The Cats started the year very optimistically with a strong showing against Aledo. Even though they didn't come out on top, they showed promise for the future. Next the Cats played Erie but lost again as they fought the mosquitoes and muskrats. This year Galva had an early Homecoming which ended in their first victory over Alwood. The confident Cats next played a rough 3rd state-ranked Wethersfield but were unable to get a win. The Wildcat's second victory came over ROVA when they came from behind, 12-0, to soundly defeat the Tigers. Turning to Cambridge for their homecoming, the Cats played a rough game but lost in overtime. The last three games of the season were all lost to very rough Winola, Toulon, and 5th state-ranked Alexis. At the end of the season all conference honors were announced and Jeff Wilsey, defensive line, and Pat Sundberg, offensive end, didn't let the Wildcats down by receiving honorable mentions.

Co-Captains: Randy Hepner and Brad Buck.

Seniors: Dian Haga, Colleen King, and Barb Sundberg

The varsity volleyball team started the season with only three returning seniors and a new coach, Don Kord. The season started with the Henry County Tournament where the girls were beaten by a rough and experienced Kewanee team. Although the girls only won three games, they had a lot of fun and an enormous amount of enthusiasm.

"Wheew!"

"Wow! I Grew another arm!"

Seniors: Back Row: Randy Hepner, John Holt, Brent Vincent, Greg Thompson.
Front: Tony Strom, Brad Buck.

This Year's Galva Wildcat Basketball season can be summed up in two descriptive words, inconsistent and improvement. Losing all starters from last year's squad, returning only 3 lettermen, and introducing a new coach and system are three very important reasons for the Wildcats slow start. The team, however, held together and gave some exciting late flashes but finished as dismal 3-21.

Leading the team in rebounds (9.4) and scoring (11.9) was senior co-captain John Holt. Elected by his teammates MVP, John gave experience and dedication to an otherwise inexperienced squad.

Highlights of the year include 1 point wins over Alexis and Cambridge and a 4 point win over Alwood, a team that had previously beaten the Cars by 30. The complete turnabout displayed by the Cars the second half of the season made an otherwise dull winter come alive.

Stacey's gunnin' again!

"If you slap me, I'll slap you right back!"

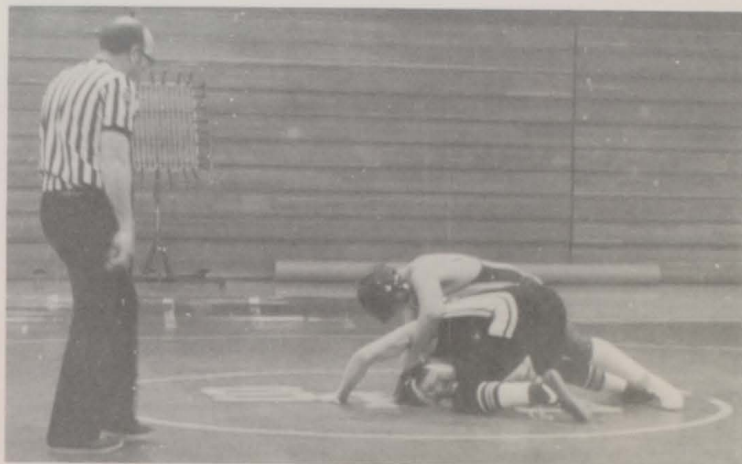

Seniors: Chris Kendall, Jeff Wilsey, Mark Maxwell, Bert McNaught, Nick Wagner.

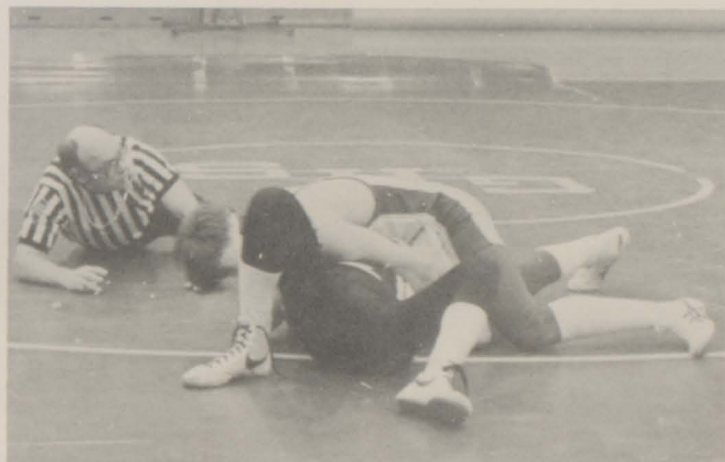

The 1979-80 Wildcat wrestlers, even though they lacked experience, did not let their school down and did an exceptional job in dual meet competition ending with 7 wins, 11 losses, and 1 tie.

The Frosh-Soph squad captured a third place trophy at the Galva F-S Tourney.

Individually, Bert McNaught, a sectional qualifier last year, had a fine and steady season to close out his high school wrestling career. Mark Maxwell was vastly improved and pulled many dual meet victories out of the fire. Jeff Wilsey had an outstanding season this year qualifying for the sectional tournament and coming as close as anyone before him to making a trip to the State Tournament. With all of the improvements that were seen this year, Galva High School will be well represented with the qualified people who will be returning next year.

"Get off my back, man!"

What is he doing to him?

J.V. Squad: **Back Row:** Mark Ingels, Hays Arter, Russell Hepner, Tad Anderson, James Cox, Ron Werkheiser, Mgr. Jim Hardy. **Front Row:** Chris Kendall, Brad King, Bob Rapp, Jim Bares, Mike Werkheiser, Rick Love.

J-V Squad: Back Row: Leona Smith, Lisa Robinson, Arlene Berg, Pam Halsall, Kathy Moehring;
Front Row: Tracey Hartstirn, Julie Riner.

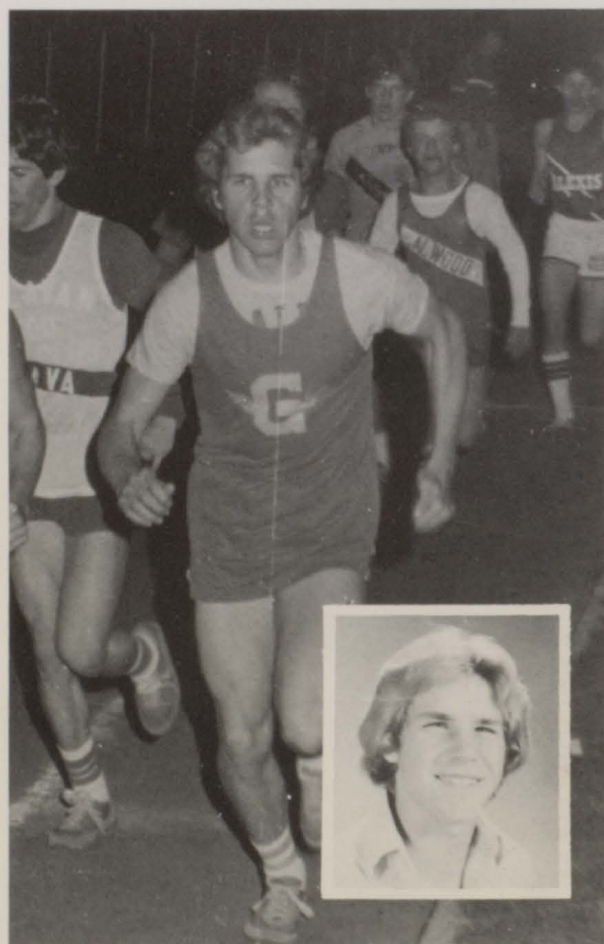

The girls' varsity basketball team had three returning seniors and several experienced juniors. The season record this year was 7 and 15; however, several of the games were very close. Outstanding scorers for the varsity team were Jean Sundberg and Dian Haga. The junior varsity team had a comparable season with a record of 8 wins and 13 losses. The outstanding scorer for J-V team was Lisa Robinson.

The art club had an exciting and interesting year beginning with the project to sell buttons and jewelry to enable them to make a trip to Chicago in the spring. But their trip with the thespians was canceled because of a snow storm and was rescheduled for April 2nd. While in Chicago, the club visited the Art Institute and the Sears Tower. Later, the club went to see the show, "They're Playing Our Song." The club also sponsored a dance with Paul Fredricks from KILLK.

To celebrate the success of the play, club members held a cook-out at advisor Lynn Olson's s of the club are inducted into the thespian society. New inductees were announced at a potluck banquet in the cafeteria in the spring. Each year the thespians travel to Chicago to see a stage play. This year they saw "Their Playing our Song."

The FFA had an exceptionally busy year starting with the Homecoming Pork Chop Bar-be-que. This has become an annual event during Homecoming week and a delicious one.

The National FFA convention was held in Kansas City during November which involved some of the members.

Also in November the club harvested the Bumper crop of corn from the AG plot.

During December the FFA were co-sponsors for the FFA-FHA Formal.

National FFA week came during February which included a dress-up day and a program on agriculture at Middle School given for the eighth grade.

The parent and FFA chapter banquet was held in April and the state convention came in June.

The club has also entered many contests this year including the Crops Judging Contest, the Parliamentary Procedure Contest, the Foundation Contest, and the public and district speaking contests.

The FHA-HERO members started out the busy year at Dawn Stambaugh's house for the old members and new freshmen to become acquainted and plan out the year's activities.

Throughout the football season the club provided the concession stand and the pretzel stand during the basketball season.

Queen Brenda Plummer and King Tom Nash reigned over the December Formal as the couples danced among the "Moonlight and Roses."

FHA-HERO week correlated with Valentines Day in February and was honored when the members had a dress-up day, and handed out red, white, and pink carnations for Valentines day. On Friday everyone dressed up in red and white, the club colors.

On April 11 the club went on a trip to Bloomington and toured Katherine Beich Candies. Also in April the parents were invited to a banquet and many of the members were honored.

The year concluded with a farewell-to-seniors picnic.

The French Club has always been an active group at Galva and this year hasn't been an exception.

To start out the year the group had a cookout and bonfire to plan out the year's activities.

In November a costume party was held and during December the club took a trip to the Dock in Geneseo and reported they had an excellent dinner and enjoyable evening.

Because of the new Spanish classes offered this year, a Spanish club was introduced and organized by Miss Swegle. The club proved to have an exciting first year.

The club sponsored many bake sales this year at the girls' volleyball games and tournament.

The members then traveled to Tortilla Flats on March 25 and had a delicious dinner.

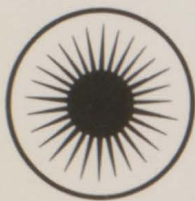

The new Spanish club appeared to be successful its first year so hopefully it will be another active club at Galva High School in future years.

What Does ESP Stand For?

The first assembly of the year sponsored by the student council featured John Schuurman. While reciting poems such as "Casey At The Bat," and "The Burial of Sam McGee," he portrayed the various characters of the poem. Schuurman also sang several humorous songs. Tee-Hee!

David d'Paul, featured in the second assembly, revealed his astounding powers of extra-sensory perception. Through the audience, d'Paul showed that everyone has ESP to a certain degree.

With the help of his assistants, he correctly predicted the outcome of every experiment.

Over the past few years the choral music program at GHS has become so popular that students must try out for a position in the school choir. Thanks to choir director, Pam Edwards, our school is represented by an excellent group of singers, who perform at contest, district festival, and the Christmas and spring concerts.

The swing choir and madrigal singers perform at contests and also appear at many community events as entertainment. For the second year the madrigals have hosted a renaissance dinner during the Christmas season. Such groups as the women's club and senior citizens center always look forward to an appearance by one of these musical groups.

The marching band, concert band, jazz band, pep band and contest winners are all what make up the band program at GHS. Daily practice at home and extra practices after school enable our school to have a musical instrument program to be proud of. Not only does our school benefit but so does the community. The band provides half-time entertainment at football games and basketball games. They give a Christmas concert and an excellent spring concert. They march in numerous parades and are usually on hand to play at holiday festivities.

Cheerleader Spirit Never Dies

"Mums" the word.

A combination of spirit, leadership and a desire for accomplishment is what motivates the GHS cheerleaders to practice and support their team. The cheerleader spirit shows during homecoming festivities, on the locker signs and the hoops for every game, on the pep bus and especially on the football field, the basketball floor and the wrestling mat. Spirit is found in every cheerleader both academically and athletically.

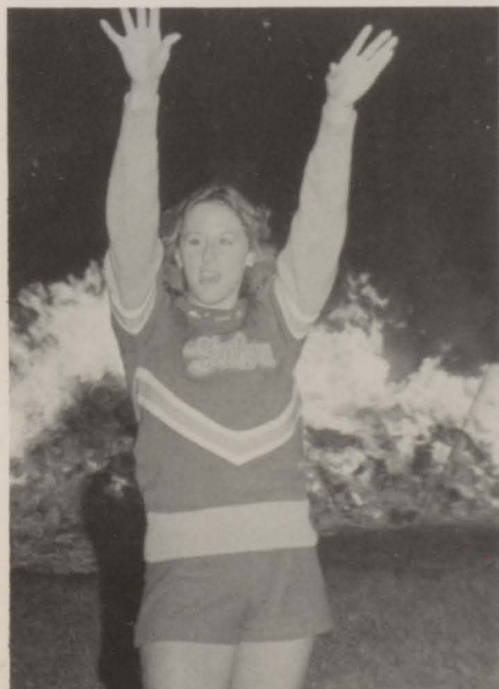

The girls organized into a "maize" squad and a "blue" squad rather than varsity and junior varsity. When two sporting events are held the same night, one squad goes with each event.

The latest item in cheerleader attire!

"Are we ever going to get to perform?"

The sore legs, the tired smile, the one-hour-to-learn routines, the long practices are all characteristics that give GHS a quality group of pom pon girls. They show their excited smiles and flashy legs in their excellent performances at every home football and basketball game. Most of the girls attend summer camp to learn new routines and ideas. Their self-discipline and desire to work hard are shown on every smiling face at show time. Individual ability to perform is not what makes a GHS pom-pon girl — it is their group effort.

Let's keep those arms up, Jane!

Shake it, Sue!

Bonfire Launches Homecoming

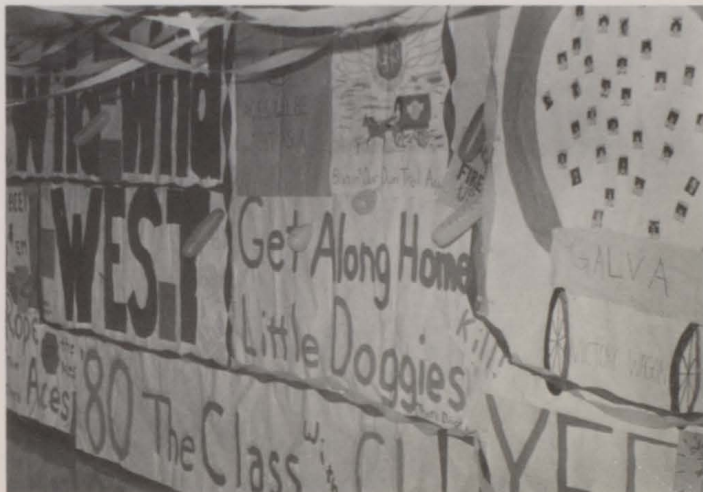

GHS traveled to the Wild, Wild West for the 1979 homecoming. The excitement and enthusiasm for the week turned dull walls at school into works of art and hayracks into prize-winning floats.

The spirit was sparked at the annual bonfire held on the practice field on Thursday night but the dance on Friday was the real spirit raiser.

Saturday morning was time to start the homecoming parade. The floats, the bands, the cheerleaders and pom-pom girls, the Queen and attendants' cars and the fire engines were all unveiled.

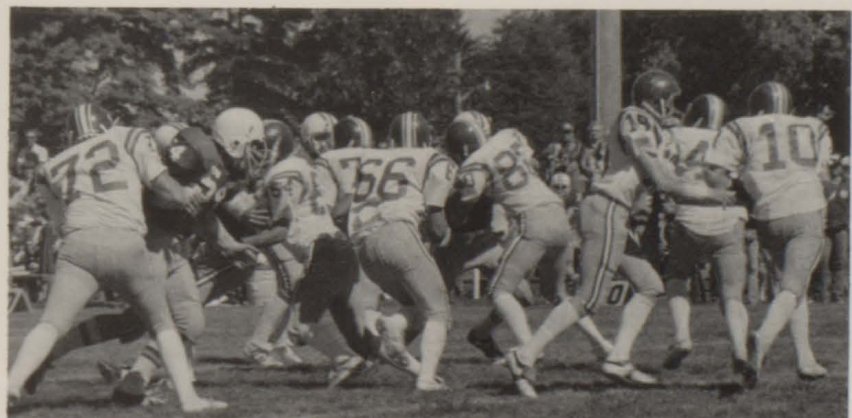

Homecoming week was capped by the football game. At halftime, the winners of the floats were announced with the seniors capturing first place. The Freshmen won the wall decoration contest. All this work and enthusiasm paid off for the GHS students and alumni . . . we won the game! Galva defeated Alwood 34 to 6.

Dancin' The Night Away

Did Ronald McDonald really make the punch?

"Moonlight And Roses"

Formal attendants: Freshmen Toby Kendall and Arlene Berg; Sophomores Bob Norbom and Ellen Potter; Juniors Rod Johnson and Dawn Strambaugh; Seniors Ernie Bares and Marchele Weeks; King Tom Nash and Queen Brenda Plummer; Seniors Lori Rapp and Curtis Potter; Juniors Mary Kay Anderson and John Nash; Sophomores Theresa Scott and Ernie Sregall; Freshmen Kendra Boston and Mike Werkheiser.

Mrs. Newman, FFA advisor, and FHA-HERO president Dawn Strambaugh supervise over the decorating of the gym.

"Moonlight and Roses" was the romantic setting for the 1979-80 FHA-HERO, FFA Formal held on December 1, 1979 in the High School gym. Beginning at 8:00, "Leather Soul" entertained the couples with their music. At 9:30, the Crowning of King Tom Nash and Queen Brenda Plummer Became the center of all attention. The Process of becoming King and Queen of formal is a rather long one. The attendants from FHA-HERO are picked by points earned from such activities as working at the concession stands at games and attending the meetings, but the attendants chosen by the FFA are nominated by fellow FFA members. After the names of all candidates have been compiled, all the members of FHA-HERO and FFA vote on this year's king and queen. The results are withheld until the night of the formal dance where this long wait is well rewarded.

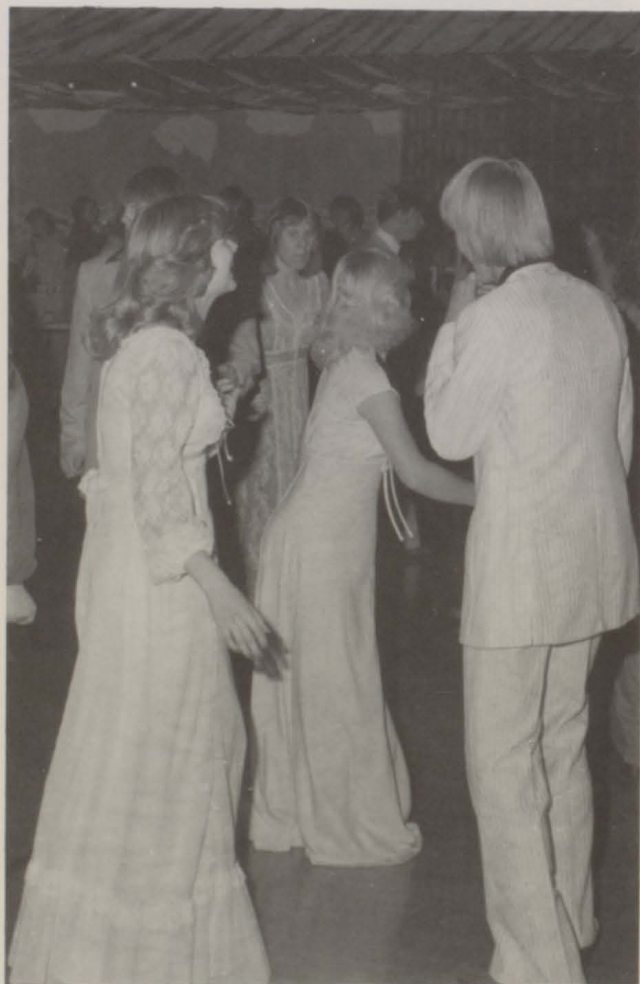

Senior Attendants Ernie Bares and Marcheale Weeks.

Sue Rose Is Queen Of The Prom

Rita, Teresa, Anne, Laurie and Liz applaud the choice of Sue Rose as queen.

The annual Junior-Senior Prom was held at the Sheraton Motor Inn in Galesburg on April 26, 1980. The dancegoers turned out in all their splendor to dance for three hours with short breaks for barbecued ribs, finger sandwiches and punch. A highlight of the evening was the crowning of the 1980 prom queen. Sue Rose was elected by the juniors. She was attended by Rita Bates, Teresa Anderson, Laurie Patterson, Anne Doone and Liz Peterson.

Whatever you do, don't look at your partner.

... and that's not the end of it ...

Did they really think they'd get away with it?

Secret does keep you drier!

I bought that flower and you'd better not crush it!

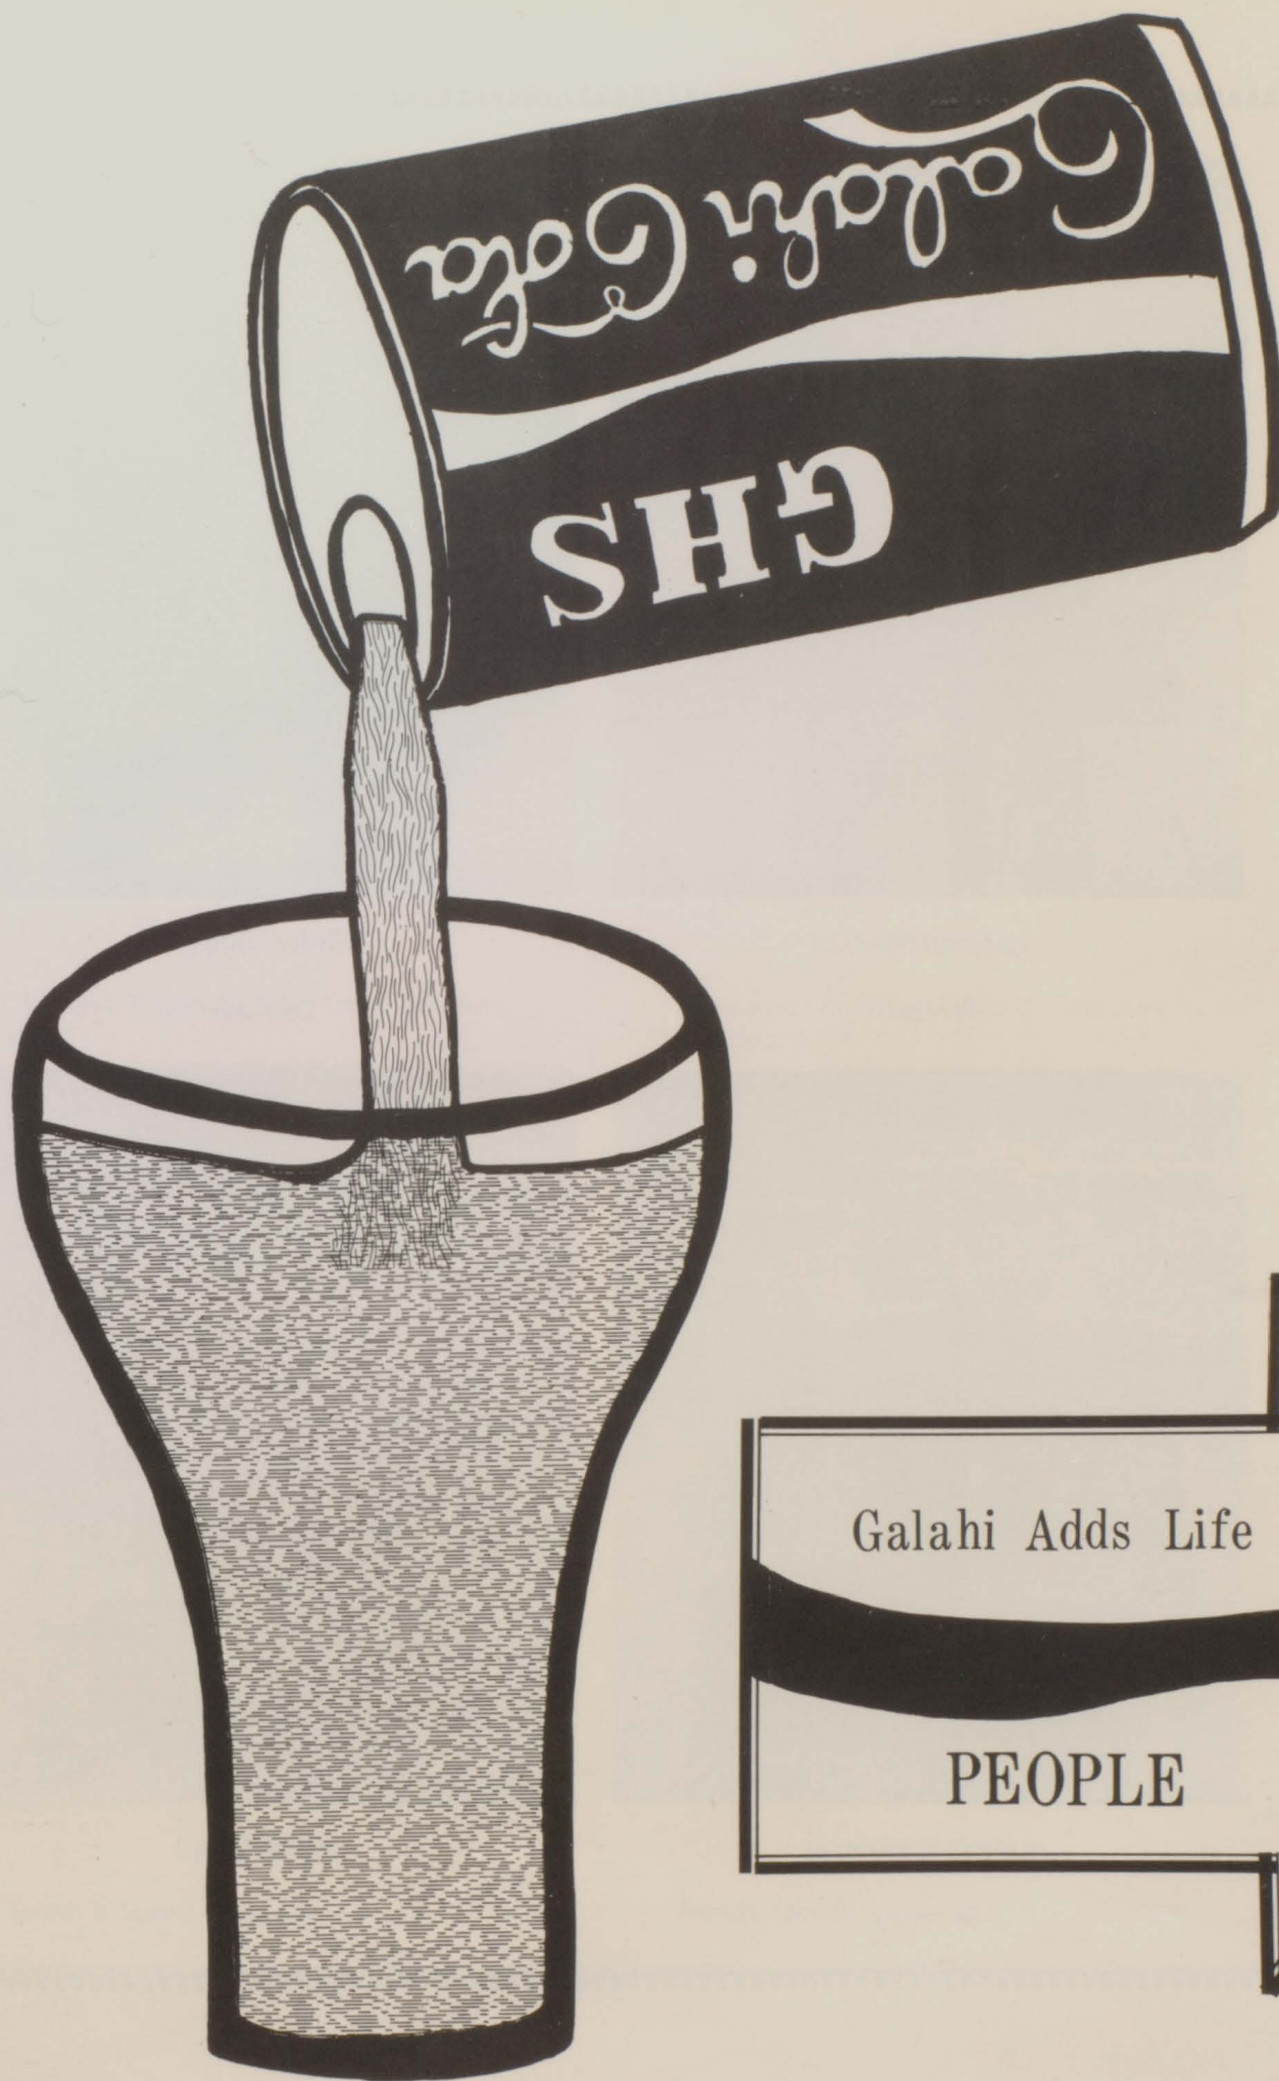

We can sing as well as that band can!

Oh, Tom, you dance divinely.

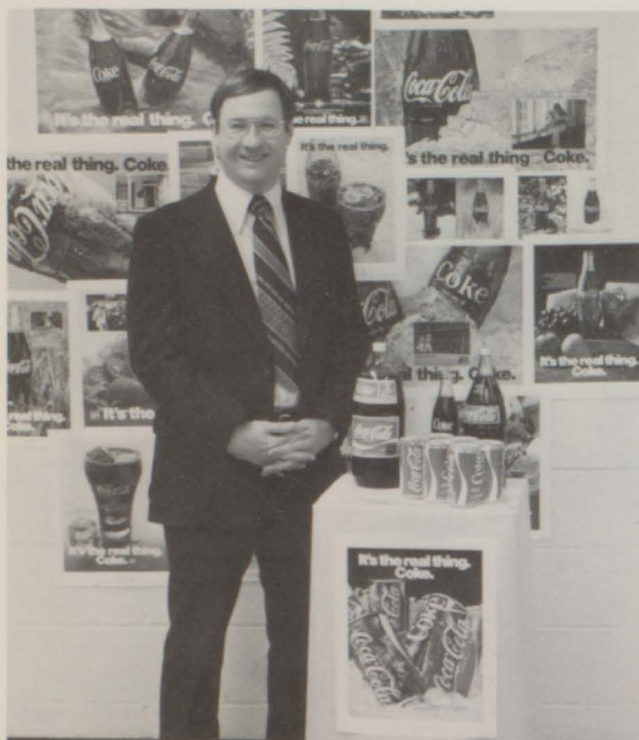

Surprise and welcome to the prom!

Class Song It's Time For Movin' On

We've traveled a long, long time together,
And there have been a lot of good things on the way.
But, now, it's almost time for leavin',
And the things I feel inside are very hard to say.
But it's time for movin' on, my friend;
Hold back all the tears and sorrow
It finally is time to go our separate ways.
And I want to wish you well, my friend,
As we search for new tomorrows.
Go as you must, but, please
Don't forget the yesterdays.
Remember the dreams we dreamed together,
All the joys we shared in getting to today
Now, just one time before you leave me,
Reach out and take my hand and help me walk away.
For it's time for movin' on,
Don't forget the yesterdays.

Words from the song IT'S TIME FOR MOVIN' ON by Don Besig.

Twenty-Five Years Is A Long Time!

1955

1980

Among other duties, Frances typed many papers, letters, tests, etc.

Answering phone calls was no small task, but it seemed there were always far more incoming than outgoing messages.

Sorting the mail was a daily task for Frances.

The afternoon announcements were an important job as she gave us "good news" and "bad news."

As Frances Thompson leaves, Diane Klein will take over as secretary at Galva High School.

Not enough can ever be said about Galva High's retiring secretary, Frances Thompson. Twenty five years of devoted service have earned her a special place in the memories of hundreds of GHS students and teachers.

She was always there to do whatever had to be done; be it making a phone call, dispensing an aspirin or typing a letter or test that was needed immediately.

Patience and friendliness are two qualities that emanated from our "Super Secretary" every minute of every day.

In April of this year, her final main task began — training her replacement. However, Frances proved to be a competent teacher and Diane Klein has learned there is more to being a GHS secretary than merely answering the phone and typing.

As symbols of appreciation, the students gave Frances a clock with an engraved pendulum and a rose corsage. Frances was also made an honorary member of the National Honor Society. The faculty treated her to lunch on the last day of school and gave her a flowering dogwood tree, a fifty dollar gift certificate and a memory box containing mementos and symbols of her 25 years at Galva High School.

A smile costs nothing but gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. No one is so rich or mighty that he can get along without it, and no one is so poor but that he can be made rich by it. A smile creates happiness in the home, fosters good will in business, and is the countersign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and is nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give a smile. Give them one of yours, as no one needs a smile so much as he who has none to give.

— THESE TIMES

I hope this book will make you feel good, and make you feel nice because that's the way it should be — the whole world smiling. Yearbooks add LIFE — so look at one and SMILE!
