The Galva Community School District #224 welcomed a new superintendent this year. Mr. Bill Owens joined the administration at the beginning of this school year. He was both born and raised in Kewanee. Before accepting the job of superintendent here, Mr. Owens held several different positions. Most recently he was principal at Atkinson High School. Before this he was employed as R.O.W.V.A. elementary principal, Galesburg elementary principal, Monmouth College Director of Personnel, Purchasing, and Physical Plant, Metamora junior high so-

Students

Long coats were in style this year, as Daryl Stisser models his. Jean jackets of all lengths were a big hit, as were stone washed jeans. Many wore boots with layered socks, while others preferred multi colored hi-tops. The street look was popular; leather jackets along with torn and worn jeans. Shaved stripes were tops with the football players of '87.

It's Time for Moving On

We've traveled a long, long time together
And there have been a lot of good things on the way.
But now, it's almost time for leavin'
And the things I feel inside are very hard to say.
But it's time for moving on, my friend;
Hold back all the tears and sorrow,
It's finally time to go our separate ways.
And I want to wish you well, my friend,
As we search for new tomorrows.
Go as you must, but, please,
Don't forget the yesterdays.
Remember the dreams we dreamed together,
All of the joys we shared in getting to today.
Now, just one time before you leave me,
Reach out and take my hand and help me walk away.

Our Galva football team is great because we are what we say we are — a Team! And with that attitude we will always be on top whether we win or lose!

"Overall I believe the 1987 football season was a positive experience for players and coach alike. The young men who participated were simply enjoyable to be around. Together we learned, the ageless lesson, that hard work does not always guarantee success and we experienced the frustration of seeing victory slip away due to factors both within and beyond our control. The only things I would have changed this year would have been our record and our serious injuries." -Mr. Breedlove-

Football

Queen Laurel Anderson

Gregg Schilling, Pat Conner, & Jim Anderson, suit up for a game. Bill Patterson is crowning our new 1987 Football queen, Laurel Anderson. Jim Stuckey grabs for the ball. Coach Breedlove introduces our team during first pep assembly.

"We started the frosh-soph football season very well winning our first three games. Then a few injuries to a few key people and we were on a downhill slide, but with a weight training program and a few more running backs the 1987-88 team will be very competitive. Its been a lot of fun as frosh-soph coach and assistant varsity coach at Galva High School."

-J. Rosenberry-

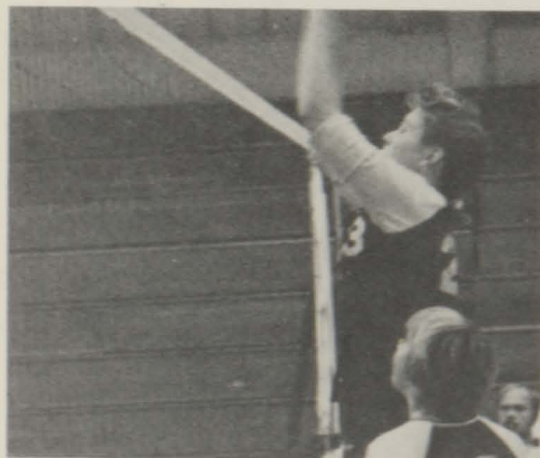

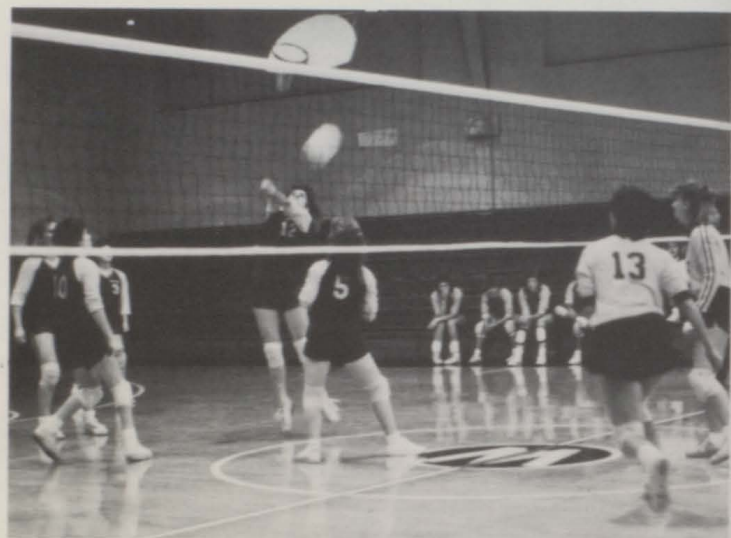

Bump, Set, Spike!!!

"The 1987 volleyball season had it's share of highs and lows. The low points consisted of underdeveloped fundamental skills and the inconsistency of individual motivation and performance. Hopefully, these areas will improve down the road. Then, there were the highlights. Those included player turnout, tremendous improvement in teamwork, and the positive feeling we gained when a game and/or match was won. Overall, this season was good. We have successfully crossed the first hurdle in order to attain a winning volleyball program at Galva High School."

BASKETBALL

Our number 1 goal for the 1987-88 basketball year was to get the Galva girls back on the winning side of the scorebook. We started the year as a group of individuals and ended the season as a team. Along the way we won 7 games and beat one of the top teams in the conference (Alexis). We also earned the respect of all the coaches and teams we played. The 1987-88 Galva girls' basketball squad is truly a group of winners.

Middle right: Ready, aim, fire.
Lower left: Don't worry Traci, she doesn't bite.
Bottom left: Julie, she isn't that big.

This past season marked the beginning of what will hopefully be a new era in the girls' basketball program at Galva High School. The frosh/soph girls this year are the future varsity players of tomorrow, and they laid a good foundation on which to build this past year.

We didn't win a great many games, but we began to see the proverbial light at the end of the tunnel. We began to come together as a team, and to develop the basic skills that are necessary if we are to be competitive in the future.

The girls worked hard and played hard, and the future looks brighter today than it did at the beginning of the year because of the efforts that the girls put forth this year.

-Mrs. Bittle-

A CLASS ACT

"This season the Wildcats boy's basketball team consisted of 8 seniors, 5 juniors, and 1 sophomore. They finished with an overall record of 12 wins and 14 losses which included 7 wins and 7 losses in the Lincoln Trail Conference, good enough for a 4th place finish. During the season they made it to the finals of two tournaments (Williamsfield and Bradford), but suffered heartbreaking losses in each.

One player, Doug Dowell, was named to 1st team all con-

ference and honorable mention all state. In addition, Doug moved into 9th place on the all-time GHS scoring list with a career total of 900 points.

Statistically, the Cats shot 41% (540/1311) from the field, 63% (339/536) from the line, and scored a total of 1470 points, averaging 57 points per game. Statistics indicate the closeness of the games during the 1987-88."

"The fresh/soph entered the season with expectations for challenging for the conference title again this year, and they did exactly that. The team was 9 and 5 in the conference losing to Cambridge twice and Alexis twice.

It was a year that saw a lot of inexperienced players get a lot of playing time that will make them challenge for starting jobs on the varsity next year, and the freshmen have to feel as if they will be one of the favorites to win the conference next year.

The year brought a lot of closeness and respect among the individual players, and a sense of pride on the team as a whole.

The year was a success in every way, and a good building block for the future.

Wrestling

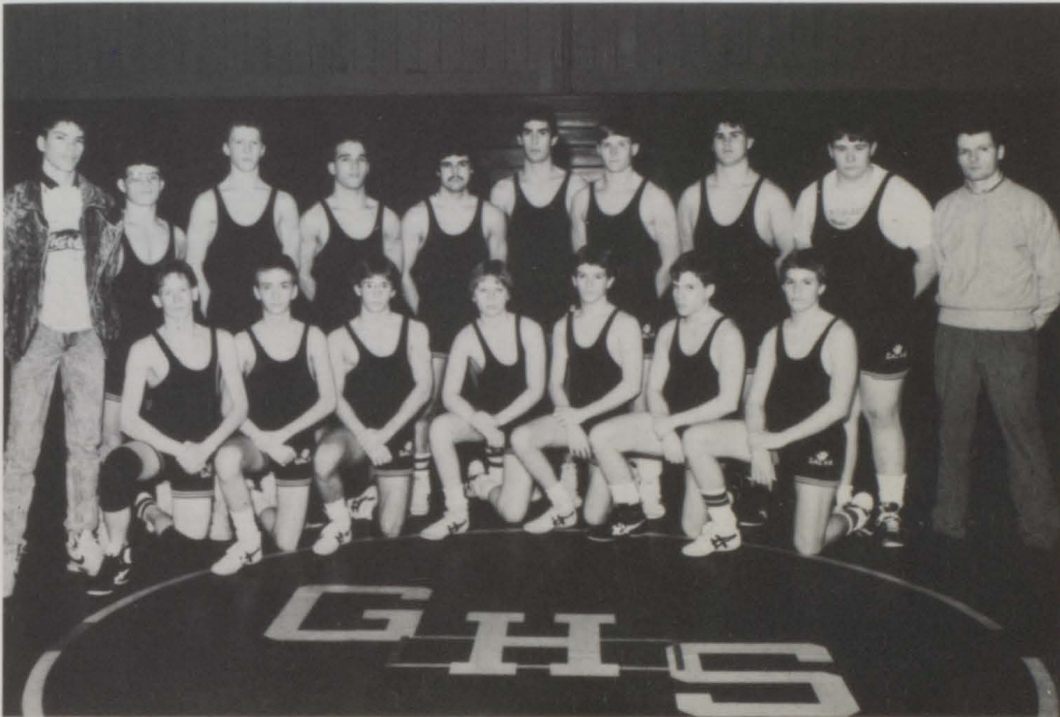

"Under the direction of first-year head coach Chris Sullens, the wrestling team got back on the winning track. For the first time in four years the wrestlers won two dual meets and advanced one wrestler, Mike Appell, to sectionals. The Wildcats also fared well in tournaments throughout the year.

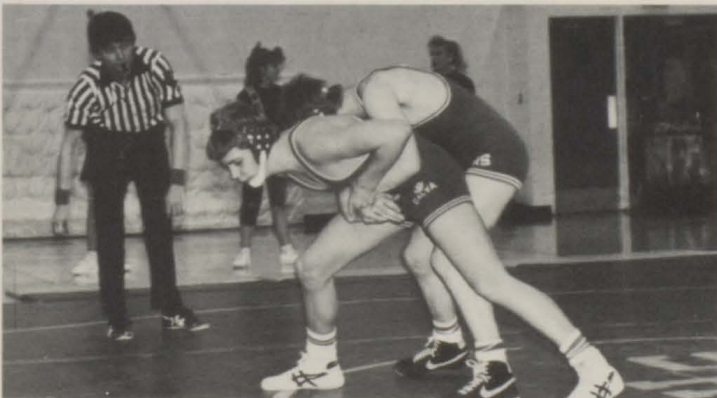

Senior captain Jeff Colgan and junior captain Jason Lindbom provided strong leadership for the young team. Sophomore heavyweight J.D. Hurd picked up

13 pins during the season. Jason Lindbom was voted Most Valuable Wrestler, Mike Appell won the Coach's Award, and Tom Nelson was the Most Improved Wrestler.

SHOW YOUR SPIRIT

This year was a new experience for the cheerleaders. The Varsity Squad was joined by the newly created Frosh-Soph Squad. Both squads performed well at a USCA cheerleading camp held at Western Illinois University this summer.

The Frosh-Soph Squad cheered for the Frosh-Soph football team and wrestling, while the varsity cheered for Varsity football and basketball.

When they weren't cheering at games, the cheerleaders

were busy making locker decorations, selling popcorn at games, brightening up the halls for Homecoming Week and painting hoops for the players to run through.

Both squads did a great job cheering this year. They are coached by Rhonda Moore.

POM PONS

LET US ENTERTAIN YOU

Under the direction of new coach, Deanna McCurdy, the 1987-88 Pom Pon season was very successful. The girls performed during every half time of the football and basketball games to the popular music of Stryper, Def Leopard, Lisa Lisa and Cult Jam, Madonna and many more. They performed at both pep assemblies and home games and featured a routine with the cheerleaders which was very exciting.

We have had a great year. All new warm-up suits and a good attitude helped this group of boys to be a proud part of the Galva Track Team. Jeff Colgan broke the school record at the conference track meet in the triple jump, set by his brother David in 1985. We had an outstanding group of hurdlers. Individual and relays, both high and low hurdles, Doug Dowell, Jeff Colgan, Alex Ingels, and Ben Moehring. Bob Nussear won the 1600 meter run, and Greg Sall won the 3200 meter run at the LTC to pace our very fine distance runner. All track members kept improving their personal best marks the entire season. I'm very proud of them.

The track season went by very quickly for the girls. The week of May 9th to May 13th was a very busy time with conference at Galva and Districts at Sherrard. By seasons end many of the track girls will have achieved their personal goals, while others will have fallen short of their achievement goals. Two school records were broken this year in the 300 meter low hurdles by Margo Thede and in the 800 meter run by Brenda Wallenfeldt. CAT

CHRONICLE

The Cat Chronicle staff was very busy this year. The staff published one newspaper per month which was quite an accomplishment. Lara Kaiser was the editor-in-chief this year with several section editors below her. The staff tried to have a meeting every Tuesday. The first meeting was for the editors to plan the paper. The next meeting was to assign stories to the reporters. The last meeting was used to help finish stories. On the following

Wednesday, the editors and Mrs. Dickinson went to the Galva News for paste-up. Publishing the paper is a lengthy process and requires a lot of hard work and dedication. (Something unknown to most people.) The staff also attended a seminar in the spring in Galesburg which helped them with their writing and interviewing skills.

This year the FFA was very busy. Our year actually started last June when four of our members went to the state convention. The rest of the summer our members devoted their time to hand weeding the ag plot in Bishop Hill. At the homecoming football game was our annual hog roast which was our best yet. Then came fall when the crops were harvested at the Bishop Hill ag days. We went to soils contest and placed third, then to crops contest where we also placed third. The Parliamentary Procedure contest gave us another second place. Six of our members competed at the Section foundation awards and four of them won their areas and went on to district competition. Come spring we had our annual banquet and presented members with their degree pins and awards.

Other activities for the year include a hot-dog roast at Windmont Park in October, a sledding pizza Christmas party, sold valentines for all the sweet-hearts on Valentine's day, in March the F.H.A. went on a field trip to Jumers and Steven's Beauty Institute in Peoria, and finally in April F.H.A. took 2 girls to Springfield for the F.H.A. State Convention. F.H.A. ended the year with a banquet honoring the Senior members and initiation of the freshmen members. All the members had a great time thanks to the new advisor, Mrs. Dianna Davis.

The editors of the Galahi staff started out the year by attending a one day workshop sponsored by Walsworth Publishing Company. Both new sponsor, Mrs. Hertz and the girls who attended, felt they learned very useful tips for designing pages and writing copy. A staff of twenty members, worked long hours on Thursday nights to create and edit each section of this book. A majority of this year's staff were newcomers and drawing layouts was a very challenging experience.

Activities

During the homecoming week, GHS spirit was hot. Tuesday was running wild, as students dressed as their favorite sports hero. Wednesday was adequately designed to accommodate us Nerds. Duh! Thursday, GHS students were be-bopping to the 50's fads. During spirit week, GHS staff members demonstrated their true blue spirit by dressing up as if they were teeny-boppers again. The glorious Friday came, and Galva colors shown through with wild patterns of maize and blue. By now the school was awaiting their longed deserved win, so playing Alexis, we battled through the rain but we lost our way to a victory.

Homecoming 1987

Our high school teachers were in a state of Deja Vu as they recaptured their own high school days when we relived the 50's generation. Kathy Stephan "fit in" perfectly as her plaids and stripes demonstrated her "wild" school spirit on Nerds day. The bonfire was sizzlin' hot as it blazed on Thursday night. Before we knew it Friday was upon us, and with it brought the rain but also the enthusiasm of the crowd watching us go by. Their spirit made the rain disappear and the sunshine with a rainbow colored sky. The parade strolled through the streets of Galva to bring us cheer and to get us ready for our long game that awaited us that night.

Homecoming '87 was a time for our "true" Wildcat spirit to show through. Demonstrating this were our proud homecoming attendants, standing tall. As for the rest of us, we were showing our "blue and maize" spirit in the way we danced to the "rhythm of the beat", and in the way we talked. We all had a way of showing our spirit, even the teachers showed their's that night. The '87 Homecoming dance was a huge success. Top Left: The 1987 Homecoming Dance was a time for friendly get-togethers. Top Right: A time for getting close.

The National Honor Society is an organization which recognizes and fosters academic achievement and scholarship while developing character, leadership, and service as ideals for citizens, in a democracy. To be eligible for selection to the N.H.S., you must be a junior or senior and have a minimum cumulative grade point average of 4.0. Eligible students are then evaluated for scholarship, leadership, character, and service by a faculty council of five teachers.

Once selected, N.H.S. members are required to maintain their scholarship, leadership, service and character at an exemplary level.

Senior Award Winners

The \$100.00 Galva Educational Booster "Pat Trickle Memorial Scholarship" will be presented by the Galva Education Boosters in memory of Pat Trickle, Community Unit District 224 Librarian, who passed away in January of 1987. It will be presented to a graduating senior who plans on attending college, junior college or vocational school and has demonstrated outstanding attributes in scholarship, character, leadership and citizenship. Financial need will also be considered.

The Sisterhood of P.E.O. established an award in 1956 to recognize superior work in English. The award, a U.S. Savings Bond, is presented each year to the graduating girl who has attained the highest four-year average in English.

The DAR Good Citizenship Award is awarded each year to a senior who exemplifies leadership and citizenship to both the school and the community.

The Jostens Foundation Leader Scholarship Award is an award of \$1,000.00 presented to 300 graduation high school seniors across the nation who exemplify the highest standards of school and community involvement and academic achievement.

The Galva Lion's Club award is presented to a graduating senior attending college, junior college or vocational school who has demonstrated outstanding abilities in character, scholarship, leadership and service to school/community. It is a \$100.00 award.

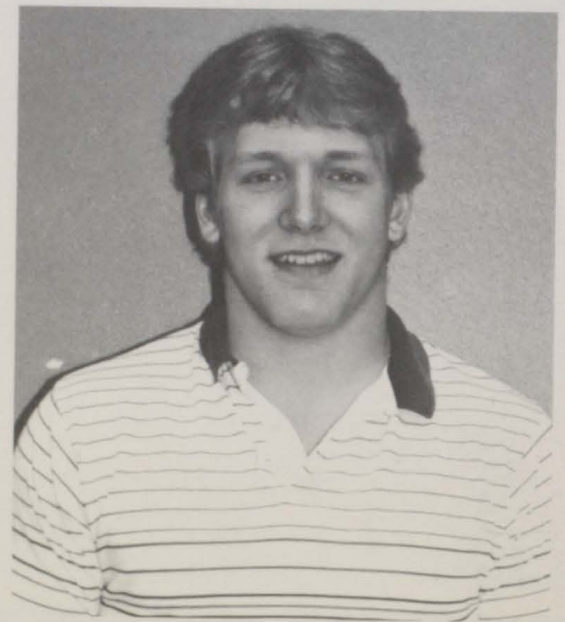

In 1980 the Women's Club of Galva established an award to be presented to the senior who has shown significant academic improvement, outstanding character, leadership and citizenship during four years at Galva High School. The student must also be planning to pursue his or her education beyond high school.

Following the death by drowning in June of 1931 of Richard Freece, Mrs. E.L. Yocum established what is now known as the Richard Freece Memorial Award. This award is to be presented each year to the graduating boy who best represents the high ideals of scholarship, leadership and participation in extracurricular activities in memorial of Richard Freece.

The Galva FFA Chapter Scholarship is designed to recognize that individual FFA member who has demonstrated outstanding participation, academic improvement and pronounced effort in all phases of vocational agriculture and FFA.

Lara Kaiser

Kevin Hanson

Nicole Stairwalt

The Black Hawk East College Superintendent's Academic Achievement Award is a tuition scholarship for a student who has demonstrated exceptional academic achievement. The applicant must be in the top ten percent of the graduation class or have a grade point average of 4.5 or above, or have an ACT composite score of 25 or more, be intending to enter a transfer program at Black Hawk East, be recommended by at least two high school staff members, and write a short essay giving reasons for wanting to attend BHE.

The Galva International Order of Odd Fellows Lodge #408 is sponsoring a \$300.00 scholarship which will be given to a graduating senior who plans to attend a junior college, college, or university in Illinois during the year following graduation. The student must be in the upper half of the class academically and be of good moral character. Preference may be given to students whose parents are members of the IOOF.

Susan Nystrom

The Sisterhood of P.E.O. established an award in 1956 to recognize superior work in English. The award, a U.S. Savings Bond, is presented each year to the graduating girl who has attained the highest four-year average in English.

Neal Wagner

The \$100.00 Masonic Lodge Scholarship is available to a senior boy who will be enrolling in either an approved college program that leads to a bachelor's degree or a transfer program of an approved junior college. This award is given to a senior boy who has demonstrated honorable qualities that a service organization would like a member to possess; those being, scholarship, character, citizenship and school/community service.

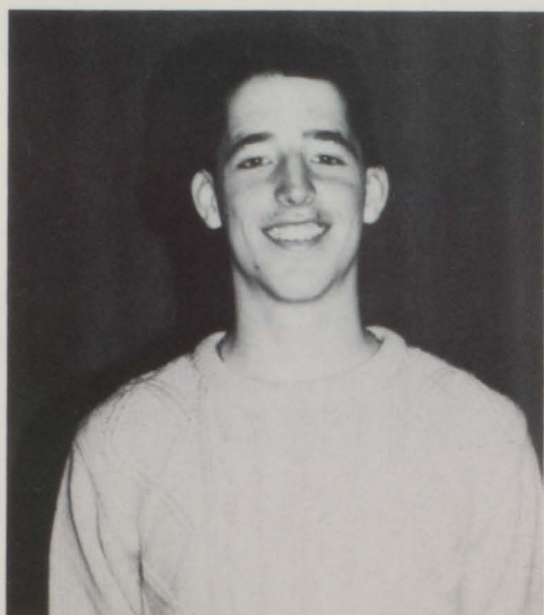

The \$100.00 Rembrandt Art Club Award is presented to the outstanding graduating art student. This student shall have demonstrated excellence in art through participation and awards at art shows, through art work done for the school and community, and commitment to art through membership and participation in the Rembrandt Art Club.

Eric Nordstrom

The Leon H. Best Memorial Scholarship was established by Mr. and Mrs. Ernest Ovitz, Jr. in memory of Leon H. Best, father of Mrs. Ovitz. The recipient of the \$500.00 award must be a member of the graduating class who demonstrates excellence in scholarship, character, leadership and citizenship. He or she must plan to continue in education beyond high school.

The Galva Educational Boosters Scholarship of \$100.00 will be presented to a graduating senior who plans on attending college, junior college, or vocational school and has demonstrated outstanding attributes in scholarship, character, leadership and citizenship. Financial need will also be considered.

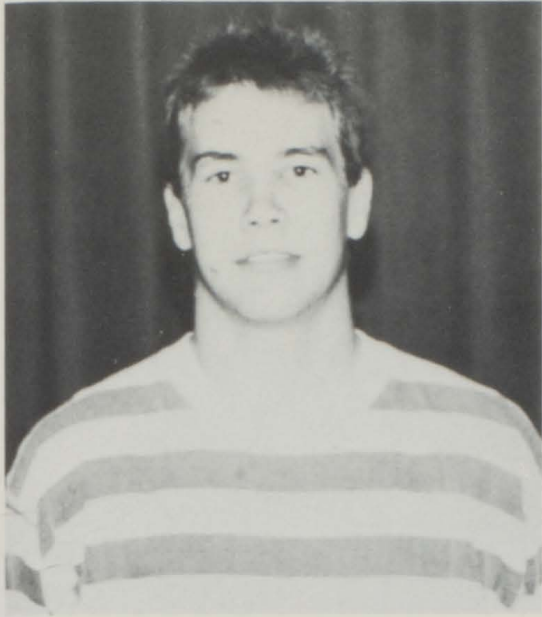

Dennis Buck

The Beta Sigma Phi Award is a \$200.00 award given to a graduating senior girl who has obtained at least a 3.5 grade average and who plans on attending college, junior college or a vocational school. The winner's selection is based on scholarship, character, service and vocational plans.

Diane Phelps

Brad Crisco

The Overbaugh Equipment Award in Agriculture has been established by the Overbaugh Equipment Company as a means of recognizing the importance of agriculture to our country and more specifically to the Galva Community. This \$ 100.00 award is to be presented to that student in agriculture among the graduating seniors who best represents the highest standards in agriculture as evidenced by leadership, scholarship and citizenship.

Craig Patty

The Galva FFA Alumni Achievement Award is designed to provide recognition to that individual who has demonstrated marked improvement in academics, FFA and also in supervised occupational experience programs. This particular award is available only to students who have demonstrated determination, participation, involvement and a positive attitude in their vocational agriculture courses and experiences.
