A couple of years ago the Seniors woke up to the fact that after graduation G.H.S. was but a memory. They wished for a record of school-day activities, work and play. As they looked through the newspapers, monthlies, and annuals published by other schools they grew green with jealousy. Some were lucky enough to have "Memory Books," but it was an endless task to secure the signatures of their classmates and teachers and to write accounts of the various happenings of school life. Last year the Senior Class made an attempt to organize for the publication of an annual. But when they began it was too late, nearly half the year had flown by.

This year the Class of '24 made their demand for a school publication as soon as school opened; Miss S. E. Miller, their English instructor, helped to arouse enthusiasm. The matter was brought to Mr. White. He thought favorably of it and submitted it to a committee for consideration. They decided in favor of an annual and selected a staff. Work was begun at once. A naming contest was held, the prize being an annual. The winning name was submitted by Miss Gertrude Biedermann, one of the English teachers.

And so we have introduced into the school of ours a custom which we feel it will never regret having. We have done our best to make this first annual a worthy model for years to come. (Written by Thisbe Elion, Editor-in-Chief, 1924 *Galahi*, and published therein.)

The 1983 Galva Wildcats had an outstanding football season, finishing with an 8-2 record and tri-champions of the Lincoln Trail Conference. First year head coach Tom Buck had 18 returning lettermen to build his football machine around. Team depth was an asset to the Wildcats as many different players were inserted into the starting line-up each week. The Wildcats used a powerhouse offense and a swarming defense to become only the second team from Galva to advance to the I.H.S.A. playoffs. The dream of a state title went down in the mud of a rain-soaked Hamilton field, however, as the 'Cats came up a touchdown short, 14-8. Ironically, the only points the 'Cats gave up in the third quarter of any game all year proved to be the one's that beat them at Hamilton. But that same defense registered 5 shutouts and allowed an average of only 6.9 points a game. While allowing only 119 total offensive yards each game, they picked-off 19 of the opponents' passes. The offense, on its way to averaging 25.1 points a game, used a quick, powerful running game to defeat opposing teams. On 454 attempts the Wildcats gained 2175 yards, a 4.7 average per carry. In between running plays, the offense was passing for 548 yards. These statistics combined for 2723 yards for the year, a staggering 272 yards in each game. The 1983 football team gave the school and community something it could be proud of, a team that worked together and gave 100%.

The 'Cats were honored with **1st Team All-Conference** choices Ron Bell (offense and defense), David Adkison (offense and defense), Don Troline (offense), Larry Johnson (offense), and Alex Darragh (defense). Mike Clucas, Alex Darragh, and David Adkison were voted to the **1st Team All-Western Illinois** defensive squad.

(Row 3) Richard Plummer, Todd Butler, John Cromien, Troy Stairwalt, Staurt Darragh, Keith Morby, David Hoxworth, Head Coach Loren Beswick.

The Frosh-Soph football team, under new coach Loren Beswick, turned in a good season this year. Even though their record was 4 wins, 4 losses, and 1 tie, the young cats were in every game to the very end. The team finished 3rd in the L.T.C. at 4-3.

The squad was dominated by sophomores who helped provide the leadership necessary to instill confidence in the incoming freshmen football players. This support helped the team to a successful campaign.

The first match of the season was the Atkinson Tournament. Even though the girls were in high spirits for their first match, they were unable to bring home a trophy, but they received third place. The girls were looking forward to a successful season, but they ended with an 0-13 record. This record doesn't show all the hard work and enthusiasm put forth from this group of girls. They Frosh-Soph team ended with a 1-11 record, with a victory over Toulon.

After an impressive football season, the Galva Wildcat basketball team picked up where they had left off last year. Returning four starters and six lettermen from a 21-6 team, the Wildcats did that season two better by going 23-4 in 1983-84. The Wildcats used a stifling man-to-man defense to limit their opponents to an average of 50 points a game while they racked up 66 each time. The season began with the Williamsfield Tourney, and with only one week of practice, the 'Cats cruised through the opposition to win their second consecutive title. Next up was the Bradford Tourney where the Wildcats slipped from their #1 seeding to capture 3rd place. Once the 'Cats got to 7-2, they reeled off 14 consecutive victories in winning the Lincoln Trail Conference with a record of 13-1. Toward the end of the season, Galva was ranked as high as 14th in the Associated Press poll. They went into the Galva Regional seeded first and proved to be just that as they stormed past Wethersfield, 69-51, in the championship. In Sectional play, however, the Wildcats were tripped-up by Princeville, thus ending one of the most successful basketball seasons in the history of G.H.S. Post-Season honors included Mike Clucas and Brad Hulick named All-State Honorable Mention, Clucas 1st Team All-Western, Hulick 4th Team All-Western, and Dave Adkison Honorable Mention All-Western. Clucas, Hulick, and Adkison were also named 1st Team All-Conference. The seniors at G.H.S. left their mark, as Clucas became 6th on the all-time scoring list, while Bill Steffey was 9th, and Adkison 11th.

Their first game was in the Toulon Tournament where they received 3rd. Overall the girls had a good season. The effort put forth by these girls was outstanding. The Varsity ended the season with a 10-12 record while the Frosh- Soph team finished their season with a 5-11 record. Jennifer McCoy received 1st Team All-Conference and All-Western Illinois Special Mention. Audra Lapan received All-Western Illinois Honorable Mention.*

**SECTIONAL QUALIFIERS:** Alex Darragh, Glenn Olander, Ron Bell, Shane Anderson.

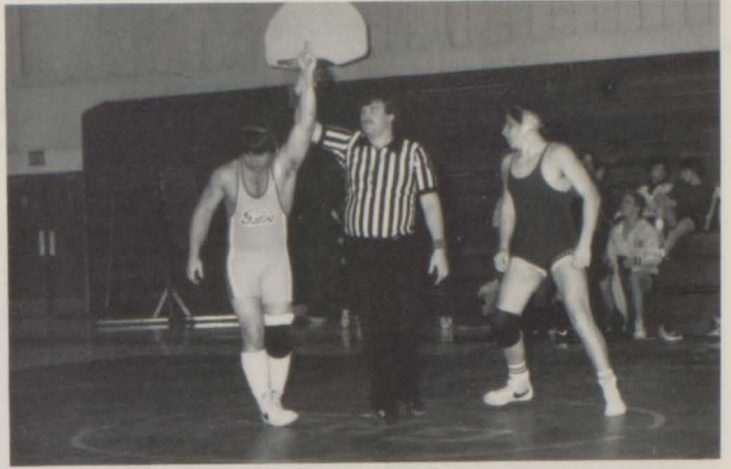

The Galva wrestling team had several outstanding performances turned in by individual members this year. The team, as a whole, won 2nd place at the Green Valley Tournament which took a great amount of effort because of the small number of wrestlers on the team. Individuals with an exciting season included senior Shane Anderson, (112 lb.), an alternate at sectionals after placing 4th at district; senior Swede Olander, (126 lb.), won 2nd at district and qualified for sectional where he ended the season at 20-8; senior Ron Bell, (185 lb.), had the team's best record at 26-4-1. Ron also won 1st at district and received 4th at sectional, making him a state alternate. At heavyweight, junior Alex Darragh won 1st at district and 2nd at sectional, which made him the first state qualifier in the history of the Galva wrestling program. Darragh finished the season at 18-4. The wrestling team was led by first year coach Loren Beswick.

# Cheerleaders Compete In Dallas

**Bottom Row:** Katie Laurin, Ann Lewin, Kathy Kernc, Shelley Collis, Jill White, Sarah Cromien. **Middle Row:** Sue Kaufman, Paula Phelps. **Top:** Carrie Craig.

The cheerleaders started off the year by attending a four day camp at Western Illinois University in Macomb. They won the **AWARD OF EXCELLENCE** for the best overall performance by a high school squad. Because of winning this prestigious award, they were invited to attend the **National Cheerleading Competition** in Dallas, Texas, on December 29, 1983. They raised expense money to go to Texas by having such activities as a backyard sale, a car wash, and selling buttons. During the football and basketball seasons, they organized pep buses, made hoops, performed at assemblies, besides spending many hours required for practice. Throughout the season they kept the crowd enthusiastic during every game, no matter what the score.

Marsha Collinson faithfully and enthusiastically donned the **Willy the Wildcat** outfit during her four years at GHS.

**Seniors:** Shelley Collis, Sue Kaufman, Sarah Cromien

**Junior:** Carrie Craig

**Maize Squad:** Ann Lewin, Paula Phelps, Katie Laurin, Sarah Cromien, Carrie Craig

**Front Row:** Carla Nelson, Kris Wilson, Kelli Kenney. **Middle Row:** Theresa Newman, Missy Hass, Tammy Vincent, Melinda Anderson, Linda Weidner. **Back Row:** Sami Kitner, Terri Jo Steward, Linnea Kuster, Shelly Kenney.

This summer in June, three members of the pom-pon squad attended a **Universal Dance Camp** at Eastern Illinois University in Charleston. They received a spirit stick for their enthusiasm and ribbons for their achievements. The Pom-pon girls practiced weekly to perfect their routines for their half-time football and basketball performances. During the Galva-Wethersfield basketball game at Galva, both school squads performed together for the first time ever. The squad practiced diligently every Wednesday afternoon from 3:30 to 5:30. Sometimes, however, more practices were required because of the difficulty of the routine. These routines were made up and taught weekly by the two co-captains — Kris Wilson and Linda Weidner, with assistance from Terri Jo Steward. On February 14, the four freshmen and the four sophomores of the squad performed a routine they devised in honor of the senior members of the squad.

Girls on the squad broke school and conference records. Kris Peterson broke the conference record in the discus with a 114' 2" throw and she broke the school record at state with a throw of 117'. She also qualified for state in the shot and placed 10th. Katie Laurin broke the school record in high jump with a jump of 4'10". Renee Lapan ran a :66.4 400 meter dash to break the old school record. Audra Lapan broke the school record in the 800 meter run with a 2:38 and in the mile with a run of 5:44.6. She missed qualifying for state by one second, receiving third at Districts. The mile relay team made up of Kim Payne, Sami Kitner, Tahnee Nichols, and Sue Donaldson broke the school record with a time of 4:48.9. These girls should be commended for their effort and hard work.

## Student Council

The Student Council began the year by hosting the traditional Freshmen Mixer. They coordinated the Homecoming bonfire and parade. Dances were sponsored after some games by the Student Council. The members gave a reception in honor of Mrs. Nancy Kemp for winning the Henry County Master Teacher Award. There was a pizza party at Chris King's house and the St. Jude's Dance-a-thon was sponsored by the Student Council.

## Future Homemakers

The Galva FHA chapter again ran the foodstand during the football season and managed a coffee concession at the home basketball games. The members also sold cookbooks and "Rainbow" items as money-making projects during the fall season. During the winter months they presented their annual winter formal dance, inducted new members into the organization and celebrated FHA Week by selling carnations and "valagrams" during the second week of February. In the spring the club attended a rally at Geneseo and six members went to the state convention in Springfield. New officers for the coming year were installed at the annual spring banquet.

## Drama/Thespians

The Drama Club started off the year with a wiener roast at Ron Troline's farm. Members went to Rock IIsand to view the musical **ANNIE** at the Circa 21 Dinner Theater. In April the Drama Club presented **DOCTOR'S ORDERS** followed by the traditional cast party, hosted this year by Todd McClintic. The local Thespian Troupe had a pizza party at Advisor Lynne West's house in Williamsfield and new members were inducted.

## French Club

The French Club had a Halloween costume party and enjoyed a French dinner at Midland Country Club. The members also made T-shirts and decorated a float for the homecoming parade. As money-making projects to help finance classroom materials, the members sold milk shakes at basketball games and held a successful rummage sale.

## Spanish Club

The Spanish Club had a scavenger hunt and a dinner at Midland Country Club. A taco party was enjoyed by the members and they also provided a homecoming float. To end this year the two foreign language clubs combined their membership for a successful potluck get together.

# Tour Highlights

## Future Farmers

The Galva FFA members participated in a judging contest and attended both the state and national FFA conventions. Being future farmers, naturally the ag experience plot received much attention during the fall harvest and spring planting. The members also found time to build picnic tables for the city Park District, co-sponsored the FHA formal dance, organized a petting zoo for the grade schoolers, provided a pork supper during homecoming week, participated in a basketball jamoree and still found the time to organize the annual spring awards night and banquet.

## Art Club

During the school year the Art Club had a wiener roast and, of course, the annual Christmas Party. A field trip to Northern Illinois University and a two-day trip to view the sights of Chicago received high marks from those attending. Members of the club contributed to school spirit by making buttons and T-shirts which were sold as money-making efforts. The year was wrapped up with the annual banquet.

## Class Song

*High on a lonely hillside, far from the world below,  
I can take the time I need to decide where I should  
go.*

*There on a quiet hillside, lost in a silent dream,  
Things are all so simple and my life seems clear as  
can be.*

*But life keeps movin', it keeps on movin'; I can't stay  
here alone.*

*Time is flyin', there's no use cryin'; I know I've got to  
go.*

*It's time for livin', and time for givin'; it's time for  
breakin' free.*

*'Cause life keeps movin', it's not gonna wait for me!  
Come now and walk beside me; come put your hand  
in mine.*

*All the world is diff'rent now, there's so much more  
to find.*

*Now that you're here beside me, clouds seem to  
fade away.*

*We can see tomorrow, and we can life for today!*

# Per Sandtveit

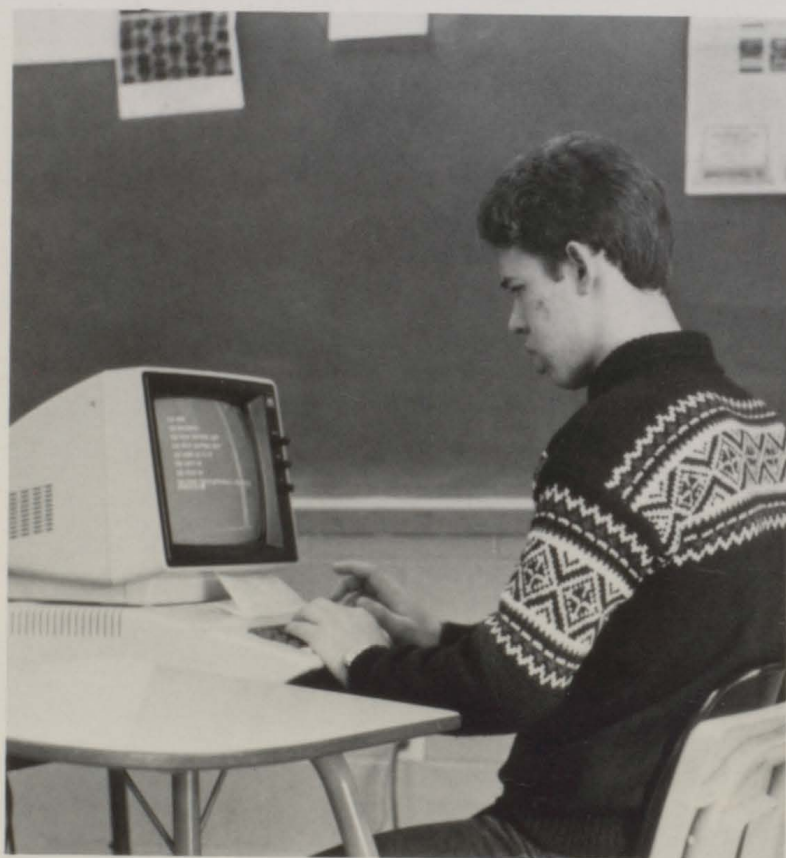

*Rotary Exchange Student From Norway*

Norway has a population of four million people on an area of 386,975 square kilometers. It is one of the most northerly populated countries of the world — Oslo is on the same latitude as the ice-covered southern point of Greenland and Svalban is actually north of the magnetic North Pole. Thanks to the Gulf Stream, however, which conveys warm water from the Gulf of Mexico, Norway is not covered by ice.

Norway was first united in 872 but it was not until 1905 that it got its own king and national flag.

The Norwegian education system is free and that also holds true for hospitals and doctors.

While attending GHS, Per Sandtveit enrolled in the following courses: U.S. history, typing, Biology, English IV and computer literacy.

## Sarah Cromien Leon Best Award

The "Leon Best Award" is based on scholarship, character, leadership, and citizenship. Any senior, male or female, who has received a "B" or better average throughout the first three and three-fourths years of high school and a minimum ACT score of 22 is eligible for this award. The award is given by Mr. and Mrs. Ernest Ovitz, Jr. in memory of her father, Leon Best. The winner will receive a \$500 scholarship.

## Marsha Collinson Beta Sigma Phi Award

The "Beta Sigma Phi Award" is awarded every year to a senior girl who has attended GHS for three years and has a 3.5 average or better. The selection is based on the general financial condition of a questionnaire where the student is asked why she wants to attend college, how she'd worked in and for her high school and community, and what the award would mean to her. The winner who is planning on attending a college, university, or accredited vocational school will receive \$200.

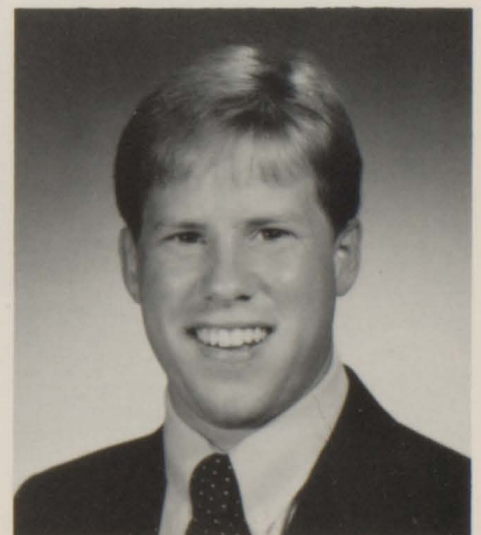

## Mike Clucas Richard Freece Award

The "Richard Freece Award" was established in 1931 by Mrs. E. L. Yocum in Memory of Richard Freece who drowned his junior year in high school. This award is given each year to a senior boy who has shown himself to the best all-around student in scholarship and has been active in high school activities. He must have a 4.0 average or better by the end of his sophomore year. The winner receives \$100, a gold key, and his name is placed on a plaque in the trophy case.

## Ron Troline Women's Club Recognition Award

The "Women's Club Gift of Recognition" emphasizes academic improvement, character, leadership, and citizenship. Any student who has attended Galva High School for four consecutive years is eligible to apply. The gift is \$100 and the recipient is responsible for reporting to the Women's Club of Galva personally or by letter.

## Jeff Kaiser Overbaugh Farm Award

The "Overbaugh Equipment Award in Agriculture" is based on a student's contribution to agriculture, leadership, scholarship, and school citizenship. To be eligible a student must have attended Galva High School for at least three years, taken agriculture for at least three years and currently enrolled in agriculture, and maintained a 3.5 average through the third quarter of his last year. If a student meets these requirements, he will receive a grant of \$100.

## Theresa Armel - Rachael Hammen - Carla Vincent PEO English Award

The "PEO English Award" was established in 1956 by the BR Chapter of PEO Sisterhood. This award recognizes the superior work in English by a senior girl who has the highest English grade in all four years of high school. The winner receives a \$25 government bond.

## Sarah Cromien DAR Award

The "DAR Good Citizenship Award" is awarded each year to a senior who exemplifies leadership and citizenship to both the school and the community.

## Carla Vincent VFW Award

In the fall of each year the speech classes participate in the VFW Voice of Democracy contest. Carla placed first in the local competition, winning a \$50 savings bond.

## Illinois State Scholars

Certain requirements must be fulfilled in order to become an Illinois State Scholar. A student must have a good ACT test score along with a good academic record. They must also excel in leadership and character. 1984 winners are from the left — Gail Kuster, Rachael Hammen, Carla Vincent, and Theresa Armel. Not pictured is David Adkison.

## "I Dare You" Leadership Award

SARAH CROMIEN

MIKE CLUCAS

The "I Dare You" Leadership Award is presented by the William H. Danforth foundation to a senior boy and girl who have exemplified leadership based on healthy physical habits, an alert and evergrowing mind and an outreach of friendship, and constructive social relationships within the home and community, and above all character. # Tuned-In To Memories

**MUSIC!** It can lift your spirits, and relax you on a hectic day. It can make you want to dance for joy, or shed a tear. Life without music would be very dull indeed. And, although fads and trends come and go, it will continue to live in our hearts forever.

A lot of hard work and effort have gone into making this **Sixtieth Anniversary Edition of Galahi** a reality. We couldn't have done without the hours and hours put in by the **Galahi** staff, plus all the other people who have helped us. Everyone has given 100%. It's been fun, though, and we now present it to you. **ENJOY!**
