**ANNIVERSARY**

**EDITION**

**1924**

**1974**

When school opened in the fall of 1923, members of the Senior class requested of Superintendent F. U. White that permission be granted to organize for the publication of an annual. He brought the matter before the school board and before a committee of the faculty. Their reactions were favorable and a staff was selected. A contest to name the annual was held. It was won by Miss Gertrude Biedermann, one of the English teachers.

Enthusiasm ran high. Everyone concerned worked hard. We had to work hard because none of us knew much about the publication of a yearbook. Our advisors had to work as hard as the staff members. The engravings for the Galahi were made by a professional firm but the school board insisted that the Galva News handle the printing. The News was not well equipped for such a project but cooperated manfully. The results of all our efforts were quite good. I thought so then and I still do.

In 1853, William L. and James Wiley offered to plant a town on the present site of Galva if the Burlington Road, then building, would erect a station. The agreement was made and the first house and first store were built in 1854. The next year a one-room school was started. This one-room school was soon outgrown, as were subsequent buildings. The Galva High School of 1924 was erected in 1894 at a cost of \$26,607.00. Rapid population growth and the formation of a large school district soon caused the need for more space in the schools. The building which now serves as the Middle School was erected in 1932. The building which now bears the name of Galva High School was completed at a cost of \$1,118,770.58. Classes began in the new building in January, 1968.

Dear old Galva High School  
 With your maize and blue,  
 We are for you, always for you,  
 And we'll always root for you.  
 For Galva High we'll always stand,  
 Our loyalty you will command;  
 And we will always do your very best  
 To bring the honors home to you.  
 Galva High,

You are the best, you are the best,  
 You are the best high school of all,  
 In study, football, track,  
 There's nothing that you lack.  
 We will always back old Galva High.

Jalwa, April 10, 1974

My dear friends!

There are so many young girls and boys in this world who would like to come to your country and learn about your way of life. I was one of them, and fortunately, I was elected as a young representative of Yugoslavia. I think I was lucky.

While I'm writing this letter to you, and looking backwards, I can tell that it was magnificent year for me, such big experience which, I'm sure, I shall never forget. We had a great season, good football games, basketball season, which was my favorite, even first year of girls' basketball (We were good, weren't we?), and a lot of fun..... with the great knowledge of English language I've received.

There will be a lot to talk about when I get home. I'm sure my brother will be asking me about America all the time. He is great, a fifteen-year-old enthusiastic guitar-player. His name is Zoran, but I usually call him "Conti". He plays tennis, sometimes basketball. My mom is a nurse. Her name is Danica, and she likes flowers, art and reading. I love her very much. Ladislav is my dad's name. He is a textile engineer. He's been wrestling for twenty-two years and he is a coach now. His hobby is his vineyard. What would I say about me? I love traveling and my greatest hope is to finish the medicine university.

I live in Varaždin, an old baroque town in the northern part of Republic Croatia. It's a great place and maybe someday you'll have an opportunity

to come to see it and visit my beautiful country.

I would like to thank you for your hospitality and to the Galva High School, because it was nice to be with you, share pleasant moments and I know I'll miss it, but there always stays a memory, doesn't there?

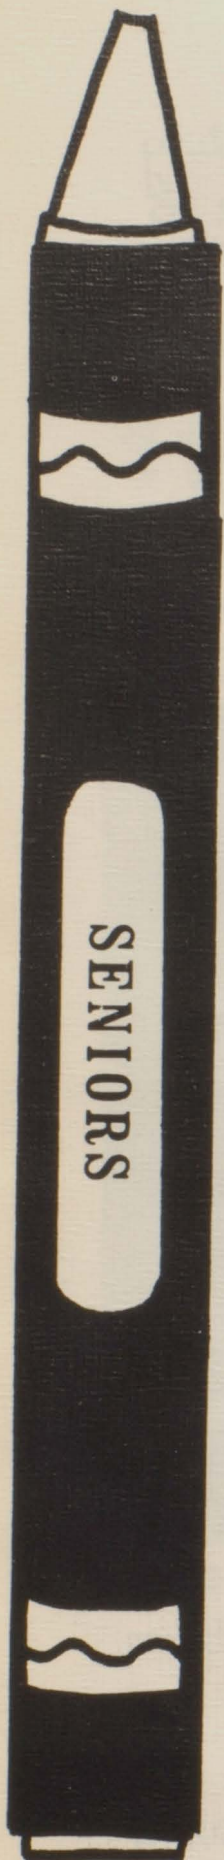

Sincerely yours,

Ines Nina Babšaj

thinks he can tell the teachers what to do.  
can be pretty snobby.  
gets to do about anything he wants.  
is someone underclassmen hate and envy at the same time.  
is the happiest person in school.  
likes to brag about it being his last year in school.  
is conceited.  
is someone who thinks he owns the world.  
is on the verge of complete adulthood.  
is ready to lend a hand.  
puts his attention on life, not just on Saturday night.  
realizes he'll soon be parting from his friends.  
likes to harass the freshmen.  
enjoys joking around.  
likes to act like a bully.  
is a person who's usually got it together.  
is always on an ego trip.  
has a severe superiority complex.  
isn't as bad as he's made out to be.

#### AUTUMN IS . . .

pumpkins at a roadside stand.  
halloween with witches, black cats and ghosts.  
weiner roasts.  
crop harvest time.  
leaves falling off the trees.  
the time for the last picnic.  
football games and toilet paper.  
relief from a sweltering summer.  
when you smell burning leaves.  
is the beginning of school.  
is brown, orange, red, and yellow.

## *Galva 12 Wethersfield 6*

Opening night for the Wildcats was a wild one. The Geese from Wethersfield were the Cats first victim. The Geese scored first, but the Cats came back led by Mark VanDeVelde scoring on a six yard run and Jeff Hagaman scoring on a one yard run.

## *Galva 14 Tiskilwa 6*

Tiskilwa proved to be a very formidable opponent. The "wild bunch" from Galva scored 14 points in the first half, then hung on as the Indians scored early in the third quarter. Again Jeff Hagaman helped by scoring from one yard out. Jim Theesfeld pulled in an eleven yard TD pass from VanDeVelde.

## *Galva 26 Lewistown 6*

Lewistown came to Galva with a big team but they got cut down to size. Hagaman went to work scoring on a five yard run and a seven yarder. Roger Bell and Mark VanDeVelde each got into the scoring act—Bell with a pass reception and VanDeVelde with a run. Frank Interrial kicked the extra point.

## *Galva 13 ROVA 8*

Game four was extra important. It was homecoming and ROVA was on the schedule. Bob Nelson started things off with a ninety yard run on the opening kickoff. Frank Interrial took off on a seventy yard run to score with the next punt. The defense then held the Tigers to only eight points. The game made the whole homecoming weekend a success.

## *Galva 7 Alexis 0*

Alexis was next on the agenda. Both teams were undefeated going into the game. It was a scoreless tie at half-time. Early in the third quarter Jim Theesfeld hauled in a pass from VanDeVelde for the only TD of the game. The defense played a super game allowing only 67 yards rushing against them. It was a total team effort.

## *Galva 0 Knoxville 14*

The Knoxville game was played in a continuous rain which seemed to put a damper on the Cats playing ability. The Bullets got a few breaks early and they capitalized on them. The Cats never got untracked and suffered their first defeat of the year.

## *Galva 14 Prophetstown 17*

Following the Knoxville defeat, the Cats were more determined than ever to get back on the winning track. Unfortunately, they had to go against a much bigger Prophetstown team. The "wild bunch" fought hard all the way, but still came out on the short end of the score. Jeff Hagaman and Mark VanDeVelde scored for the Cats.

## *Galva 34 Aledo 0*

The next week was a big one for Galva. Martoglio's Mean Machine rolled for a total of 34 points while the defense held Aledo to none. Bob Nelson and Mark VanDeVelde had two TD's each, while Hagaman added another. The "Redneck" defense did its part again limiting the Green Dragons to only 74 yards.

## *Galva 0 Abingdon 0*

The stage was set for the big showdown between the Cats and the Commandos, with the winner at least tying for the conference championship. It couldn't have been a wilder game. Both teams played exceptional defense and the score stayed knotted at nothing to nothing. Knoxville was defeated, thereby leaving Galva and Abingdon tied for the championship.

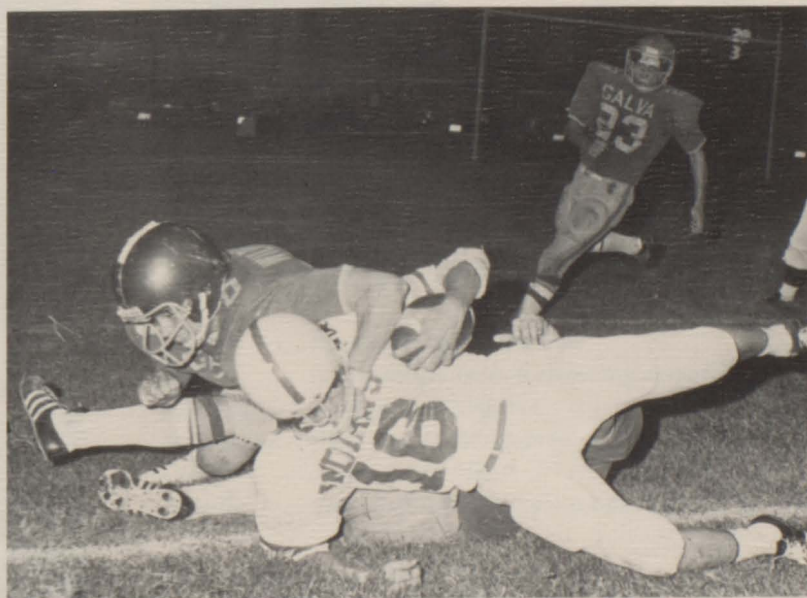

## 25 Freshmen Hit By Gridiron

ROW 1: Glenn Scott, Tim Murray, Bill Dolk, Greg Dowell, Steve Karjala, Pat Cromien, Tim O'Leary, Kevin Thompson, John Arter ROW 2: Joe Anderson, Jeff Edwards, Jeff Olson, Royce Johnson, Mark Brock, Dave Carlson, Jim Hagaman, Bill Robson, Dave Kerner, Rick Sundberg ROW 3: Al Wexell, Tim VanDeVelde, Scott Stevenson, Jack Burnett, Rick Ericson, Jim Haga, Mark Troline, Kurt Kempin

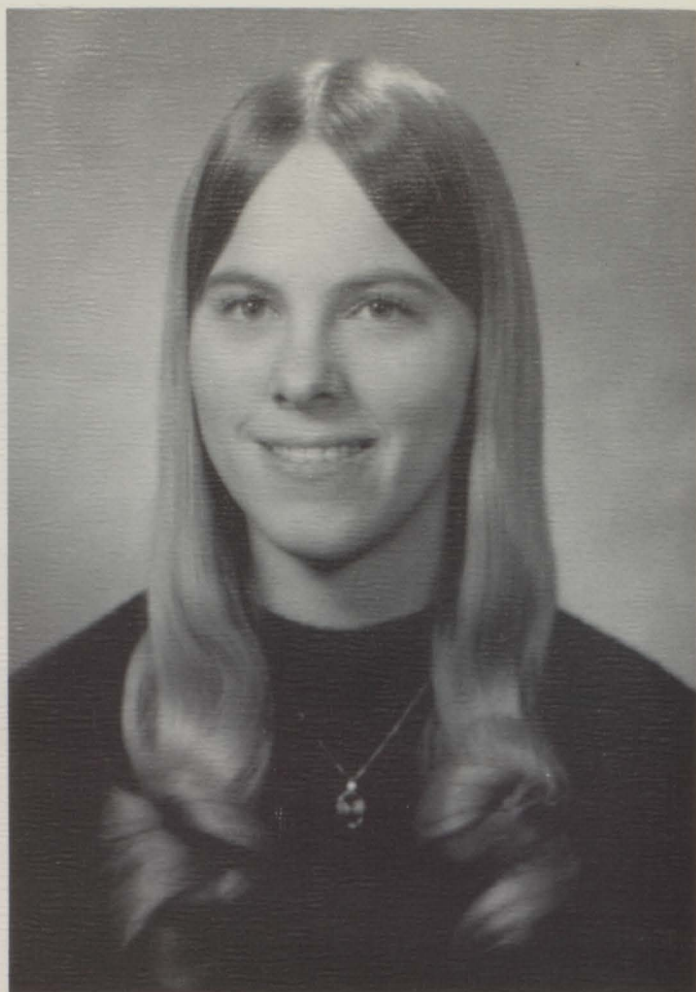

This year Coach Ault was greeted by twenty five freshmen and only three sophomores. Experience was limited but spirit was high. The young Cats ran into some tough competition and came out on the short end of the scores all year. Although they didn't win a game, they did gain valuable experience that will help them in the future. They worked hard all season and that is what builds winning football teams. The future looks bright for Galva's football program.

# 1973 Football Queen

Each year the Galva Lion's Club sponsors a football queen contest. The varsity squad selects 2 senior girls and 1 girl from each of the other three classes. Each person who purchases a season football ticket casts a vote for his choice for queen. At halftime of the first home football game, the queen is announced and crowned. As the 1973 queen, Peggy Theesfeld received a scroll signed by all the players, the key to the city of Galva from the mayor, a football charm and a dozen roses from the Lion's Club. Members of her court received flower wristlets.

# Homecoming, 1973

Hey, Hey, Babareeba! Now we take you back to the Fabulous Fifties. On Thursday, after a hard week of working on floats, a bonfire and snake dance sparked the rockin' and a rollin' for Homecoming '73. On Friday, to really get into the spirit of the '50's, everyone wore their bobby socks and saddle shoes to school. A pep assembly was held featuring the keen substitute cheerleaders, the cool cheerleaders, and various other neat skits. After the assembly, everyone grooved uptown to see the parade led by King Al Carlson and Queen Sheri Chilberg. The class floats were judged and the Juniors won first place with the Seniors coming in second. Friday nite at the game the Mighty Wildcats showed the ROVA "greasers" how to "rumble" by scoring two touchdowns in less than two minutes! When the action cooled down at the final buzzer, the score was 13-8. The Wildcats trucked off the field leaving the ROVA "dirtfreaks" mooning. "At the Hop" was the theme for the Homecoming dance on Saturday nite. The gym was decorated like a sweet shop with a juke box, records, and parts of the floats. Teeny boppers jived to the Rock and Roll Boogie Band! Everybody enjoyed the Hub-Bub!!

Open up, I'm coming through!

## B - Ball Action

Mark's fair hooker

This year's basketball team, under the reign of first year coach, Rich Volkert, faced some pretty stiff competition. After a close first game the 'Cats reeled off seven straight victories. This set the stage for a successful hoop campaign. The Galva cagers had a share of the Little Six Conference title and a record of 15 wins and 8 losses. The highlight of the year was when Galva hosted the Regional Tournament. They won their first game against Toulon, but lost to the regional champs, Wethersfield, in their second outing. At the winter sports banquet several players were recognized for their outstanding play and their invaluable contributions to the team throughout the season. Senior Mark VanDeVelde was voted team captain and the outstanding defense player for the year. Senior Fred Dehler received the outstanding offensive player award for leading the team in scoring and rebounding. Junior Ken Yelm was recognized by the team members as the hardest worker and most improved player of the year. All the players contributed highly to the success of the team throughout the season.

## Hoop Tallies

Jim Gumbel, also in his first year at Galva, coached the frosh-soph team. The Jr. Cats found the going rough as they won only two games. Experience is often a better teacher than winning and the young roundballers got plenty of experience. They were plagued throughout the year by playing teams with quite a few sophomores, while having to go almost entirely with freshmen. If experience is a good teacher these boys should have learned a lot. Learning teams build winning teams, so this group should have a lot of winning ahead of them.

Though the 'Cat wrestling standings doesn't appear too impressive on the record, we showed great promise for the next few years. A relatively young team blessed the mat this year with strong individual efforts. Sophomore, John Arter, and Freshman Tim O'Leary, proved to be potential winners for GHS by both placing fourth at District. Our three retiring matmen Fritz Apfel, Dean Anderson, and Doug Nordstrom put forth a valiant effort too. Fritz, who also placed fourth at District, was awarded Outstanding Wrestler by Coach Martoglio this year. The team was disappointed in learning of Coach Martoglio's resignation, but if their talent continues to grow they will be destined to a successful future.

Wake up Dave, it's time to wrestle.

On November 17, 1973, the hard-working FHA members created the autumn effect when "Fall Harvest," 1973 was held in the gym for the annual FHA Formal. The orange and yellow ceiling with a bright yellow moon brought a romantic touch to the big event. Entering the hoedown through a covered bridge, the couples were seen among the hay stacks, horses and wagons and bright red barn. "Brass Knuckles" played inside the barn for the dance. Refreshments of cookies and punch were served in a chuck wagon by country girls dressed in gingham dresses. Pamela Sage reigned over the festivities as queen. Her court consisted of Tina Craig, Doreen Kerner, Linda Tucker and Cathy Carlson. Smiling faces were seen on a front porch for pictures. So everyone didn't go home empty handed, colorful gourds were handed out as souvenirs.

I knew I should've stayed home and washed my hair.

To unite the French students into one common body and to create student activity in the language outside the classroom situation is the purpose of the French Club at GHS. To qualify for membership, a student must be currently enrolled in a French class or have already completed two years of French. The biggest undertaking of the French Club is the annual Mardi Gras costume carnival. One night each year students wear costumes and masks and try their skill at various booths like the teacher sponge throw, fishing and ring-toss. Other attractions were a fortune-teller, cafe and the jail. Each year a king and queen are selected. This year's judges picked the Charmin' Tissue Rolls (Connie Nelson and Brenda Larson) and the Streakers (Jim Theesfeld and Greg Zelnio) as the Kings and Queens to Reign over Mardi Gras. They were chosen for their original costumes.

Future Farmers of America is a national organization with over 450,000 members. As an integral part of the vocational agriculture program, FFA develops leadership, encourages cooperation, promotes good citizenship, fosters patriotism and teaches modern agricultural methods. Their motto is: Learning to do, doing to learn; earning to live, living to serve. The Galva FFA Chapter had a busy year-They transplanted 25 shrubs for the school, cooperated with the Campfire Girls in a paper drive, distributed over \$400 worth of garden and flower seeds, organized a skating party for members, held a play night in the gym, participated in the section Three livestock judging contest and they entertained parents and friends at a banquet. The only requirement for membership in Future Farmers of America is enrollment in vocational agriculture. Terry Shreck, chapter president received a Dekalb Accomplishment Award and Cathy Clucas was chosen as the chapter sweetheart.

This is a Drama Club member. Color her "Greasepaint Orange" and "Footlight Fuchsia."

Drama Club was organized to offer the students an opportunity to participate in theater arts and to learn all the aspects necessary to put on a theater production — publicity, set design and construction, costumes and props, lighting, sound, and acting. This year's Drama Club presented two productions, "Portrait of Jenny" and "Adrift in New York or Her First False Step". Any student who is willing to work may become a member.

Thespian troupe #931 is an organization which honors outstanding drama club members. Drama Club members earn points for their work in the club. When a member accumulates enough points in all phases of the theater arts, he is initiated into the Thespian Society. The Thespians take an annual trip to Chicago to see a stage production. In the past they have seen "1776" and "Godspell". This year's production was "Grease," a Fifties rock musical. Each year Thespians members select a senior to receive the outstanding Thespian award. Margaret Ausich was chosen as Best Thespian for 1974.

The Girls' Athletic Association provides an opportunity for high school girls to participate in sports and related activities with their friends and classmates. It allows girls who are not involved with interscholastic teams to take part in a competitive atmosphere. Many activities are offered to its members: volleyball, basketball, swimming, bowling and an annual hike to Bishop Hill. The only requirement for membership is a good physical condition which includes a heart check. At the end of their senior year, those girls who earned a minimum of fifty points each year receive an award. As a money-making project, this year's club sold navy blue sweaters with a Galva monogram.

This is a G Club member recuperating after a rough game. Color him "Brawny Blue," "Musty Maize," and "Muscular Maroon."

G-Club is an honorary organization. Its members are athletes who have excelled in one or more sports. The purpose is to have a group that singles out outstanding athletes. This club adds incentive for boys to perform well, in that being awarded a letter puts them above average in the field of sports. To qualify for membership, an athlete must earn a major letter in varsity sports at GHS and must have contributed to the welfare of the team. A G-Club member is dedicated to himself, the team, the coach, the school and the community. Working with the Athletic Booster Club, this year's G-Club sponsored a country music show and a benefit basketball game.

Because of student interest and desire, an art club was organized in 1971. It's basic purpose is to provide students with exposure to art through active participation and observation. The only requirement for membership is an interest in art. Through club dues and candy sales at basketball games, the art club accumulates enough money each year to purchase art equipment for the art room and purchase a painting for the school hallway from a student artist. The Art Club also brightened up the cafeteria by purchasing materials and painting pictures for the otherwise bare, brown walls. Once a month, a work night is held after school, to enable interested students to work on projects and experiment with new ideas. When possible, trips to art galleries are made, but because of the energy crisis, they were canceled.

Student voice in the government of Galva High School is the main objective of Student Council. The Council serves as the representative of the students' thoughts and ideas. They started the year off by initiating the incoming freshmen. Freshmen Week concluded with a dance in their honor - The Freshmen Mixer. Student Council also chose "The '50's" as the theme for the Homecoming festivities. Besides hosting professional assemblies, the Council provided and served refreshments for the student body after the school's Christmas Program. The year ended with Student Council Week (Bike Day, Carrot Day, Backwards Day, Farmer Day, and Military Day) and the election of the officers for next year. The Student Council also gave their advisor, Mr. Soderstrom, a gift for all his help and patience.

The basic objectives of the Library Club are to give the students training in the proper operation of the library, to make members more aware of books and audio-visual materials, and to have members aid other students in using library resources. Members receive personal satisfaction of giving service and obtaining training that will help them get positions working in college or public libraries. Student librarians are a great help to Miss Davis in the operation of the library. Without their help the library could not function efficiently. To become a member, students learn library rules and procedures, library arrangements, and the Dewey Decimal System and pass a qualifying test. At the end of the year the two seniors who have accumulated the most service points are awarded gifts.

This was found in the library. Color it "Rubber Stamp Gray," "Overdue Blue," and "Bookworm Beige."

"Toward New Horizons" is the motto of Future Homemakers of America. The purpose of this nationwide organization is to help members become aware that their contributions to the home and the community life today will influence the kinds of homes they have tomorrow, and that the family life of members will influence the community and the world. In order to become a member, students must pass a written exam and learn the FHA creed and state song. The FHA girls were busy through out the school year. They operated part of the concession stand during football and track seasons, had a Halloween party, a Daddy-date nite, and a Mother - Daughter Banquet. They also took a trip to Amana and sold placemats. One of the big events each year is the FHA Formal which the girls do completely themselves from making the decorations to cleaning up the mess after the dance. The week of April 1-5 was FHA week. Each day the girls had a different activity such as cleaning the school, giving lollipops to the students or baking pies and cakes for the faculty. Sheri Wood was awarded the Betty Crocker Homemaker of Tomorrow Award for her achievement on a written exam sponsored by General Mills. Pam Sage was given the Crisco Award for her work in FHA.

National Honor Society is an organization whose basic objective is to recognize and foster the qualities of scholarship, leadership, service, and character. Besides having the honor of being a selected member, students find it also beneficial when applying for college entrance, a scholarship, or a job. Membership eligibility requires a 4.05 grade point average. Juniors and Seniors are eligible. Once elected, a member must maintain a 4.0 grade point average or be dismissed from the society. Some members of the organization do some special tutoring of other students.

In only their second year of existence the G.H.S. pom-pom squad has proven to be a big hit. They exhibited their showmanship and versatility at all home football and basketball games this year. The girls composed routines using such items as flashlights, hoola-hoops, and guns. Their routines were given additional attraction by their new blue uniforms complete with white hats, boots, vests, and cuffs. The girls demonstrated their ability by winning second place in Division A state competition this spring in Waterman, Illinois. Their trophy is a welcome addition to the trophy case. The girls and Carolyn Eisenbarth, group advisor, are to be congratulated for their fine work.

Something new was added at Galva High School this year. Girls' Sports was introduced to the curriculum. The girls proved that a young team is not necessarily a bad team, even if it is made up of girls. With three wins and two losses, the Girls' Varsity Basketball Team proved that hard work and determination can overcome brutality. With a record of 2-2, the Frosh-Soph Team will give us something to look forward to in the future.

Although they didn't win any meets, the Girls' Track Team shows a lot of promise for the future also. The team consisted of two Seniors, two Juniors, four Sophomores, and ten Freshmen. With the talent that was exhibited in the short time they were on the track, you can look for them at state in a couple of years.

Is this how the freshmen get their thrills???

You know, GHS has seen a lot of changes during the years,—clothes, courses, students, attitudes, even the faculty; but they're still cute as kittens!

Everywhere I am surrounded by - culture?

Ready - Begin!

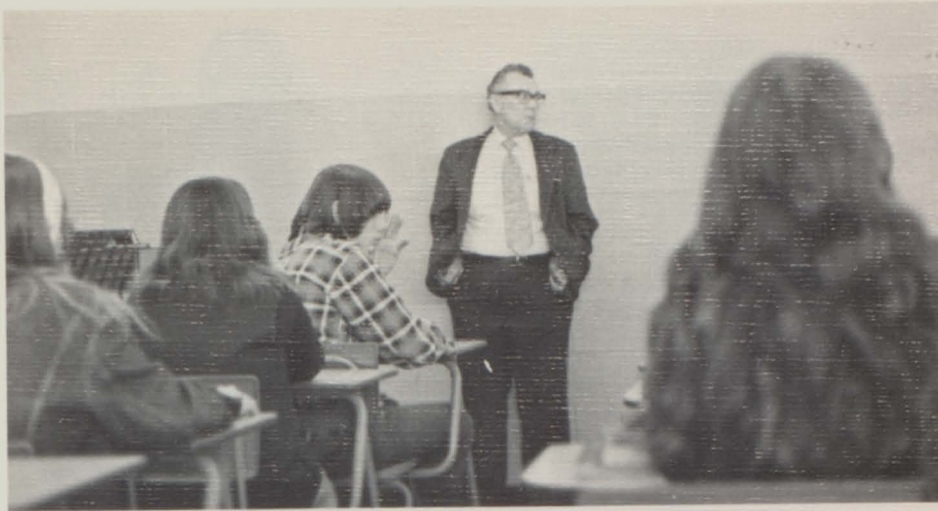

A new course called Walker's Ed!

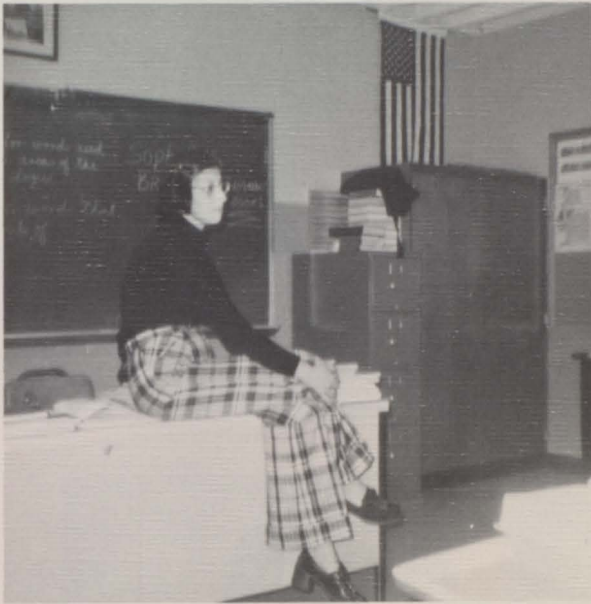

#### A TEACHER . . .

reigns over the kingdom of students.  
is like the kids—he has good days and bad days.  
needs a lot of patience.  
is someone who devotes his life to kids.  
likes to have fun like everyone else.  
can be a very special person.  
is someone who offers knowledge to those who will accept it.  
hates people who chew gum.  
dislikes tardiness.  
sometimes has pets swarming all around.  
should not be grumpy.  
that is neat is never forgotten.  
is sometimes sickening.  
has a lot of dumb papers to grade.

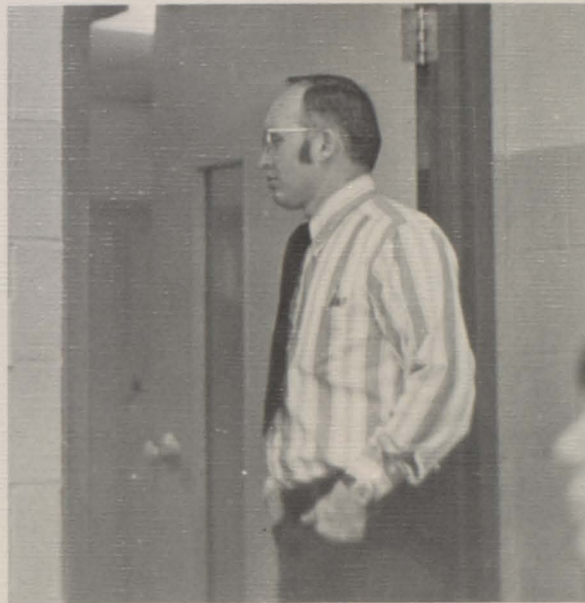

Throw it to me when he's not looking.

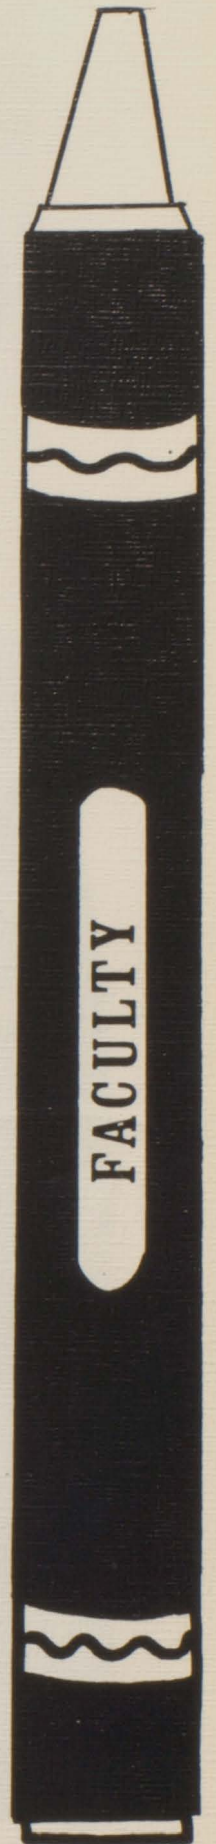

If anyone saw me sitting like this . . . !

No, I will NOT sign it!

Writing a speech at the last minute!

Confidentially- Coach to Coach

YOU can't sleep through class!

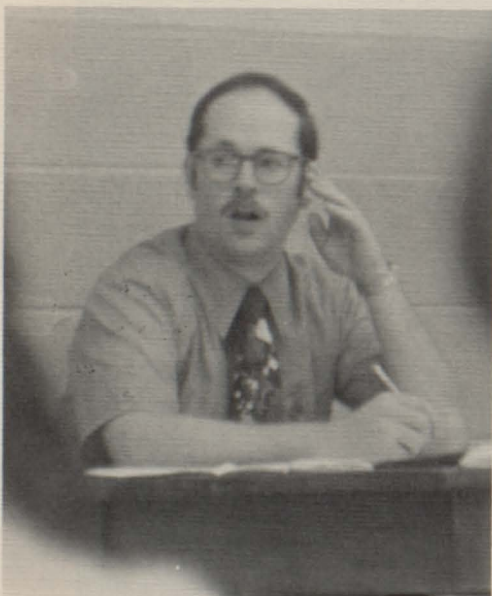

Today's topic- Aldous Huxley.

It sure beats the frizzies!

Shut that fan OFF!

Alright, let's knock it off!

Should I believe them?

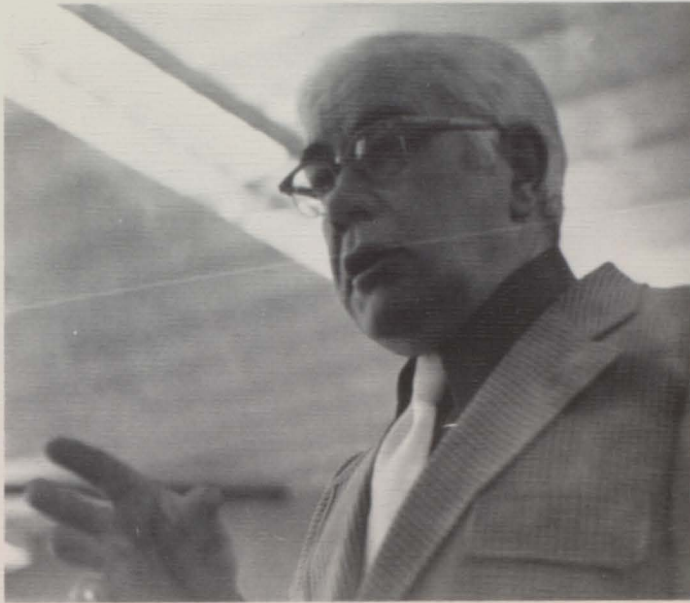

I can't bear to look!

They got me with the saw!

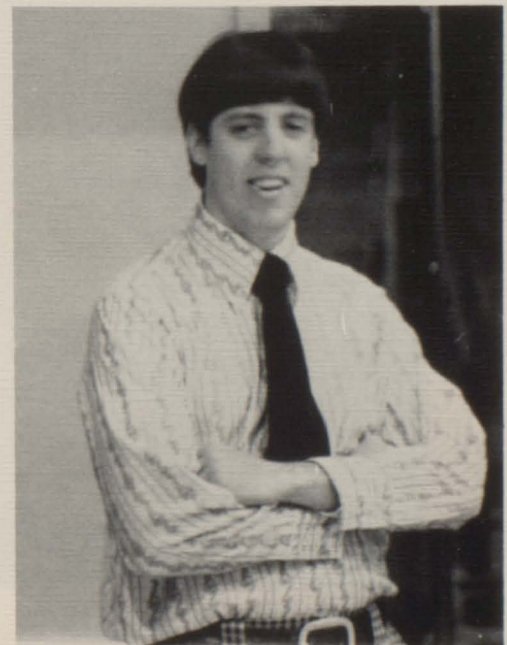

Forsoothe!!!

I told you to SHUT-UP!

If it's there, use it.

They finally got me in between bubbles.
