Friday Night With Lambrusco

What happens to be the busiest week of the school year and the one with the most memories — homecoming, of course! This year's homecoming turned the school's atmosphere into a TV Guide. Everyone had a part of it. Each class worked on their wall during the day, constructing posters in an attempt to have the best one, and then at night they built a float in some "secret" hiding place. The football guys kept themselves busy practicing and getting ready for the most important game of the season. The cheerleaders and pom pon girls were busy making up skits, painting posters, and practicing routines. The halls were filled with cheers and excitement the whole week.

There was no bonfire this year but on Friday afternoon a pep rally was held on the football field which caused everyone's spirits to go even higher. On Friday night the dance was held with Janell Spivey being crowned queen and Lance Stringer king. The football players were also introduced at the dance.

The homecoming parade was held Saturday morning and the football game that afternoon. During the half-time of the game, the winners of the float and wall contest were announced. The senior class won first place in the float contest, with the freshmen second. In the wall contest the sophomores were first and the seniors second. Despite the never ending attempt of the football players, the homecoming game was lost to Cambridge. Yes, the game was lost but the students of G.H.S. are still winners. Our pride and spirit is the best around. Homecoming was still a success and all the happy memories of that week won't be forgotten.

Fantasy Island Is Formal Theme

"Smiles everyone" was easy enough for those that attended the 1978-79 FHA-HERO, FFA Formal. On December 9, the high school gym was turned into a "Fantasy Island." The tropical warmth left the cold winter winds of winter outside as "Leather Soul" provided the island couples entertainment. Refreshments of punch, dip, and fruit provided food and drink. Palm trees and a star studded sky added to the atmosphere. When the crowning came at 10:00, eyes were turned to the little straw hut where Queen Angie Anderson and King Pat Griggs were crowned. As the hour of 11:00 arrived, the couples departed but their fantasies were fulfilled and their memories increased.

"Reminiscing" At 1979 Prom

QUEEN AND HER COURT: - Kathy Doss, Pam Holevoet, Queen Caryn Love, Raye Ann Huber, and Lynne Anderson.

I still don't believe it.

The highlight of a senior's year is undoubtedly the Junior-Senior Prom. This year's prom was held at the Galesburg Sheraton Motor Inn on April 28, 1979. Prom traditionally begins with an early dinner. Many couples journeyed to Kewanee, Galesburg, or even the Quad-Cities for their meal out. Then they headed to the Sheraton where the doors opened at 8:00, and couples streamed in to dance.

The tables were decorated with multi-colored daisy centerpieces and the room was filled with long formals, tuxedos, nosegays, and matching boutineers. A buffet table of finger food, hors d'oeuvres, and punch was located at the side of the room where people could serve themselves throughout the evening. Everyone was in the spirit to dance as "Freedom" played the music.

Midway through the evening Caryn Love was crowned Queen and the rest of her court; Kathy Doss, Pam Holevoet, Raye Ann Huber, and Lynne Anderson were announced.

The cool evening was a memorable night for many couples.

Would you run that joke by me again.

I've been waiting for this all night.

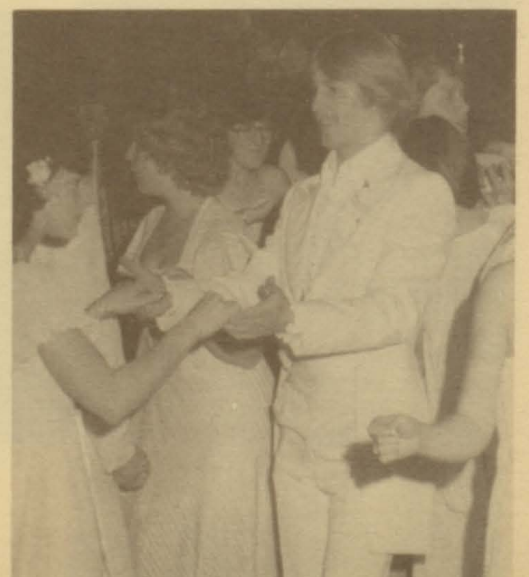

You've got to be kidding.

Who?? Me!!

Get down tonight.

He's so sweet.

I'll try not to notice that devilish grin.

I'm getting out of here!

Oh! You caught me by surprise.

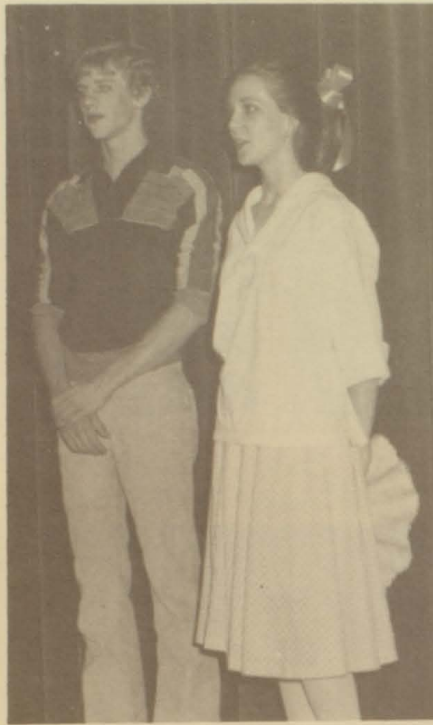

But, Curtis, the night's not over yet.

She's such a clown.

Director

On May 21, the drama club presented its yearly presentation. The lighthearted drama of "Cheaper By The Dozen" was the culmination of several weeks of practice and set building. Jean Sundberg, Karyn Patterson, and Ernie Bates served as student directors.

Talent Showcase

On the evening of May 1, some Galva High School students hosted a talent show which was open to the public. Any student who felt the urge could put his talents on display. There were vocal and instrumental solos, duets, quartets and groups, both humorous and serious. Among some of the acts not pictured on these pages were the Bishop Hill Band and the Swing Choir. Under the direction and guidance of Pam Edwards and Bob Baskovic, it was an enjoyable evening of wholesome family entertainment.

Nash, Steffey & Faculty Are Champs

Spearheaded by the FHA-HERO and the FFA, Galva again joined the Danny Thomas March for St. Jude's. Every day for a week various activities were held to raise money for the worthy charity. Events included a beauty contest, beautiful legs contest, raffles, pie-eating, arm wrestling and a volleyball game.

John Nash won the pie eating, Jim Steffey won the arm wrestling and the faculty soundly defeated the FHA and FFA officers in three games of volleyball.

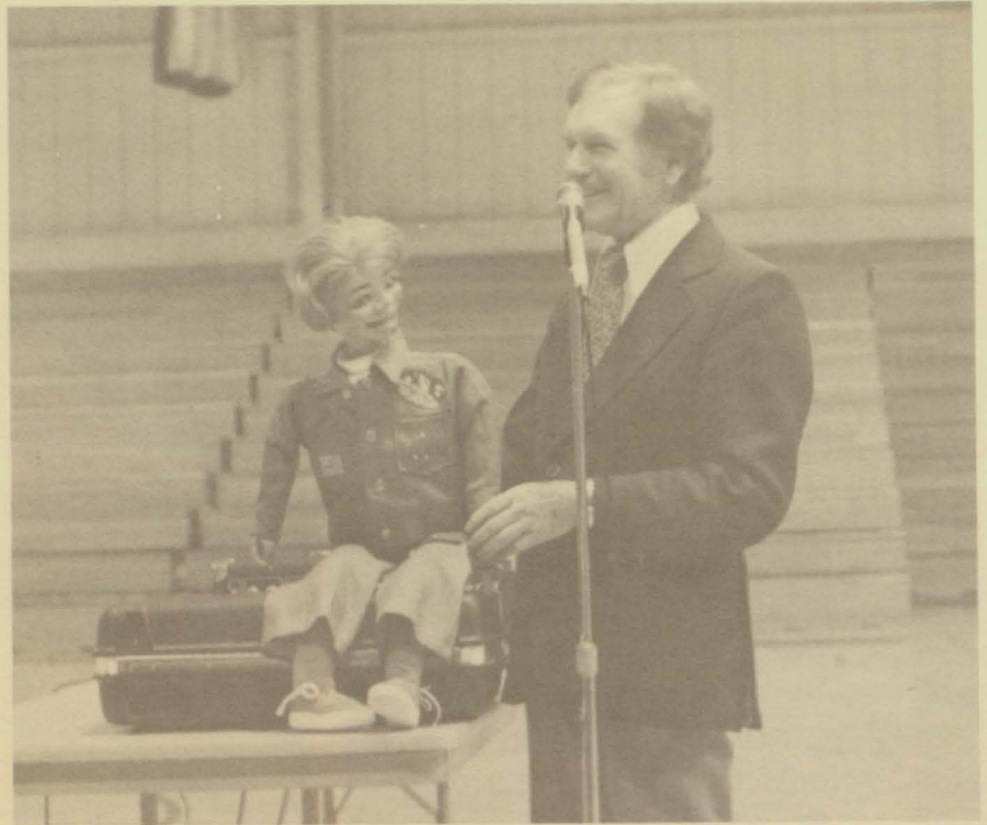

From A Ventriloquist . . .

Clifford Guest, a ventriloquist from Australia, was one of the assemblies sponsored by the Student Council this year. Mr. Quest not only worked with a "dummy" but also imitated objects like a train or a baby. He also was able to throw his voice off the wall or make it sound like it was coming from other places in the gym.

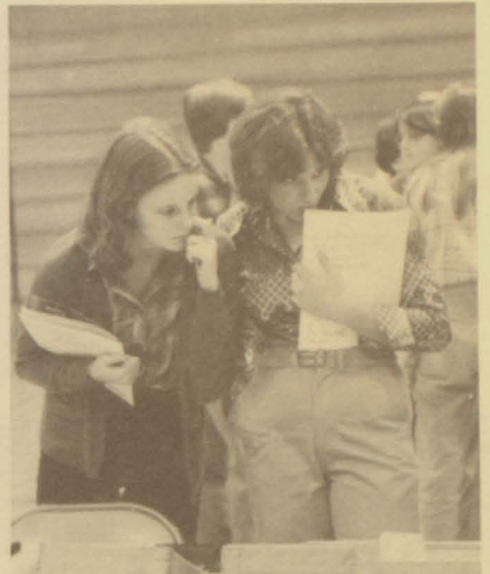

John Wyarsyzak, the second Student Council sponsored assembly, was a magician from Michigan. Besides doing typical magic tricks, he also did some new ones of his own. Debbie Buck had the honor of being chosen as his assistant.

College Day At G.H.S.

Would you look at that!!

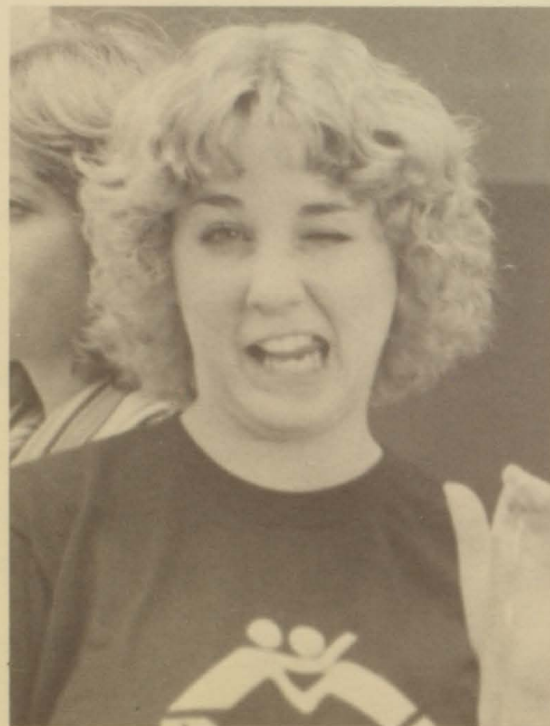

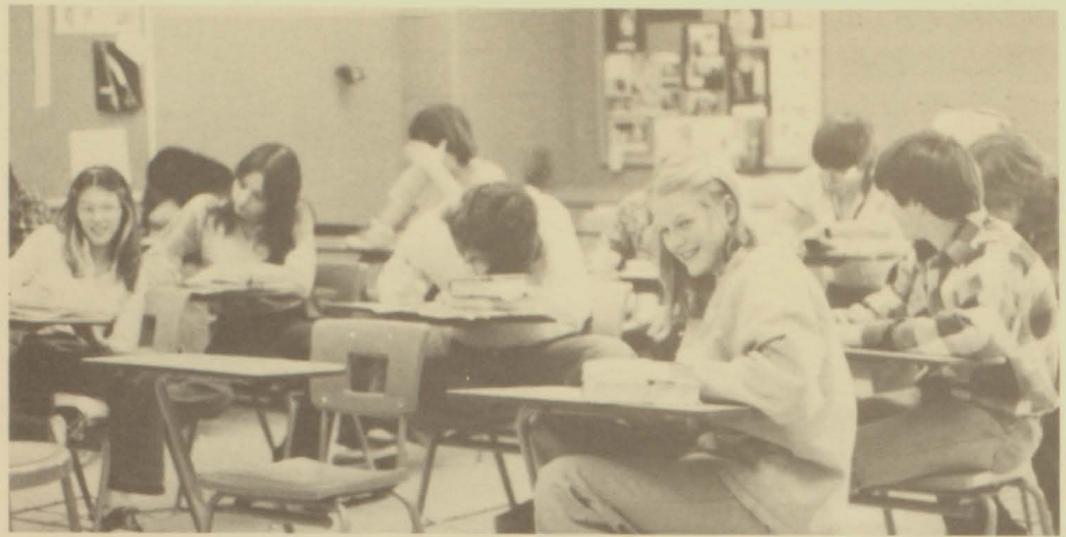

Alright guys let's put it this way ...

Do you really thing so?

College Day at Galva High School can prove to be a very helpful event. With Mr. Varner in charge some fifty-five colleges and universities were invited. This day gives juniors and seniors the chance to check on junior colleges, universities, and even the armed forces by collecting information and talking to representatives. Many students found just what they wanted while others browsed from one school to another. The annual event once again proved to be a big success.

Aaaaayyy!!

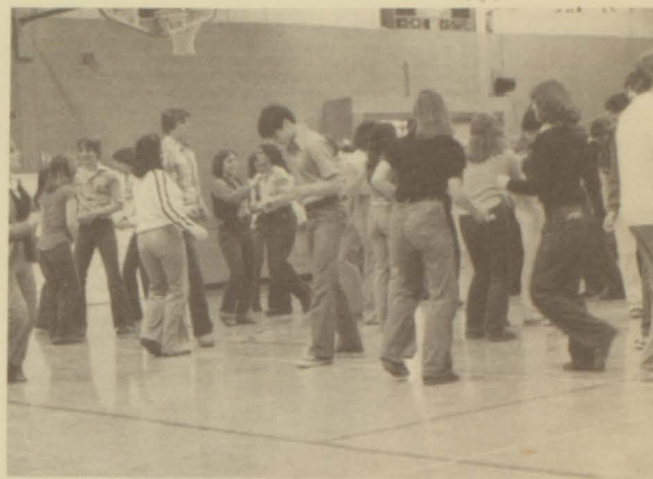

I've got work to do, Brad!

I'll get it done on time!

Teresa Comes From "Down Under"

My first impression of Illinois was that of a vast expanse of land blanketed by snow. It took quite some time to sink in that I was really 6000 miles away from home. However as soon as I stepped off the plane and into the winter wind I knew that I was really here. It is hard to describe how I felt coming from a tropical rain forest region, and then stepping into a land, which to me, slightly resembled the "North Pole"!

Galva itself is also a new experience for me. I come from a city of approximately 45000 people. To go from that to a population of 3100 is quite a dramatic change. But one that I have not found it hard to cope with because of the friendliness of its people. Everyone wants to know you, which immediately dispels any lonely feelings that you may have when you arrive.

The school system is also slightly different than my own. I also come from a large school of approximately 1300, which can be slightly impersonal, and is very disheartening to new students who find it almost impossible, without the aid of a map to find their way around. Galva High School, I have found is a pleasant change from this. Because it only has a complement of 300 or so students, I have not found it at all difficult to settle into the general routine, and also to get to know my fellow students. I would recommend this programme to any aspiring exchange students,

as it is and will be a challenging experience for me, and one which will no doubt broaden my horizons, and help to give me a more meaningful outlook on life.

Teresa Perry

Rob Lander, Teresa Perry, Beth Lander

From a tropical rain forest to mountains of snow is quite a change of environment for anyone. But Teresa Perry from Cairns, Queensland, Australia, did just that and managed very well. Sponsored through Rotary Clubs International, Teresa arrived in Galva on January 17, 1979, to begin a year of studying at Galva High School and learning about our American life style. Her first home away from home is with the Hal Lander family. Among her many speaking engagements to tell of her homeland, Teresa manages to find time to keep up with her classes in U.S. history, senior English, civics, personal typing and vocal music.

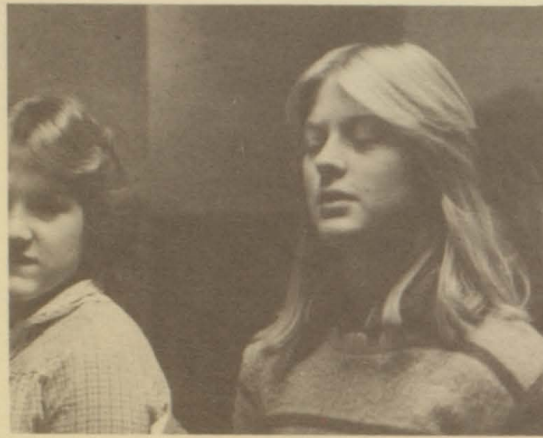

Typing is one of Teresa's favorite subjects.

The Galva High School Student Council kept active throughout the year. They sponsored several dances, including the Freshmen Mixer as well as the "Do It for Vic and his Van" dance. Student Council also provided the students and faculty with two assemblies. These two assemblies starred a famous ventriloquist who has been on several television shows, and a crowd-pleasing magician. The Student Council also provided food for the needy in the empty stocking campaign, sponsored a Halloween dress-up day, and participated in student exchanges with other schools, as well as performing several other roles.

FHA-HERO is a club that is known for its many activities, which are planned throughout the year. Before doing any activities, the work for preparation comes first.

The club has two main money-making projects: food stands at the football games and Galva Relays. A new project this year is selling pretzels at the football and basketball games.

During the year, the club has worked to have activities: a wiener roast, Halloween party, Christmas party, Senior farewell party, and the parents' banquet. The two big events of the year are Formal, with the theme being "Fantasy Island," and a club trip to Chicago.

*Represented Galva FHA-HERO at sectional, regional and state events.

The FFA is an organization of 50 years strong. It is an organization to get our Future Farmers ready to produce products for the world.

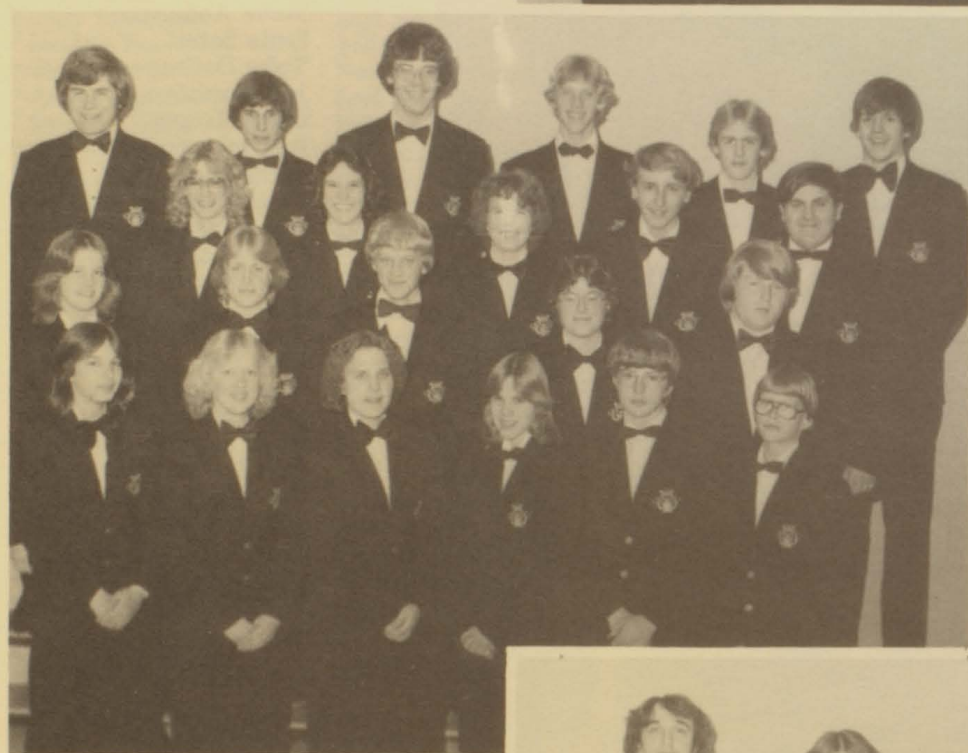

Our chapter participates in all the local section contests. The contests include livestock, soil & crop judging, and we also take part in Parliamentary procedures. The contests are too numerous to list them all, but all of our members take part and we like to think we have the best judging team.

The GHS band again had a busy year beginning with a trip to Macomb to march in the W.I.U. homecoming parade. Performing at all home football and basketball games kept the group busy during the fall and winter. Late winter found the band madly rehearsing for the spring concert and music contests. All that practice paid off, however, with a memorable concert and a first place rating for the full band at the state music contest held in Morrison. See the Outstanding Students Section for more band award winners.

Chorus members this year were very busy. They began this year serving as waiters and waitresses for the Madrigal dinner which was held on December 19, 1978 at the First United Methodist Church. Also during the Christmas season they performed at the Middle School and High School. During March several of the members went to contest and came back with several first and second place awards. This year the Chorus and Band put on a Talent show on May 1st. They also performed at the annual Spring Concert. They finished the year by singing at the Baccalaureate Services.

One of Art Club's first undertakings this year was an art aid program for the high school and F.U. White School. In December, the club had a Christmas party and in February sponsored, along with French Club a disco dance starring Rick McGuire from KLIK. Prizes were awarded to the best dancers of the night. In March the club accompanied the Thespians to Chicago to see DRACULA. Also on the trip was an outing to the Museum of the Art Institute, dinner at the Italian Village and the Sears Tower. In the spring, the club had several entries in Annual Art Show held in Abingdon this year.

The French Club's first activity was their Christmas Party on December 11. This party also included Art Club. These two clubs worked together in sponsoring a disco dance on February 23 which was after the last home game. Rick McGuire was the favorite disc jockey for the 3rd year. He is now becoming an annual guest at Galva. In April the club took their earnings from these activities and dined in a French restaurant.

Cats Have Disappointing Season

VARSITY SQUAD: Front Row: manager Chris Hanson, Rodney Johnson, David Ferguson, Tyler Spivey, Richard Bell, Scott Anderson, John Hammer, David Robinson, Pat Sundberg, manager John Armstrong. The Galva Wildcats went into the 1978 football season with high hopes but little experience. They returned only 7 lettermen from the previous season and hopes for a successful year relied on the development of the younger players.

With great enthusiasm the Cats went into the Aledo game only to come out with a blemish on their record. At this point anyone could see second year coach Mark Keller and his determined but limited team had their work cut out for them.

After playing a tough Prophetstown crew, the Wildcats were still looking for a victory. Then came the game where lack of experience, size, and speed was overcome with a desire to win as the Cats walked away with a 13-6 victory over AlWood. The victory gave Galva a first place position in the conference and a feeling of accomplishment.

Galva then traveled to meet an experienced Wethersfield team, but all efforts for a victory failed. Because Galva was small the injuries began to set in.

R.O.V.A. handled the handicapped Wildcats on the R.O.V.A. gridiron, 33-0.

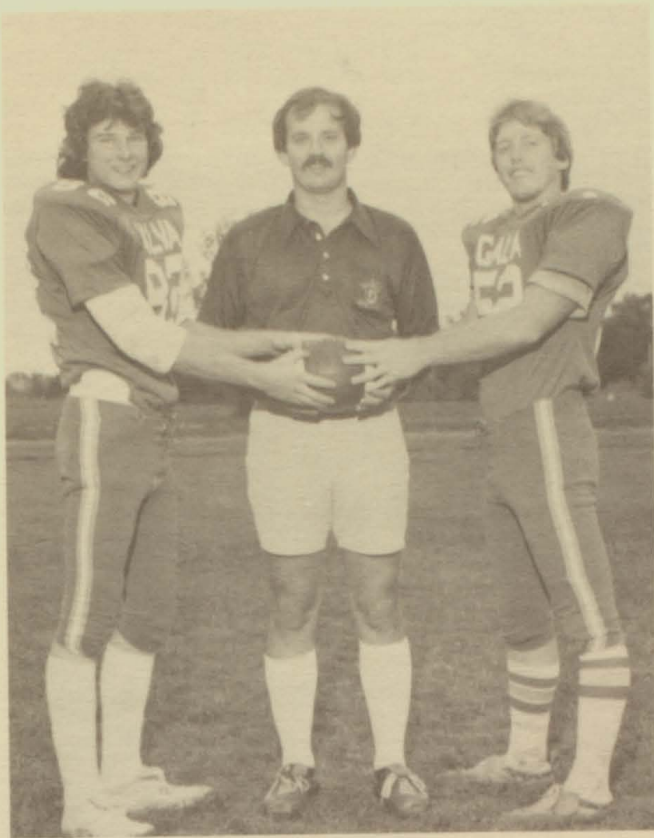

Homecoming proved exciting as the Wildcats took a 3-0 second half victory. Unfortunately the Vikings took the first half by the score of 41-0, resulting in another win for the talented Cambridge team.

Galva then traveled to Viola where they were upended by a fiesty Winola team, 22-14. The score was close throughout the game as the Cats played inspired football.

Toulon, like Winola, was at no time a clean victor as the Cats came within inches of receiving their second win of the season.

Lead by the seniors in their final football game, the Cats lost a heartbreaker to Alexis, a team with the luck rolling their way.

Though the Galva Wildcats were 1-8, they learned a lot and improved throughout the year, leaving high hopes for next football season at Galva High School.

Cats Finish 16-10

The 1978-79 edition of the Galva Wildcat Basketball team finished second in the Lincoln Trail Conference to Wethersfield, who ended the season at 29-1, losing to Providence in the Supersectional. A 10-4 Conference slate by the 'Cats edged R.O.V.A. for the distinction of "the best of the rest."

Beginning the season with four losses (3 to AA teams) to strong competition in closely contested games gave promise of good things to come when the Wildcats returned to Conference and Class A 16-5 before bowing out to a fine Wyoming team in the Bradford Regional after defeating the host in the quarterfinal contest. A season record of 16-10 was very commendable considering three losses were to AA teams, two to 4th rated Wethersfield, one to 10th rated Tiskilwa and two others to conference champions.

Highlights of the season were 8 and 9 point losses to AA powers Geneseo and Kewanee, a third place finish at the Bradford Tournament (on a miracle John Hathaway to Jeff Holding pass and layup and the 2nd place conference claim.

The 'Cats were led by returning lettermen Roger Smith, John Hathaway, Jeff Holding, and Jeff Patterson. Holding ended a great 4-year career with 1700 points (2nd on all-time list to Rich Falk's 1883) and 939 rebounds as he averaged 25 (648) points and 11.3 (293) rebounds for his senior season. Jeff made first team All-Conference for the 3rd year, 1st team All-Western Illinois, 1st Team at Bradford and Geneseo (MVP) Tournaments, 2nd team UPI All-State and honorable mention AP All-State.

Valuable playing experience was earned by Brad Buck, Brent Vincent, John Holt, and Randy Hepner who will return for 1 more season of competition.

Frosh-Soph Finishes Strong

The 1978-79 Freshman-Sophomore team had a win-loss record of 7-16. Inexperience and inconsistency were the major problems throughout much of the season. However, as the season progressed the Wildkits showed much improvement and played with more confidence.

The Wildkits ended the season by winning the Consolation Championship of the Atkinson Invitational Tournament. After losing to Tampico in the opening round of the tournament, the Wildkits bounced back to win a trophy by defeating Wyanet (60-53) and Manlius (52-45).

Largest Squad In Five Years

Twenty-eight wrestlers reported to camp this year making this the largest squad in five years.

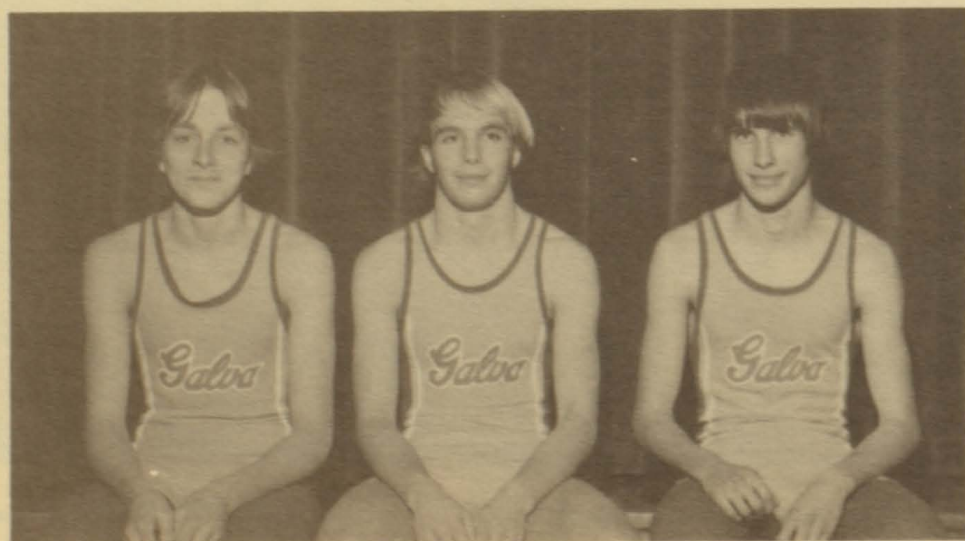

Being a young squad, inconsistency was the biggest problem, but as the season progresses improvement was seen through-out the squad.

Bert McNaught (105) and Jeff Stewart (155) became the first underclassmen to ever qualify for the sectional tournament. This should help to better the squad next year.

Rob Lander, Brian Robbins, and Joel Dykeman will be lost to graduation this year. All three had fine careers thoughout their four years at G.H.S. Their maturity went a long way to stabilize our young team.

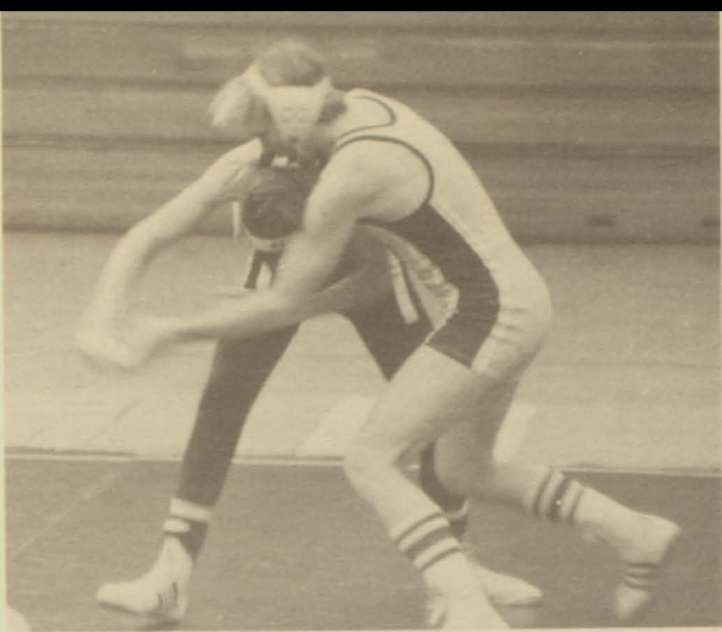

Front row: Chris Nelson, Bert McNaught, Rob Lander, Brian Robbins, Joel Dykeman, Dean Jaco. Back row: Rich Bell, Doug McGargill, Jeff Stewart, Mark Jones, Jeff Wilsey, Mark Maxwell.

Girls' Volleyball Has Fair Season

The varsity girls' volleyball team started this season with only three returning seniors and many first year players. What they lacked in experience, however, they made up for in enthusiasm and drive. The season started with the Henry County Tourney and it looked like they were off to a good start, although they lost to Atkinson in a close contest. However, there were a number of problems early in the season when they lost some players and had to learn to work together.

At the end of the season after much work on teamwork and a positive attitude, the team finished the year with a bang by winning its last two conference games and giving a good showing at the District Tournament. With the experience that they have gained in team play and mental alertness, the future looks bright for girls' volleyball at Galva.

The Frosh/Soph volleyball team played excellent volleyball and gained much experience during the year.

Girl's Varsity Basketball had three returning seniors; Linda Armstrong, Jeanie Kuster, and Margaret Spets, though Margaret was forced to quit because of illness. The record for the season was 1-13 though there were some close games. We lacked height and experience on this year's team but learned valuable lessons which will be helpful in future years.

The J.V. team had a very successful year. Winning eight ballgames with two of the victories coming against teams with 11-1 and 15-1 records.

Girls basketball looks very promising for the future and is gaining support each year.

Many Girls' Records Broken

The Girls' Track Team placed 2nd in Conference this year where Dian Haga set the conference record in discus to 107'6½". At District, Marchelle Weeks placed 3rd in the 100-yard dash, Jean Sundberg placed 5th in discus, and the 880-yard relay team placed 4th. The relay team members were Liz Peterson, Lisa Huber, Brenda Plummer, and Marchelle Weeks.

Galva Gets A Real Swede

Jan Embertsen

Jan with Brenda, Jeff and Teresa Anderson

To be a student at Galva High School has for me been a good experience. Even though this school is a little bit more strict and has more rules then what I am use to, I have gott along well with the nice students and teachers here.

The students that I have learned to know have been very friendly and nice against me. The teachers have been very understanding to all my strange questions due to my weak knowledge in the English language

When I participated in sports I learned that the american attitude is to never

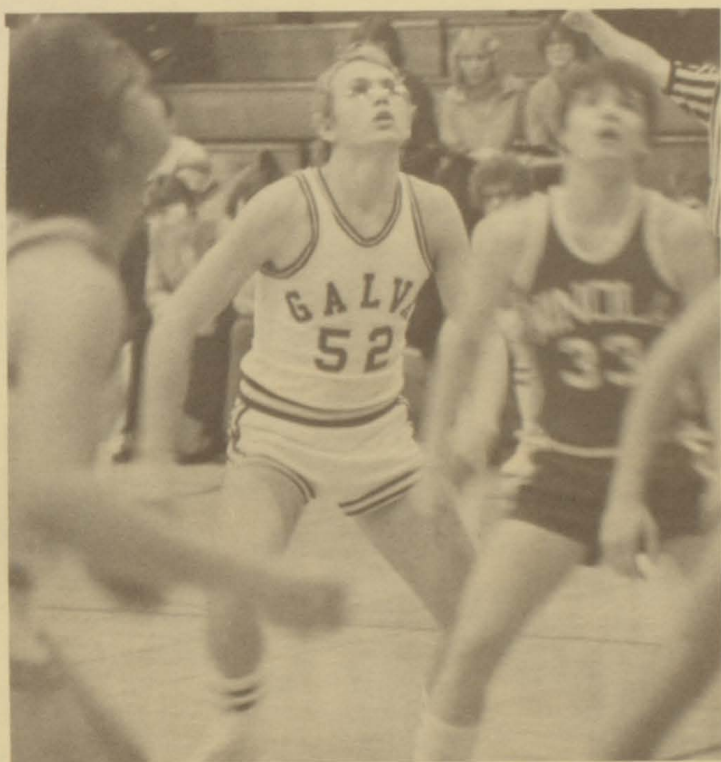

quit and always do its best. The school has brought about this attitude which gives character and will for students to fight and do their best even in the classroom.

My visit here in America is going to mean alot to me in the future. And a lot of that is due to Galva High School which have given me knowledge and attitudes that I am certain I am going to use in my futur life.

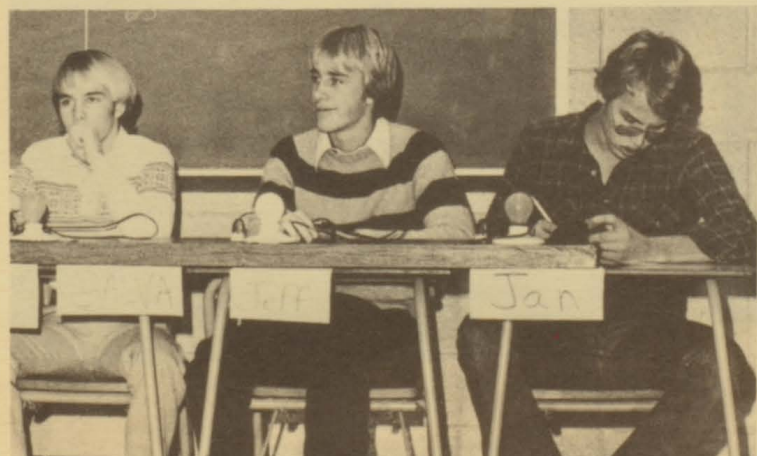

Jan Embertsen

Jan greets fellow Swedes during homecoming parade.

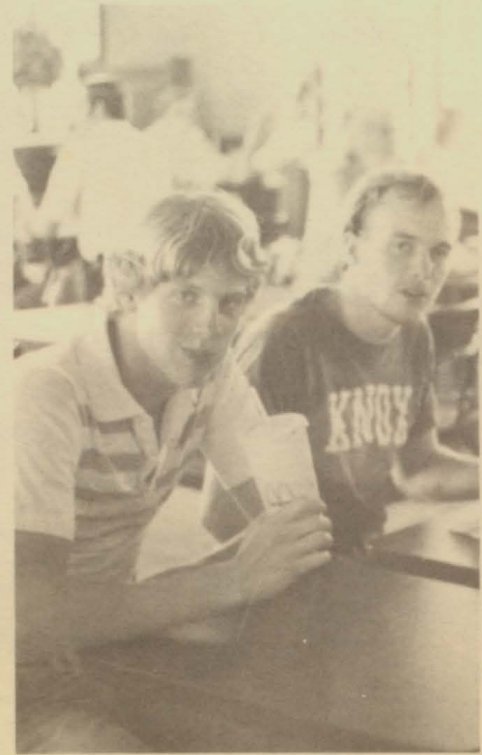

Sponsored by the Youth for Understanding exchange program, Jan Embertsen arrived in Galva from Sundsall, Sweden. Because of Galva and Bishop Hill's Swedish heritage, Jan is constantly in demand to speak to groups and organizations about his homeland. Enrolled as a senior, Jan is taking U.S. history, consumer education, personal typing, senior math, physics and human awareness. Despite this heavy load of academics he still finds time to participate in varsity basketball, track and the scholastic bowl team. Mr. and Mrs. Roger Anderson and family are Jan's host family.

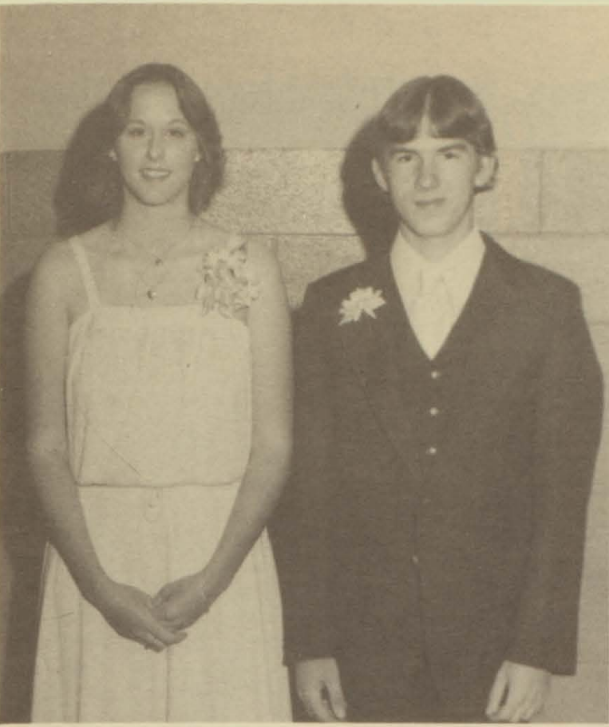

Six Flags — What A Drag!

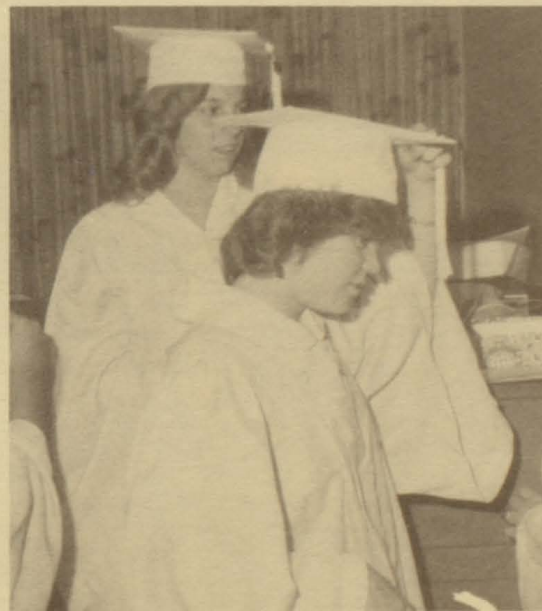

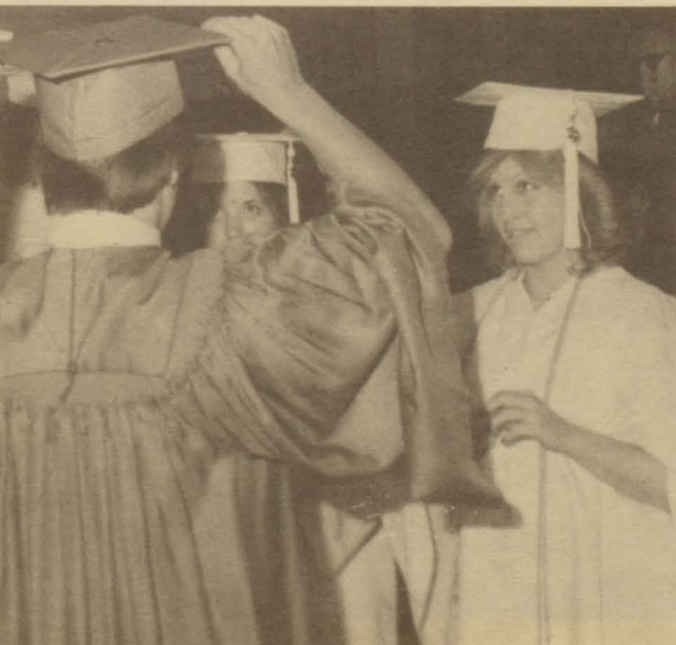

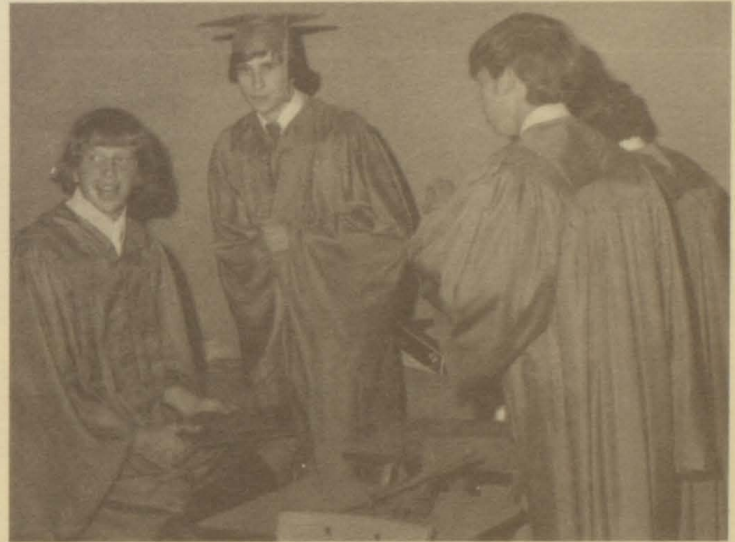

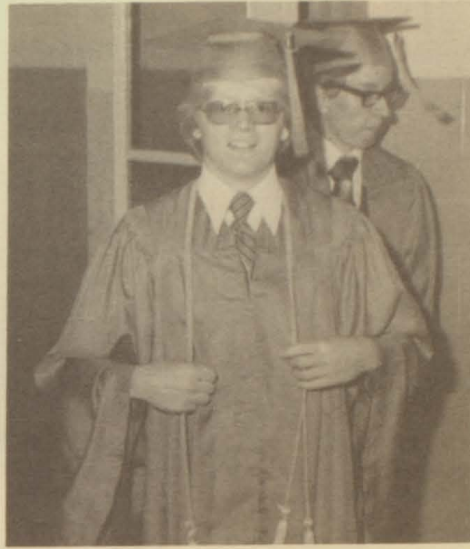

Why a drag? We started out our trip to Senior Night at Six Flags thinking we would be there at 7:00 that night. We arrived at St. Louis at 8:00 p.m. and were stuck in a traffic jam until 11:00 just 16 miles from Six Flags. When we finally got into the amusement park, it wasn't only seniors but thousands of people of all ages. Then on the start home at 5:30 a.m. most of us fell asleep; waking an hour later only to find that the bus had moved 6 rows in the parking lot. If it weren't for the "Head East" performance the trip would have been a total loss.

Front row: Mr. Willer (President of Rotary), Rita Wheelhouse, Dotty Garrett, Janell Spivey, Angie Anderson, Kathy Doss. Back row: Jeff Patterson, Calvin Berg, Jeff Holding, Joel Dykman, Kevin D. Gerard.

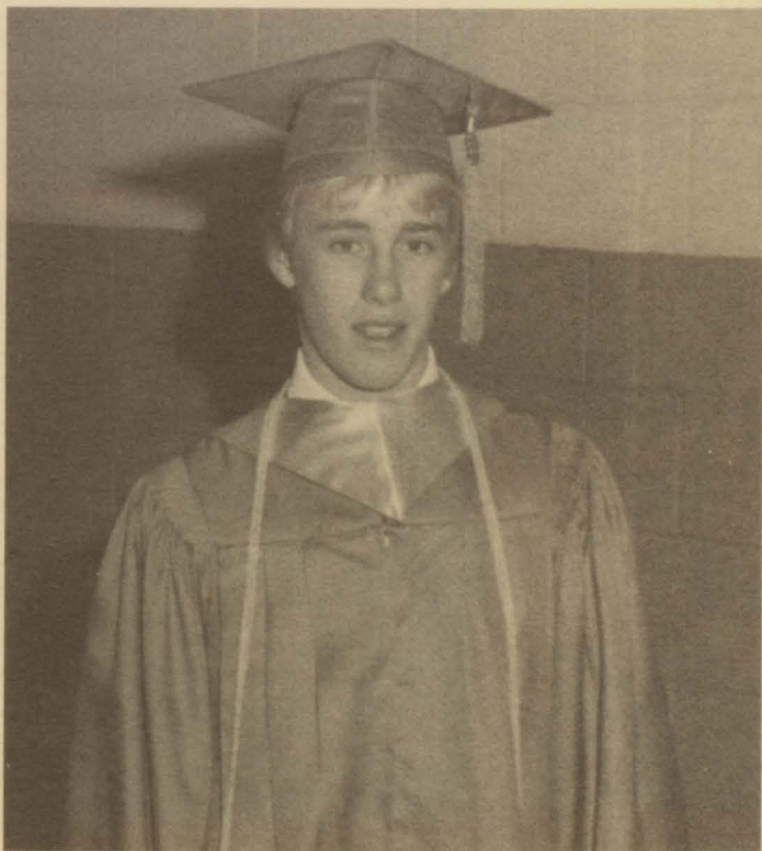

Angie Anderson

Valedictorian

Angie Anderson, the daughter of Mr. and Mrs. Donald Anderson, has been active in FHA-HERO, which she served as treasurer, president and a state voting delegate, Student Council, which she served as secretary and a three-year member; wrestling and track statistician and Drama Club Thespian. Her other high school activities include National Honor Society, French Club, chorus, volleyball, Pep Club, cheerleader, play cast and school office worker. Her out-of-school activities include president of the Lutheran Youth Ministry, Lutheran Witness committee, Lutheran Education Committee, Victor's Van Fund committee and Youth Services Bureau volunteer. Angie is listed in Who's Who and is an Illinois State Scholar. She was selected by the Galva American Legion Auxiliary to attend Girls' State. Angie plans to attend Western Illinois University and major in special education. Her grade average at Galva High School was 4.923 on a 5.0 scale.

Jeff Patterson

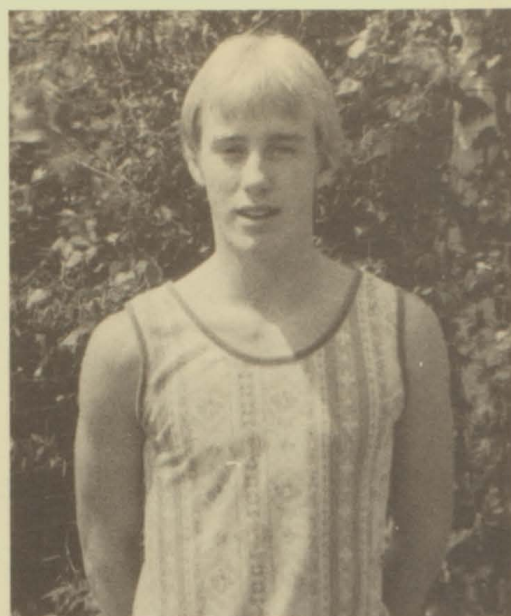

Salutatorian

Jeff Patterson, the son of Mr. and Mrs. William Patterson, has been active in football for three years; basketball for four years and track for three years. Band, French Club, Pep Club Scholastic Bowl, National Honor Society, and Augustana College Math Bowl round out his activities. He also served as junior class president. His out-of-school activities include United Methodist Youth Fellowship which he served as treasurer. Jeff plans to attend the University of Illinois and major in Physics. His grade average at Galva High School was 4.896.

Jeff Patterson Leon Best Award

The "Leon Best Award" is based on scholarship, character, leadership, and citizenship. Any senior male or female who has received a "B" average or higher throughout the first 3- $\frac{3}{4}$ years of high school and a minimum ACT score of 24 is eligible for this award. The Award is given by Mr. and Mrs. Ernest Ovitz, Jr. in memory of her father Leon Best, a firm supporter of education and community improvement. The winner, who is chosen by the superintendent, the high school principal, the guidance counselor, two high school faculty members and family representation, will receive a \$500 scholarship.

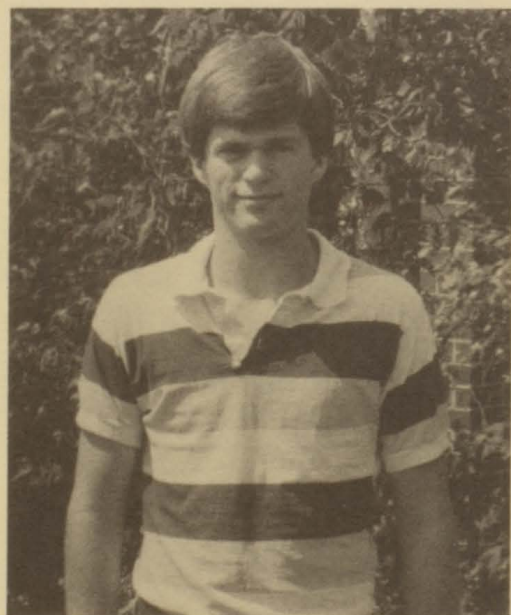

Angie Anderson Maxine Dexter Award

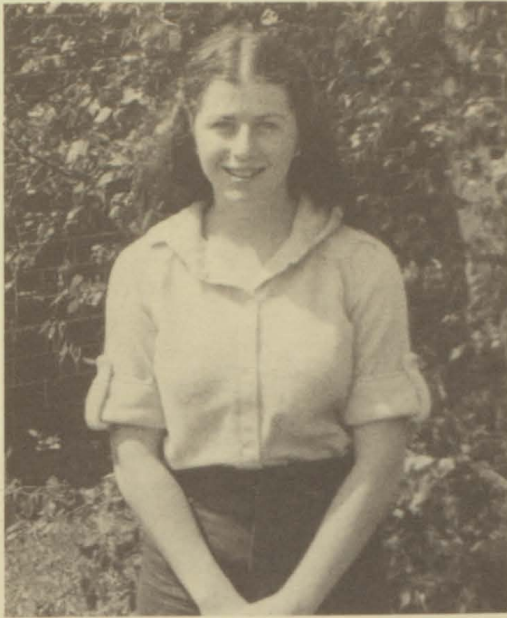

The "Maxine Dexter Award" was established by Peyton Dexter in memory of his wife. It is given to aid a girl in pursuit of a college education and who has the highest scholastic average over her 4 years of high school. The winner must have GHS eight consecutive semesters. The winner receives \$100.

Jeff Holding Richard Freece Award

The "Richard Freece Award" was established in 1931 by Mrs. E.L. Yocum in memory of Richard Freece who drowned his junior year in high school. This award is given each year to a senior boy who has shown himself to be the best all-around student in scholarship and has been active in high school activities. He must have a 4.0 average or above by the end of his Sophomore year. The winner receives \$100, a gold key, and his name placed on a plaque in the trophy case.

Kathy Doss Beta Sigma Phi Award

The "Beta Sigma Phi Award" is awarded every year to a senior girl who has attended GHS for 3 years and has a 3.5 average or better. The selection is based on the general financial condition and an evaluation of a questionnaire where the student is asked why she wants to attend college, how she's worked in and for her high school and community and what the award would mean to her. The winner is chosen by a committee consisting of the high school principal, a senior citizen, community citizen, and 2 members of the Beta Sigma Phi sorority. The winner who is planning on attending a college, university, or accredited vocational school will receive \$100.

Angie Anderson PEO English Award

The "PEO English Award" was established in 1956 by the BR Chapter of PEO Sisterhood. This award recognizes the superior work in English by a senior girl who has the highest English grade in all 4 years of high school. The winner receives a \$25 government bond.

Angie Anderson DAR Award

The "DAR Good Citizenship Award" is awarded each year to a senior who exemplifies leadership and citizenship to both the school and the community.

Angie Anderson & Jeff Holding "I Dare You" Leadership Award

The "I Dare You Award" is presented by the William H. Danforth Foundation to a senior girl and boy who has exemplified leadership based on healthy physical habits, an alert and ever-growing mind, an outreach of friendship, and constructive social relationships within the home and community, and above all character. The winner receives a certificate and a book.

Jamie Ericson Arion Band Award

The "Arion Award" is voted upon each year by the senior band members. They select the senior whom they feel has contributed the most to the band throughout their four years in high school. The winner receives a medal and a pin.

Angie Anderson Home Economics Award

The CO-ED "Home Economics Student of the Year Award," is based on an evaluation of a small essay written by the applicant and letters of recommendation by Mrs. Hulin, the home ec teacher, a community member, a parent, and Mr. Varner, the guidance counselor. Angie was selected to be the winner of one regional award. She won a \$500 scholarship toward a home-ec major at the Western Illinois University in Macomb.

Scholastic Bowl Team

The GHS Scholastic Bowl ended a very successful season with a 15-9 win-loss record. Highlights of the season were winning the consolation championship at the Galva Tournament beating Cambridge, 123-142. The team also appeared on two TV scholastic bowls. At WOC-TV they suffered defeat against Savanna, 155-25, but beat Brimfield 175-70 on WRAU-TV. The Galva Scholastic Bowl also sponsored several mini-matches where they were victorious over Cambridge, 165-137, Princeton, 154-74, Williamsfield, 221-65 and Hall, 206-145. They finally ended the season at the Rockridge Tournament where they defeated Assumption, 184-146, but lost to Princeton on the final rebound bonus 201-197. Larry Varner is the coach for the team.

Math Bowl

Math Contest

Gary Wexell, Jan Embertsen, Jeff Patterson and John Morrell competed as team in a math bowl sponsored by the Augustana Math Club. Out of 8 teams competing the Galva team won a second place trophy. They were coached by Bob Stockhecke.

Each year the Mathematical Association of America sponsors a math contest for high school students consisting of a multiple choice test. The names and scores of the 3 highest scoring students are sent to Bradley University to represent Galva as a team in competition against other schools in the area. Pictured are Jan Embertsen, Jeff Patterson and Sandy Warner who represented Galva.

Riding Off Into The Sunset

As another year is rounded up so are the memories carefully preserved in this book. For a cowboy his work becomes his play. We have found this also to be true when we found only happy faces walking the halls of Galva High School.

The era of the cowboy lasted only a short time, 1880's to 1900's. People look to those days as rough and exciting. In years to come we hope you will look back at this time as exciting as is the Wild West was to the cowboys.

We hope this book will bring back many memories of your past. This quote by Sallust makes your memories really count,

"Since the span of life which we enjoy is short, let us make the memory of our lives as long as possible."
