This glamorous actress made an appearance in 1981 at Luke & Laura's wedding on GENERAL HOSPITAL.

The Gozzlemend Encounter

On Monday, Hester Gozzlemend woke up with a rosy outlook for the week. NOTHING or NO ONE was going to ruin her peachy-keen week.

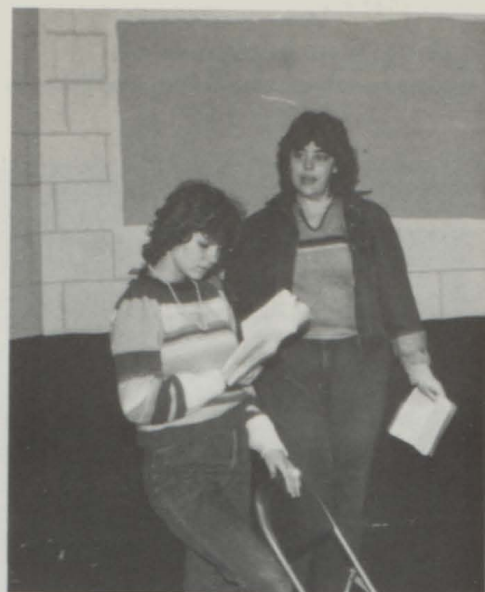

That afternoon, she came across some real jokers who were auditioning for a part in "The Wiz." Some even thought they were good enough to try out for Herby's Cafe National Marching Band. Little did they know that Herby's Cafe did not exist.

Later that afternoon, at the local fitness center, Hester found some fake muscle builders lifting up to 3 lbs. Hester was disgusted to find that she could only lift a total of 2.138 lbs.

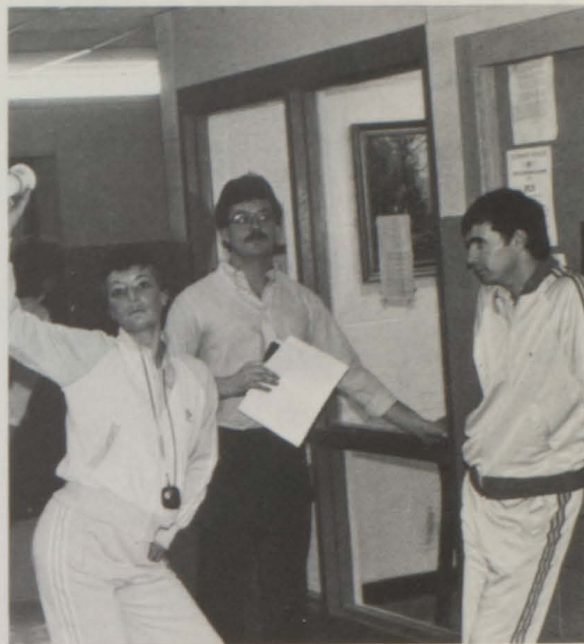

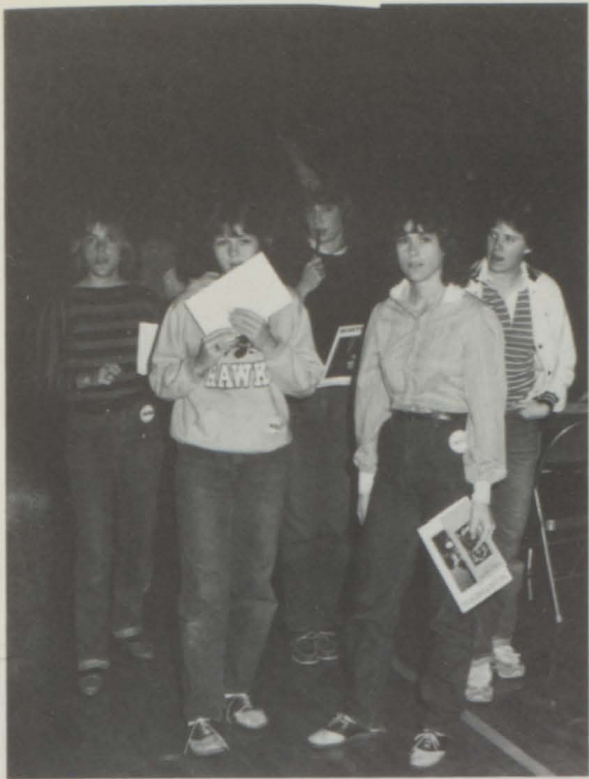

On Wednesday, Hester went shopping at Marfle's Department Store. She ended up not buying one item since all the employees were either walking around with a lost look or sitting down with no intention of helping her. Hester went to complain to the manager and found him sitting in a conference picking his nose with no gracefulness at all.

On Friday morning, Hester went to her office, The Gozzlemend Carburetor Company. She discovered that the new secretaries could only type 20 words per minute instead of the 378 words per minute that they had promised. As she was leaving her office, there were two saleswomen at her door who were trying to promote the New Colgate Pump with the use of their smiles.

Friday night, Hester was down in the dumps because of the week she had encountered. Her peachy-keen week had suddenly been flushed down the tubes along with the remains of the local Tidy Bowl Man.

Who was the "son" of Doris and Fred Ziffel in 1965's GREEN ACRES?

Name the teenage sorceress who made her debut on *THE ARCHIES* and later landed a CBS cartoon of her own.

Those Incredible Cliques

You must belong to a clique in today's "with-it" world. There are a multitude of cliques to cling to —

THE STARS OR STRIPES FOREVER CLIQUE — Members must wear only clothing containing a minimum of four of the seven rainbow colors. Any personal adornments must be rainbow or star shaped.

MUG FOR THE CAMERA CLIQUE — You must not allow a photograph to be taken unless you show your teeth, gums permissible, and place your hands in an unnatural position.

SOPHISTICATED SITTERS (OR STANDERS) CLIQUE — If seen in public, one must never be seen standing, if a sitter (sitting, if a stander) and never seen gazing at anything or anyone in particular. The ultimate sophisticate will wear an evening gown, a big floppy hat, a mustache (real or fake), and/or carry a royal scepter. A member will never acknowledge another person by waving, but only by smiling.

FABULOUS FIFTIES FOREVER FANATICS CLIQUE — Females must wear a scarf, black or hot pink, knotted tightly around the neck and have a particular fondness for poodles and the Eiffel Tower. Males must never cover their biceps and have an ample supply of Brylcreem. Also of primary importance is the ability to pound out "ANGEL BABY" on the piano.

What actor was in both *JAWS* and *AMERICAN GRAFFITI*?

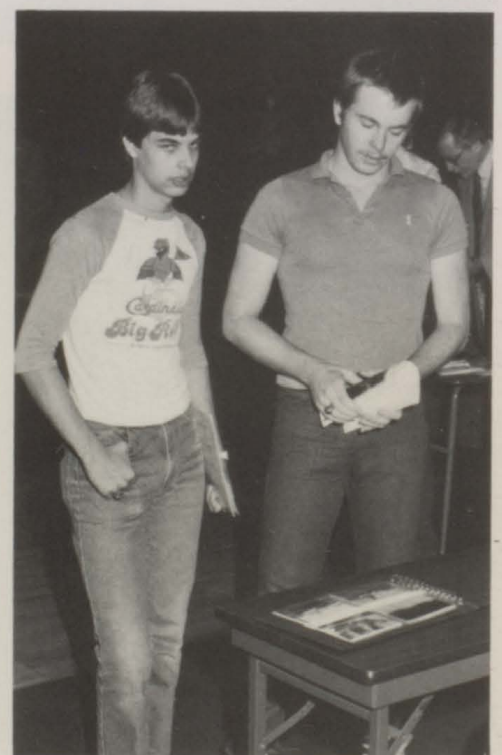

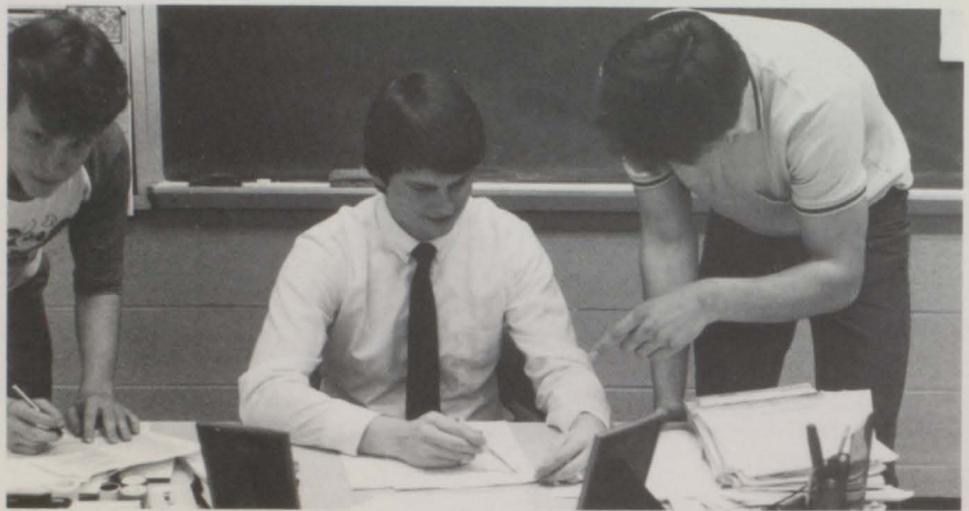

Name Donald Duck's three nephews.

Franny Strikes Again

The local movie producer, Franny B. Harkland, prepares for her new release, "Up and Down Through Chinatown." She is in hot pursuit of some intriguing stars to cast in her new movie. Franny's first interview is with Smilin' Sal, who will play the role of the sweet, innocent girl. Franny B. then realizes that she will need a squad of dancing girls who will dance, so she calls on the Beaksville Dancers and the Hillsdale Swingers, the latter ensemble being notorious for wearing the wrong costume.

Franny B. continues her search well into the afternoon and finds two characters to play the part of the Boxman and the Lion. She encounters numerous people who want nothing to do with a movie, and become a little irate that they were even disturbed. Franny then goes to the gym to find some athletes for the sports scenes. Three prime "hunks" immediately fill the bill.

Finally, Franny B. Harkland arrives at the studio and delivers the completed copy of all the interviews to the main office. Chucky Bean and his assistant check over the final draft to prepare for the movie. Everyone knows it will be a smashing success!

Lily Tomlin found herself greatly diminished in this 1981 film.

Name the actress who first played Cagney on the TV series CAGNEY AND LACEY.

El Noso Grande

A mutant pick-up truck, *El Noso Grande*, makes his home in a small mid-western town, but the local citizens soon realize that *El Noso* is not really of Swedish ancestry when he can't tell them the first name of "The Swedish Chef" of *THE MUPPET SHOW*.

Trying to entice "Big Nose" to settle elsewhere, the locals promise him the gate receipts from a basketball game pitting the best ever girls' squad against the boys' conference champions.

However, at half-time of the big game the boys' team decides to "get tough" and they come from the locker room in football shoulder pads and helmets. The girls exclaim "no way" and leave the court. The game is apparently over before full completion, so the fans demand a refund.

Substitute entertainment is quickly drummed in the form of a "Music Jam." Some of the local teenagers who have joined in on the fad of having maize, blue and white plastic strips grafted onto their hands perform to pop music tunes to appease the "Purple Rain Generation." The more sedate members of the audience are placated by the acappella singers wearing the latest fashions in drapery material.

With the money from the benefit and a special "nose-and-glasses" disguise from the local public librarian, *El Noso Grande* leaves town with gratitude for the hospitality and promises to send his half-brother, *Le Mouthre Gran*, for visit to the kindly mid-western hamlet.

Why does Emmet Otter enter a talent contest in 1980's EMMET OTTER'S JUGBAND CHRISTMAS?

Ragtime music is played throughout *THE STING* (1973). Name the composer.

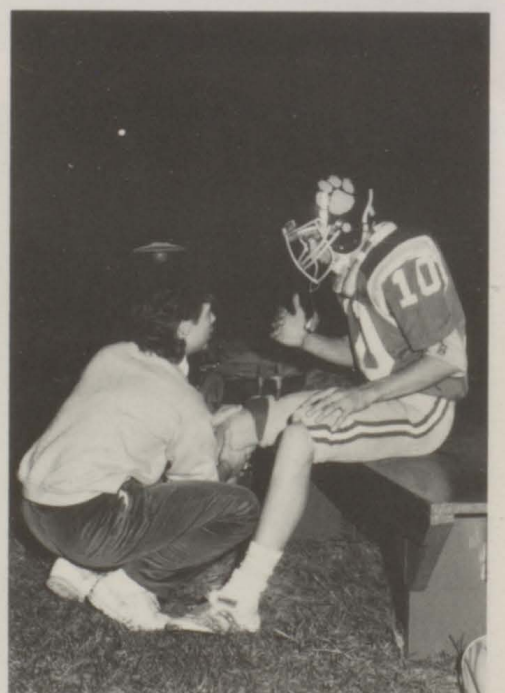

World-Wide Wildcat Wear

We also have a complete line of beauty-contestant wear and dance attire.

So if you're looking for the latest in Wildcat clothing and attire, spruce up your wardrobe, and come on over to World-Wide Wildcat Wear located at North Center Avenue, Galva, Illinois.

Name the first landlord in THREE'S COMPANY.

Name the waitress who replaced Flo on ALICE.

Dullsville, U.S.A.

The citizens of Dullsville are about as mundane as people can be. If a citizen of Dullsville knows that a group of more than five will congregate, they all wear the same color and style of clothing so that no one will stand out from the crowd.

Being afraid that they might see something on television that would be offensive, entertaining or informative, they have the electrical cord removed before the set is purchased. However, they do enjoy watching their own reflections on the screen and spend hours watching themselves. If they enter a home that contains a TV receiving signals, they immediately turn their backs to the screen so they are not tempted to watch.

High school age citizens must never allow their school lockers to contain more than three textbooks or notebooks at any given moment. Clutter is a non-necessity. Items above this limit are stored on the cafeteria floor.

The mode of dress in Dullsville varies. Knees are either fully covered (if calloused from waxing floors) or fully exposed (if someone else does your floors). Being a male academic-minded town, the high school boys wear numbers on their chests indicating the number of courses they have successfully completed in high school. The females wear a color indicating their academic successes.

The highest award given for success is applause!

How high is the crossbar between a set of football goal posts?

Trainer Kris Peterson and Manager Jim Robinson

Although the Galva Wildcat Football team did not capture the Lincoln Trail Conference championship as they had expected at the beginning of the 1984 campaign, they did have a successful season and should be proud of their efforts.

Under head coach Tom Buck, the Wildcats began the season with a thrilling overtime victory over Aledo and then shut out Erie 12-0 to take a 2-0 record into conference play. However, the conference was full of talented teams and the Cats could not shrug off the numerous injuries that plagued them after the first two games. They dropped consecutive games to Wethersfield, Toulon, and Alexis, but came back strong to win their Homecoming against ROVA 27-6, and demolish Winola 33-14. After a loss to Alwood, they ended the season with an impressive victory over Cambridge. The team finished 5-4 overall, and their 3-4 record in the conference was good enough for a 4th place finish.

The Wildcat offense gained 1,465 yards rushing and 626 yards passing for a total of 2,091 yards while averaging 232 yards per game. The Cats posted three players to 1st Team All-Conference: Alex Darragh (offense and defense), Todd Stewart (defense), and Tim Kernc (defense). Rob Strand was an Honorable Mention All-Conference selection on both offense and defense. They were also honored with selections to the All-Western Illinois team: Todd Stewart (1st team defense), Alex Darragh (2nd team defense), and Tim Kernc (Special Mention).

Although the squad lost some very close matches, they improved steadily throughout the year to beat Wyoming and Yates City and finish with a 2-15 record. Lisa Hanson was selected to the 2nd team All-Conference. The Frosh-Soph squad also worked hard and showed signs of promising potential as they posted a 4-10 season record.

Todd Hannam pulls down a rebound against Kewanee.

At the beginning of the 1984-85 basketball season, Galva was not favored to win the Lincoln Trail Conference as they had the previous year. They were not even expected to finish second or third by local newspapers. But under head coach Gene Hulick, the Wildcats used those predictions as motivation and worked hard all season to win the conference for the third consecutive year, posting a 13-1 record.

The Cats started off the season with big victories over Toulon and Yates City before losing to the host Bombers in the championship of the Williamsfield Tournament. The team lost a very close game to Kewanee but won consecutive games against Annawan, Sherrard, and Atkinson to take a 5-2 record into the Bradford Holiday Tournament. The Cats lost their first game against Wyanet but still won the Consolation Championship.

The Wildcats lost the first game in conference play, but then went on a streak of 13 straight wins to capture the LTC. Sadly, they lost their first game of the Regional to Kewanee, which brought a quick end to a successful season. They finished with a 20-5 record and were ranked 16th in Illinois by the Associated Press. Brad Hulick was named 1st Team All-Conference. Todd Stewart and Todd Hannam were named 2nd Team All-Conference. Brad was also elected 1st Team All-Western Illinois and Honorable Mention All-State.

The Frosh-Soph squad lost some very close games early in the year, but finished up the season strong by capturing the Consolation Championship at the Atkinson Tournament. Led by coach John Smith, they finished 9-5 in the conference and 12-11 overall.

This season the girls' basketball team posted the best record ever at GHS for girls. They won both the Toulon and Winola tournaments on their way to posting a final record of 17-7. Second year head coach, Dale Collis, was lead by five returning seniors. Co-captians Jennifer McCoy and Audra Lapan led the team in scoring and rebounding respectively. The girls played with a lot of heart to take third in the conference. Through her fine efforts this year, Jennifer was selected most valuable player to the team. The Frosh-Soph only won one game but we hope they improve next year.

The 1984-85 wrestling season was an improvement on last year's. With only eight people out for wrestling, the Wildcats still managed to win two meets, tie one, and lose twelve. It was an improvement over last year's no win season. Again, individual achievements were good. All of the wrestlers won at least one varsity match. Alex Darragh had an overall varsity record of 21-3. He qualified for state for the second year in a row. Alex beat six opponents on his way to taking first at District and second at Sectional before being beaten at the State Meet.

The 1985 Boys' Track Squad was not the biggest nor the best but they always came to the meet ready to run. Led by coach Donald Kord and a handful of upper classmen, the fearless Wildcats took on some of the best track teams in the area and boasted many successes.

The year featured three broken school records and a tie.* The team received the following places in area meets; 6th - Westwood Invitational, 10th - Wethersfield Relays, 5th - Princeville Relays, 8th - FS Conference, 3rd Conference, 6th Alwood Invitational, 9th Roseville Relays, 10th - District Meet.

The highlight of the season came when the 1600 meter relay team got First Place out of 23 teams at the District Track Meet in Sherrard and qualified for the State Track Meet in Charleston. The 800 meter relay team took a painful Third Place and missed going to state by less than a second. The mile relay team proceeded to break their own record and place 10th at the State meet.

Other places at the District Track Meet included: 400 meter relay - 4th place, Eric Maki in Long Jump - 4th place.

And now a word from our football captains.

The homecoming pep assembly was held Thursday, October 11, 1984, in the gym due to the rainy weather. The students showed extreme enthusiasm, especially when the king and queen were announced. The parade was held Friday with clowns, floats, and bikers involved. The cheerleaders and pom-pom girls participated in the festivities also. The senior class received first place for the float competition with the theme being "Music". The dance was held Saturday, from 8-11 p.m. with decorations furnished by the Junior class. The music was supplied by ASSAULT. Larry Cheline and Kris Peterson were crowned king and queen during the evening. Everyone seemed to enjoy themselves during all of the week's activities.

First shown in 1977 in eight parts, this was the most-watched drama in TV history.

Student Council

The Student Council started the year off with the annual Freshmen Mixer. They coordinated the homecoming parade and pep rally. After games, dances were held, and a dance was put on for the Lion's Club empty stocking fund. At home basketball games, the Student Council was in charge of concessions. A Christmas tree was put up in the cafeteria and they were also in charge of the activity sign in front of the school. The Student Council started a new tradition of putting pictures of foreign exchange students in the hall.

Future Homemakers

The Galva FHA chapter had concessions at football and basketball games. They coordinated a Christmas wrap fund raiser, carnation sales for Valentine's Day, and the St. Jude's Drive. A Christmas party and a pizza party were put on for members. Officer elections were held and the FHA Banquet was held also. The FHA State Convention was attended by members of the organization and they also took a trip to Springfield.

Drama/Thespians

The Drama Club had a weiner roast at the beginning of the year. Members went to see *OLIVER* at Circa 21. In March, the Drama Club presented *OUR MISS BROOKS*, which was followed by a cast party at Eric Maki's house. The Thespians had a banquet in May and the new members were inducted. They also had a party at Advisor Lynne West's house in Williamsfield. The Thespian Club is an honorary Drama Club and the students must participate in two plays and accumulate 15 points by serving on committees in order to become members.

Foreign Language Club

The Spanish and French Club combined their membership this year. They started their new club with a weiner roast at Tricia Kuster's house. The individual Spanish classes made pinatas for a Christmas school assembly. The Spanish classes took a field trip to see a presentation of the Flamenco dancers. The French classes took a field trip to see a production of *LE PETIT PRINCE*, which is *THE LITTLE PRINCE*. The Spanish classes ate at a Mexican restaurant and the French classes ate at a French restaurant.

That Was The Year That Was

Future Farmers

The Galva FFA members participated in several judging contests and attended both the state and national FFA conventions. They also put a lot of hard work into the ag experience plot. An FFA week was held, which included a petting zoo and a poster contest. They took part in sports, such as a basketball tournament and volleyball and softball games in which the alumni competed against the current members. The members attended the Vo-Ag Fair, the Henry County Fair Livestock Show, and the Farm Progress Show. The Homecoming hog roast was put on by FFA. Among all of these activities, they also held nut and bolt sales, a banquet, and Foundation Awards.

Art Club

The Art Club had a weiner roast to begin the year. They took an all day trip to view the sights of Chicago. Sidewalk drawings and a jambox raffle were coordinated by the Art Club. They also participated in the Walnut Art Show.

Class Song Like An Eagle

*Now is the time to follow the wind, to walk alone.
And a star will show the way, above the clouds,
beyond the sea.
And now is the time, now and farewell, and as we part
you taught me well, you gave me strength,
you showed me the way; I'll not forget you.
Like an eagle I will soar above the clouds; I will
spread my wings and fly into the sun.
Like an eagle I will race above the stars; I will fly
to places yet unseen, go beyond my wildest dreams,
Know that you are watching over me.
And all alone I follow the stars above as my guide.
As my guide, I trust in you to show the the way to me,
beyond the sea.
I can fly with the eagle to the mountain high,
race with the eagle to the rising sun
and soar with the eagle so far beyond my dreams;
like an eagle I will fly.
Like an eagle I will race above the clouds;
like an eagle I will fly, like an eagle I will fly.
I'm gonna fly above the the highest mountain,
I'm gonna fly above the clouds.
Like an eagle I will fly.*

A Bit of Brasil Comes to Galva

Cicero Cruz Antunes Garcia arrived in Galva in January to learn about life and education in the United States as a part of the Rotary Exchange Program. Cicero left his home in Mogi Mirim, Brasil with a population of 75,000 to spend a year in America. He lived the first six months with Rev. and Mrs. Daniel Buck and then moved to the home of Mr. and Mrs. Mike Massie.

Cicero attended E.E.P.S.G. MONSEHOR NORA school in Brasil and found education in Galva quite different. He was used to attending classes from 7:10 a.m. until noon, with a different subject each day. Another major difference was that in Brazilian schools the teachers move and the students remain in the same room during the school day.

The courses Cicero enrolled in at G.H.S. were Geometry, Computer Literacy, Speech, Art and P.E.

Cicero admits that he misses some aspects of his Brazilian homeland — the night clubs, the country clubs, some foods, and, quite naturally, his family.

ST. ELSEWHERE is the nickname for this Boston Hospital.

TV plays a major role in our society. It supplies us with so many different varieties of shows. TV gives us the weather, the news, the movies, and much more. Cable, HBO, and MTV are only a few of the many growing networks across the country. Since TV is such a big part in our lives, we chose to use it as our theme for this sixty-first edition.

We have enjoyed working on this yearbook. It has taken a lot of hard work, but the staff has put much effort into making this book a true success. Thanks to all the people who have contributed and helped out this year. Now, we present to you — TV GALAHI.
