# Life Goes On At GHS

In 1977 it cost 13¢ to mail a letter, 9¢ to mail a postcard, and 74¢ to send a Galva High School yearbook to Sweden. Postal rates were on the rise and so was the enrollment at G.H.S. Three hundred and forty-eight students filled the high school and none of them expressed the desire to become a mailman after graduation.

Students had the opportunity to participate in 10 different organizations, 4 different male sports, and 3 different female sports. Sixty academic courses were offered.

Through rain, sleet, snow, and hail the mail continued and so did student life at Galva High School.

# Homecoming

The 1976 Homecoming festivities were centered around the theme, "Games People Play," and it was, as usual, one of the most exciting weeks of the year for Galva High students. Throughout the week, the excitement peaked as students decorated the halls, worked on floats, and made G. H. S. a truly spirited and rowdy place. The seniors took first place in the float competition with the juniors placing second and the sophomores winning first place in the wall decorating competition. Due to inclement weather, the annual bonfire could not be held but an equally exciting and fantastic pep rally was held in the gym on Thursday night for students, teachers, parents, and fans. Becky Larson and Jack Frisby, Homecoming King and queen, reigned over the festivities which provided skits, cheers, fun and laughter for all. On Friday afternoon, the parade was held and many people stated that it was the best ever. The greatest part of the week, though, was Friday night when the Cats stomped on Toulon for a 36-6 victory. This made a happy atmosphere for the dance on Saturday night which featured "Genesis Rock" as the band and the decorations constructed by the Junior class. It was a great week, a terrific homecoming and will leave happy memories for a long time.

# FHA-HERO FFA Formal

On the evening of December 4, students were whirled away in a cyclone of excitement to a land of enchantment at the 1976 FHA-HERO FFA Formal. "The Land of Oz" was set as the theme, and students danced under a rainbow of streamers and flying monkeys with the Munchkin people looking on. King Jack Burnett and Queen Judy Bates were crowned in the Emerald City and reigned over the dance throughout the evening. The Butlers provided music for the night as couples were swept "Somewhere Over the Rainbow." Certificates of Intelligence, Medals of Courage and Hearts were distributed during the evening by Dorothy (Anne Hathaway) and the Cowardly Lion (Elsie Interrial). It was, indeed, an excellent dance and everyone had the time of their dreams, but as the night ended, it could be said that "There's no place like home."

# Prom

This year prom was held at the Sheraton Motor Inn on April 30, 1977. Couples found themselves in SHERWOOD FOREST as they danced to the music of TOTAL ECLIPSE. Hors d'oeuvres, finger sandwiches, and punch were served throughout the evening in the ballroom decorated with live shrubs and trees. It was a fun night, but by Monday, many couples had had their fill of dancing, parties, hayrack rides, and picnics for a LONG time.

I think I could label this season as a wonderful ending to an exciting and thrilling eight years. Since this was going to be my last year at Galva, I was hoping to go out a winner, hoping for a conference championship and hoping for a shot at the state title. Well, two of three isn't bad; especially when we came within one touchdown of getting to the state playoffs. The Galva football players and students will always have a place in my heart. Thanks for a wonderful eight years.

The Galva Wildcats, after coming off a 1-8 season last year, had a lot to prove this year. In the opening game against Aledo, the Wildcats plagued by penalties, suffered their first loss of the season.

Galva's second game was another nonconference game against Prophetstown. The Cats were determined to end their losing streak and they did it in fine style by burning Prophetstown by 47 points.

Their next outing was with long-time rival Wethersfield. The first half ended with Galva leading by 7 points, but the Wildcats came on strong in the second half to dump the Geese and claim their second victory of the season.

ROVA was Galva's next victim and the Wildcats had another good night offensively as they scored 40 points, and the defense did a fine job by holding ROVA scoreless.

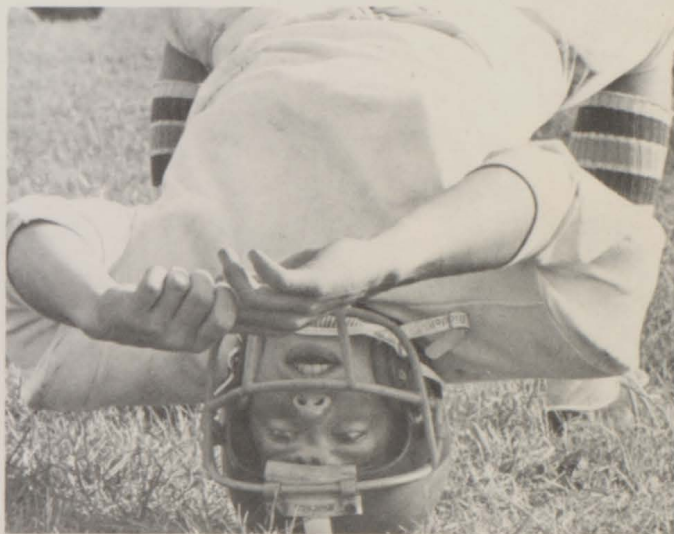

The Wildcats faced Cambridge next in an important conference game, but for the second time the Wildcats were stopped by penalties.

The Wildcats came back the next week to battle with Winola. The temperature dropped low that night but the Cats were hot as they clipped the Jets. It was the fourth shutout for the Wildcats defense in six outings.

Homecoming was next on the schedule and the Toulon Trojans were the team Galva wanted to beat. The Wildcats got off to a slow start and took a slim lead into the locker room at half time. But in the second half the Cats' offense exploded to give the Galva fans a homecoming win.

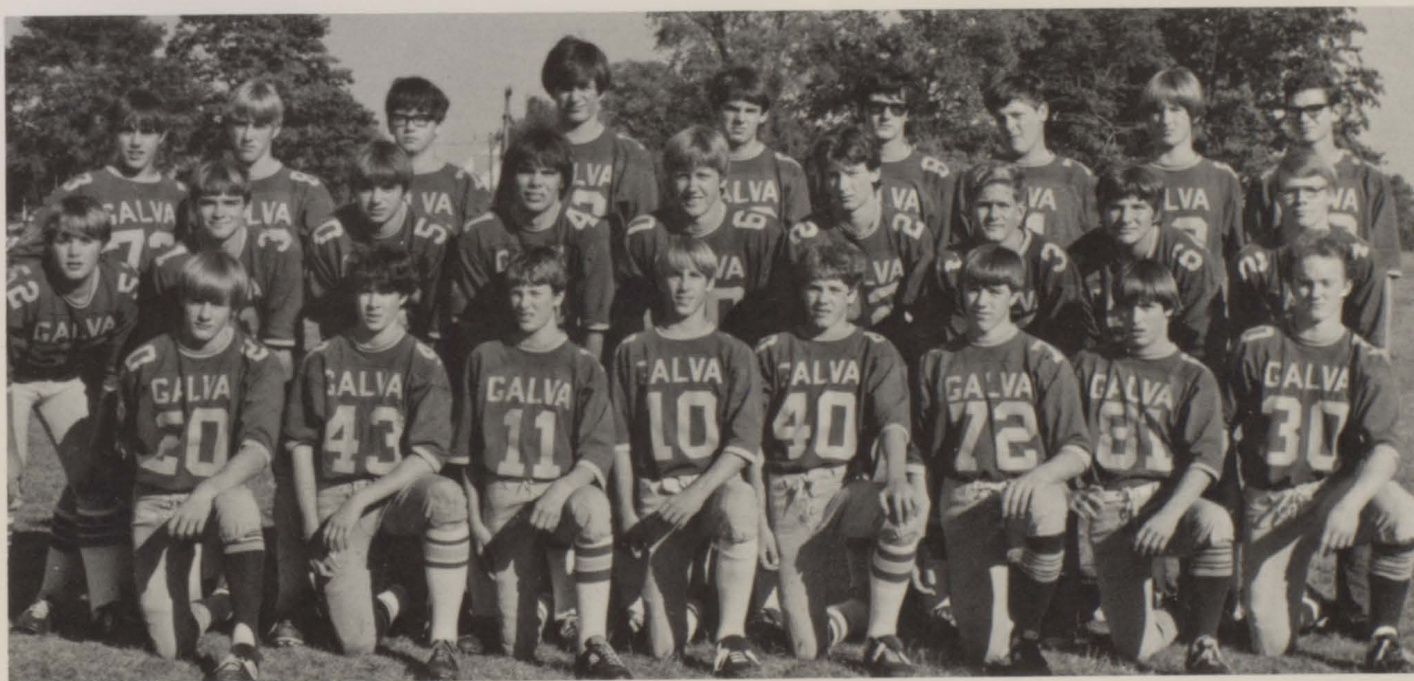

Galva's next game was against another long time rival, Alexis. The Cardinals came to Galva undefeated but when they left, they were 7-1.

The stage was set for the final game of the season. The Wildcats had to beat Alwood to assure themselves of getting a share of the conference title. If Alexis defeated Cambridge then Galva and Alexis would tie for the championship and Galva would be picked for the state playoffs. But as it turned out, Cambridge beat Alexis by 1 point in an overtime so the Wildcats' hopes of a playoff berth were washed down the drain. The season ended with Galva and Cambridge tying for the Lincoln Trail Conference Championship.

Practice makes perfect.

Queen Sarah Karjala

# Football Queen

The 1976 candidates for football queen were chosen by the football coaches and squad members. At the first home game, each season ticket holder voted for the girl of his choice. The coronation, sponsored by the Lions' Club, was held at half-time and Sarah Karjala was crowned queen. She was then awarded roses, a football charm, a key to the city and a scroll signed by the football players. Queen Sarah then reigned over all the football activities and also appeared in the homecoming parade.

# Basketball

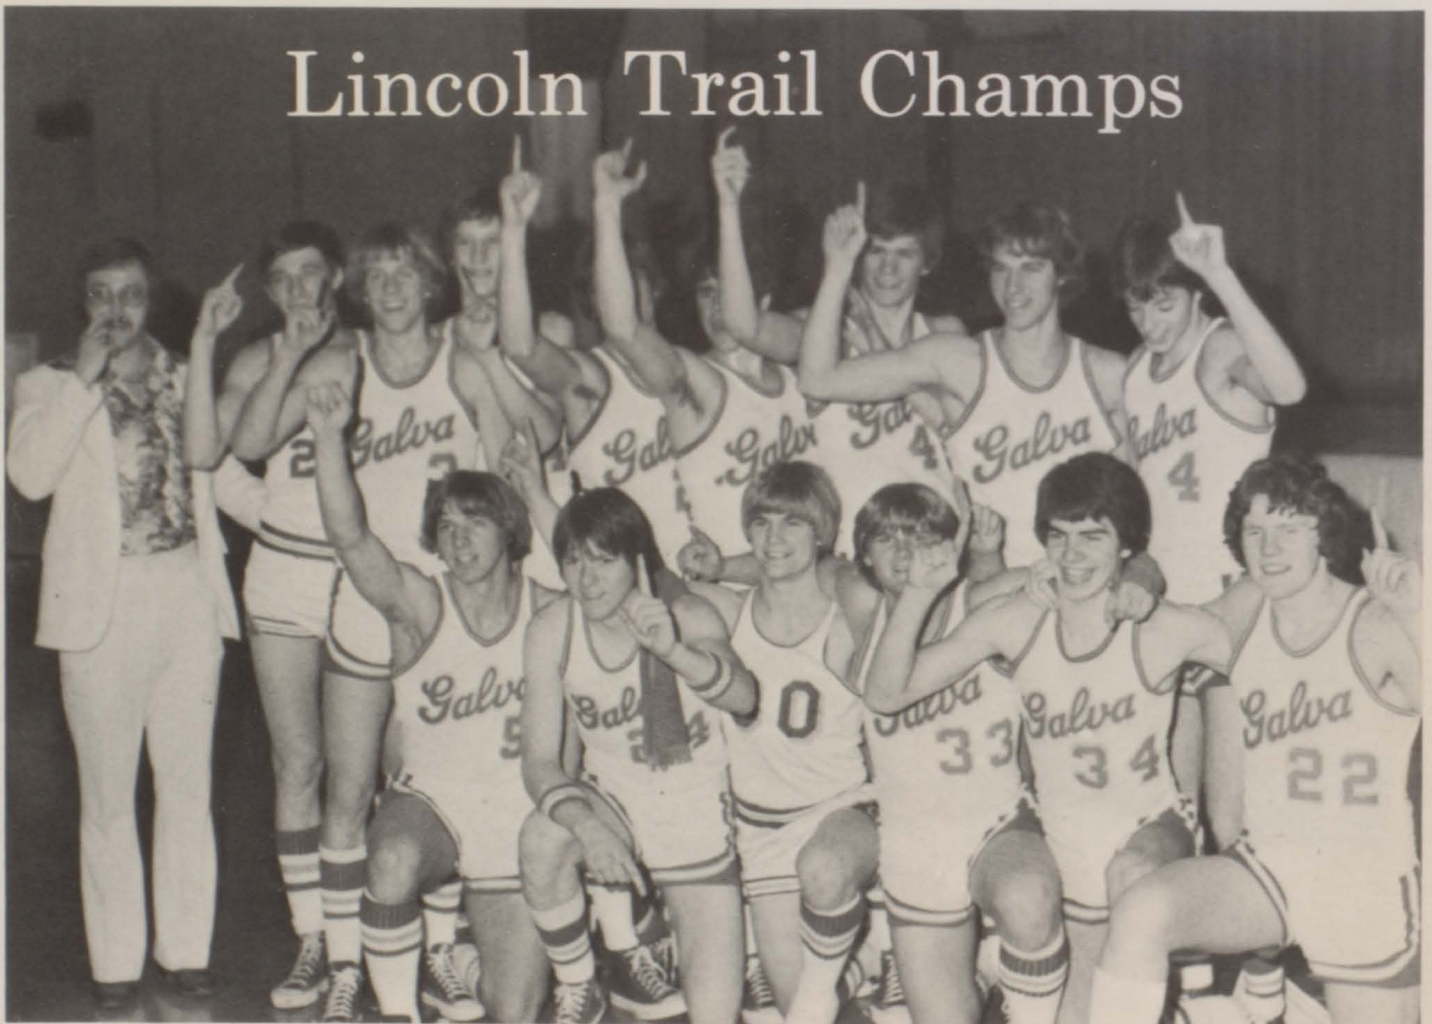

I thoroughly enjoyed my first year at Galva. We had a great group of players to work with--fine players and great young men. There were a number of problems that had to be overcome early in the year, as would be expected when many seniors must become accustomed to a new coach. But I received wonderful cooperation from the team and it was much appreciated. We learned a lot about discipline and team work being essentials in any successful venture. This applies to many aspects of life as well as sports and I hope it carries over. Winning the conference title was really a thrill--one I'll never forget and we came so close in the regional one wonders what might have happened if . . . . The time we lost getting started early in the year probably cost us the tournament--don't forget that lesson. I'd like to wish all the seniors good luck; it's been a pleasure being associated with you. You're a great group with unlimited potential. Make use of your talent in the future as you did on the basketball floor this year.

# Senior Players Last Game Is Heartbreaker

The fighting Wildcats worked hard all season under their new coach Stan Messmore and hit their peak when it counted most--the end of the season. The conference title was up for grabs and Galva had 3 tough games to play in just 4 days. In those four days, the Wildcats defeated Alexis, Wethersfield, and Alwood giving Galva a 10 win and 4 loss conference Championship. The Wildcats had several strong individual players but it took the tremendous efforts of Coach Messmore to match the player with the right position to produce a team that could work together. Leading scorers were Sophomore Jeff Holding, with 355 points, Senior Mark Brock with 286, Senior Roy Brooks with 243, Senior Pat Cromien with 233 and Senior Bill Robson with 171. The Galva team scored 626 field goals out of 1409 attempts. Sinking over 60% of their free throw attempts added 247 points to their total season score of 1499 points against the competition total of 1404 in 24 games. Roy Brooks and Jeff Holding led the team in rebounding with each getting well over a hundred rebounds both offensively and defensively. Galva entered the Bradford regional with unbelievable exuberance and knocked off favored Princeville 84-66. Next came arch-rival Wetherfield, but the Geese were shot down with a 55-43 loss. The championship game pitted Galva against ninth-ranked Buda-Western. It was a tight game and with only 1:39 left the score was 49-49. Despite their best efforts the Cats couldn't quite pull out a victory and lost, 53-51.

# Wrestling

The class of '77 will hold a special place in my memories. They were my first students when I came here in 1974. I got to know most of them as sophomores and had a chance to watch them grow and mature. The wrestlers were of particular interest to me in that I became more involved in their total transition from boys to men. It is strange how the successes and failures of sport in general plays or will play such a role in a person's total human development. I'll miss the boys and cherish the friendships developed with those young men.

The 1976-77 wrestling season started with a double-duel meet against Polo and Princeton. The Cats looked very promising and gave both teams a close contest. A much improved Aledo team downed the Cats in their second outing of the season. Tournament action at Cambridge placed six Wildcat wrestlers in the top four positions. The Erie Tournament put Galva against some tough teams and the Cats placed two fourth place winners. Next, the Cambridge Vikings were beaten by an enthusiastic team giving Galva their first conference win. In their next meet against Winola, the Cats missed taking home the conference trophy by six points. Further tournament action at Bradford showed four Wildcats making the top four. The Cat's second double dual of the season featured Kewanee and Aledo, two strong teams the Cats just couldn't get by. Galva was downed in a close match against Prophetstown. The Cats came back and beat Bradford and Farmington in their last two meets of the season. District action placed one Galva wrestler, Joe Anderson, in second place enabling him to continue to sectional play.

Rob Lander accepts the first-place medal after winning the 105-pound bracket of the Galva Frosh-Soph Wrestling Tournament.

Senior Joe Anderson, a 3-year wrestling letterman for the Galva Wildcats, compiled a season record of 19 wins and only 6 losses. Joe went to district competition, captured first place, and made a fine showing in the sectional meet.

# Girls' Sports

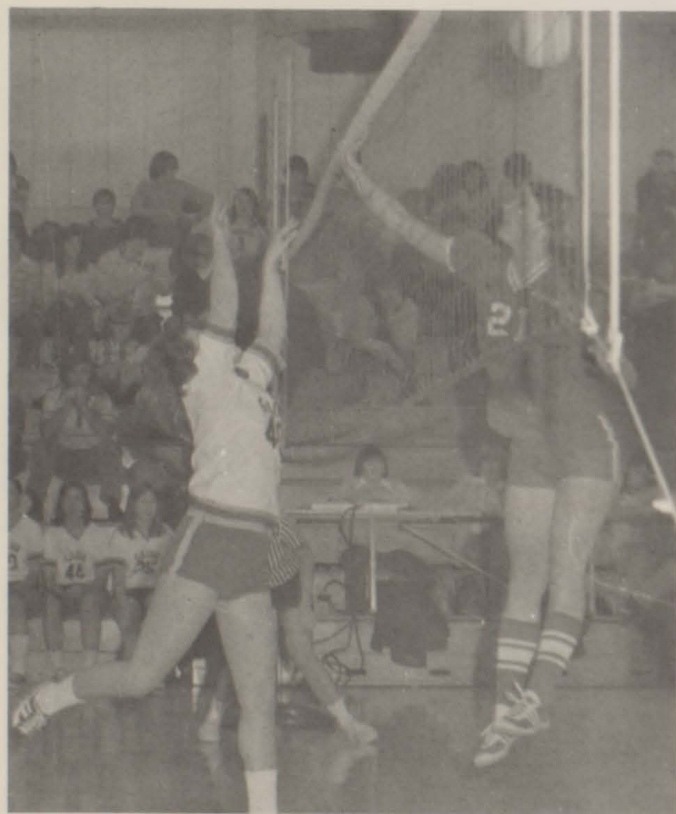

Bump--Set--Spike are the words that echo from the volleyball season. It started with a new coach and an inexperienced team. As the season progressed, so did the team. They molded into a unit that made a very good showing in the district tournament against an older and more seasoned team. My comment--"Watch out for us next year!"

Fighting against a lack of experience and depth, the girls' basketball teams had a rough road to travel this year. Ours was not a winning season gamewise, but the girls' enthusiasm and drive made them a success as a team. They laid the groundwork for coming seasons of Galva girls' basketball.

The girls' track team was a real success this year! They managed to win three dual meets against Winola, Bradford, and Cambridge after losing two earlier meets against Kewanee and Toulon. This was the first year the track team had ever won a meet in its four years of existence. Congratulations, girls! The team then went on to a conference meet where they placed fifth. Marchelle Weeks and Deb Haga then went on to district in Galesburg. All in all the girls had a very super season.

Seniors Tracy Warner, Kim Lyter, Janice Hagaman, Coach Kathy Ford.

In case you couldn't tell, its called the Western Roll!

Junior Debbie Haga put forth tremendous effort to place fifth at District. She also placed fifth last year.

She flies through the air with the greatest of ease!

# Track

The 1977 track squad was much better than their won-loss records have shown. The whole squad seemed to be injury prone before key meets. The 1977 track squad was the best I have had the pleasure to work with in my past six years as head track coach.

The 76-77 school year was a busy one for the Student Council. Along with their activities such as Freshmen initiation week, the homecoming parade, and the empty stocking campaign which sent canned goods to the needy, they had Appreciation Days for Francis Thompson, the cooks, and the janitors to show these people the school's appreciation for all the work and help they have provided over the years. The council sold suckers at different times during the year to raise money to support a foster child and also sold candy at basketball games to help provide for special assemblies.

The Chapter also cooperated with the FHA-HERO organization on the annual winter formal.

What a drag!

What was that next line?

How do YOU spell relief?

"Give my regards to Broadway . . . "

# All-School Musical

Who was that masked man?

Ya' know, I'm really cool!

I want to suck your blood!

"Jeepers, Kathy, I'm really sorry!"

Is that the "Cake Walk" or the "Slow Drag?"

Anne changes her "Odor-Eaters."

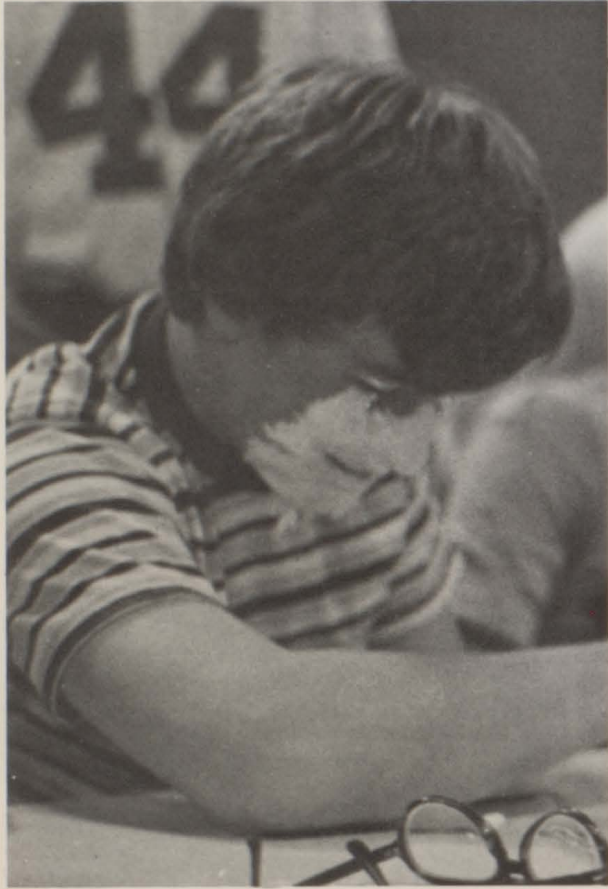

For Siamese twins, they sure don't look alike!

"Do you think my smile or my new dress will catch his eye first?"

# Greenies Survive Humiliation Of Freshmen Initiation

Let's get Mikey-He hates everything!

Besides burping and wetting, she types too!

And now, displaying our new cold cream . . . . .

Don't you know you're not supposed to volunteer, freshmen!

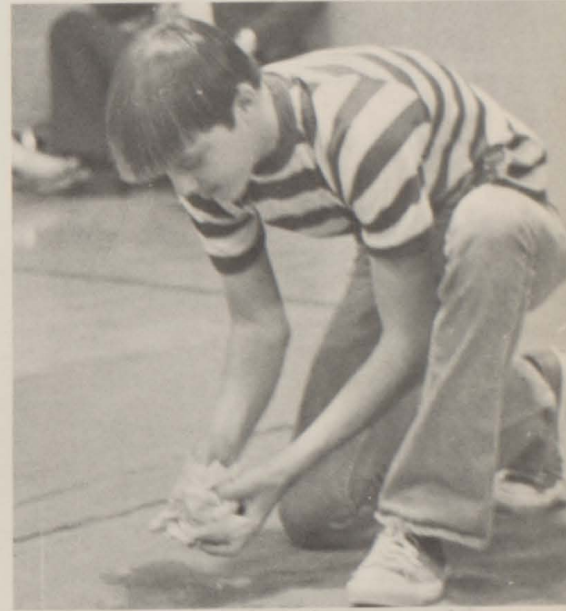

Each freshman got free makeup every morning.

Some freshmen got all washed up during initiation.

A few of the boys laid an egg---

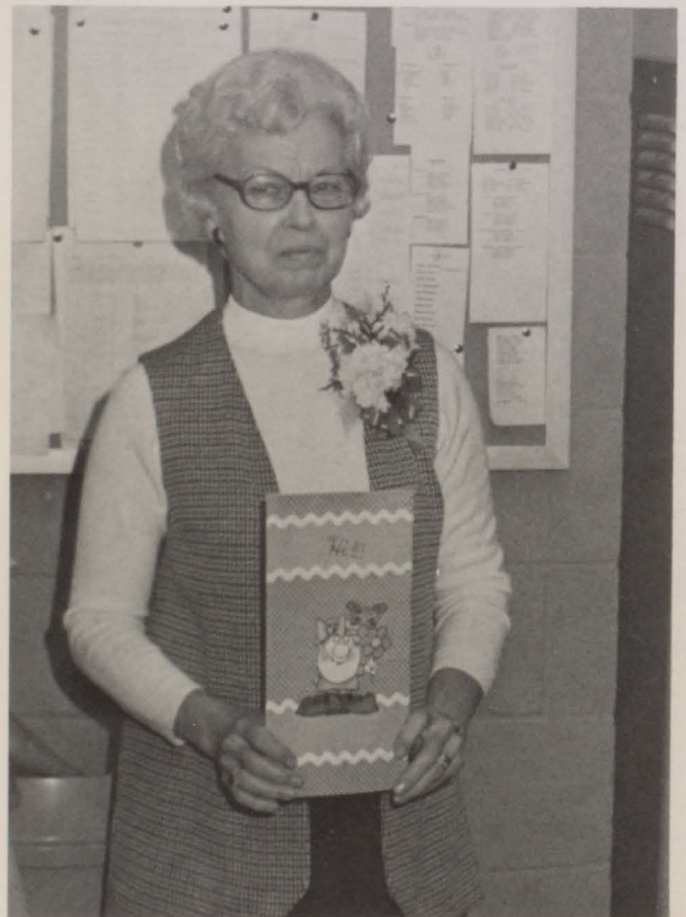

Others got the job of cleaning up the mess!

When told to "Sit on it," the ice offered cool refreshment!

# You're The Best, Frances!

On December 1, the Student Council paid tribute to one of the most familiar faces in Galva High School—Frances Thompson. Frances has worked in Community Unit School District for 21 years and has helped to make the school what it is today. This was HER day and it began with the presentation of a corsage by the president of the Student Council, Jack Frisby, on behalf of the student body. Frances spent her day roaming the schools and visiting the classes. It was a small thing to do in comparison with all the many things she has done but it was our way of saying, "Thanks Frances—You're the GREATEST!"

# Let's Hear It For The Cooks!

The student Council set aside a special day in honor of our cooks. They work hard all year long to prepare meals for the many hungry students. However, this was THEIR day and they received corsages in appreciation of their hard work, along with many thanks.

## Custodians, Too!

On April 12, custodians Gary Beeler and Marty Davidson were given an appreciation day. Each was given a box of candy from the student council and were also given some help with minor chores.

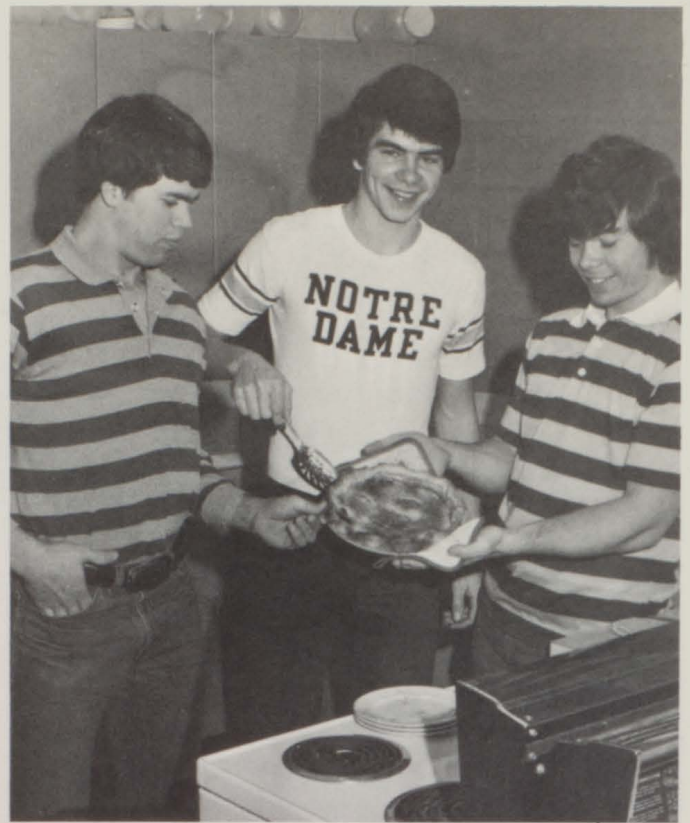

Cooks Helen Garrison, Naomi Thuline, Lee Crossan and Barbara Kelly prepare another great meal.

Student Council officers present our cooks with corsages.

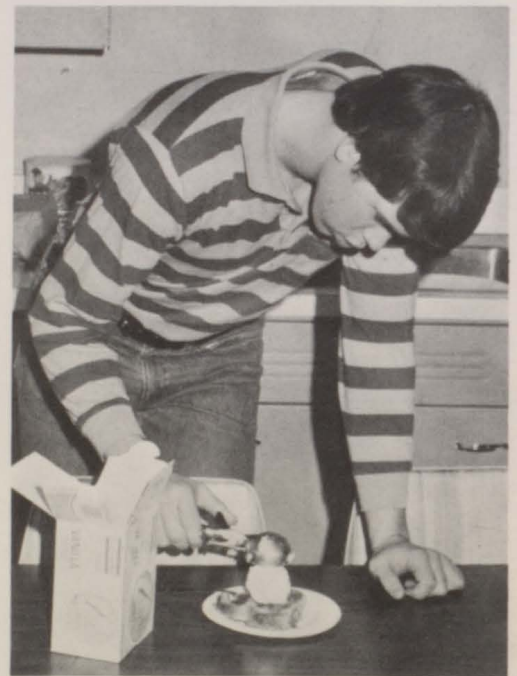

The Galloping gourmets at their best!

Look! Pat's pie has dimples.

Mmmm pie! Slobber, drool, dribble, wheeze . . .

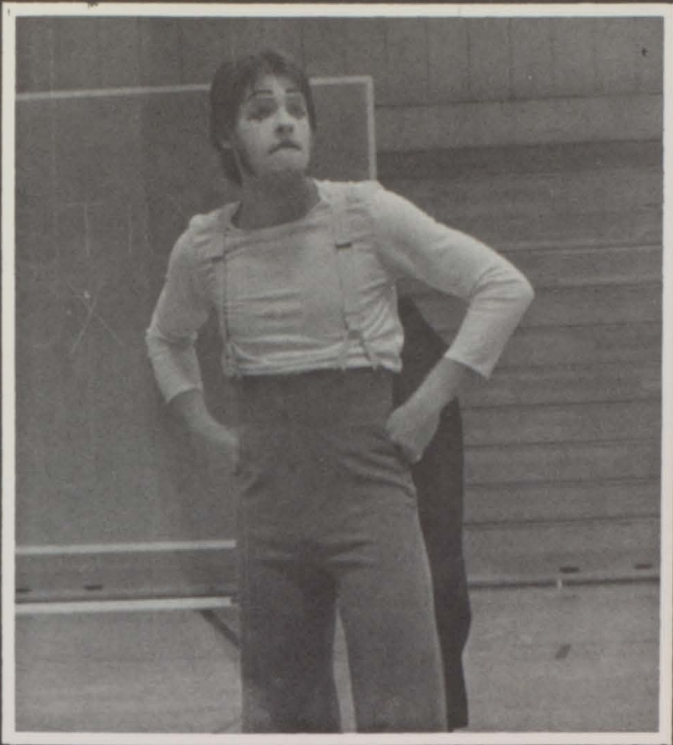

Mark likes a little pie with his ice cream.

Remember the Christmas of '42, Mark . . . .

Oh no, it's SUPERFAN!

# Plaster Girls Are Best

Best of Show -- Self sculpture by Becky Larson and Cherrie Puckett.

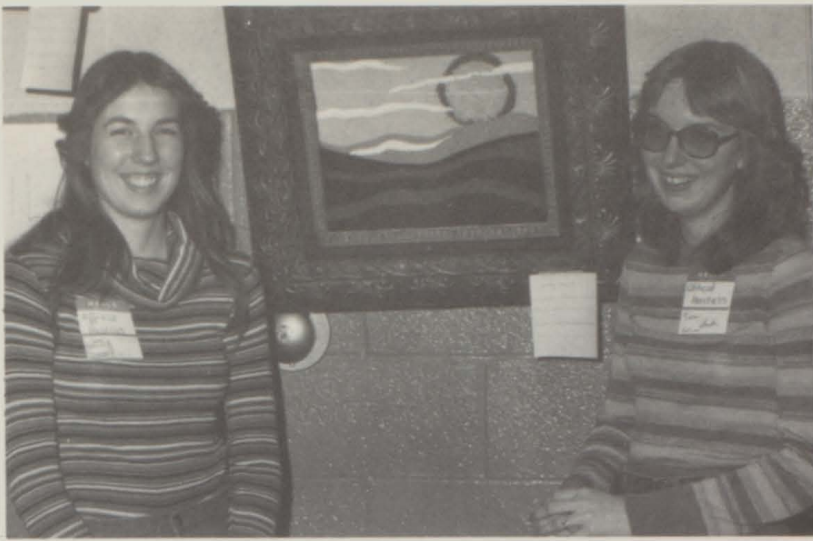

Very interesting . . .

On Saturday, March 26, Galva hosted its third annual art show. Art departments of Knoxville, Toulon, Abingdon, Cambridge, Alexis, Winola, and LaMoille high schools brought their works of art to GHS to be viewed by other artists, the public, and the judges. Judges Mrs. Nina Arnold, Mrs. Dorothy Smith and Mrs. Cary Ublauer had a difficult time trying to pick the best from 300-500 entries. It was an all-day affair for the students who entered their work. The GHS art club provided entertainment, games and food for those attending. Becky Larson and Cherrie Puckett won first place and best of show with their life-size plaster cast of themselves. Judy Bates won a first in the drawing category and Jean Pitman won a first with her pottery entry. Beth King captured a first place in textiles. Many other Galva artists won second and honorable mention spots.

Club president Judy Bates presents Advisor Mrs. Dickinson a plant in appreciation for all her efforts in helping the show be a success.

Two of Charlie's angels?

Is that Mr. Kohlbus?

Who's that cute guy in the picture behind you?

Just a few textiles.

# FFA Acquires Experimental Plot

For the first time in Galva High School history, the F. F. A. is in charge of planting, caring for, and harvesting 6.5 acres of ground. Corn was planted on Tuesday, May 3, and harvest is scheduled for sometime next fall. The F. F. A. is in charge of all the money coming in and going out. If the project is successful, it will be a yearly activity. GOOD LUCK!

# Galva Hosts Scholastic Bowl Tournament

Princeton wins first at the Galva Tourney.

This year Galva hosted its first Scholastic Bowl Tournament on May 7, 1977. Eight teams participated, and they were Princeton, Walnut, Rockridge, Streater-Woodland, and Wethersfield and Galva, who both had two teams. Both the staff and the students at Galva, under the direction of Larry Varner, helped to make the event possible. They acted as score-keepers, timers, and judges through-out the day. Questions were those of the teachers at Galva. Princeton walked away with it with Wethersfield coming in second.

The Galva team had its best year in the history of Scholastic Bowl. They had an 11-3 record and won fourth place at a 32-team tourney at Streater. They also won the consolation championship at the Wethersfield Tournament.

Wethersfield gets second place.

Galva Blue Team: Sarah Karjala, Greg Dowell, Janis Anderson, Scott Resseguie, and Dan Garrett

Galva Maize Team: Debbie Nelson, Alan Anderson, Lynn Dornink, Bill Robson, and Dennis Cromien

# What Is An Enviromedian?

What is an enviromedian? James Wesley Jackson is an enviromedian and he came to Galva High School on May 20 for an assembly. An enviromedian is a comedian who, through humor, delivers some sort of message to his listeners. It was an excellent assembly and not only were students entertained but they also left with something to think about.

# Mr. Harrison Finally Gets His Day!

"Mr. Harrison, you just have the cutest little baby face!"

Vice-president of Student Council, Darcy Kendall, awards Mr. Harrison a plaque on his special day for being a terrific principal.

I really think I'm in love, girls!

I don't like spiders and snakes!

How do you spell boredom?

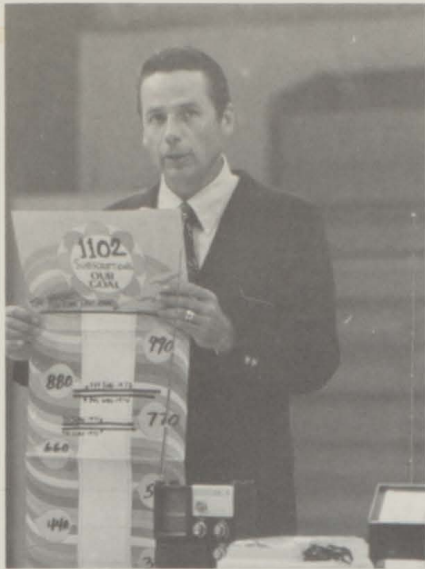

The party's over!

But I don't need a cream rinse!

Mmmmmmmmmmmmmmmmm,  
Mmmmmmmmmmmmmmmmm!!!

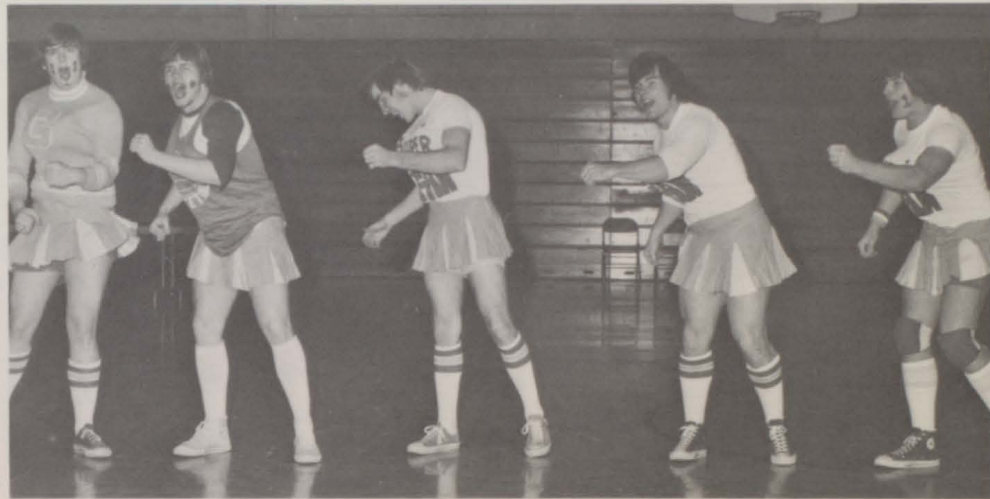

"Sell those mags; I need the commission."

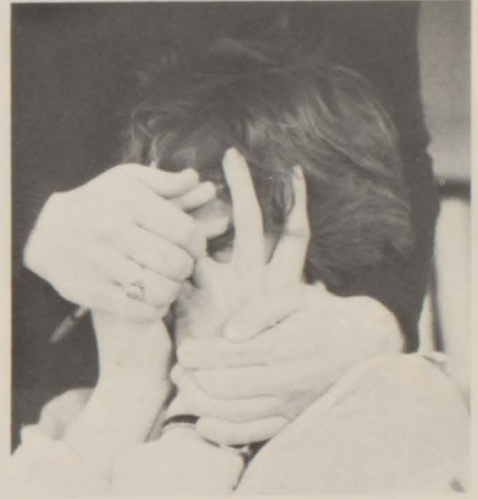

"I think they gave me the wrong combination."

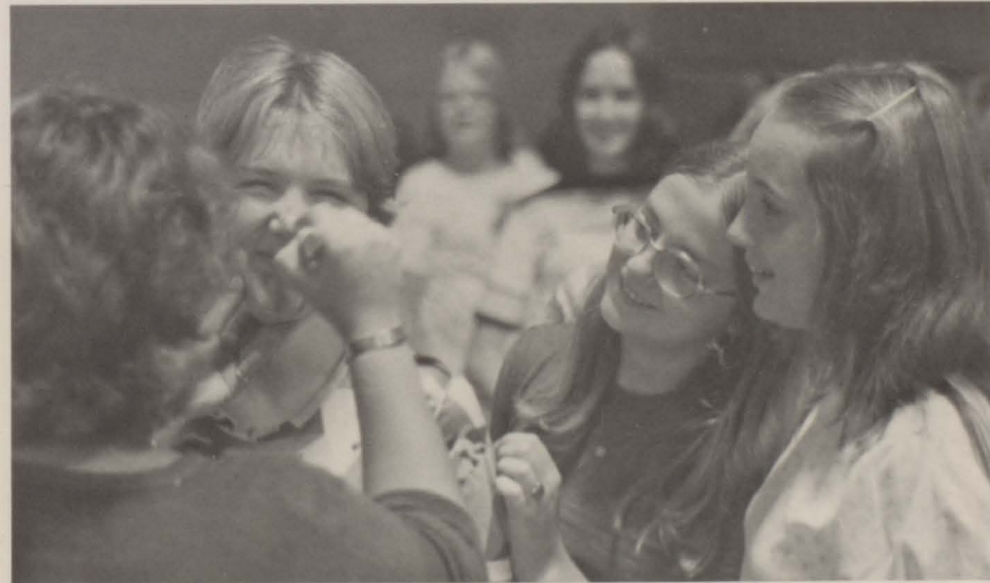

"Me and my buddy can handle the job!"

"This is carrying equal rights and duties just a little too far!"

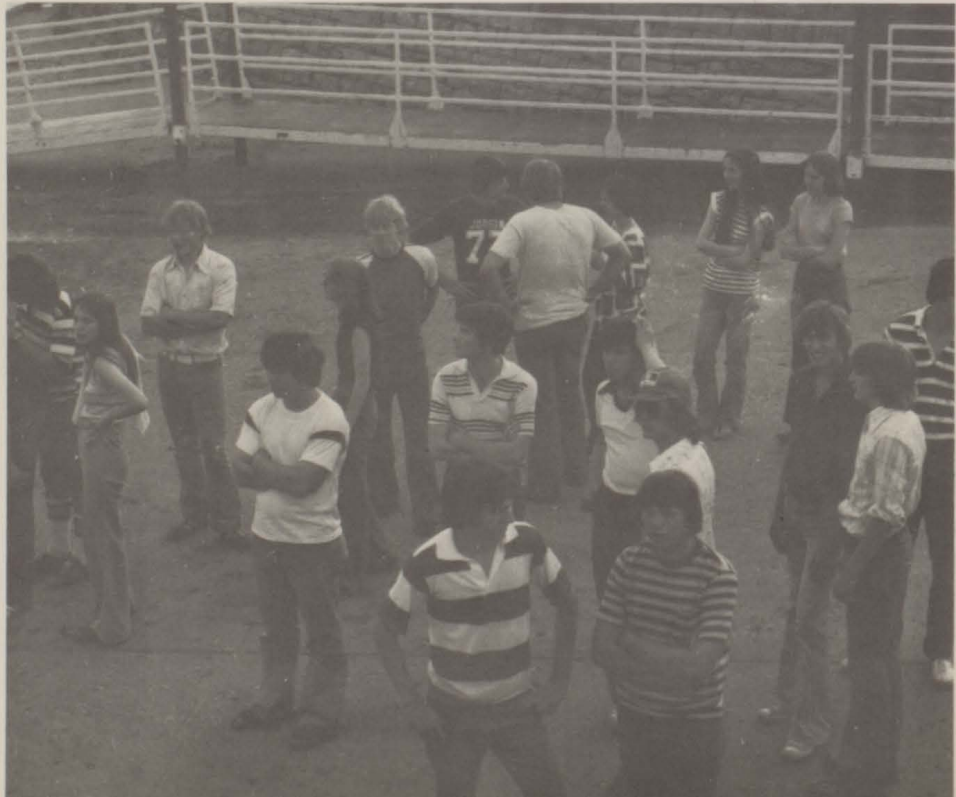

"Absolutely no pictures--I've got a zit!"

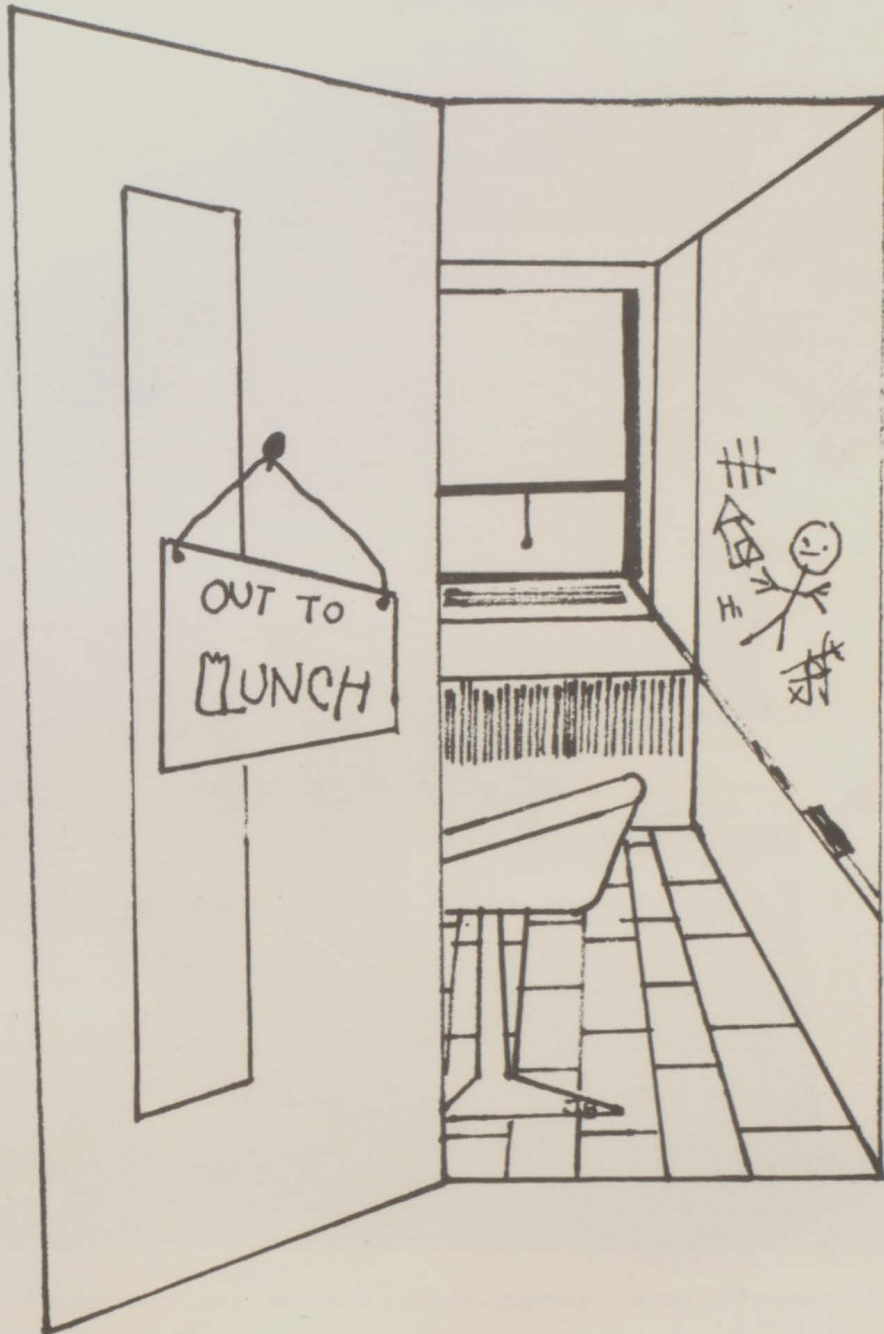

"Really, I'd like to pick my own nose!"

## Class Song

### “Our Last Song Together”

Days of devils, kings, and clowns,  
Angel songs and birthday tunes.  
Valentines and wishing wells  
Magic stairways, moons, and Junes.  
Silly rhymes, monkey shines, pictures on a stage  
Round and round the records go  
Time to turn the page.

This will be our last song together  
Words will only make us cry  
This will be our last song together  
There's no other way we can say good-bye.

Misty faces, far off places  
Came and danced across the room.  
SHA-LA-LA'S and DOO-BIE-DOWNS  
The sounds that chased away the gloom  
Yesterday is yesterday, the past is dead and gone  
Nostalgia just gets in the way  
Let's stop hanging on.

This will be our last song together  
Words will only make us cry  
This will be our last song together  
There's no other way we can say good-bye

Now we go our separate ways,  
And leave the world we used to know  
Gone are all those high school days  
Now's the time to live and grow.  
Those happy days are over now, those days of me and you.  
Now we know that memories  
We will never lose.

This will be our last song together  
Words will only make us cry  
This will be our last song together  
There's no other way we can say good-bye  
We must say good-bye.

There is a right time for everything:

A time to be born, a time to die;

A time to plant;

A time to harvest;

A time for keeping;

A time for throwing away;

A time for war;

A time for peace. (Ecclesiastes 3:1-8)

And so there must also be a time to end. This year at Galva High School is over. We hope that through the use of this book, the memories of it will not fade, but continue to be a living part of your lives. Use this book wisely. Share it with a friend, have it autographed, read it often. We present this to you. It is yours to enjoy.

*Janis & Janet Anderson*

THANK YOU
