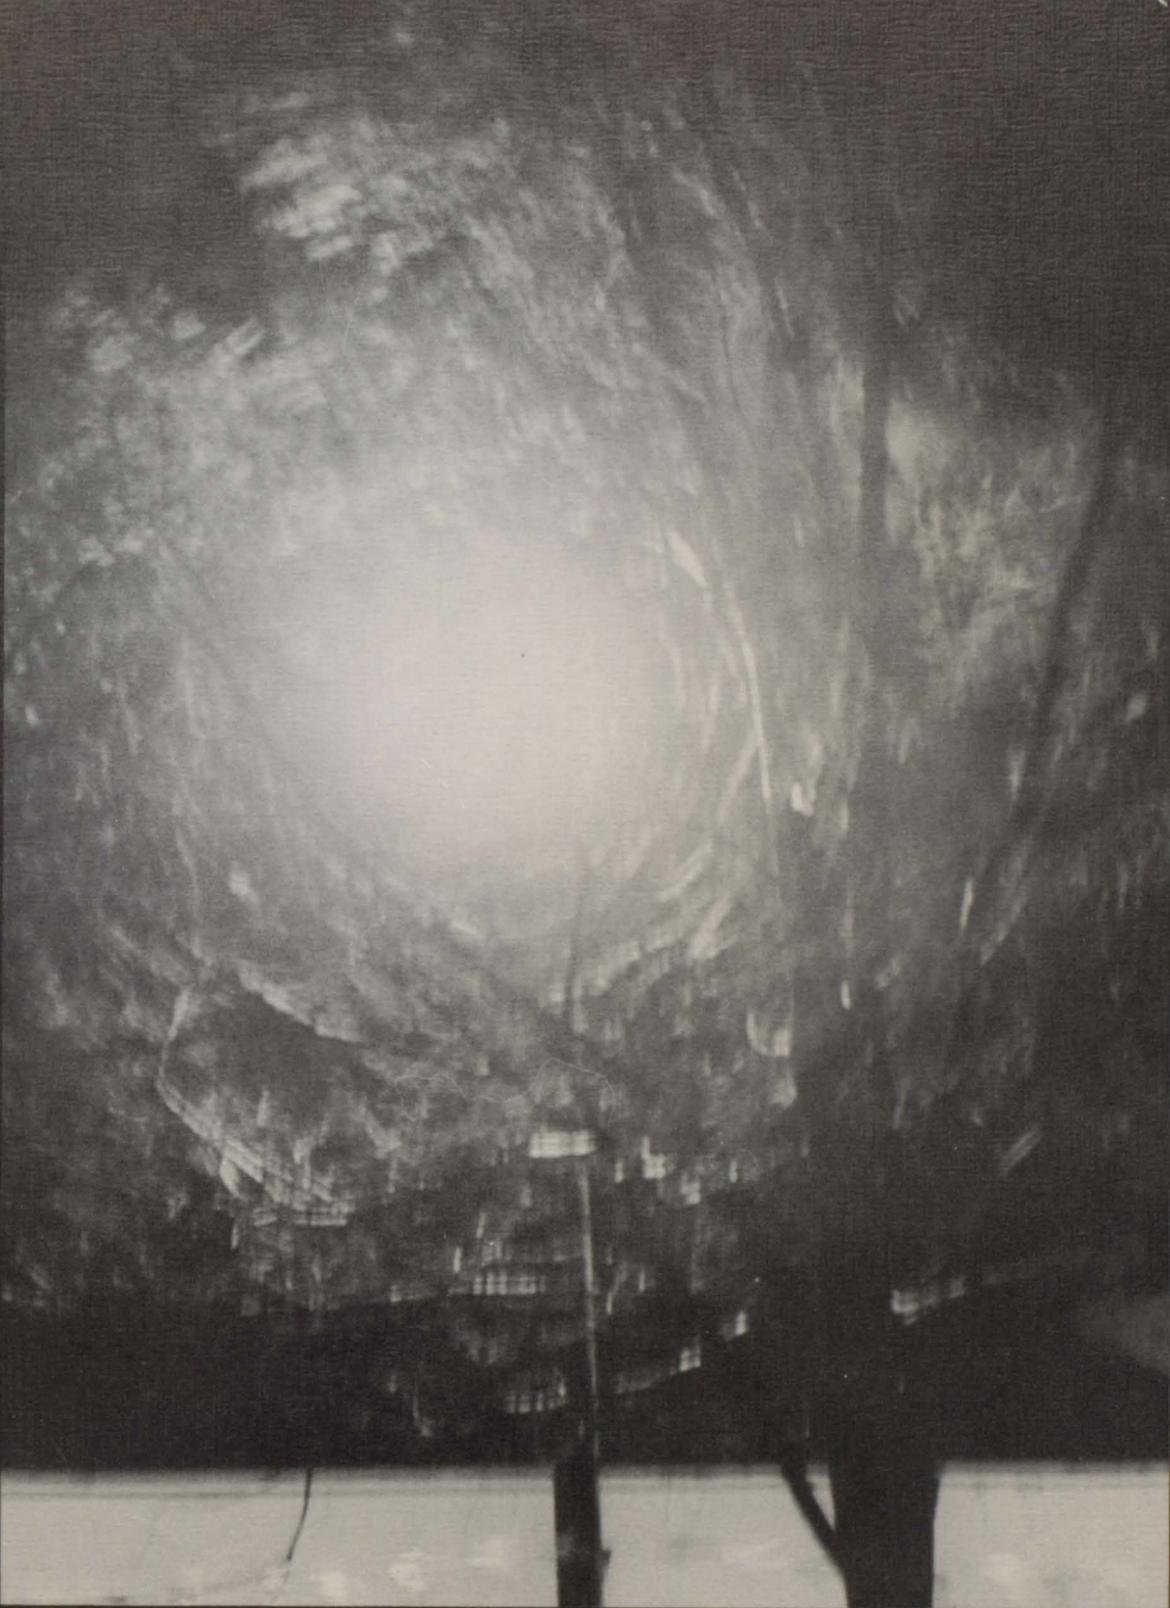

-Carole King

Angels Hard As They Come

Eighteen Freshmen reported for practice along with twelve Sophomores. The Frosh-Soph had a record of three wins and four losses. Two of these losses were by scores of 0 to 6. The Frosh-Soph lost the first three games, scoring only 2 points, while giving up 51 points. This was due mostly to inexperience and adapting to the new lighting system. In the next 4 games the Wildkits scored 38 points, giving up only 20 points. In all the Wildkits scored 10 touchdowns, but 4 were called back. The freshmen scored a 6 to 0 victory over the Alwood freshmen. Defense was the Wildkits strongest point. This group made rapid progress in adapting to our new system and the future looks good. Serving as captains for the Wildkits were Fritz Apfel, Al Carlson, Larry Ringberg and Mark VanDeVelde.

World's Best Defensive Squad

We're The Champs!

The Galva Wildcats finished a tremendous football season and captured a piece of the Little Six title for the '71 season. A quick look at the 7-1 record of the team gives an indication of the type of team fielded by Galva this year, but a comparison of statistics gives an even better picture. The squad worked as a unit, both offensively and defensively. Teamwork is the key to the game and it worked for the Wildcats. The Cats scored a total of 184 points this year and at the same time held their competition to only 20 points, a new school record. Galva's defense proved they were one of the strongest in the area. No other team in the conference allowed as few points while scoring as did the Galva squad. The strength of the defense was also seen in the number of fumbles committed. The opponents fumbled 28 times during the season due to Galva tackling and the Wildcats grabbed 14 of them. Galva's offense committed only 15 fumbles and lost 6. At the same time Galva's defense was busy holding the competition to an average of approximately 70 yards a game rushing, the Cat offense was busy picking up about 25 yards a game. The Wildcats went to the air 67 times during the season and completed 20 for 260 yards. The opponents passed 61 times, completed 19 and gained 176 yards. Al Troline, Lauren Murray and Tom Dehler were the leading ground gainers for the Cats. Troline averaged 7.2 yards per carry in 110 tries. Dehler was next with an average of 6.5 yards per carry, followed by Murray with 5.4. Troline was the second highest scorer in the Little Six with 66 points to his credit. Dehler was also among the top 10 with 6 recorded this year. Coach Martoglio steered his team to these impressive statistics and has every right to be proud of his Galva Wildcats.

Homecoming was on October 28 this year, and it was an event that everyone enjoyed and will remember. The festivities began in the afternoon with a parade. Each class entered floats in the parade, and various Galva businessmen judged the entries. The Senior class won with the Freshmen coming in second.

That evening everyone came to watch the Galva Wildcats "plow the FARMERS under!" The 1971 Football Team added another victory to their already outstanding performance by defeating the ROVA Tigers, who came to Galva boasting an undefeated season and went home with their tails between their legs.

The Homecoming Dance was held the next evening with music provided by the "Playne Truth." The gym was decorated with various parts of each class float. When the magic hour of eleven o'clock came, the gym was evacuated and everyone went home to recuperate from one week of hustle and bustle.

Another trophy is displayed at Galva High School and it stands as a reminder of the '71-'72 basketball season. This trophy is a first representing Galva's domination in the Little Six Conference during the season. No other Wildcat team was ever able to earn the conference title since the school became a member of the conference three seasons ago. The Wildcats came through with eight victories in ten conference games. The Galva squad rolled up some impressive statistics while on the way to the conference championship. Many of these statistics can be credited to a number of seniors who were in their last season of their high school ball. The Galva squad hit 1516 points as a unit and hit 577 field goals for a 38 percent average. The 'Cats hit approximately 65 percent of their free shots, totaling 362 made as a team. The Wildcats had 498 offensive rebounds and 573 defensive rebounds.

SEASON RECORD 4-8-1

The highlight of the 71-72 wrestling season was the winning of the third place trophy at the Winola Tournament. This is the first wrestling trophy won in the new school. Though having experience in many weights, the team did not do as well as expected. This is due in part to the fact that they wrestled schools larger than ours. Next season will be a rebuilding one because the team shall lose a number of senior wrestlers: Kevin Whitman at 132, Scott Johnson at 145, Ron Good at 167, Mark Lyter at 185, Cal Korth at heavyweight, who turned in an outstanding season before being injured, and Galen Chilberg at 155 who led the team in almost all categories. Galen had 17 season victories and was named outstanding wrestler of the year, an honor he shared last season with Calvin Korth.

Paris By Moonlight

The annual FHA formal dance was held on November 20, 1971, in the gym. In the Paris By Moonlight atmosphere the crowd danced to the music provided by the Silver Laughter. Kathy Hemphill was selected by the chapter as queen. Her court consisted of Jackie Simmons, senior; Ranada Dolk, junior; Linda Anderson, sophomore; Teri Overbaugh, freshman. The refreshment area, in the motif of a French cafe, was on the stage. Entrance to the affair was through an archway which led to various garden scenes. Pictures were taken of the couples with a wishing well surrounded by wrought-iron furniture in the background. Souvenirs for the evening were paper flowers and champagne glasses.

The Galva High School track squad had a good season with one member heading to the state meet. The season opened with a win over Rockridge when Al Troline, Scott Johnson, Tom Dehler, and Lauren Murray scored individual wins. The next meet was a Wethersfield Triangular with Troline winning both high and low hurdles and Dehler winning both discus and shot. Galva placed sixth in the Wethersfield Relays and tenth in the Davenport Relays. The 34th Annual Galva Relays was claimed by Wethersfield with Galva coming in sixth scoring 30 points. The Galva Squad took first place in the 320 high hurdle shuttle and the mile relay. Galva placed fourth in the Maple Leaf Classic in Geneseo with first place wins in the mile relay and the 440 with Johnson. Ace hurdler Alan Troline claimed first place at the Track Honor Roll Meet in Kewanee. Al won the low hurdles and broke the meet record and the Galva record (Held by Willie Thomson) with a time of 14.8. Al again won both high and low hurdles in the Little Six Conference Meet which helped the team take second place for the meet. Troline then went on to win third in both high and low hurdles at the district meet in Rock Island which entitled him to go on to the state competition. Also at the district meet, Scott Johnson set a new Galva record for the 220-yard dash with a time of 22.9 seconds.

The Jungle

May 6, 1972

I guess you know . . .

Ooo - Eee - Ooo - Ah-Ah!!!

Junior-Senior Prom

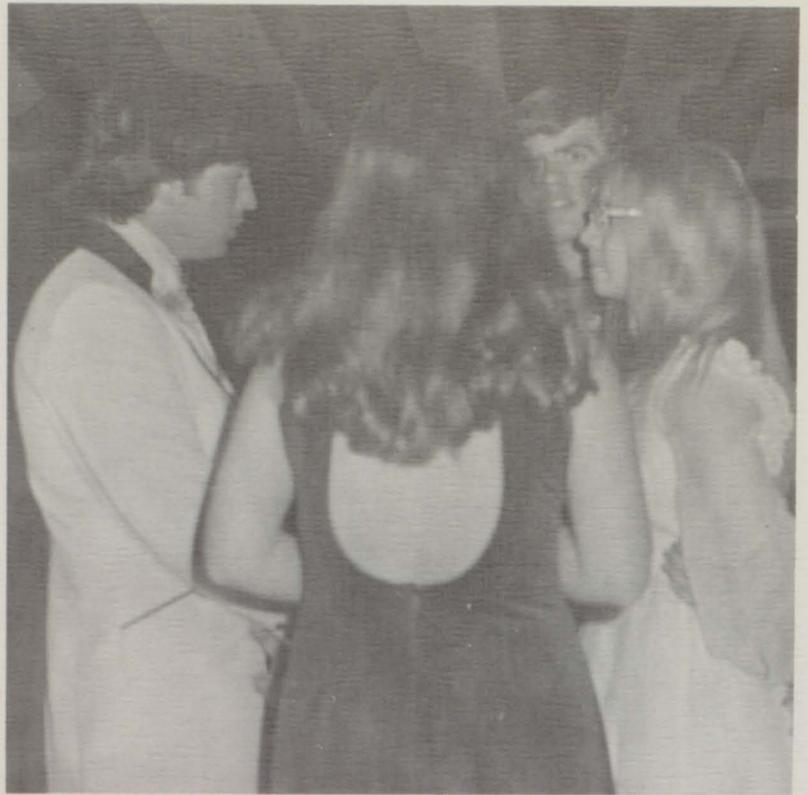

A trip to the tropics on May 6 was one of the highlights of the school year. A roast beef dinner and entertainment by members of the junior and senior classes began the evening. The gym was transformed into a lush tropical jungle. Birds of Paradise and wild monkeys, not to mention herds of ferocious animals, were on the prowl. Dance music was provided by Black & White. It was a night to remember for all.

Pot Prophecies

You say the nicest things.

May I make a comment!

You bet I'm having a good time!

I see it, but I don't believe it!

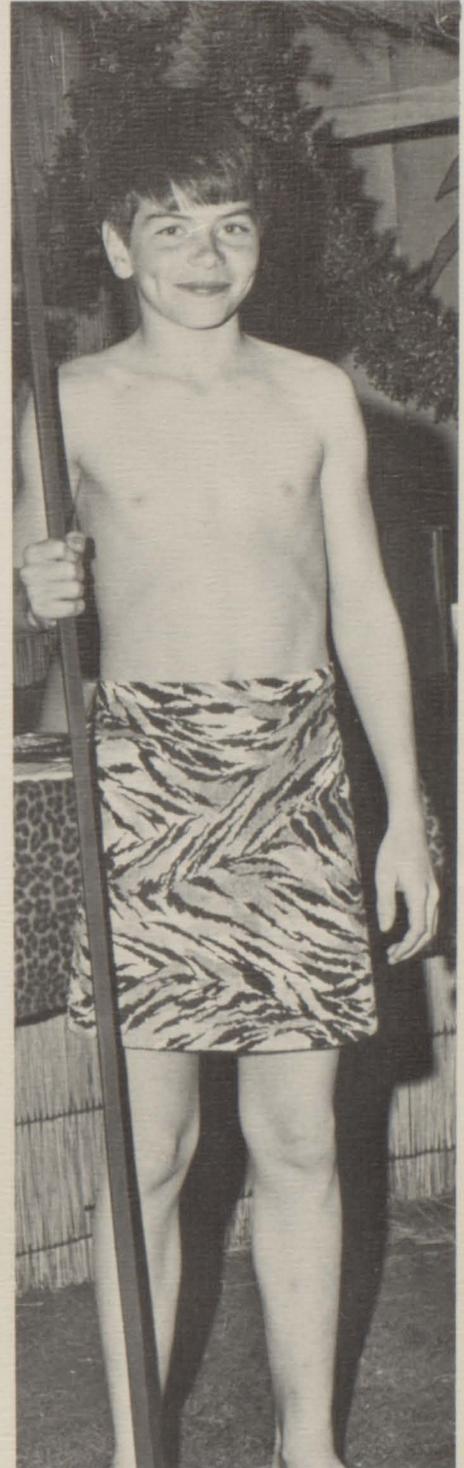

Tribesmen Stand Guard

I hope nobody notices me.

Bug off, you guys!

At least I'm keeping cool.

You mean they put THAT in print!

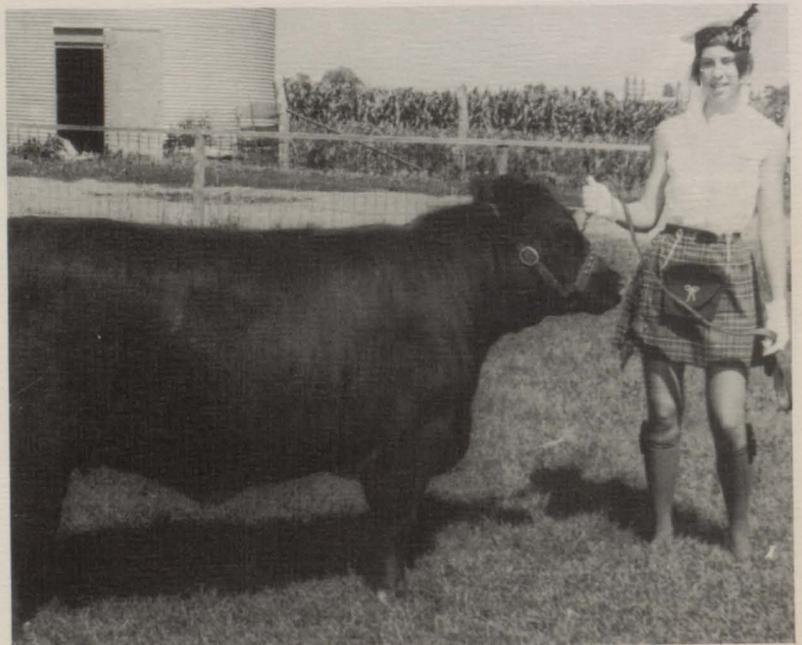

Let's talk about tractors.

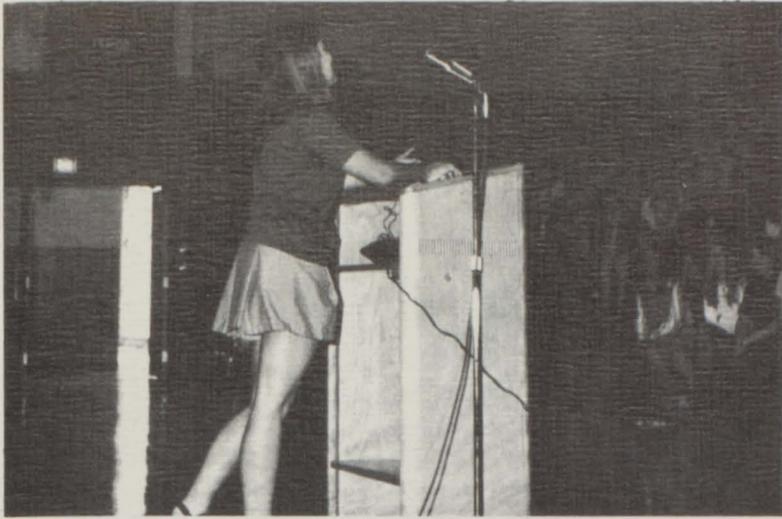

Rooty--Toot--Toot

You cute little dickens, you!!!

Of course he isn't house trained yet!

An if elected, I will . . .

Won't they let you play, Mr. Young?

Want to know a secret?

Let me tell you how it's done, kid!

I didn't know they came in economy size!!!

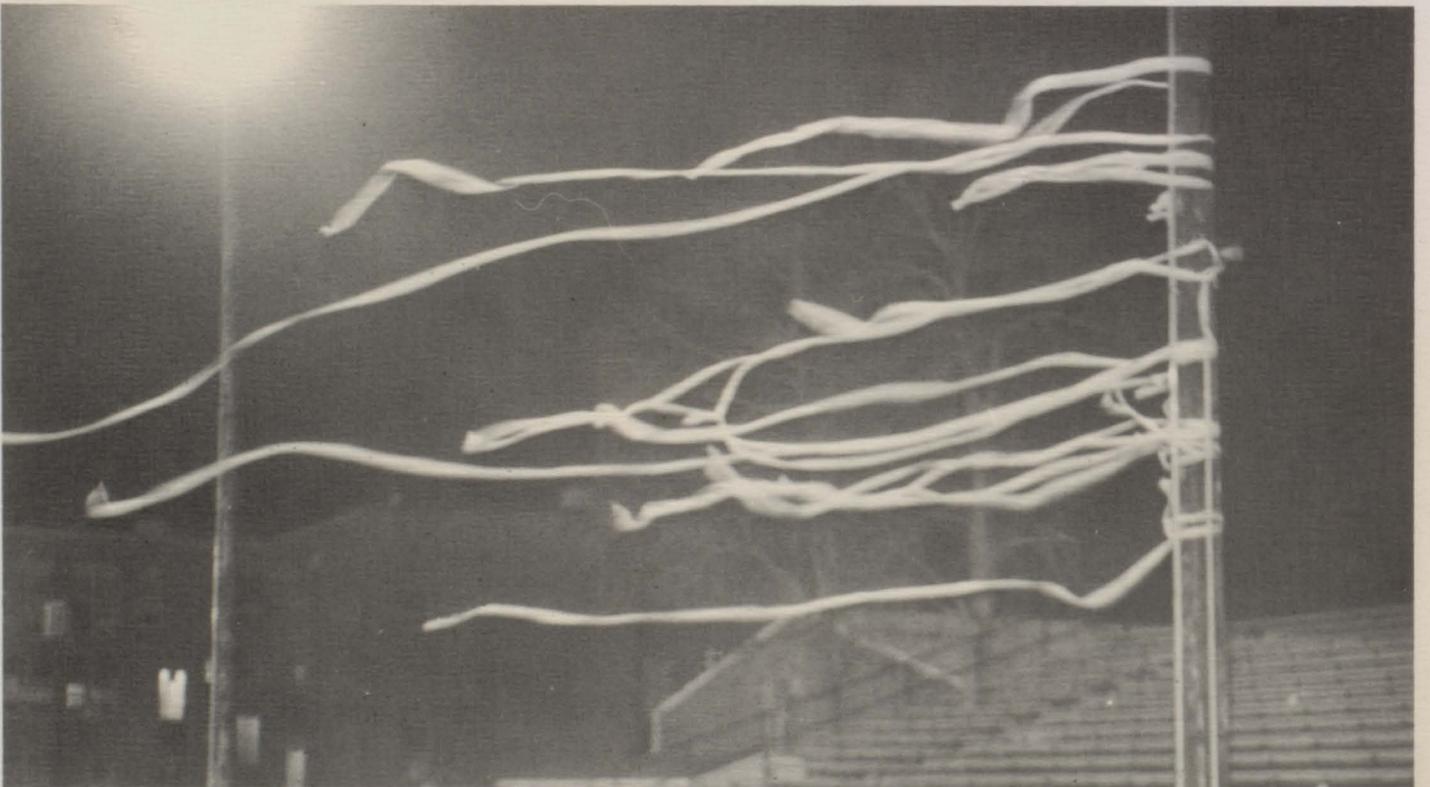

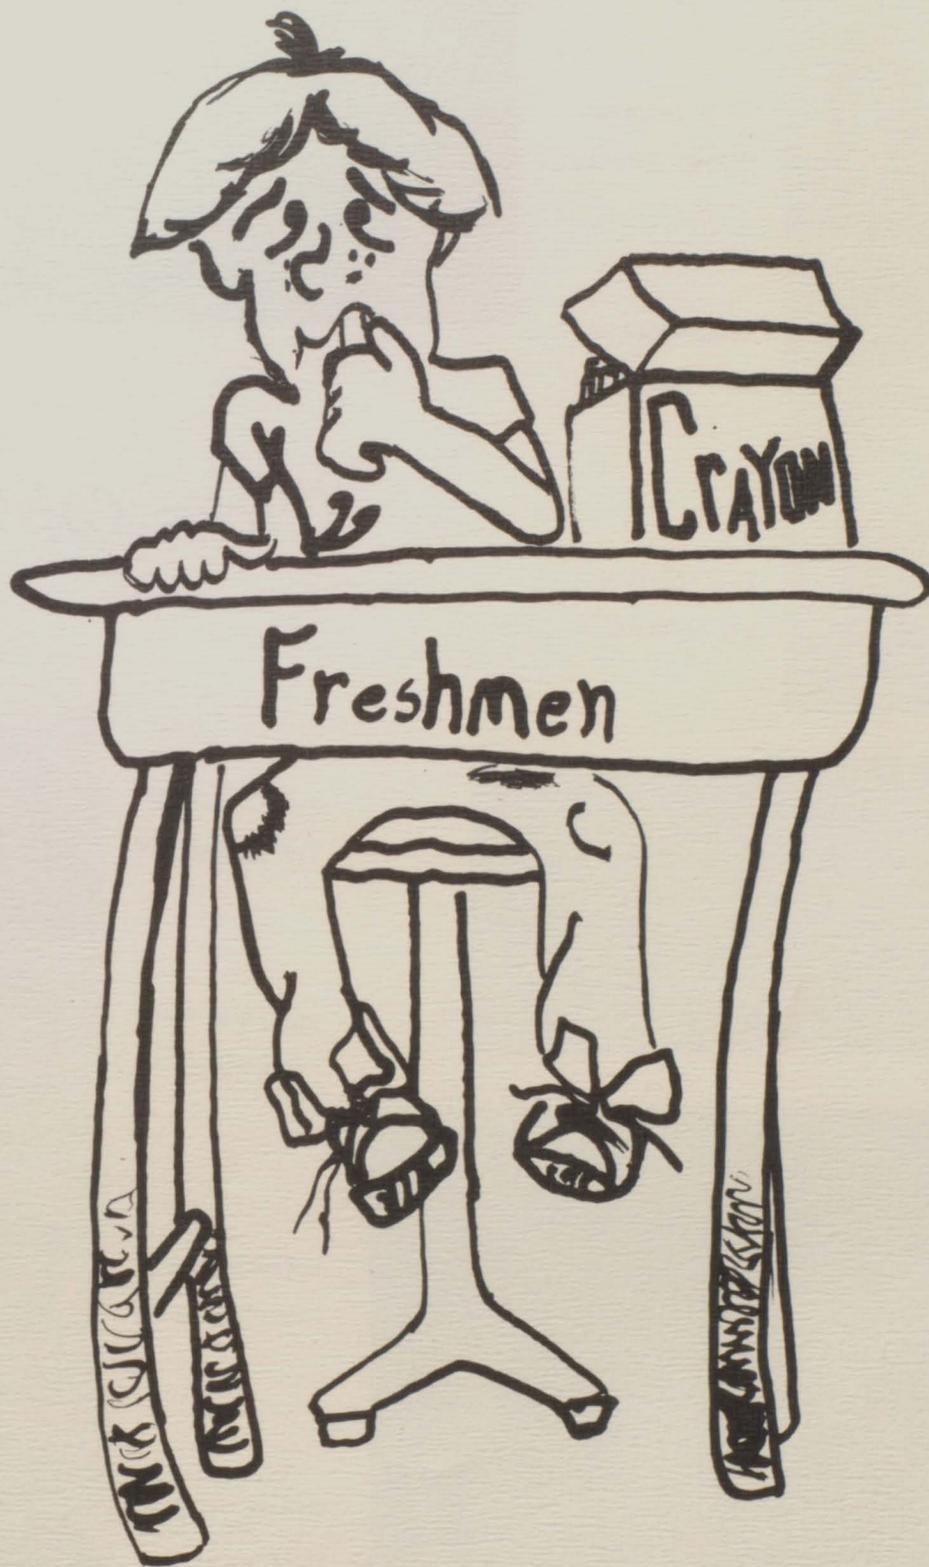

Mud baths are great!

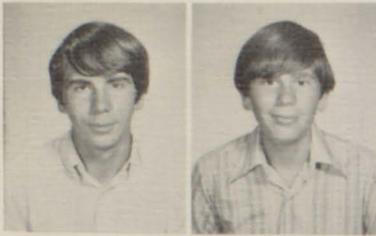

How sweet to do nothing and just rest.

The most I can do for my friend is simply to be his friend. I have no wealth to bestow upon him. If he knows that I am happy in loving him, he will want no other reward. Is not friendship divine in this?

*Once in an
age, God sends to
some of us someone who loves in
us, not a false imagining, an
unreal character, but looking
through all our human
imperfections, loves in us the
divine ideal of our nature. We call
this rarest of persons, who loves
us not alone with emotion, but
with understanding—*

A Friend.

Friendship is loyalty.

A friend is a person with whom
I may be sincere.

Friendship is a locker partner
with warm feet.

A friend is someone to go riding with.
Friendship is knowing you can depend on
someone in time of need.

Friendship is having someone around when
you need someone to talk to.
Being a friend is being able to give of
yourself, listening to problems,
understanding and most important--
caring.

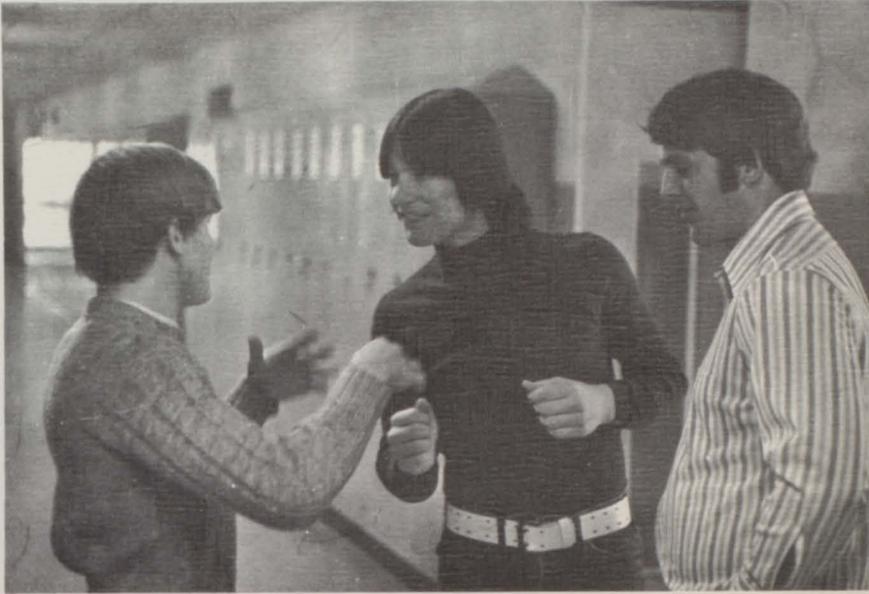

Friendship is making someone's rainy day sunny.

A friend is a person that will yell their lungs out at a game.

A friend is someone to borrow from.

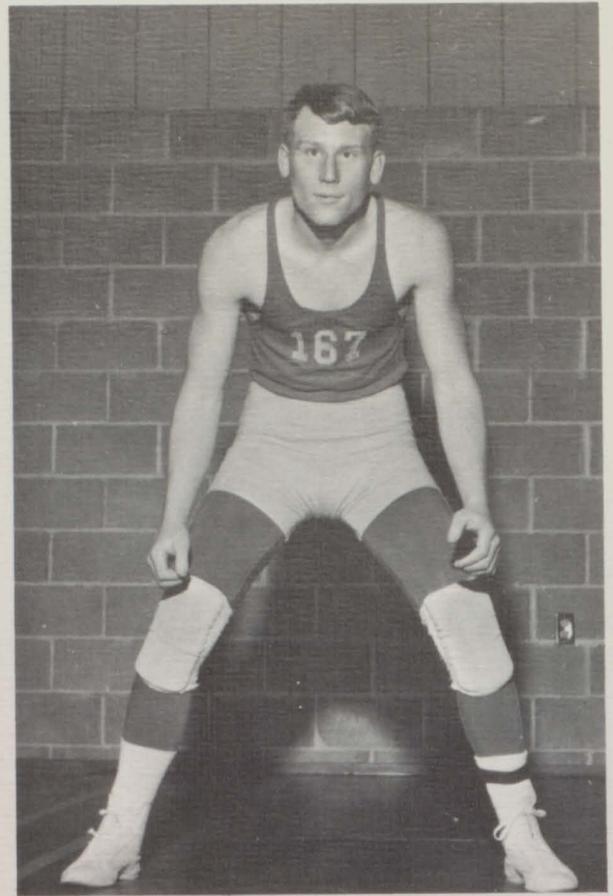

A friend is someone who you can get into trouble with and you get away and he takes the blame without squealing on you.

Friendship is having someone to tell your secrets to.

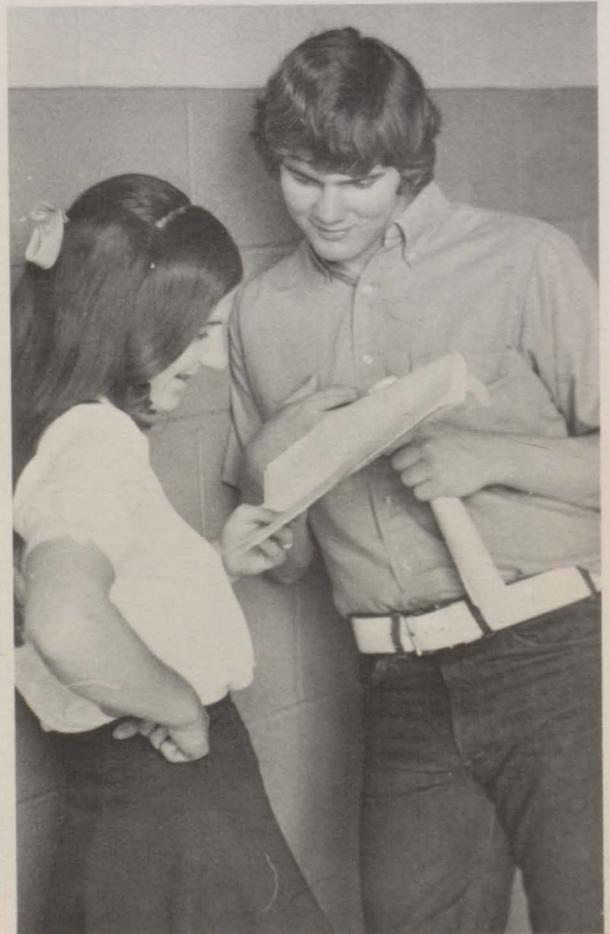

A friend is always there.

You must learn to be a friend before you can have a friend.

A friend is a good guy.

A friend is someone you can believe in;
a person you feel at home with;
a person you can trust.

Friendship is understanding without an explanation.

A friend is someone you can depend on, when you need someone most.

Listen children to a story that was written long ago
 'Bout a kingdom on a mountain and valley folk below.
On the mountain was a treasure buried deep beneath a stone
 And the valley people swore they'd have it for their own.
So the people of the valley sent a message up the hill
 Asking for the buried treasure -- tons of gold for which they'd kill.
Came an answer from the kingdom, "With our brothers we will share
 All the secrets of our mountain, all the riches buried there."
Now the valley cried with anger, mount your horses, draw your sword
 And they killed the mountain people so they won their just reward.
Now they stood beside the treasure on the mountain--dark and red--
 Turned the stone and looked beneath it.

 PEACE ON EARTH was all it said.

Go ahead and hate your neighbor, go ahead and cheat your friend.
Do it in the name of heaven, justified in the end.
There won't be any trumpets blowin' come the judgement day.
 On the bloody morning after
 ONE TIN SOLDIER rides away.

---Dennis Lambert & Brian Potter

Where

Are Your

Friends?

*Where are your friends when you need them,
Where did they go,
Are they running away from you,
Are they hiding from you.
Where are your friends
When you need a shoulder to cry on,
I need a shoulder to cry on,
My friend left me by myself.
My shoulder has left me,
No place to lean,
I cry standing up.*
